Since 1891, the mission of the University of La Verne, to provide a people-centered, values-based education, has remained unchanged. The goal of a La Verne education is to equip our graduates with the ability to think critically and pursue dreams, to inculcate values, and to instill a sense of responsibility to give back to the community as leaders in chosen fields.

Today is the most exciting time in the history of the university. We see an historic opportunity to insure that the La Verne legacy of academic excellence continues as our students go out into the world and make a difference.

On behalf of the faculty and staff, I am pleased to invite you to join us in our ongoing tradition of excellence and service in higher education.

History

The University of La Verne was founded in 1891 as Lordsburg College by members of the Church of the Brethren who moved west from the Midwest to settle a new land. Both the College and the agricultural community were renamed La Verne in 1917, and the 1920's and 1930's found three-quarters of the student body in teacher education. The next three decades saw campus facilities multiply fourfold, the Board of Trustees become independent of church control, and the student body increase and become more cosmopolitan without the College losing its commitment to service or its dedication to sound, people-centered, values-oriented education. In 1955 the College was accredited by the Western College Association. A decade later it awarded its first master's degree, and in 1979 it conferred its first doctorate.

In 1969 La Verne began offering degree programs off campus, and the following year it opened its College of Law. Reflecting these profound changes in size and scope, the College reorganized in 1977 as the University of La Verne. In 1981 ULV founded its Orange County Campus and in 1983 a campus in the San Fernando Valley. A decade later it created campuses in Ventura County and San Bernardino/Riverside Counties and in 1996 moved to develop La Verne College of Athens into a complete branch campus. Continuing this trend of improving services to off-campus students, it developed centers in Kern County and San Luis Obispo as the 20th century closed.

Accreditation

The University of La Verne is accredited by the Accrediting Commission for Senior Colleges and Universities of the Western Association of Schools and Colleges* and is approved by the California Commission on Teacher Credentialing for offering credentials in several areas. The College of Law is accredited by the Committee of Bar Examiners for the State of California.

Memberships

The University of La Verne maintains memberships in many organizations. Among them are the American Council on Education, the Association of Independent California Colleges and Universities, the Independent Colleges of Southern California, the Western College Association, the American Assembly of Collegiate Schools of Business, the College Board, the International Council for Distance Education, and the National Association of Institutions for Military Education Services.

Nondiscrimination Policy

The University of La Verne is a coeducational university organized as a corporation under the laws of the State of California. Its purpose is to provide education and training to prepare its students to meet the responsibilities and duties of life effectively. No discrimination because of race, religious creed, color, gender, national origin, ancestry, physical handicap, medical condition, marital status, sexual orientation, or age shall apply to the enrollment of any student, to the employment of any member of the faculty or staff, or to the election of any officer or trustee of the University.

Mission Statement

The Nature of the University

The University of La Verne is an independent, nonsectarian institution of higher education founded more than 100 years ago by members of the Church of the Brethren. Since its inception, the University has offered a strong liberal arts curriculum as well as education in selected professional fields for its undergraduate students. Beginning in the 1960's, the University developed selected graduate and undergraduate programs for the adult learner at a variety of sites in California, Alaska, and Greece. The University offers high quality education to a student body diverse in age, religious perspective, and ethnic and national origin.

The Mission of the University

Through its academic and co-curricular programs, the University provides rich educational opportunities that relate to both the academic and personal development of its students. For its undergraduates the University offers a challenging general education program, as well as a strong knowledge base in a particular discipline. Graduate programs at ULV are offered in selected professional disciplines. These programs are aimed at the practicing professional, and seek to integrate theory and practice.

Philosophically, the University emphasizes four major concerns that affirm a positive and rewarding life for its students.

1. A Values Orientation
   The University affirms a philosophy of life that actively supports the health of the planet and its people. The University, therefore, encourages students to become reflective about personal, professional, and societal values in the light of this affirmation.

2. Community and Diversity
   The University promotes the goal of community within a context of diversity. The University, therefore, encourages students to understand and appreciate the diversity of cultures which exists locally, nationally, and internationally. It also seeks to promote appreciation of biodiversity by helping students understand the impact/dependence of human beings on their environment.

3. Lifelong Learning
   The University commits itself to an approach to education that is lifelong in nature. Therefore, it teaches students how to learn, how to think critically, how to do responsible research, and how to access and integrate information in order to prepare them for career growth and flexibility and continued personal growth.

4. Community Service
   The University believes that service is a primary goal of the educated person. The University therefore encourages its students to experience the responsibilities and rewards of serving the human and ecological community.
Dr. George Arnold, Emeritus Professor of Physics, prepares to ring the Commencement Bell.

The University of La Verne is a comprehensive University offering bachelor's, master's, and doctoral degrees to approximately 7,000 students. It consists of the College of Arts and Sciences, the School of Business and Global Studies, the School of Education and Organizational Leadership, the College of Law, the School of Organizational Management, and the School of Continuing Education. Organization of the University is formulated and controlled through a management team at the central campus in La Verne, California. Major units of the University are located throughout California, in Alaska, and in Greece. All programs are designed, monitored, and controlled through the appropriate departments and colleges at the central campus.

La Verne College of Arts and Sciences

John Gingrich, Dean
Aghop Der-Karabetian, Associate Dean

La Verne College of Arts and Sciences is the heart of the University of La Verne, carrying forth the traditions of the historical liberal arts college for over 100 years. It is also forward-looking and innovative, offering students a rich variety of programs, from an interdisciplinary Honors Program for qualified students to a Learning Enhancement Center for those students who need special assistance in their courses. The College offers the traditional liberal arts majors in the Humanities, Social Sciences, and the Natural Sciences, a stimulating General Education curriculum, and programs in Communications and Computer Science, as well as graduate degrees in counseling and Clinical-Community Psychology.

School of Business and Global Studies

Verne Orr, Dean
Barbara Jefferson, Assistant Dean

The School of Business and Global Studies prepares individuals to function effectively in a dynamic and complex global business environment. The School provides academic and professional education through traditional and nontraditional programs to enable individuals successfully to pursue their career paths and to make a contribution to their communities. The faculty have made a sustained commitment to providing students a demanding and relevant, practically oriented business curriculum, designed to meet the diverse and changing needs of business and industry.

The School of Business and Global Studies offers undergraduate majors in Accounting, Business Administration, Marketing, and Economics, with numerous concentrations and
minors. A joint major in International Business and Language is also available.

At the graduate level, the School offers the Master of Business Administration (M.B.A.) and a Master of Science in Business Organizational Management, with several concentrations including concentrations in Health Services Administration and Managed Care. A joint M.B.A./J.D. program is offered with the School of Law.

School of Education and Organizational Leadership

Leonard Pellicer, Dean

The School of Education encompasses two of the University’s oldest and strongest programs, Teacher Education and the Ed.D. program in Educational Leadership. It also includes graduate programs, certificates, and credentials in Reading, School Counseling, Special Education, and Educational Management, as well as bachelor’s and master’s programs in Child Development.

The dynamic School focuses not only on the need for quality teachers and educational leaders in this time of crisis in American education, but actively seeks ways to partner with school districts, business, industry, and county and state agencies in collaborative efforts to address the critical challenges facing the nation’s educational systems.

College of Law

Kenneth Held, Dean

The academic program of the College of Law is designed to offer systematic and thorough instruction in the law to prepare students to enter the legal profession. The J.D. program is a traditional one; it can be completed in three years of full-time study or four years of part-time day or evening study. Prospective students should contact the Director of Admissions to obtain an application, catalog, and other pertinent information.

The College of Law is accredited by the Committee of Bar Examiners for the State of California, and it plans to apply for American Bar Association approval next year (Spring 2001). The Dean is fully informed as to the Standards and Rules of procedure for the Approval of Law Schools by the American Bar Association. The Administration and Dean are determined to devote all necessary resources and in other respects to take all necessary steps to present a program of legal education that will qualify for approval by the American Bar Association. The College of Law makes no representation to any applicant that it will be approved by the ABA prior to the graduation of any matriculating student.

The College of Law participates in the B.A./J.D. joint degree program under which students can complete a baccalaureate degree and a J.D. in six years, as well as the M.B.A./J.D. joint degree program. Those interested in either program should contact the College of Law for additional information.

In January 2001 the College of Law will move to a nine-acre site in Ontario located within the Ontario Civic Center Plaza complex.

School of Organizational Management

Jack Meek, Coordinating Dean

The School of Organizational (SOM) provides professional degrees that are uniquely public in nature, interdisciplinary in scope, as well as applied and problem-oriented in practice. The School is comprised of the departments of Public Administration and Health Services Management and offers programs at the bache-
Academic Organization

The School has three academic emphases: Public Administration, Health Administration, and Gerontology.

Public Administration offers programs to professionals associated with cities, counties, special districts, states and the national government as well as with nonprofit and not-for-profit organizations and social service contracting organizations.

Health Services Management provides education to health services professionals, including individuals affiliated with hospitals, physicians, and medical groups; insurers; suppliers; and those governmental agencies providing healthcare oversight and services. Its degree programs focus on the unique management, leadership, and financial challenges inherent within the healthcare system.

San Fernando Valley College of Law

For information on the San Fernando Valley College of Law, see its catalog or its website at http://www.sfvlaw.edu.

School of Continuing Education

James C. Manolis, Dean

The School of Continuing Education (SCE) provides an opportunity for people to take ULV programs at geographic locations convenient to their homes or work places and many classes on the internet. Programs leading to bachelor’s and master’s degrees as well as advanced credentials are offered through SCE. The extensive interaction between these extended programs and the central campus provides a rich experience for all concerned.

There are two divisions in SCE: Regional Campuses offering programs throughout California, and Residence Centers, which offer programs on selected military bases in California, Alaska, and Italy. Further information about these programs is given in the Admissions Requirements and General Education Requirements sections of this catalog. Complete descriptions of tuition, fees, financial aid, and refunds are contained in catalog sections dealing with these topics. Specific program requirements and course descriptions are presented with the appropriate academic curriculum.

Special Programs

Religion Programs. As a service to African-American and Latino communities in and around the Los Angeles area, ULV offers off-campus courses leading to B.A. degrees in Religion, Philosophy, Religion/Philosophy, and Psychology. The purpose of this program is to prepare nontraditional-age students for graduate schools, seminaries, and leadership roles in their churches and communities. Instruction takes place at the American Baptist Theological Center in Pasadena and the Ecumenical Center for Black Church Studies in Los Angeles on Saturdays and evenings. Information and application for admission can be obtained from the program director, Dr. Dan Campana, at (909) 593-3511, ext. 4354; e-mail, campanad@ulv.edu.

Central Campus Summer Sessions. The University offers both undergraduate and graduate courses during the summer. Courses are open to all students whether or not they have matriculated at the University of La Verne. Registration opens in May. Inquiries should be directed to the Registrar’s Office or (909) 593-3511, ext. 4011, 4012.

Weekend Series Program. An on-campus program for elementary and secondary teachers, Weekend Series offers activity-oriented courses in La Verne on Friday evenings and Saturdays throughout the year. In addition, professional courses for educators are offered via the Web and for home study. Catalogs of courses can be obtained by telephoning (909) 593-3511, ext. 4239; e-mail clarke@ulv.edu.

Elementary and Secondary Summer School. ULV offers tuition-based summer school classes in school districts that wish to have a greater selection of courses available to their students than they can provide free. Students enroll in these classes to augment their programs, or to correct deficiencies. Information about this program can be obtained by calling (909) 593-3511, ext. 4901; e-mail, camerond@elv.edu.

Educational Programs in Correctional Institutions (EPIC). EPIC offers college degree instruction to individuals confined in selected California Youth Authority and Department of Corrections facilities. Information can be obtained by contacting David Werner, EPIC Director, at (909) 593-3511, ext. 4355; e-mail, wernerd@ulv.edu.

Orientation. Every fall, just prior to the first day of classes, new central campus traditional undergraduate freshmen and transfer students participate in Orientation. Orientation blends interesting seminars, lively discussions, and fun activities to acquaint new students and their parents with the University community of students, faculty, and staff, and with programs and services at ULV. The program is highlighted by a trip to the mountains with students, faculty, and staff for New Student Retreat.

