

The Cal Grant B Access award is designated for costs including living expenses, transportation, supplies, and books. Your Cal Grant B Access award will be automatically disbursed to your student account and will be applied toward your outstanding balance.

You may request that your Cal Grant B Access award be refunded to you instead of being applied to your student account balance.

To receive a refund of your Cal Grant B Access award, review the statements below, check each box, sign and date the form, and return to the Financial Aid Office.

I am requesting that my Cal Grant B Access award NOT be applied to my student account balance (if any) and that the entire amount be paid directly to me.

I understand that I am responsible for any unpaid bills on my student account that my Cal Grant B access award would otherwise have reduced or cleared.

I understand that I cannot receive a refund for this amount until after my Cal Grant B Access award has been disbursed to my student account and no earlier than the first day of the semester.

I understand that this request applies to the current year only and that I will need to submit this form each year if I do not wish my Access award to be applied to my student account balance.

Student Name: _____

Student ID Number: _____

Student Signature: _____

Date: _____

Please return form to:

University of La Verne, Office of Student Accounts

1950 3rd Street, Woody Hall, La Verne, CA 91750
