

Student Health Insurance Plan (SHIP) University of La Verne

Enroll

If you are a full-time domestic undergraduate or international student, you will automatically be enrolled in the University of La Verne Student Health Insurance Plan. Part-time domestic undergraduate and graduate students may enroll on a voluntary basis. Learn more about plan details at: www.gallagherstudent.com/laverne

Seeking Medical Care

If you experience an Injury or Sickness:

Insured students **MUST use Student Health Services (SHS) first**, where you will either be treated or referred to a local provider.

If you have an Emergency:

In case of an Emergency, go to the nearest hospital or call 911. **Follow-up care at the ER is not covered**; you will need to seek follow-up care at SHS.

If it is not an Emergency but you need to seek medical treatment right away, using an Urgent Care Center instead of a Hospital ER may decrease your out-of-pocket expenses.