University 100. Each fall, first-time traditional-age Central Campus students are required to enroll for credit in GNST 100, University 100, a seminar class designed to ease the adjustment to college. These small groups, led by members of the faculty and administration, provide for discussion, interaction, and personal growth opportunities within a supportive group. Segments of the seminar focus on time management, cross-cultural awareness, relationships, and communication skills.

Residence Halls. Undergraduate students at the central campus have the opportunity to live on campus in one of La Verne’s residence halls. Living with others in a residential community is a central aspect of the student’s total education and development through close association with classmates and participation in residence hall functions. Chats with faculty and administrators, guest speakers, seminars on current topics of interest, social activities, and other programs enrich student life in the residence hall.

Each residence hall is staffed by professional and paraprofessional (undergraduate resident assistant) staff members. Their role is to provide leadership, informal counseling, and teaching, and to serve as role models. In addition, the Residence Hall Association is the student government for the halls. La Verne offers two types of housing: single-gender floors in Brandt and Stuh-Han Residence Halls and single-gender suites in The Oaks Residence Hall. Both styles provide a community-based living environment.

Bed spaces in the residence halls are rented by the academic year. However, students may apply for Interterm and Spring Semester. Reservations for the Fall Semester begin on April 1; for the Spring Semester, on November 1. Students already residing in campus facilities have priority for space. All housing applicants are charged a $100 Housing Reservation/Security Deposit. If a student decides not to live in campus housing, the deposit may be refunded upon written request to the Residence Life Office 30 days prior to the start of the term.

Residences are open during all school holidays except Thanksgiving, Christmas, and Easter holidays. The Oaks, a coed suite-style hall, remains open during Thanksgiving, Christmas, and Easter holidays for international and out-of-state students. After occupancy has begun, no refund is allowed for absences. Refer to the license agreement for cancellation policy.

Students interested in studying at La Verne College of Athens may contact the Athens campus for assistance in locating a place to stay.

Dining Hall. Davenport Dining Hall, located on the central campus, is open during the regular academic year except Thanksgiving, Christmas, and Easter vacations. Students living in the residence halls and suites are required to purchase meal plans. Students not residing in the residence halls are welcome in the dining hall and encouraged to make arrangements to eat there.

The option of either a full meal ticket or a partial ticket is available to all students, including those living off campus. Other partial meal plans
Student Services

may be available on request. In addition to the dining hall service, the Student Center Snack Bar, “The Spot,” serves food, delicatessen style, for the convenience of the University community.

Student Employment. Central Campus students who want part-time employment on campus should contact the Student Employment Specialist (ext. 4110) located in the Financial Aid Office in Woody Hall. Many campus jobs are available for the students who qualify for the Federal Work-Study program, and an effort is made to match each student's skills, interests, and/or major to the most appropriate job. As soon as the Work-Study maximum earnings Award has been confirmed in the Financial Aid Office, students should apply for campus jobs. The award is for the academic school year and must be worked and earned during September through May. A limited number of campus jobs are available for the students who do not qualify for Federal Work-Study. In addition, summer full-time and part-time jobs on campus are available through this office. Central Campus students looking for off-campus jobs may check in the Career Development Center for assistance.

Health Services. The University Student Health Center is located at 2147 E Street (ext. 4254). The fee for services is included in the tuition of all full-time undergraduates International graduate students and is optional for other graduate or part-time students.

The clinic is open 8 a.m.-3 p.m. Monday-Thursday and 8 a.m.-noon on Friday. A medical doctor and/or physician assistant is available several hours a day by appointment. The service includes visits for illness, injuries, counseling, some prescription medications, laboratory testing, and referrals when indicated.

Bookstore. The University Bookstore offers books, supplies, gift items, and other merchandise to the campus and community.

Career Development. Career counseling is available to La Verne students in the Career Development Center (ext. 4054) located in the Student Resource Center. Services provided include vocational testing, information about careers, individual and group counseling to assist students with educational and career planning, and job search seminars discussing such topics as résumé writing and interviewing techniques.

The Career Development Center maintains current job listings for full-time, part-time, and summer jobs off campus. Placement services for education majors are located in the Education Department (MA 152; ext. 4629), and for Ed.D. candidates and graduates in the Educational Management Department (ext. 4382).

International Student Services. The staff in the International Student Center assists international students with orientation and relocation, provides personal and immigration counseling, and coordinates social and cultural activities. The ISC is located at 1886 3rd Street (ext. 4330 or 4331). ULV’s active International Student Organization hosts international luncheons, speakers, and other activities throughout the year.

Multicultural Student Services. ULV promotes an atmosphere of mutual respect among people of all cultures and assists students in striving for academic excellence by making certain that they are fully aware of resources for study and assistance at the University and within surrounding communities. It provides personal and academic counseling, career planning, and aid in organizing social and cultural activities. The Multicultural Student Advisor’s office is located in the Student Center (ext. 4253).

Disabled Student Services. The Division of Student Affairs and the Learning Enhancement Center assist physically and learning disabled students in accommodating their student life and academic needs. The office of Services for Students with Disabilities is located in the Student Health Center (ext. 4441).

Campus Ministry. La Verne is a church-related
Student Services

As a university with a strong Christian heritage, the relationship of the University with the Church of the Brethren continues to be an important one and is expressed in part by the presence of Brethren on La Verne’s Board of Trustees, among its faculty and administration, and within the student body, and by a full-time campus minister.

At the central campus, Protestant and Catholic campus ministers coordinate a varied program of activities including Protestant and Catholic gatherings, ecumenical activities, fellowship and worship opportunities, seminars, service projects, and regular contact with off-campus resources. Campus ministers’ offices are in the chapel, exts. 4320 and 4322.

Although the relationship of the University of La Verne to the Church of the Brethren reflects Christian roots and commitment, the University recognizes and encourages a plurality of religious perspectives on campus. Opportunities to study broad religious issues and to have dialogue with other faiths are encouraged. A major concern of the University is to challenge students to continue to think through their religious positions and traditions.

Summer Service. The Summer Service Program (ext. 4320) provides an opportunity for central campus undergraduate students to learn through service. In this program the student has the opportunity to spend ten weeks of the summer assisting in a church, a camp, or other service agency. Supported financially by the Christian Leadership Endowment Fund, the student receives a scholarship for this service.

It is anticipated that students will grow in their own faith as well as gain understanding and appreciation of the faiths of others.

Psychological Counseling. The psychological counseling services available to ULV students at the University Counseling Center are designed to help students work on feelings and problems which affect their personal, social, and academic effectiveness. The services include individual, couple, group, and family counseling, as well as discussion and personal growth groups on a range of topics. The Counseling Center follows a strict policy of confidentiality between student and counselor. These services are available at no cost to central campus undergraduate students and at a nominal fee to graduate and School of Continuing Education students. The center is located in the Hanawalt House (ext. 4831).

Child Development Center. The Child Development Center, which functions as a training site for ULV Child Development majors, is located on the LA County Fairgrounds (Fairplex), two miles south of the central campus. Children aged six weeks through five years may be enrolled for full-day or partial-day care. The licensed center operates from 6:30 a.m. to 6:00 p.m., Monday through Friday. Information about state and federal funding as well as tuition can be obtained at (909) 865-4101.

Student Center. The Student Center, located in the distinctive “supertents,” is the focal point of central campus student activities. The “tents” house the Multicultural Resource Center, radio and television studios, newspaper and magazine production center, gymnasium, locker rooms, Student Activities and Student Government offices, Commuter Lounge, and student mailboxes, as well as leisure-time opportunities. A separate “tent,” adjacent to the center, houses the Dailey Theatre complex of stages, workshops, and theatre offices.

Associated Student Federation, Fraternities and Sororities, and Clubs and Organizations. All full-time, traditional-age undergraduate students at the central campus are automatically members of the Associated Students Federation (ASF). The Associated Students Forum, executive body of ASF, promotes student activities and represents the views of the student body to the faculty and administration. ASF works closely with all clubs and organizations on campus. ULV currently has five fraternities and sororities and over twenty clubs and organizations whose expressed purpose is to promote individual
**Student Services**

growth, school spirit, and co-curricular activities for the college community. School of Continuing Education students have formed clubs and student organizations at some of the residence centers.

**Social and Cultural Events.** Student government, residence halls, clubs, fraternities and sororities, academic departments, and others plan social, educational, and cultural events for the central campus. Activities include music, drama, guest speakers, dances, intramural sports, dinners, parties, and a wide range of club-sponsored events. Highlights include the Faculty-Student Holiday Dinner, Homecoming Week, and awards banquets. Several dramatic and musical productions are presented each semester, and students may contribute to the campus newspaper, yearbook, magazines, theatre playbill, literary magazine, and departmental publications.

School of Continuing Education students may participate in most central campus social and cultural events. Events are also sponsored from time to time at several of the residence centers.

**Campus Safety and Transportation.** The University maintains its own security department to provide 24-hour, seven-days-a-week patrol of the campus. The safety department provides high visibility patrol, escort services, opening and securing of the campus, and instruction in crime prevention techniques. The transportation department maintains all university vans and accommodates the University’s transportation needs. These departments are located east of the Student Center and next to the First Street Parking Lot. Officers are available by calling 569-3549, #6666, or extension 4950 or 4949.

**Mail Services.** ULV maintains a full-service post office (with the exception of C.O.D. and money orders) for the use of students and staff. Located at 1st and E Streets, it is open 8 a.m.-5 p.m., Monday through Friday.

**Athletics**
Jimmy Paschal, Athletic Director

The mission of the athletic program at ULV is to distinguish itself through the pursuit of excellence based on sound educational principles and practices that operate within the philosophy and guidelines of the University of La Verne as well as those of the Southern California Intercollegiate Athletic Conference (SCIAC) and the National Collegiate Athletic Association, Division III, in both of which La Verne maintains membership. The programs of these associations provide an opportunity for students at the central campus to engage in a wide variety of intercollegiate sports at the team and individual level. The policy of the University of La Verne is to support the individuals and teams representing the University to go as far as their skills and good fortune take them. Over the years this has resulted in national championships as well as conference and regional championships in several team and individual sports.

The women have intercollegiate squads in basketball, cross country, soccer, softball, swimming, tennis, track, volleyball, and water polo. The men enter into intercollegiate programs in baseball, basketball, cross country, football, golf, soccer, swimming, tennis, track, volleyball, and water polo. In addition to fine facilities and equipment, the athletic department is staffed with qualified and enthusiastic coaches and certified trainers.

Other colleges in the SCIAC are California Institute of Technology, California Lutheran University, Claremont-Mudd-Scripps, Occidental College, Pomona-Pitzer, University of Redlands, and Whittier College. In addition, La Verne competes against other independent colleges in Southern California as well as a number of the state colleges and universities. The total program is designed to meet student interests.

**Student Athletic Eligibility.** To be compatible with the philosophy of the Southern California Intercollegiate Athletic Conference and NCAA Division III, ULV has established 24 as the minimum number of units a student must complete during the year prior to participation (two semesters as a full-time student plus any summer school) to be considered eligible for athletic competition. A freshman is automatically eligible the first year. Thereafter, if a student has been enrolled for only one semester as a full-time student, the minimum is 12 units completed. January is considered a separate term of participation, although units completed in January may be added to either the fall or the spring term total. A student must be enrolled in a January class to participate during January. A student must be enrolled in a minimum of 12 units for it to be considered a full-time term of attendance. According to the NCAA, a student must complete his or her seasons of participation during the first 10 semesters or 15 quarters enrolled as a full-time student. If a student has eligibility remaining at the time of graduation from ULV, he or she may complete his or her eligibility as a full-time graduate student (nine semester units minimum) at La Verne during the semester of completion. In order to participate in the athletic program, the graduate student athlete with eligibility remaining must purchase the University's Student Accident and Health Insurance and pay the Health Center fee.

