

# University of La Verne

Deadline: April 26, 2026

## Request to Participate in Spring Commencement with Requirements to Complete Summer

The University of La Verne holds one commencement season at the end of the spring term. A candidate may be cleared for spring 2026 commencement upon successful completion of all degree and program requirements in the preceding summer 2025 and fall 2025 terms, or they have enrolled in final courses in January 2026 Intercession or spring term 2026. Students who have been advanced and are on track to complete their degree requirements during the following summer 2026 term, may opt to participate in spring commencement upon showing proof of enrollment in final courses or requirements during the following summer term. Cleared candidates may only participate in one ceremony for each earned degree.

- I understand that I will not officially graduate until I fulfill all requirements for my degree. I understand that the commencement ceremony is not reflective of my degree completion.
- I understand the University Registrar defines graduation as the completion of all degree requirements upon acceptance of passing grades and the posting of the degree completion date on the student academic record.
- I understand that my "degree date" is the date of completion of the final course needed for my degree, and that the date printed on my diploma will be the next official "diploma date" following the completion of all my degree requirements.
- Official diploma dates, as listed in the La Verne catalog, are January 31, May 31, and August 31.
