

## Graduate Student Survey

The Office of Student Life at the University of La Verne is looking to enhance programs and services for graduate students. With a Campus Center project being developed and geared to all members of the campus community, we would like to better identify your needs as a graduate student at the University of La Verne.

Participation is voluntary, and you may choose to omit any item that makes you uncomfortable. Reports derived from this survey will be aggregated to eliminate identifiable information.

Thank you for your help in this survey and helping us better understand your needs as a graduate student. If you have any questions, please feel free to contact Chip West, Assistant Dean for Student Life and Assessment in the Office of Student Life at [cwest@ulv.edu](mailto:cwest@ulv.edu) or (909)593-3511.