UNDERGRADUATE ADMISSIONS

Matriculation Policy. In order to be governed by this catalog, students who apply for admission must enroll in courses within twelve months of their acceptance date.

Central Campus Admissions

The educational goal of the University of La Verne is to provide maximum opportunities for educational and personal growth; therefore, the student's goals and objectives are considered first in evaluating applicants for admission. Consideration will be given to previous formal and informal educational experience as well as to the potential to succeed in a challenging academic program. ULV seeks students who are creative, motivated, self-disciplined, and committed to learning.

Freshman Admission

In keeping with the above philosophy, the admissions decision emphasizes the academic course of study, the cumulative high school GPA during grades 10, 11, and first semester of 12, Scholastic Aptitude Test I (SAT I) or American College Test (ACT) scores, the applicant's essay, and letters of recommendation. Following an evaluation of the application and academic profile, students may be granted admission to the University in one of the following three categories:

- **Honors at Entrance.** Students who have earned a cumulative high school GPA of 3.5 or above (excluding PE, ROTC, and Teacher's Aide-TA courses) with SAT I scores of 1100 or above (or ACT scores of at least 25) are accepted with Honors at Entrance. Such students are eligible for Honors scholarships and are invited to apply to the ULV Honors Program. This program is described in the Honors Program section of this catalog.

- **Traditional Admission.** Students who have earned a cumulative high school GPA of between 2.6 and 3.49 (excluding PE, ROTC, and Teacher's Aide-TA courses) with SAT I scores of at least 850 (recentered) and 450 verbal and 400 math scores (or an ACT composite score of at least 20) will be considered for traditional admission.

- **Provisional Admission.** Applicants who fall below the standards for traditional admission will be reviewed by the Faculty Admissions Committee for possible admission into the Provisional Entrance Program (PEP). The committee considers the applicant's involvement in school and community activities, leadership abilities, special skills, application essay, and recommendations. The committee may also ask the applicant to sit for a personal interview. The PEP program is described in the “Student Acceptance through the Provisional Entrance Program (PEP)” section of this catalog.

Application Procedures. Students may apply for admission after completion of their junior year of high school. Applicants who are clearly admissible will be notified beginning February 1. In some cases a decision may be delayed until the first semester of senior grades is submitted. Students are encouraged to apply by February 1 for the Fall Semester and by December 1 for the Spring Semester. Candidates for admission will be considered after these dates on a space-available basis. ULV subscribes to the Candidate's Reply Date of May 1 (for Fall Semester), and does not require advance payment or confirmation of intent to enroll prior to this date.
Central Campus Undergraduate Admissions

To apply for admission to the University, the following documents must be submitted to the Office of Admissions. All application materials become the property of the University upon receipt.

1. **Formal Application for Admission.** Upon receipt of the completed and signed application form and the non-refundable $35 application fee, the Office of Admissions will send the applicant instructions for completing the application process.

2. **High School Transcripts.** It is the applicant’s responsibility to request that his/her transcripts be sent directly from the high school to the Office of Admissions. A transcript is not considered official if sent or delivered by the student.

3. **SAT I or ACT Scores.** The applicant is responsible for having Scholastic Aptitude Test (SAT I) or American College Test (ACT) scores sent directly to the University. Students who take multiple tests will have their highest single score used to determine the admission decision.

4. **Two letters of recommendation** from school officials where the applicant is currently enrolled or has most recently attended. Recommendation forms are included with the application.

**Transfer Students**

Students who wish to transfer from an accredited two- or four-year institution are invited to apply for admission to La Verne. There is no minimum number of units required for transfer. The recommended application deadline for students applying for the Fall Semester is February 4. Students applying for Spring Semester should submit their applications by December 1. Students may be given advanced standing on the basis of work completed according to the Transfer Credit for Undergraduate Students section of this catalog.

The University accepts transfer students in the following two categories:

**Honors at Entrance.** Students who have completed 32 or more semester hours of transferrable academic credit with a GPA of 3.3 or above may be granted Honors at Entrance.

**Traditional Admission.** Students who have completed 32 or more semester hours of academic credit in classes with a minimum grade of 2.0 and with an overall GPA of 2.2 or above may be given traditional admission. Students with fewer than 32 semester hours of transferrable academic credit will be evaluated on college work, high school transcripts, and SAT I (or ACT) scores. If all Freshman Admission requirements are met and the college GPA is 2.2 or higher, the student may be admitted to the University.

**Provisional Admission.** Applicants who fall below the standards for traditional admission will be reviewed for possible admission into the Provisional Entrance Program (PEP) (See page 27.)

In all categories students may transfer only if Honorable Dismissal was given by prior institutions.

To apply for admission, transfer students must submit the following documents to the Office of Admissions. All application materials become the property of the University upon receipt.

1. **Application for Admission.** Upon receipt of the completed and signed application and the $35 non-refundable application fee, the Office of Admissions will send the applicant instructions for completing the application process.

2. **Official transcripts.** Applicants must have official transcripts sent to the Office of Admissions from each college or university previously attended. Applicants with fewer than 32 semester hours of acceptable transfer credit must also submit high school transcripts.

3. **SAT I or ACT scores.** SAT I or ACT scores may be requested as supporting evidence. All applicants with fewer than 32 semester hours of transfer credit must submit scores from one of these tests.

4. **Two letters of recommendation** from school officials where the applicant is currently enrolled or has most recently attended. Recommendation forms are included with the application.
Central Campus Undergraduate Admissions

International Students

The University of La Verne welcomes applications from students living in countries throughout the world. Sufficient evidence must be provided to insure that a student is able to depend upon his/her own financial resources. International students must not plan on earnings from employment in the United States, financial assistance, or scholarship grants. The estimated yearly cost for an international student to attend ULV is approximately $27,000. This includes tuition, fees, room/board, books, and personal expenses (summer school tuition and transportation are NOT included). ULV is authorized to issue the I-20 when international applicants have been accepted and have submitted the $200 advance deposit. In order to allow time for obtaining visas, it is important for international applicants to provide all required documents a minimum of two months before the beginning of the semester. *Students holding F-1 and J-1 visas may attend only the central campus (and are not eligible for the CAPA program).* To be considered for admission, international students must provide the following documents to the Office of Admissions. All application materials become the property of the University upon receipt.

1. **Formal Application for Admission** and the non-refundable application fee of $35 (an international money order in US dollars)

2. **Official transcripts and certificates** (with notarized translations into English where appropriate) from all secondary schools, colleges, and universities attended. Students who have completed studies at a foreign university must send their transcripts to the Credentials Evaluation Service to be evaluated for transfer credit. There is a fee for this service. A brochure is available upon request.

3. **Proof of English Proficiency.** Applicants must establish minimum proficiency in English by submitting one of the following:
   a. An international or special-center TOEFL (Test of English as a Foreign Language) score of 500 or above.
   b. A SAT verbal score of 480 or above.
   c. A score of 3.0 or above on the ULV English Proficiency Test.
   d. Thirty semester hours or more of transferrable credit, including the equivalent of English 110.

*Note:* Prospective students with test scores marginally below the limits of minimum proficiency may be granted conditional acceptance with full acceptance pending successful completion of a first semester ESL component. A student may take no more than 14 semester hours per semester until the ESL requirement is complete.

4. **Two letters of recommendation** from school officials where the applicant is currently enrolled or has most recently attended. Recommendation forms are provided upon receipt of the completed application.

5. **A financial statement** guaranteeing that sufficient funds are available to cover the cost of attending La Verne. A nonrefundable deposit of $200 must be received in the Office of Admissions before an I-20 form can be issued to the accepted student.

Additional Admissions Information

**Campus Visits.** Interested students, parents, and friends are invited to visit La Verne. The campus setting and facilities are important factors in choosing a college, and the Office of Admissions at ULV is pleased to schedule personal interviews, campus tours, and visits to classes in session. The office is open from 8 a.m. to 5 p.m., Monday through Friday.

The University considers the campus visit valuable in the selection process. It provides the opportunity for the university and the student to become acquainted with each other. The La Verne emphasis on an individualized and personalized educational experience begins with this opportunity for mutual acquaintance.

**Candidates Reply Date.** Candidates will be considered for admission upon receipt of the application for admission, all official transcripts, appropri-
Central Campus Undergraduate Admissions

If the candidate is accepted, a $200 nonrefundable tuition deposit is due by May 1. Students accepted after this date normally will be expected to make the nonrefundable advance deposit within three weeks after the date of acceptance. The deposit is applied to the student’s account and is deducted from the first semester’s expenses.

Financial Aid. New students seeking financial assistance should contact the Office of Admissions for information and forms. For complete information, see the Financial Aid section of this catalog.

Residence Hall Reservations. Applicants who have paid their $200 advance tuition deposit will be mailed a Residence Hall Application and License Agreement. Students must return the application and license agreement, along with a $100 housing reservation/security deposit to the Office of Residential Life. The Office of Residential Life (ext. 4053) will send room reservations and a copy of the License Agreement to the student as space becomes available.

Student Acceptance through the Provisional Entrance Program (PEP). Students accepted on a provisional basis will be admitted for one semester and informed of the conditions required to remove the provisional status. The student may enroll in a maximum of 14 semester hours and is required to meet with an advisor at least three times during the semester, enroll in a study skills class, register for an appropriate English class, and make normal academic progress as defined in the Normal Academic Progress section of this catalog. Students who do not remove their provisional status by the end of the first semester of enrollment are ineligible to enroll the following semester. Students wishing to return to La Verne at some future date must reapply for admission.

Leave of Absence. A student who finds it necessary to interrupt his/her studies at La Verne and desires to return may apply to the Registrar for a leave of absence prior to leaving the University. With a leave of absence, a student may be absent from ULV for no more than two semesters without reapplying for admission. Among the acceptable reasons for granting a leave of absence are financial or medical problems and military duties. Students are required to keep the University informed about plans for return; otherwise, they will be considered withdrawn. A leave of absence will not be granted for the purpose of transferring to another institution.

Withdrawal from the University. A student who wishes to withdraw in good standing must obtain a “Notice of Withdrawal” application from the Registrar’s Office and have it signed by his/her academic advisor, a financial aid officer, a librarian, and the Office of Academic Advising. If the student is also withdrawing from courses, a “Program Request and Change Form,” signed by the student’s advisor, is also required. Students who fail to officially withdraw from classes will receive failing grades. The effective date of withdrawal is the date the student officially withdraws from all courses or the final day of the term.

Returning Student Readmission. Central campus undergraduates who have attended ULV as matriculated students, but who have not been in attendance for two consecutive semesters without a leave of absence, must reapply by filing a new Application for Admission. Readmission will be based on the current admissions policies, and the student will be required to meet current graduation requirements. Official transcripts of all academic work taken during the period of absence must be provided.

Readmission of Academically Disqualified Students. The readmission of a previously disqualified student is by special approval of the appropriate Dean. ULV will consider an application for reinstatement only after the student has remained absent for a minimum of one year following disqualification and has fulfilled all conditions of reenrollment. In every instance, readmission
School of Continuing Education Undergraduate Admissions

action is based on evidence, including transcripts of courses completed elsewhere after disqualification, that warrants such action. If readmitted, the student is placed on academic probation.

Admission to School of Continuing Education Undergraduate Programs

The School of Continuing Education (SCE) provides educational opportunities for mature adults with varied educational backgrounds. Students wishing to obtain a degree from La Verne may not register for more than 16 semester hours prior to completing the admissions process. Candidates who seek admission to the University through the CAPA program must be 25 years of age or older.

Guidelines. Applicants will be considered for admission following a review of prior college work. The admission decision will take into account the GPA and number of units completed. Applicants who have completed 30 semester hours of college-level work with a minimum GPA of 2.0 are eligible for admission. Applicants who do not meet admission criteria may be considered for provisional admission by the SCE Admissions Committee. Applicants academically disqualified from another college may be considered for admission by appeal only if the disqualification occurred more than 12 months prior to application.

