WELCOME BACK LEOS!

Welcome back and welcome to new students for the spring semester! Whether you're just starting your journey in the first month of your program or continuing your journey, congratulations on all your hard work and dedication. Graduate school comes with unique challenges, both academic and personal, and we're here to support you every step of the way.

The University of La Verne recognizes the Graduate and Adult Student Government (GASG) as the overarching graduate and adult student body government. GASG helps students develop leadership skills, raise awareness around social responsibilities, and encourages participation in public affairs. This semester, GASG will foster connectivity through in-person and virtual social events while staying committed to University policies and supporting the graduate and adult student community.
