Leo Dollars are included with the purchase of a weekly meal plan or specific block plans and can be spent at all on-campus dining facilities (including Barbara's Place). Leo dollars function like money on a debit card that is subtracted after every purchase. Leo Dollars roll over from semester to semester (term to term) but expire at the end of the

academic year. Additional Leo Dollars can be purchased by contacting Bon Appetit Dining Services (<http://laverne.cafebonappetit.com/>).

Weekly Meal Plans: The 10, 14, and 19 Weekly Meal Plans identify how many meals a student has to use during a given week (Sunday thru Saturday). Meals on a weekly plan cannot be shared and do not roll over per week or term/semester/trimester, or from academic year to academic year.

Block Plans: The 100, 150, 200 Block Plans are the amount of meals a student has available to use during a semester. They expire at the end of fall and spring, and can be used or shared at the student's discretion. The block plan start date for fall is the date of move-in.

The expiration date for Fall is January 29, 2022 (note left over may be used during Jan Term). The start date for the Spring meal plan is January 30, 2022. The expiration date for spring semester is May 27, 2022.

Meal plans begin on standard move in day for majority on-campus population (tentatively August 21st, 2021).