To apply for admission to La Verne through SCE, students should submit the necessary admission documents to the Regional Campus or Residence Center where they will be studying. Transcripts and other official records necessary for evaluating a student’s prior work become University property upon submission and will not be returned to the applicant, copied for another use, or forwarded to another institution. The following documents must be submitted:

1. Formal Application for Admission. This form may be obtained from the SCE office where the student plans to study. The application can be used by students wishing to transfer from other institutions as well as applicants with no prior postsecondary work. It must be accompanied by the nonrefundable application fee.

2. Official Transcripts and Certificates of Prior Work. Official transcripts from all colleges and universities previously attended must be submitted to ULV. Applicants with fewer than 30 semester hours of college-level coursework must submit official verification of graduation from high school or its equivalent. Official transcripts from schools in the US must be sent directly by the issuing institution to the SCE office where the student plans to study. Transcripts from schools outside the US must also be submitted. Applicants wishing to have work completed outside the US considered for transfer credit must have their transcripts evaluated by an approved foreign credential evaluation service. There is a fee for this service.

ULV will evaluate military training for credit. Veterans must submit a DD214, and inservice military applicants must submit a DD295 or a CCAF transcript for evaluation.

3. International Students must also submit examination results of the ULV English Placement Test (EPT). A minimum score of 5.0 is required on the EPT to qualify for admission. Foreign nationals serving in the US Armed Forces or those who have successfully completed a minimum of two academic years in an accredited US college or university are exempted from this policy. International students with F-1 or J-1 visas may attend only ULV’s central campus (and are not eligible for the CAPA program). See also the ESL (graduation) Requirement in this catalog.

4. Additional Information. ULV reserves the right to request additional information in order to make an informed decision.
Evaluations. The SCE academic advisor can *unofficially* evaluate transcripts of prior course work. This provides the academic advisor with the necessary information to help the student structure a program leading to graduation. This evaluation is not official, however, until approved by the University Registrar. Students who are admitted to an associate degree program and later decide that they want to work for a bachelor’s degree must apply for admission to a bachelor’s program by submitting a new application form, another nonrefundable application fee, and any appropriate materials listed above which might not already be in the student’s permanent file. Students who are admitted to a bachelor’s degree program and later decide that they want to work for an associate degree must be re-evaluated for graduation requirements by the Registrar, and are subject to the reapplication fee.

Readmission. The University recognizes that SCE students may not be able to attend full time every term. For this reason, SCE students need not reapply after a break in enrollment unless the break was due to academic disqualification. However, students returning should be aware that University graduation requirements are subject to change and that students will have to meet the new requirements on the following schedule:

1. Students who do not enroll in courses within one year from the date of admission must reapply for admission and follow the degree requirements in effect at the time of their readmission.
2. Students who complete their degrees within seven years of the date of admission may elect to fulfill either the graduation requirements in effect at the time of their admission or any catalog prior to graduation after matriculation.
3. Students must complete their degree within seven years of the date of their admission letter or must reapply for admission and fulfill the graduation requirements in effect at the time of their readmission. Students who leave due to academic disqualification may reapply for admission after one calendar year.

Admission to EPIC

Enrollment in EPIC is open to high school graduates as well as individuals with a high school equivalency certificate and a satisfactory score on a standardized reading test. The following documents must be submitted to the Director of EPIC:

1. Formal Application for Admission. Applications can be obtained from the Director of EPIC.
2. Official transcripts of prior college work, if applicable.
3. High school transcript verifying high school completion or GED certificate.

*All application materials become the property of the University upon submission.* Following the admission decision, the Registrar will make an official evaluation of transfer work.
Undergraduate Transfer Credit

Transfer Credit for Undergraduate Students

The following types of credit may be accepted toward undergraduate degrees at the University of La Verne within approved policies:

**Advanced Placement.** Four semester hours of credit are granted for subject area examinations in the Advanced Placement Program administered by the College Entrance Examination Board when a score of three or higher is achieved. Selected Advanced Placement exams may be used to meet general education requirements.

**Associate Degree Transfer.** ULV awards full transfer credit for courses completed as part of associate degrees earned at regionally accredited California colleges before matriculation at the University. Credit is awarded for all courses in the degree, although only appropriate courses in which a grade of C- or better was received can be applied toward general education or major requirements. (See General Education Transfer Policy, next page.)

**Transfer of ESL and English Composition Courses.** La Verne will grant credit for transferable courses equivalent to English 110 completed prior to acceptance into ULV. La Verne will not grant credit for such courses completed after a student has been accepted at ULV until all prerequisite ESL courses required by placement criteria have been completed at ULV. ESL and English courses which the placement test indicates are needed must be taken at ULV, but ULV may grant elective credit for transferable ESL courses and English composition courses not equivalent to English 110 completed elsewhere prior to acceptance into ULV.

**General Education Transfer Policy—Area Requirements.**

*California Associate Degree.* At the time of matriculation, students who have earned an Associate Degree at a regionally accredited California College with General Education Requirements which are acceptable to the California State University (CSU) or the University of California (UC) or which are found in the Intersegmental General Education Transfer (IGETC) will be credited with fulfilling all of ULV's General Education AREA Requirements.

*Other General Education Transfer Options for Area Requirements.* At the time of matriculation, students who have NOT earned a regionally accredited California Associate Degree as described above, but who have completed a minimum of 32 semester hours of transferable course work will be evaluated for fulfillment of ULV's General Education AREA Requirements according to the following guidelines:

1. All transfer courses fulfilling general education requirements at UC, CSU, and through IGETC will be articulated to fulfill like requirements at ULV.
2. If courses partially fulfill selected UC, CSU, or through IGETC general education options at a college of prior attendance, these courses will be credited toward partial fulfillment of the like General Education requirement at ULV.
3. Course work completed at regionally accredited public colleges and universities outside the state of California which meets bachelor's level general education requirements at the state college or university within the same state, and is so documented in the college catalog, will be articulated to fulfill like general education requirements at ULV.
4. All other course work will be evaluated on a course-by-course basis.
5. No course will be considered for transfer unless a C- or better was received.
General Education Transfer Policy—Core Requirements.

A transfer student's CORE Requirements are determined by the number of semester hours transferred at the time of matriculation according to the following guidelines:

1. Students who transfer 32-59 semester hours must complete CORE 300, CORE 305, CORE 310, and CORE 320 or 340, and demonstrate proficiency in a foreign language equivalent to two semesters of college-level study.

2. Students who transfer 60-91 semester hours must complete CORE 300, CORE 305 or 310, and CORE 320 or 340.

3. Students who transfer 92+ semester hours must complete CORE 300 and CORE 320 or 340.

4. SCE students who transfer 32 or more semester hours must complete CORE 300 and CORE 320 or 340.

Other Transfer Credit. La Verne accepts credit earned at other regionally accredited colleges and universities on a course-by-course basis. Except in the case of courses included in associate degrees from California colleges, courses will not be considered for transfer unless a C- or better was received. ULV may accept up to 21 semester hours of vocational/technical credit (including community college certificate programs, military courses, and courses offered by noncollegiate institutions) into an associate degree program and up to 44 semester hours into a bachelor's degree program. No more than 30 semester hours of credit by assessment will be accepted in transfer. ULV will not accept transfer credit by exam (excluding standardized exams such as CLEP), if a student was not matriculated at the college where the credit was granted. ULV students interested in taking credit for transfer at other institutions should obtain prior approval through the Registrar. The University is not obligated to accept coursework that has not received prior approval.

CLEP, ACT PEP, and DANTES. Credit may be granted by the University for subject areas in which the applicant has earned a passing score (C equivalent) on College Level Examination Program (CLEP) examinations and/or ACT Proficiency Examination Program (ACT PEP) examinations. ULV may accept up to 21 semester hours of such credit into an associate degree program and up to 44 semester hours into a bachelor's degree program. DANTES credit will be awarded at the ACE recommended passing score. Selected exams may be used to meet general education requirements.

Military Credits. Courses taken through the military may be transferred under the guidelines established by the American Council on Education (ACE) Guide to the Evaluation of Educational Experiences in the Armed Services and according to ULV policy. Acceptance of credit is limited by the vocational/technical credit policy listed in the Other Transfer Credit section above.

Correspondence and Extension Courses. Within the guidelines of the vocational/technical credit policy listed in the Other Transfer Credit section above, ULV may accept up to 12 semester hours of correspondence work and up to 15 semester hours of extension work. To qualify for transfer, correspondence and extension courses must be acceptable for undergraduate degree credit at the institution where the credit was earned.

Refusal of Transfer Credit. The University of La Verne reserves the right to refuse transfer credit or limit the credits accepted toward any of its degree programs from accredited institutions, including those accredited by regional accreditation associations, if these credits are attributed to courses that do not meet the University of La Verne's academic standards.
GRADUATE ADMISSIONS

Central Campus and School of Continuing Education

Admissions Policy. In order to pursue a graduate degree, a specialized credential, or a graduate certificate program at the University of La Verne, students must be formally admitted by the appropriate graduate department. Each graduate program has specific admission requirements which are set by the academic department and are described with the program. The minimum requirements for all graduate programs are as follows:

1. A bachelor’s degree from a regionally accredited college or university. (Doctoral programs also require a master’s degree.) Students whose degrees were completed at foreign universities must submit notarized translations into English where appropriate. Such students may be required to have their degrees evaluated by a ULV-approved evaluation service to determine equivalency to a bachelor’s degree from the United States. There is a fee for this service. Applicants will be notified if their degrees need to be evaluated.

2. A GPA of 2.5 or above for the last 60 semester hours of undergraduate study, and a GPA of 3.0 for any graduate work.

3. Three positive references attesting to academic/professional competency.

4. Demonstrated ability to write at an acceptable level for graduate study.

Some programs require a higher GPA, the submission of standardized test scores, and other documentation to be eligible for admission.

Application Materials. All application materials are processed by the Graduate Office or SCE, as appropriate, and forwarded to departments. All materials submitted become the property of the University and will not be returned to the applicant, copied for another use, or forwarded to another institution. Before departments take any action regarding possible admission to a graduate program, the student must submit the following:

1. Completed application with non-refundable application fee. Fees submitted from outside the United States must be in international money orders written in US dollars.

2. Statement of purpose in about 200 words outlining goals for graduate study.

3. Official transcripts showing academic degrees and additional transcripts if applicable. All transcripts must be sent by the degree granting institution to La Verne. Applicants to central campus programs should have the transcripts sent “Attention: Graduate Office.” Applicants to School of Continuing Education programs will be provided with forms which indicate the proper return address.

4. Two or three references, as specified by the department.

5. Other documents required by departments.

6. Applicants without a degree from an English-speaking institution where English is the primary language of instruction and of the geographic area must establish minimal proficiency in English by submitting one of the following:

   a. A minimum score on the Test of English as a Foreign Language (TOEFL) of 550 or above. Some programs require a higher score.

   b. Satisfactory completion of the ULV English Proficiency Test (5.0 or higher in most programs).

   c. Satisfactory completion of prerequisite ESL courses as indicated by placement criteria.

Note: These scores are minimum admissions requirements only. Graduate students with TOEFL scores between 550 to 574 inclusive are required to take a written ESL examination. The exam will then be submitted to the graduate department to which the student has been admitted. Based on the department’s evaluation, the student may be asked to enroll in ESL courses. See the ESL Requirements for Graduate Students section of this catalog.
International Students. ULV is authorized to issue an I-20 only after international applicants have been accepted for admission and have submitted the $200 nonrefundable tuition deposit. *International students with F-1 or J-1 visas may apply to and attend only the central campus.* To apply for admission, international applicants must submit all of the application materials listed above as well as a notarized original statement indicating how the student will meet the financial obligations for graduate study at La Verne.

Possible Departmental Action. Each applicant's documents are carefully reviewed by the appropriate department. Admission decisions are made within the guidelines of the graduate admissions policy and based upon the applicant's qualifications and potential for success in a graduate program. Departments may take any one of the following actions:

1. Grant admission to students who satisfy all requirements.
2. Grant provisional admission to students who show academic and professional promise but do not meet all of the University or departmental requirements for admission. These students must meet the stipulations required by the department, or admission will be denied.
3. Hold the application pending specified additional requirements.
4. Deny admission because documents appear to indicate applicant would be unsuccessful in this graduate program.

