DELINQUENT PAYMENT OF TUITION

ULV reserves the right to refuse a diploma or a transcript to any student or former student who is delinquent in the payment of any promissory note given in payment of any tuition, costs, or fees. Financial holds are placed on transcripts of students with delinquent accounts, and no transcripts or diplomas will be issued for such students until the holds have been removed. Students who have not met their financial obligations at the completion of a semester/term will be withdrawn automatically from all courses in that semester/term and will have financial holds placed on their transcripts. Such students will be reinstated, receive their grades, and see the financial holds removed only when their bills have been paid.

Unpaid balances at the end of each semester shall become interest-bearing at the rate of 10% per annum. Interest shall be charged beginning 30 days from the end of the term that is delinquent. Interest on the outstanding balance shall be computed monthly and shall be added monthly to the amount due.

If it becomes necessary for the University to seek collection help and/or initiate legal proceedings to collect unpaid accounts, an additional 33.33% will be added to the existing balance. The student will also be responsible for all legal fees incurred.

Pell and Cal Grant recipients:

Your grants were awarded at a “full” time status, which is 12 units per semester in the CAPA program. When the grant pays it will be adjusted according to the number of units you are registered in at the beginning of the semester.

If you Drop a class:

If you drop a class, or do not attend a class, your financial aid will be adjusted accordingly. To be eligible for loans you must maintain a minimum of 6 units for the semester.

If you have questions regarding your financial aid, contact the Office of Financial Aid at 800-649-0160. If you need to make financial arrangements to pay the remaining balance please contact the Office of Student Accounts at 909-448-4060.

Tuition Refund/Credit Policy

Withdrawal during	Enrollment Period		
	Semester	Term	Other
1st week of classes	100%	100%	100%
2nd week of classes	75%	75%	75%
3rd week of classes	50%	50%	0%

Students who receive federal financial aid are subject to a pro-rata return of federal funds through the 60% period of each term or semester as described in the Withdrawal from ULV by Financial Aid Recipients section of ULV catalog. The 60% period is calculated by dividing the number of days enrolled in the term by the total number of days within the term. The amount of funds that must be returned is determined by dividing the number of days in the term or semester that the student was not enrolled by the total number of days in the term or semester. The Financial Aid office will calculate the amount of the refund to the financial aid programs.

If a student drops classes after the tuition credit period, but before the 60% period of a term, the student will be charged for the entire amount of tuition, but a prorated portion of the financial aid will be returned to the Title IV Program.

Petitions to the stated policy, for medical reasons or reasons beyond the control of the student, should be in writing and addressed to the Financial Aid Appeals Committee.

Fees are not refundable.

Student Information

Academic Advising

Plan to meet with your Academic Advisor each semester to review your program of study.

Attendance Policy

Regular and prompt attendance at all classes is required. The instructor may assign extra work, require special examinations or refuse to grant credit for a course if the number of absences is excessive. Students should ascertain the exact policy of each faculty member at the beginning of each course.

Course Overloads

Students may enroll in a maximum of 18 units per semester throughout the University system. Students requesting to enroll in additional coursework must submit a "request for course overload" form to the Director of CAPA and receive approval prior to registration.

Classroom Facilities

Classrooms should be left clean and in good order at the end of each class session.

Wilson Library

The library delivers services to students off-campus through a toll free number at (800) 866-4858. Students may request subject searches of databases containing books, articles or newspapers. After receiving a search, students can request articles photocopied from periodicals owned by the Library. Databases will list holdings or students may use a list sent with searches. Books are checked out by mail for a month. The card catalog (LEOPAC) of Wilson Library is available through the Internet: library.laverne.edu/

Graduation

Undergraduate students should submit their Application for Graduation form to the CAPA Office two semesters prior to anticipated completion date. This application provides the Registrar with information needed to prepare the diploma and to include the student's name on the list of graduates. A graduation fee (\$140) is required of all students whether or not they participate in the graduation ceremony, and covers the cost of the entire process of completing the degree program.

Departmental Honors

Departmental Honors are granted to undergraduate students who demonstrate a high level of achievement in their majors. Minimum requirements include an overall 3.0 GPA (some departments may require a higher GPA), and at least a 3.6 in their major and a high-quality senior project or portfolio of papers. To apply for Departmental Honors, please contact the CAPA Office for more details.

Honors at Graduation

A Bachelor's degree student must have at least 84 semester units of letter grades to qualify for honors. The student who completes 44 semester units or more at La Verne, and who earns a minimum GPA of 3.6 in courses taken at the University and a minimum GPA of 3.6 in all course work applicable toward the Bachelor's Degree, will be considered for the Honor of Cum Laude. Magna Cum Laude requires 3.75 GPA and Summa Cum Laude requires 3.85 GPA with 60 semester units at La Verne.
