

PHYSICIAN ASSISTANT LIVING COMMUNITY

Oaks Residence Hall

Graduate students in the Physician Assistant program are placed on a floor together within the The Oaks Residence Hall. This hall provides students a space to build a sense of community within their cohort! The Oaks provides small and quaint common areas on each floor where working together and getting to know each other is the norm. Each floor includes a kitchenette, a laundry room, and lounge space with a smart, flat screen TV. For the Physician Assistant program, the room types are Double and Super Single options.