Credential Only Admission. Students seeking advanced credentials in the areas of Administration, Counseling, Reading, and Special Education must follow the regular procedure for graduate admission. Students seeking the Multiple Subject or Single Subject Credentials need to file an application in the Education Office, but they are not required to furnish the additional documents required for entering a degree program.

Nonmatriculated Students. Students who possess a bachelor's degree and who wish to enroll in graduate courses may enroll in no more than six semester hours without filing a formal application. These courses would count toward professional growth and inservice education. However, if students wish to enter a graduate degree program or seek institutional recommendation for a credential from the University, they must submit a formal application and complete the admission process. The University cannot be held responsible for the applicability of courses toward a degree which may be selected by a student who has not been officially admitted and assigned a program counselor. A student is eligible to enroll in no more than 12 semester hours prior to being admitted to a program. Several programs restrict this limit to 6 semester hours. Assessment fees may be charged for violations of this policy.

Readmission Policy. Graduate students who have not been enrolled for two consecutive years or more must apply for readmission by submitting:

1. A new application form and application fee.
2. A statement which addresses the absence from the program and reasons for returning.
3. Transcripts not previously sent to ULV and other documents as required by the department, if applicable.

Readmission will be based on the current admissions policies, and the student will be required to meet current program requirements. Any coursework previously completed at ULV that is more than four years old at the time of readmission will need to be reviewed for acceptance by the department and the Graduate Appeals Committee.

Students who have been dismissed from ULV for ethical or behavioral reasons will not be readmitted.

Transfer Credit. To have a course which was taken at another school apply toward a master's degree, the following conditions must exist:

1. The course must have been taken within the last five years at an accredited university or college and after the student had received a bachelor's degree.
Graduate Admissions

2. The course must be acceptable into an appropriate graduate degree program at the institution where it was taken.
3. A grade of B or better must have been earned in the course.
4. The course must be sufficiently related to the student's degree program at ULV as determined by the Program Chairperson.
5. There is a limit of six semester hours which may be transferred into 30-35 semester hour degree programs. A total of 12 semester hours may be transferred into a program requiring 36 or more semester hours. (A quarter hour counts as two-thirds of a semester hour.)
6. Courses taken through the military may be transferred into a University of La Verne graduate program, consistent with the guidelines above. The number of graduate transfer credits allowed is subject to the guidelines established by the American Council on Education (ACE) Guide to the Evaluation of Educational Experiences in the Armed Services.
7. Only courses which are accepted for transfer into a degree program are added to the student's ULV transcript. Transfer credit will be posted on a student's transcript at the point of each student's advancement to candidacy.
8. The University of La Verne reserves the right to refuse transfer credit or limit the credits accepted toward any of its degree programs from accredited institutions, including those accredited by regional accreditation associations, if these credits are attributed to courses that do not meet the University of La Verne's academic standards.

Graduate students matriculated into a certificate program may transfer up to six semester hours of elective credit toward completion of the certificate. Requests to have transfer credit applied to the certificate must be submitted to the Department/Program Chair through the student's advisor in SCE. The Department/Program Chair will evaluate the transfer credit using the same criteria for accepting transfer credits into a degree program and notify the Graduate Office or SCE to post the approved transfer credit to the student's transcript.

Second La Verne Master's Degree. Students who have completed a master's degree at ULV and wish to earn a second degree at the University, must apply for the second degree program by submitting an application with a statement of purpose and a transcript of the first degree which will be evaluated by the department. If admitted to the second degree program, these policies apply:

1. For courses to count toward both degrees, they must be common to both approved programs.
2. A maximum of 20 semester hours approved by the Program Chairperson may be used from the first degree to meet requirements for the second degree.
3. A new "culminating activity" must be a part of a second degree program.

TUITION AND FEES

Financial Arrangements

The tuition charged a student will always be that rate which is current for the program in which the student is enrolled, regardless of the course number. The University reserves the right to make changes to all published rates of tuition and fees at any time without prior written notice.

Students must complete their financial arrangements no later than the beginning of each term. The University offers the payment plans listed below, which must be contracted at the time of registration.

1. **Payment in Full.** Tuition, room, board, and any other fees are payable at the time of registration.

2. **Deferred Payment Plans.** The University of La Verne offers plans for deferment of all or a portion of tuition and fees, subject to charges and conditions under the University’s Deferment Programs. Payment plans are available only for courses lasting five weeks or more. Short-term courses of up to four weeks in length must be paid in full upon registration.

   a. **Central Campus and College of Law Students:** Minimum down payment of 40% of total tuition and fees at the time of registration, with the balance to be paid in two (term based programs) or three (semester based programs) equal installments, starting with the month following the beginning of the term or semester. All deferred payments are due by the 15th of the month.

   b. **School of Continuing Education Students:** Minimum down payment of 25% of total tuition and fees at the time of registration, with the balance to be paid on the last day of the term.

   c. **Monthly Payment Plans:** Available in selected programs only. From 6 to 36 monthly installments, starting the month in which classes begin or as specified in the contract, each due the first of the month.

   All deferred payment plans require the completion of an agreement between ULV and the student. If the student is listed as a dependent on another’s income tax return, or is under 18 years of age, a cosigner is required on the agreement. No student is allowed to register for a semester/term if there is an overdue debt from a previous semester or term.

   All deferred payment plans require the payment of a fee at the time of registration or at the initiation of the monthly payment contract. The fee is based on the program in which the student is enrolled, as follows:

   - Semester Based Programs ...............$60
   - Term Based Programs ....................$40
   - Company Reimbursed students ..........$25
   - Doctoral Programs (6 payments) ........$75
   - SCE Education Progs. (24-36 payments) . $150
   - Selected Masters Programs .............$75-$100

   All students electing a deferred payment plan who do not meet their payment dates will also be assessed a monthly late payment fee of $15 to $40 depending on the program in which the student is enrolled. The University reserves the right to impose finance charges on all unpaid balances.

REFUNDS

Room and Board Refunds (Central Campus only). Refunds for the residence halls will be made according to the terms and conditions on the on-campus housing license agreement. The amount of the refund will be determined by the Housing Office. Meal ticket refunds during the Fall or Spring Semesters will be calculated on the basis of the unused portion of the ticket. There will be no refunds for the interterm (January).

Refunds of Tuition and Fees. As detailed on the above chart, students withdrawing from classes during the first 60% of a term are eligible for a refund of tuition and all applicable registration fees based on the length of the term in weeks (as published in this catalog) and the week of the student’s official withdrawal. Unpaid tuition/fee charges will be subtracted from any calculated refund. Students who have received (or whose accounts have been credited with) student financial aid funds for the term will have these funds returned to the appropriate aid funds before any refunds will be made to the student. Students who are dismissed or requested to withdraw from the University are subject to the same policies. A separate refund policy applies to students who vacate University-operated residence facilities.

Students withdrawing from the University will be charged an administrative withdrawal fee, sub-
Financial Information

tracted from any calculated refund, as follows:
• Students enrolled in 1-4 semester hours ......$40
• Students enrolled in 5-8 semester hours ......$80
• Students enrolled in 9 or more hours ..........$100
This fee will be waived during the first two weeks of a term as published in the catalog.

Delinquent Payment of Tuition

ULV reserves the right to refuse a diploma or a transcript to any student or former student who is delinquent in the payment of any promissory note given in payment of any tuition, costs, or fees. Financial holds are placed on the transcripts of students with delinquent accounts, and no transcripts or diplomas will be issued for such students until the holds have been removed. Students who have not met their financial obligations at the completion of a semester of enrollment will be withdrawn automatically from all courses in that semester and will have financial holds placed on their transcripts. Such students will be reinstated, receive their grades, and see the financial holds removed only when their bills have been paid.

Unpaid balances at the end of each semester shall become interest bearing at the rate of 10% per annum. For central campus students, interest shall be charged beginning February 1 for delinquent Fall Semester payments and July 1 for delinquent Spring Semester payments. For SCE students, interest shall be charged beginning 30 days from the end of the term that is delinquent. Interest on the outstanding balance shall be computed monthly and shall be added monthly to the amount due.

If it becomes necessary for the University to seek collection help and/or initiate legal proceedings to collect unpaid accounts, an additional 33.33% will be added to the existing balance. The student will also be responsible for all legal fees incurred.

FINANCIAL AID

Financial Assistance to Students. The University of La Verne, in an attempt to bring higher education within the reach of qualified men and women, makes financial assistance available through a variety of programs. All students admitted to a degree or certificate program at ULV may apply. (Financial aid is not available to students admitted to the Athens campus or the EPIC program.)

ULV takes both academic achievement and financial need into account in awarding financial aid. A financial aid package may include a combination of gift aid (grants and scholarships) and self help (loans and employment). No financial aid award (including loans) can exceed the student’s total cost of education.

Types of Assistance. There are various grant, scholarship, employment, and loan programs available for students who are eligible for financial assistance. These can be divided into Federal Aid, State Aid, and ULV Aid as listed below.

Federal Aid

Federal Pell Grants. Federal Pell Grants are awarded to undergraduate students on the basis of financial need. In 1999-2000 awards ranged between $400 and $3,125 per year. All undergraduates enrolled are encouraged to apply.

Federal Supplemental Educational Opportunity Grants (FSEOG). These grants are awarded to full- and part-time undergraduates who show exceptional need. During 1999-2000 Federal SEOG awards ranged from $120 to $1,555 for the year.

Federal Perkins Loans. These restricted funds may be awarded to students enrolled at least halftime, with first priority going to students with the greatest need. Funds are normally limited to traditional-age undergraduates. Interest charges, currently at the rate of 5%, begin nine months after the borrower leaves school or drops below
Financial Aid

half-time enrollment. The university normally limits a student’s Federal Perkins Loan award to $800 annually.

Federal Work-Study (FWS). This federally funded financial aid program provides paid work experience for traditional-age undergraduate students during the academic school year (September through May) only. Employment may not exceed 20 hours a week for eligible students. Funds are normally limited to traditional undergraduates. FWS eligibility is determined by the Office of Financial Aid, and is restricted to students with financial need. Awards generally range from $900 to $2,400.

Federal Subsidized Stafford Loans. These loans are for undergraduate, graduate, vocational, or professional students who demonstrate financial need. The interest rate on new Federal Stafford Loans is variable, capped at 8.25%. Stafford Loan proceeds are forwarded to the University either in the form of checks or EFT (Electronic Fund Transfer) payments. Loan proceeds are released to students in two or more payments after the student’s enrollment status and satisfactory academic progress have been verified. Origination and insurance fees are deducted with each disbursement.

No repayment is required while the student is in school full time, or during grace or deferment periods. Monthly payments generally begin six months after the student graduates, drops below half time, or withdraws from school. Lenders offer graduated or income-sensitive repayment schedules.

Federal Unsubsidized Stafford Loans. This loan program was created for middle- and higher-income borrowers and is available for undergraduate and graduate students. With the exception of demonstrating financial need, borrowers must meet all eligibility criteria of the subsidized Stafford program. Family income will not affect loan eligibility or disqualify borrowers from obtaining an unsubsidized loan.

Borrowers pay a combined origination and insurance premium fee. The federal government does not pay interest on the loan while borrowers are enrolled in school or in deferment. Interest payments begin immediately after the loan is fully disbursed or they may be added to the principal balance (capitalized). Generally, repayment begins six months after the borrower ceases to be enrolled on at least a half-time basis.

Federal Parent Loans (PLUS). These loans are available to parents of dependent students. They are processed through the Office of Financial Aid, and funds are borrowed from participating commercial lenders. The University requires a completed financial aid application for Federal PLUS consideration. Although PLUS Loans are not need-based, they may not, when combined with other sources of aid, exceed the student’s cost of attendance. The interest is set at a variable rate. Repayment may begin 60 days after the loan is approved and funds are disbursed by the lender.

