

# Want transfer credit for your studies from abroad?

## International Education Research Foundation

**IERF** is a non-profit, public-benefit agency dedicated to the research of world educational systems. Using this information, we provide evaluation reports with the US educational equivalency.

Students seeking transfer credit for their studies abroad should obtain a Standard Application and request a **detail report with course level designations**. The evaluation will determine if the coursework completed is eligible for transfer credit. Upon review of our report, the University of La Verne will make the final determination. If transfer credit is approved,

it would be applied as **general elective credit** at the University of La Verne. For applicants seeking credit toward specific **requirements in general education and/or the major**, a certification of the course descriptions will be required afterwards.

Students should have their school abroad send course descriptions directly to IERF (along with a special form—see last enclosure). Once they are certified, they will be forwarded to the University of La Verne who will review the content and make the final determination.

## Section 8: Document Requirements (for the most current and complete information, please visit our website at [www.ierf.org](http://www.ierf.org))

### I. **Academic Records**

Please submit the following:

1. **Transcripts / Mark Sheets / Examination Certificates / Academic Records** indicating courses/subjects, hours of study/units/credits, and grades/marks/examination results, issued in the original language. These must be issued on institutional letterhead and include official signatures and seals. If the hours/units/credits are not included on the academic records, please submit program descriptions/syllabi issued by the institution, where applicable.
2. **Diplomas / Graduation Certificates / Degree Certificates** issued in the original language (indicating that a degree/qualification has been earned or that a program of study has been completed).
3. If available, **plan of studies / curriculum** indicating the structure of your program of study.
4. **Syllabi / course descriptions** for all academic work completed beyond secondary school for licensure in the health professions.
5. **Professional License**, indicating eligibility to practice in the country of study, when submitting an application for teacher certification.
6. Copy of **the title page, abstract, table of contents, and first ten pages of the dissertation** for the evaluation of doctoral studies.
7. **Proof of name change** (if applicable), e.g. copy of a marriage certificate or other legal document.

Please note that if you have continued on to postsecondary studies, you are not required to submit academic records for secondary studies. Also, if you have completed graduate studies, the undergraduate academic records are still required as supporting documentation, although you may choose to not include them in the evaluation.

### II. **Original Documents** (Please also refer to Item VI below.)

To prevent any potential delay in the processing of your application, it is recommended that you submit original documents. Original records are required for licensure (i.e., accounting, architecture, teaching, etc.) and for many schools and universities. IERF reserves the right to request original documents at any time during the evaluation process. Official certified true copies of transcripts issued by the institution of study (or relevant government body) are acceptable, whereas notarized copies are not. Original documents submitted by the applicant are handled with care and are returned by a secure mailing service (for a fee).

### III. **Photocopies**

Original documents (including translations) must be accompanied by clear, legible and full-sized photocopies (front and back). Otherwise, you will be assessed a \$20 fee. Photocopies become the property of IERF.

### IV. **Translations**

Translations must be submitted for all records not officially issued in English. These must be in the same format as the original-language documents, line-by-line, word-for-word, and must be typed. IERF reserves the right to request translations prepared by professional translation services. If submitting official or original translations, please include a set of clear, legible and full-sized photocopies (front and back).

### V. **Country-Specific Requirements**

These are in addition to the above standard required documentation. Please refer to our website at [www.ierf.org](http://www.ierf.org).

### VI. **Request for Additional Information**

Be certain that you have all the necessary documents before sending your application, as missing documents will delay the processing of your evaluation.

Please note that at any time during the evaluation process, IERF reserves the right to request original documents, additional documents, and/or that documents be sent directly to IERF by the issuing institutions.

Please submit the requested documentation and/or fees **within 4 months**. Otherwise, your case will be closed and a \$80 fee will be required to re-open your case.

## Section 9: Terms and Conditions

1. **Advisory** – The evaluation reports prepared by IERF are advisory in nature and in no way limit an agency or institution in making its own determination as to the level of education and allocation of credit to be allowed for the foreign credentials. IERF is not liable for consequential damages if the desired equivalency is not recommended.
2. **Agency Criteria** – Any questions concerning specific requirements and procedures for licensure, employment, or admissions criteria should be addressed by the applicant to the appropriate licensing board, agency or institution.
3. **Altered or Irregular Documents** – If forged, altered, or falsified documents are submitted to IERF, the request for evaluation will be immediately cancelled. All documents (original and photocopies) become the property of IERF. No refund will be issued. The information will be made available to the appropriate parties (academic institutions, government agencies, professional organizations and other evaluation services).
4. **Applicable Law** – In the event of any disputes between the applicant and IERF, such disputes shall be governed by California law and shall be subject to the jurisdiction of the Los Angeles County courts.
5. **Contact** – IERF services are conducted solely by regular mail and the internet. Academic records, however, may only be submitted by regular mail or Courier Service.
6. **Correspondence** – Changes to an application must be submitted in writing. Once the evaluation is completed, an applicant has 90 days from the date of issue of the evaluation report within which to raise any questions concerning its content. Thereafter, the file will be closed.
7. **Damaged or Lost Documents** – Original documents submitted by the applicant are returned by a secure mailing service. While every effort is made by IERF to ensure the proper handling of educational documents, IERF accepts no liability related to the loss or damage of documents.
8. **Limited Liability of Service**
  - a) **Delay**: While every effort will be made to complete the evaluation within the requested timeframe, IERF cannot guarantee processing times and assumes no liability related to the delay of an evaluation report.
  - b) **Report**: IERF shall not be responsible for any incidental or consequential damages that an applicant may incur if the educational equivalency anticipated by the applicant is not issued as the evaluation report, based on IERF research, may differ from an applicant's interpretation or that provided by another party. IERF shall not be liable for any damages resulting from the use of the evaluation report. Furthermore, the applicant agrees to reimburse IERF for any and all costs, including legal expenses, which may incur as a result of any claim that the applicant (or anyone having any interest in the applicant's earnings or services) may make, based on the recommended equivalency.
9. **Reassessment of Equivalencies** – IERF bases its evaluation analysis on the best information available to professionals in applied comparative education in the United States at the time when the evaluation is made. When additional information becomes available, IERF reserves the right to reassess educational equivalencies when copies of an evaluation report are requested.
10. **Re-Evaluation Request** – Evaluations based on documents not submitted with the original request are considered to be new evaluations, and a new payment of the fee is required. Requests to change a General Report to a Detail Report (or the reverse) will be subject to the fee applicable to that report. The amount paid for any previous evaluation report is not credited toward the charge for a re-evaluation.
11. **Refunds** – No refunds will be issued once an application has been submitted, even if the applicant disagrees with the evaluation.
12. **Returned Checks** – a check that is returned due to insufficient funds is subject to an additional \$30 fee.
13. **Verification** – IERF reserves the right to contact educational and governmental institutions for additional information and/or verification of the authenticity of the credentials submitted, including, but not limited to, sending copies of credentials to the institution.
14. **Authorization for Release** – IERF may release information about an applicant's status including copies of educational records where these are required by the agency for whom the evaluation is being prepared.
15. **Refusal of Service** – IERF reserves the right to refuse service to anyone.
16. **Information Subject to Change** – The information provided by IERF on its website and on the application is subject to change at any time.
