Academic Merit Award

You study hard. You earn good grades. The University of La Verne would like to acknowledge your efforts through the Academic Merit Award.

The Academic Merit Award is for undergraduate students with a strong scholastic record from previously attended colleges and universities who are admitted to:

- one of the University’s regional campuses
- Campus Accelerated Program for Adults (CAPA) on main campus
- La Verne Online

Eligibility Criteria

New undergraduate students admitted to the 2015-2016 academic year who have:

- a minimum of 28 transferable units (includes all college level courses)
- a cumulative GPA of 3.00 or higher*

* GPA is determined at the time of admission based on a review of all official transcripts required for admission. The GPA cannot be re-evaluated after admission.

Students receiving this award will get a $100 per unit reduction in their tuition costs, which would amount to over $4,000 throughout the program.

This cannot be combined with any other reduced tuition rates, (i.e., corporate rates, New Teacher Incentive, or the special military tuition rate.)