State Aid

Cal Grants A and B. Each year the California Student Aid Commission awards thousands of dollars in grants to California residents. ULV undergraduates, as well as applicants for undergraduate admission who are California residents, are strongly urged to apply for one of these grants. Students applying for these awards compete on the basis of financial need, family educational history, and/or GPA. In the past stipends have varied from $1,410 to $9,420 per academic year depending upon computed financial need and program. FAFSA and CSAC GPA Verification Forms must be submitted by March 2 for the following academic year.

Cal Grant T. The California Student Aid Commission awards tuition grants of up to $9,420 to qualified students enrolled in an initial teacher preparation program on at least a half-time basis for the fall term. Applicants compete on a basis of financial need and GPA. The FAFSA, Cal Grant T Enrollment and Grade Point Average Verification Form must be submitted by June 1 for the following academic year.
ULV Aid

To be eligible for consideration for ULV grants and scholarships, a student must be enrolled full time in an undergraduate degree program at the central campus. CAPA students do not qualify.

ULV Aid for Students Who Entered Prior to Fall 1998. Most of the scholarships offered are based on financial need, but others recognize academic achievement without taking financial need into consideration. Students may receive a need-based ULV Grant in addition to a ULV scholarship.

The following GPA criteria were used to determine the amount of need-based ULV gift aid which students were eligible to receive in 1998-99. The GPA used for returning students is the cumulative GPA of work completed at ULV following the January Interterm. These limits do NOT imply that the maximum gift aid allowable will be awarded to the student because awards are made based on the availability of funds.

*Trustee, Founders, and 1891 awards are all automatically renewed during the recipient's second academic year. After that, the GPA's as listed above are required for renewal.

Eligible students entering in Fall 1998 or after may receive a need-based ULV grant in addition to a ULV award. ULV need-based grant amounts range from $50 to $5,750.

Grants and Scholarships Available to Returning Juniors and Seniors Only:

Dean's Scholarships. Tuition scholarships are awarded to students who maintain a cumulative GPA of 3.6 or above. These scholarships are renewable for students who maintain an eligible GPA.

President's Scholarships. These tuition scholarships recognize those undergraduate students with the highest academic achievement. A cumulative GPA of 3.8 or above is required, and the scholarship is renewable as long as the minimum cumulative GPA is maintained.

Grants and Scholarships Available to Students Entering Fall 1998 or After:

International Student Scholastic Awards. International students accepted as freshmen or transfer students and who plan to enroll full time in the central campus undergraduate program will automatically be considered for ULV scholarships ranging from $2,000-$4,200. These awards are renewable and are given to students whose academic credentials promise success at ULV.

Performance Awards. ULV offers music, theatre, forensics, and art awards, ranging from $1,000 to $6,000, to talented students. An audition or some other work may be required as determined by the Department. A student who receives this award as well as a ULV Trustee, Founders, or 1891 Award must choose one or the other.

Grants and Scholarships Available to Returning and Entering Students:
Financial Aid

**Alpha Gamma Sigma Scholarships.** A tuition scholarship is awarded each year to one new undergraduate student who is a member of Alpha Gamma Sigma at a California community college. This scholarship is renewable for students who maintain a cumulative GPA of 3.5 or above.

**California Scholarship Federation (CSF) Scholarships.** Tuition scholarships are awarded to one student entering ULV in the fall semester from each CSF chapter in California. These scholarships are renewable for students who maintain a minimum cumulative GPA of 3.5, and are awarded to freshmen who are California residents and receive Cal Grant B in their first year of study.

**Church of the Brethren Grants.** Tuition grants are awarded to one entering freshman or transfer student from each of the Brethren churches in the United States. These nonrenewable grants are awarded to students within the church fellowship.

**Graduate Scholarships and Assistantships.** Based on merit, these awards are made to admitted graduate students who have been nominated by their departments and approved by the Dean. These scholarships cannot exceed 25% of any semester’s tuition. Application must be made each semester through the department.

**Honors Program Scholarships.** These renewable scholarships are offered to students enrolled in the Honors Program. They are for $1,000 per year and are offered in addition to the Trustee, Founders, and 1891 Awards.

**Named Scholarships.** Over 125 Named Scholarships ranging in value from $50 to full tuition are available to traditional-age central campus undergraduates who meet the qualifications specified by the donors. A few graduate scholarships also are available. Because most Named Scholarships are need-based, applicants must also complete a ULV Financial Aid Application File. The priority filing date for ULV Financial Aid application materials is March 2 preceding the award year. Scholarships are awarded based on departmental referral, academic performance, and school and outside involvement. In some cases, recipients will be requested to complete an autobiographical essay.

**Ahmanson Foundation Scholarship.** For a student who is deserving and shows need.

**Alumni Scholarships.** For children of alumni. Recipients are chosen by the Alumni Board.

ULV Loans

ULV Loans are interest free during the student’s enrollment. Recipients must attend ULV central campus, have a minimum 2.5 cumulative GPA, have graduated from a California high school, and live in campus housing. Repayment begins after graduation or withdrawal from ULV. CAPA students are not eligible.

How to Apply for Financial Aid

There are four steps in the financial aid application process at the University of La Verne:

1. Complete a FAFSA. After January 1, 2001 the interested student must complete a FAFSA and submit it to the Federal processor. To meet the Cal Grant and priority deadlines for ULV funds, the FAFSA must be submitted by March 2, 2001. If the student submits the FAFSA after March 2, 2001, he or she may still be eligible for Pell Grants and Federal Student Loans. There are four ways to complete the FAFSA:
   - Paper FAFSA: Paper FAFSA’s are available at
   - Electronic FAFSA: A new FAFSA may be completed on the web at www.fafsa.ed.gov. A signature page needs to be printed and completed at the same time. The SAR will arrive in 14-21 days.
   - Paper Renewal Application: Students who receive a renewal application may update the information and mail it as directed. The SAR will arrive in 4-6 weeks.
   - Electronic Renewal Application: Students with a Personal Identification Number (PIN) from the US Department of Education may apply online. Students without a PIN may request one at www.fafsa.ed.gov. Using this PIN the FAFSA can be updated online, and the SAR will arrive in 4-6 weeks.

2. Submit requested verification documents to ULV’s Financial Aid Office. If selected by the Federal processor for verification, the student will be notified on the SAR. In that case the student must submit additional documentation to the Financial Aid Office, including a Verification Worksheet, copies of signed and dated 2001 Federal Tax Returns with all schedules, and other requested documents. The student’s file is not complete until all required documents are submitted.

3. Obtain Official admittance to ULV.

4. Submit other documentation if required by the student’s individual situation. For example, the Financial Aid Office may need to collect financial aid transcripts from transfer institutions. In other cases, the U.S. Department of Education may require documentation of citizenship or eligible non-citizen status, selective service registration, a cured defaulted federal student loan, or a photocopy of the student’s social security card.

Additional Information

Priority Dates and Deadlines: Certain
Financial Aid

sources of financial aid are limited, and are consequently awarded on a priority basis. To be considered for maximum funding, an on-campus traditional-age undergraduate student should file a FAFSA by March 2 and complete the application process by April 15. Applicants filing for the Cal Grant A or B must complete both a FAFSA and a GPA Verification Form by March 2. The GPA Verification Forms can be obtained from either the Office of Financial Aid or the Registrar’s Office. Non-traditional-age students also should complete the application process by March 2.

Generally, aid is awarded for the traditional academic year (Fall through Spring); Summer aid is awarded on an exception basis only. ULV attempts first to provide eligible students with funds to cover the costs of required tuition and fees. As funding permits, funds for related assistant expenses will be considered.

Award letters, mailed to students in late spring or later, contain documents which must completed and returned as instructed. Students who received a Stafford loan for 2000-2001 and are eligible for a new loan in 2001-2002 will be sent their loan certifications when the Financial Aid Office receives the award letter back from them. Students who do not have a Stafford loan in 2000-2001 but who wish to apply for one must complete a Master Promissory Note and return it with the award letter. Once transmitted, the status of the loan application may be checked at www.laureate.salliemae.com by clicking on Loan Applicant.

Satisfactory Academic Progress Policy: To participate in federal and state assistance programs, colleges and universities must establish methods to measure satisfactory academic progress. In addition to establishing financial eligibility, aid applicants must be making progress toward their stated degree/certificate objective in order to receive assistance. The Financial Aid Policy Committee approves Satisfactory Academic Progress standards, which are published by the Office of Financial Aid and distributed annually to all financial aid recipients and other parties upon request.

Selection Criteria and Determination of Awards. The cost of attendance varies for each student depending on the student’s academic program and location. Categories which make up a student’s cost of attendance are allowances for tuition and fees, room, board, transportation, books, and personal expenses. Once the cost of attendance has been determined, the family contribution as determined from information provided by the applicant on the FAFSA is subtracted to establish the student’s need.

A Financial Aid “package” normally consists of funds from a variety of programs, including grants, work-study, and/or loans. The package will be sent to the student as an “Offer of Financial Assistance.” All financial aid offers are subject to the availability of funds.

Disbursement Schedule. Loan disbursements are never made before the start of a term (as published in the University catalog) and are normally available in multiple disbursements. First-year borrowers may not receive funds until after the first 30 days of enrollment.

Students must be in the appropriate number of units and must have completed a Loan Entrance Interview before processing of their loan disbursement can continue. Students can satisfy this requirement either online at www.ulv.edu/financial aid or on a form that can be picked up at the Financial Aid Office.

Normally, the total amount of aid is divided equally among the student’s semesters or terms of enrollment. Federal, state, ULV, and private grants will be credited directly to the student’s account. Federal Stafford loan proceeds are disbursed either by electronic fund transferral (EFT) or by check. Loan proceeds disbursed by EFT are posted to the student’s account, and an EFT notification letter is sent to the student. Funds for students who do not enroll are returned to the lender. Federal Stafford loan proceeds disbursed by check will be sent directly to ULV in a minimum of two disbursements. The student will be notified that the loan check is available. Checks not negotiated within 45 days must be returned to the lender.
Withdrawal from ULV by Financial Aid Recipients. A student receiving Federal Pell Grants, Federal Perkins Loans, Federal Stafford Loans, and/or Federal Supplemental Educational Opportunity Grants who withdraws from ULV and is due a refund must return a portion of that refund to the Title IV programs as determined by Federal Regulations (34 CFR Part 668.21.) The portion of refund allocated to a program may not exceed the amount the student received from that program. Any refund established according to the University Refund Policy should be attributed in the following order: Federal Unsubsidized Stafford Loan, Federal Stafford (subsidized) Loan, Federal PLUS Loan, Federal Perkins Loan, Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, ULV Loan, ULV Grant/Merit (in any order), State Awards, Other Outside Awards. The amount of refund returned to a student may be found in the Tuition Refund section of this catalog.

Aid Renewal. Although certain awards are renewable, all students must reapply for financial aid annually. Renewable aid is conditional based on a student’s maintaining academic and financial eligibility.

Veterans Administration Benefits. Matriculated veterans at the central campus, residence centers, and selected professional development centers may be eligible for VA benefits. Students wishing to receive them should contact the Registrar or the local ULV director at or before the time of registration to complete the necessary forms.

Off-Campus Degree Programs. Financial aid is available to ULV students enrolled in degree programs who are attending off campus at least half time, including working adult students, but excluding students admitted to the Athens Campus and the EPIC program. Students may qualify and should apply for available federal and state programs. Off-campus students are not considered for institutional grants, scholarships, or loans.

ACADEMIC INFORMATION

Academic Advising

The Office of Academic Advising facilitates individualized advising for traditional undergraduate students. It assigns faculty advisors in each student's field of study, advises undeclared majors, and provides advising support to traditional-age students and their advisors. Students are invited to seek guidance or request a change in advisor by visiting or calling the office in Woody Hall, ext. 4245.

Central campus graduate students are advised by the faculty program chairperson for their respective program and by the Coordinator of Graduate Admissions and Academic Services. Graduate students seeking academic advising should contact the appropriate academic department or the Graduate Office.

Academic advising for SCE students begins on the student's first visit to the regional campus or residence center. Students work closely with academic advisors in selecting a major and choosing courses each term which best suit degree and career plans. A professional academic advisor is available for every SCE student.

