

# Access Programs

Foster Youth and Give Something Back Scholars student support services at the University of La Verne

*Program is housed under the Center for Multicultural Services.*

## Give Something Back

An intentional partnership has been developed with the Manager of Admissions and Academic Services and the student coaches. Highlights of this partnership include,

- Developing communication guidelines
- Standing monthly meetings
- Streamlined Care Management for scholars
- Implemented high impact practices to support scholars

## Campus Partners

Developed relationships with stakeholders in key offices. These campus partners offer support in areas where we have seen students need the most support. These include but are not limited to the following,

- Financial Needs, Financial Aid & Student Accounts
- Registration Needs, Registrar and Academic Advising
- Personal/Familial Concerns (CAPS & SOS)
- Housing, Housing & Residence Life

## Resources and Programming

Our office has identified high-impact practices that support the success of these students. A few of the HIPs developed are,

- Access & Living-Learning Connection
- 1st-semester interventions
- Access to Faculty/Staff Mentors
- Monthly Programming
- 1:1 Check-In and Support
- Academic Interventions
- CARE Support
- Book Support
