*\*For PA students, there is no summer trimester meal plan; however, Bon Appetit will offer Leo Dollar plans.*

Leo Dollars are included with the purchase of a weekly meal plan or specific block plan and can be spent at all on-campus dining facilities (including Barbara's Place). Leo dollars function like money on a debit card that is subtracted after every purchase. Leo Dollars roll over from term to term, but expire at the end of the academic year. Additional Leo Dollars can be purchased through the La Verne Portal (<https://laverne.edu/accounts/leo-dining-dollars/>).

Weekly Meal Plans: The 10, 14, and 19 Weekly Meal Plans identify how many meals a student has to use during a given week (Sunday thru Saturday). Meals on a weekly plan cannot be shared and do not roll over per week or term, or from academic year to academic year.

Block Plans: The 100 and 200 Block Plans are the amount of meals a student has available to use during a term. They expire at the end of that term, and can be used or shared at the student's discretion. The block plan start date for fall term is the date of move-in. The expiration date for Fall term is January 27, 2024. The start date for the Spring term meal plan is January 28, 2024. The expiration date for spring semester is May 26, 2023.

**Meal plans begin on standard move in day for majority on-campus population.**