Registration

Central Campus and CAPA. An early registration period, general registration period, and final registration date are announced in the Academic and Administrative Calendar. Students are expected to complete their registration by the first day of classes. General registration does continue, however, through the fifth day of classes each semester and through the third day of classes during Interterm. Officially registered students may make changes with the approval of their academic advisors beginning two weeks prior to the first day of classes and extending through the first full week of classes each semester. Graduate students may register and make program changes through the end of the tenth day of classes each semester and through the third day of classes during Interterm. Graduate students enrolled in term courses must register and make program changes before the second class meeting. Registration for special courses such as independent and directed studies is permitted for graduate and CAPA students through the tenth week of the semester. Interterm program changes may be made during the finals week of Fall Semester and during the first three days of January classes.

Summer Sessions registration and program changes may be made through the third class meeting. Students must attend the first class meeting, or they may be dropped by the instructor. Students who have been dropped by the instructor for failure to attend must formally withdraw from the course in the Registrar's Office to avoid being charged for the course and receiving a failure grade.

CAPA students register and withdraw at the CAPA office.

Residence Centers. Registration takes place during the two weeks prior to the opening of classes, and late registration extends to the end of the first week of the term. A fee is charged for late registration. Program changes are permitted during the first three weeks of the term, but only with the approval of the instructor and academic advisor, and only with the payment of the program change fee.

Other SCE Degree Programs. Registration takes place at or before the first class session, and the period of extended registration ends at the second class session. In some cases late registration is permitted at the third class session, but only with the approval of the instructor and academic advisor and upon payment of the late registration fee.
Academic Information

Academic Resources

University Libraries. The Elvin and Betty Wilson Library, ULV’s central library, contains 210,000 volumes and more than 2,000 current journal subscriptions. It also houses special collections on the history of the University, the City of La Verne, and the Church of the Brethren.

Tables and individual carrels provide seating and study space. Microfilm and microfiche readers and video cassette players are available as well as coin-operated photocopy machines.

Reference services are provided by the professional library staff. Access to library resources beyond the Wilson Library is available by means of interlibrary loan and reciprocal borrowing privileges at academic libraries in the area. The library is connected by computer to the collections of college and university libraries across the nation. The library has an online public access catalog as well as many reference databases on CD-ROM.

Both campuses of the College of Law house law libraries of over 90,000 volumes for use by faculty and students. Both libraries contain federal and California state case reporters, statutory laws, form and practice books, as well as numerous treatises, legal encyclopedias and legal periodicals, all of a general nature. Both libraries are supervised by professional law librarians. The La Verne campus Law Library is a depository for US and California State Government publications.

Off-campus students may use the University libraries, particularly the Wilson Library, whose catalog contains the holding of all University libraries and reading rooms. Off-campus Library Services receives calls at (800) 866-4858 to help students obtain books, indexes, computer searches, reference information, and articles which are communicated to students by phone, mail, fax, and private express services.

Learning Enhancement Center. Located in the Student Resource Center, the Learning Enhancement Center (ext. 4342) serves the campus community through tutorial services, academic assistance, placement testing, and an up-to-date computer laboratory. Peer tutoring provides students with an opportunity to enhance knowledge and skills in the following academic subjects: Behavioral Sciences (Anthropology, Psychology, Sociology, including Statistics), Biology, Business and Economics, Chemistry, Computer Science, English (writing and literature), English as a Second Language, Foreign Languages, History, Mathematics, and Physics. If students need tutoring in other areas, every effort is made to find tutorial assistance. Small group seminars are conducted periodically to assist students in the areas of study skills, test preparation, learning styles, and other college success topics. Placement testing for English, Foreign Languages, and Mathematics is administered at specific dates and times throughout the year.

Academic Computing Services. The Department of Academic Computing Services (ACS) provides a variety of computing services to the University community (http://www.ulv.edu/~acs/). ACS maintains five microcomputer laboratories, specialized workstations, various services (seminars, scanning, a help line, etc.), a University-wide network with full Internet access and specialized software (e.g., SPSS, C, and FORTRAN), and various operating environments (e.g., VMS and UNIX). The computer labs are open to students during the day, in the evening, and on the weekend. Students are encouraged to develop their own web sites, and off-campus access is provided via modem and Internet connections.
Academic Information

Academic Progress

Course Load—Undergraduate. A bachelor’s degree candidate must complete an average of 32 semester hours per year in order to earn his/her degree within four years. A student at the central campus normally accomplishes this by taking 12-17 semester hours each semester and 1-5 semester hours in Interterm. To be considered full time, an undergraduate must enroll in a minimum of 12 semester hours each semester and in a minimum of one semester hour during Interterm. To be considered half time, an undergraduate must enrol in a minimum of six semester hours each semester. Weekend College courses are considered part of the regular semester. During the central campus summer sessions, undergraduate students are considered full time when enrolled in eight semester hours and part time when enrolled in four semester hours.

A student wishing to enroll for a total of more than 17 semester hours at ULV and/or other institutions in the Fall and/or Spring Semester, for more than five semester hours during Interterm, or for more than 12 semester hours during the summer, must petition the Undergraduate Appeals Committee for approval. This process must be completed prior to enrollment.

For undergraduate students enrolled in accelerated 10-, 11-, and 12-week semesters, eight semester hours constitute full-time status; four semester hours constitute half-time status. For undergraduate students enrolled in eight-week semesters, six semester hours constitute full-time status, and three semester hours constitute half-time status. Approval of Center Director is required to enroll in more than the number of semester hours specified for full-time enrollment.

Course Load—Graduate. To be considered full time, a graduate student in the 15-week semester plan must enroll in a minimum of nine semester hours each semester. To be considered half time, a student must enroll in a minimum of five semester hours each semester. A student wishing to enroll in more than 15 semester hours in any semester or more than one semester hour per week during Interterm must have prior approval from the appropriate dean.

During the central campus summer sessions, graduate students are considered full time when enrolled in six semester hours and part time when enrolled in three semester hours. Students who wish to enroll in more than eight semester hours must obtain the approval of the Registrar and the appropriate dean.

Graduate students enrolled in accelerated 10-, 11-, and 12-week semesters will be considered full time for each term that they are enrolled in six semester hours, and half time for each term that they are enrolled in three semester hours. A student may enroll in more than eight semester hours only with the approval of the Center Director.

To be considered full time when enrolled in fewer than the required number of semester hours, a student must be “currently enrolled” in all courses necessary to complete his/her degree and be making normal academic progress as defined below. However, this may not qualify the student for financial aid eligibility.

Enrollment of Undergraduate Students in Graduate Courses. Undergraduate students who wish to take courses for graduate credit must be within eight semester hours of completing their bachelor’s degree and may take no more than eight semester hours of graduate credit. Prior approval must be obtained from the program advisor, instructor, Registrar, and appropriate dean. All 400-level courses taken without such approval will be considered to have been taken for undergraduate credit. Undergraduates may not take 500- or 600-level courses without prior approval. 500- and 600-level course are not applicable toward an undergraduate degree.

Nonmatriculated Students. Undergraduates who wish to enroll as part-time students may enroll in a combined total of no more than 11 semester hours in any semester and related Interterm without making formal application for
Academic Information

admission. Students who wish to become degree candidates must submit formal application and complete the admissions process prior to completion of 12 semester hours at the University. The University cannot be held responsible for the applicability toward a degree of courses which are selected by students who have not been officially admitted and assigned academic advisors.

For the policy on nonmatriculated graduate students, see the Admissions Information section of this catalog.

Normal Academic Progress—Undergraduate.
A full-time undergraduate student will be considered making normal academic progress when completing 24 semester hours per year while maintaining a 2.0 cumulative GPA; a part-time student, when completing 12 semester hours per year while maintaining a 2.0 cumulative GPA. Student class level is determined by the number of semester hours completed as follows: 0-27, freshman; 28-59, sophomore; 60-91, junior; 92 and above, senior. To maintain financial aid eligibility, students must meet satisfactory academic progress standards as described under Satisfactory Academic Progress Policy in the Financial Aid section of this catalog.

Normal Academic Progress—Graduate.
Graduate students are considered to be making normal academic progress when a cumulative GPA of 3.0 or higher is maintained. Full- and part-time graduate students making normal academic progress must complete their degrees within the limits specified under Time Limitation in the Graduation Requirements—Graduate Programs section of this catalog. To maintain financial aid eligibility, students may have to meet additional requirements as described in the Financial Aid section of this catalog.

Academic Probation. Academic probation carries a serious warning to the student that his/her scholastic record is unsatisfactory, and continued failure to improve this record will result in academic disqualification. Students on probation may also have restrictions imposed by the Deans regarding their programs of study. The following students will be placed on academic probation, with an appropriate notation made on the transcript:
1. An undergraduate student whose cumulative ULV GPA falls below 2.0.
2. A graduate student whose cumulative GPA falls below 3.0.

In addition, an undergraduate student in good standing who fails to earn a 2.0 GPA in a given term will have an Academic Warning posted on the transcript and grade report for that term.

Academic standing is determined after every term for SCE students and for graduate students. For all other programs academic standing is calculated after fall and spring terms only.

Undergraduate students on academic probation must obtain a ULV GPA of 2.0 or above for each term until their cumulative ULV GPA reaches 2.0. Undergraduate students will remain on academic probation until their cumulative ULV GPA rises to 2.0 or better and will not be eligible for enrollment in the culminating activity or for commencement until academic probation is removed.

Graduate students on academic probation must obtain a GPA of 3.0 or above for each term until their cumulative GPA reaches 3.0. Graduate students will remain on academic probation until their cumulative GPA rises to 3.0 or better and will not be eligible for Advanced Standing or enrollment in the culminating activity until academic probation is removed. After reaching the cumulative 3.0 GPA, graduate students must maintain that average as a minimum until they complete their degree program.

Academic probation is distinct from financial aid probation, which is covered in the Financial Aid Programs section of this catalog.

Academic Disqualification. Undergraduate students on academic probation who fail to earn a 2.0 ULV GPA in any term will be academically disqualified. Graduate students on academic probation who fail to earn a 3.0 GPA in any term will be academically disqualified. Extenuating circum-
Academic Information

stances may be reviewed by the Dean of the student's college or by the Graduate Appeals Committee. Academic disqualification will be recorded on the transcript. If this status is removed, the date of reinstatement will also be recorded. The Veterans Administration (in cases where students receive VA funds) or other appropriate governmental agencies will be notified when a student is academically disqualified.

Academic Renewal for Undergraduate Students. Under special circumstances a student may petition for Academic Renewal. Academic Renewal is provided for currently enrolled undergraduate students whose previous academic record was below the acceptable standard (a cumulative ULV GPA of less than 2.0) and is not reflective of their current demonstrated ability to succeed. A student may request Academic Renewal if the following conditions are met:

1. He/she is currently matriculated at ULV.
2. At least five years have elapsed since the end of the term in which the work requested for removal was taken.
3. He/she has completed 18 semester hours with a minimum GPA of 3.0, 24 semester hours with a minimum GPA of 2.5, or 30 semester hours with a minimum GPA of 2.0 at ULV since the work to be removed was completed.
4. He/she was matriculated and enrolled full time when the substandard work was completed.

Having met these conditions, a student may petition for removal of ULV degree work from the institution degree GPA by submitting a request to the appropriate Academic Dean. A student may request the maximum of one academic year (four terms, or two semesters, interterm, and a summer session, consecutively taken) to be removed from the degree calculation. The request for Academic Renewal will be considered with supporting statements providing evidence of the following:

a. Conditions 1-4 above have been met, and
b. The work requested to be removed from the degree calculation is substandard and not representative of the student's current academic ability.

If the Academic Dean approves the request, “Academic Renewal” will be printed on the student's transcript and show that no work taken during the terms removed, even if satisfactory, will be applied to the Associate or Bachelor's Degree. All work will remain on the transcript to ensure a true and complete academic history, and all work, including the academic renewal terms will be included in the computation for departmental and school honors.

