Leo Dollars are included with the purchase of a weekly meal plan or specific block plan and can be spent at all on-campus dining facilities (including Barbara's Place). Leo dollars function like money on a debit card that is subtracted after every purchase. Leo Dollars roll over from semester to semester, but expire at the end of the academic year. Additional Leo Dollars can be purchased through the La Verne Portal (<https://laverne.edu/accounts/leo-dining-dollars/>).

Weekly Meal Plans: The 10, 14, and 19 Weekly Meal Plans identify how many meals a student has to use during a given week (Sunday thru Saturday). Meals on a weekly plan cannot be shared and do not roll over per week or semester, or from academic year to academic year.

Block Plans: The block plan is the amount of meals a student has available to use during a semester. They expire at the end of that semester, and can be used or shared at the student's discretion. The block plan start date for fall semester is the date of move-in.

Meal plans begin on standard move in day for majority on-campus population.