Academic Renewal only applies to course work completed at ULV. Students who have unsatisfactory grades at other colleges or universities must consult those institutions to see if they are eligible for academic renewal according to the policies of those institutions. Academic renewal from another institution will not be considered by ULV after matriculation at ULV.

Alternative Instructional Modes

Directed Study. A directed study is an approved catalog course taught independently to one student. Courses may be taken by directed study only if the course is not scheduled during the term and only with the instructor’s and the department’s prior approval. Directed study courses may only be taken by matriculated students in good standing. Seminars, activity courses, introductory courses in some disciplines, and courses with heavy emphasis on process rather than content may not be taken by directed study. Directed Study Forms are available from the Registrar. The forms must be signed by the instructor and the department chairperson before they are submitted with the registration form to the Registrar. Undergraduates may register for a directed study only during the normal registration period; CAPA and graduate students may register for a directed study through the end of the “special course” registration period.

Independent Study. An independent study course is a course initiated and written by a student following the guidelines contained in the “Independent Study Manual” (available from the Registrar), and deals with material not covered in
Academic Information

any approved catalog course. The student works independently under the guidance of an instructor who must approve the student’s comprehensive written plan and timeline before the student can begin. The independent study form, included with the manual, must also be signed by the department chairperson prior to commencement of the study. Independent studies are available only to matriculated students in good standing at ULV. Undergraduates may register for independent studies only during the normal registration period; CAPA and graduate students may register for them through the end of the “special course” registration period. Independent studies can be approved as 199, 299, 399, 599, or 699 courses for a maximum of four semester hours each.

Course Challenge. Most La Verne courses may be challenged, but only matriculated students may challenge them. To challenge a course, a student completes the application, and pays a fee equivalent to one semester hour when it is filed. The department chairperson assigns the instructor to give the challenge, and the student must complete the challenge within two weeks after he or she has been notified which instructor has been assigned. The student may see a list of course goals and objectives prior to challenging the course. If the student demonstrates the competencies required for successful completion of the course, the number and title of the course will be placed on the transcript with a CRD grade. If the student does not demonstrate the competencies, nothing is recorded on the transcript. A student may only challenge a course once. If a student fails a course challenge, he or she may receive credit for the course only by enrolling in it for credit. A maximum of eight semester hours of course challenge may be counted toward fulfilling the undergraduate residency requirement.

Courses which cannot be challenged are marked NCh in the Courses section of this catalog. In addition, a student may not challenge any courses in which he/she has received tutoring from a ULV instructor, was formerly enrolled, or has audited formally or informally. Any student with a secondary or higher education from a country where the native language or languages of instruction are other than English may not challenge beginning or intermediate courses in those languages. Any student who has received credit for high school courses in foreign languages may not challenge those courses at ULV. In this context, two years of high school foreign language will be considered equivalent to one year of college instruction. First-year language courses may not be challenged. With respect to these limitations placed on the challenging of language courses, CLEP examinations will be regarded as challenges.

Auditing. Most courses may be audited with the permission of the instructor as long as seats are available. Students pay one-half the regular tuition, but do not receive credit. The normal registration deadlines apply, and changes from audit to grade status (or grade to audit status) must be made before the end of the tenth day of classes in any semester; the end of the third day of classes during Interterm.

Grades

Grading Policy—Undergraduate.

A . . . . . . . . . 4.0 quality points per semester hour.  
A- . . . . . . . . . 3.7 quality points per semester hour.

Clearly stands out as excellent performance. Has unusually sharp insight into material; initiates thoughtful questions. Sees many sides of an issue. Articulates well and writes logically and clearly. Integrates ideas previously learned from this and other disciplines; anticipates next steps in progression of ideas.

B+ . . . . . . . . . 3.3 quality points per semester hour.  
B . . . . . . . . . 3.0 quality points per semester hour.  
B- . . . . . . . . . 2.7 quality points per semester hour.  

Grasps subject matter at a level considered to be good to very good. Is an active listener and participant in class discussion. Speaks and writes well. Accomplishes more than the minimum requirements. Work in and out of class is of high quality though rarely outstanding.
Academic Information

**C+** . . . . . . . 2.3 quality points per semester hour.
**C** . . . . . . . . 2.0 quality points per semester hour.
**C-** . . . . . . . . 1.7 quality points per semester hour.

Demonstrates a satisfactory comprehension of the subject matter. Accomplishes the minimum requirements, and communicates orally and in writing at an acceptable level for a college student. Has a general understanding of all basic concepts.

**D+** . . . . . . . 1.3 quality points per semester hour.
**D** . . . . . . . . 1.0 quality points per semester hour.

Quality and quantity of work in and out of class is below average and barely acceptable.

**F** . . . . . . . . 0 quality points per semester hour.

Quality and quantity of work in and out of class are unacceptable.

**CRD** . . . . . . . Excluded from GPA (see below).

Equivalent to C- work or better.

**NCR** . . . . . . . Excluded from GPA (see below).

Equivalent to D+ work or poorer.

**INC** . . . . . . . Excluded from GPA (see below).

**IP** . . . . . . . . Excluded from GPA (see below).

**NG** . . . . . . . . Excluded from GPA (see below).

**W** . . . . . . . . Excluded from GPA (see below).

Good grades are usually correlated with regular attendance and with assignments completed and on time. On the other hand, poor grades are often correlated with frequent absences and incomplete and/or missing assignments.

**Grading Policy—Graduate.** The grading policy for graduate students is based on the assumption that the grade for acceptable and satisfactory performance in graduate study is **B (3.0)**. This implies that graduate students must perform at an above-average level, compared to undergraduate standards, in order to progress satisfactorily in graduate programs. It also implies that the **C-** and **D** grades are unacceptable in graduate work; therefore, there are no **C-** or **D** grades for graduate students.

**A** . . . . . . . . 4.0 quality points per semester hour.
**A-** . . . . . . . . 3.7 quality points per semester hour.

Demonstrates insightful mastery of the subject matter and exceptional quality in written and oral communication.

**B+** . . . . . . . 3.3 quality points per semester hour.
**B** . . . . . . . . 3.0 quality points per semester hour.
**B-** . . . . . . . . 2.7 quality points per semester hour.

Exhibits professional competence in the subject matter and in all written and oral communication.

**C+** . . . . . . . 2.3 quality points per semester hour.
**C** . . . . . . . . 2.0 quality points per semester hour.

Completes course assignments and requirements with minimally acceptable proficiency in written and oral communication.

**F** . . . . . . . . 0 quality points per semester hour.

CRD . . . . . . . . Excluded from GPA (see below).

Equivalent to B (3.0) work or better.

NCR . . . . . . . . Excluded from GPA (see below).

Equivalent to B- work or poorer.

The policy for NCR, IP, INC, NG, and W grades is the same for graduates as for undergraduates.

**Credit/No Credit (CRD/NCR) Grade Option.**

Courses taken for CRD/NCR do not affect a student’s GPA. Certain courses, designated “CRD/NCR only” in the Courses section of this catalog, may only be taken CRD/NCR.

Undergraduate students are encouraged to use this grade option to explore courses outside their majors. However, no undergraduate may take more than four semester hours of CRD/NCR in any semester, elect the CRD/NCR option in a course required for a major, or apply more than 32 semester hours of ULV CRD grades toward a degree. Exceptions to these limitations are courses listed as “CRD/NCR only.”

Graduate students must take challenge exams and competency exams CRD/NCR, but they must register for a letter grade in every other course if they are in a credential or degree program unless the course is offered “CRD/NCR only.”

**Incomplete Grades (INC).** Incompletes are authorized only when it is impossible for the student to complete the course because of illness or other justifiable cause and only with a formal written petition from the student to the professor. In
Academic Information

completing the petition, the student contracts to complete the work specified in the petition. The completed petition must be filed prior to the last day of the term. Petitions are available from the Registrar.

Students who receive an INC in a term that ends between September 1 and January 31 must complete their courses by the following May 31. Students who receive an INC in a term that ends between February 1 and April 30 must complete their courses before the following August 31. Students who receive an INC for courses that end between May 1 and August 31 have until the following December 31 to complete their courses. INC grades not completed by the appropriate deadline will become NCR or F grades depending upon the grade option.

In Progress Grades (IP). In Progress grades are reserved for those directed studies, independent studies, field work courses, senior projects, and graduate culminating activities where the contract at the time of registration specifies a date of completion which is beyond the end of the term of registration. The intent of the IP policy is to provide for individualized study which, in its inception, requires more than the normal term or semester to complete. An IP grade will become an NCR or F, depending upon the grade option, if not cleared within one year following the term of registration.

No Grade (NG). This is a temporary grade issued by the Registrar pending receipt of the official grade from the instructor.

Withdrawal (W). A student may withdraw from courses during the first 60% of a term; a W grade will be recorded. No withdrawals are permitted in the final 40% of a term. A student who fails to officially withdraw from a registered course will receive a grade of NCR or F, depending on the grade option in the course.

Final Grades. Grades submitted to the Registrar by the instructor of record are final and official. By policy a final grade is based on the instructor’s evaluation of course work completed as of the contractual end of the course. Final grades may not be changed as the result of the submission of additional work or the repeating of examinations after the contractual conclusion of the course for the purpose of improving the final grade. The Registrar is authorized to accept an adjusted grade only when all of the following conditions are met:

1. The student applies to the instructor for a re-evaluation within four weeks after the student grade report was mailed;
2. The instructor concludes by re-evaluation that the original grade issued was in error based on the work completed at the time that the original grade was issued; and
3. The revised grade is officially reported by the instructor to the Registrar as a result of re-evaluation within a reasonable time after the grade report was mailed to the student.

A student who feels that an incorrect grade has been given must consult with the instructor first and must make this appeal within four weeks after the student grade reports were mailed. A central campus student dissatisfied with the instructor’s response may consult with the department chairperson; an SCE student should contact the center or program director. Subsequently, appeal may be made to the appropriate dean. Questions of subject matter will usually be handled by the department. Charges of injustice due to prejudice or capricious action may require the attention of the dean.

A student may elect to repeat a ULV course for the purpose of improving a grade if repeated at ULV. The student must enroll in the same ULV course and is expected to repeat it in its entirety. When a course is repeated, the original course, grade, and semester hours remain on the transcript, but are appropriately marked and are no longer part of the student’s GPA or applicable toward credit for graduation. Only the grade and semester hours of the repeated course are counted.

Official Cumulative Record/Transcript. The
Academic Information

Registrar maintains each student’s official record which includes a complete academic history. All courses attempted at ULV are listed on the official transcript. In addition to the official transcript, official records are maintained which establish the last day of attendance for courses in which a withdrawal occurred. The official transcript will only be released upon the written consent of the student in compliance with federal and state policies.

Graduation and Honors

Dean’s List. The Dean’s List is issued at the end of each full term to honor undergraduate students who excelled in their courses during that term. To receive this honor, a student must be full time and have a minimum GPA of 3.75. In addition, a student must have letter grades in the minimum number of units required to be full time. Students must complete all semester hours within the semester enrolled. Students who complete IP’s and INC’s at a later date may petition to be placed on the Dean’s List retroactively.

National Honor Societies. ULV has chapters of several national honor societies including Alpha Chi (all fields), Pi Gamma Mu (Social Science), Psy Chi (Psychology), Sigma Delta Pi (Spanish), and Sigma Tau Delta (English).

Application for Graduation. Undergraduate students should file an Application for Graduation and their major contract with the Registrar two semesters or three terms prior to their anticipated completion date. Graduate students should file their Application for Graduation when they apply for Advanced Standing. This application provides the Registrar with the information needed to prepare the diploma and to include the student’s name in the list of graduates. A graduation fee is required of all students whether or not they participate in the graduation ceremony, and covers the cost of the entire process of completing the degree program.

Graduation Ceremony. ULV holds a graduation ceremony at the central campus each year in May. A candidate for graduation qualifies to participate in the commencement ceremony upon successful completion of all degree and program requirements, or when he or she has enrolled in all final courses during the semester or term which begins prior to the ceremony. A student may petition the Registrar to participate in the ceremony if he or she is within eight semester hours (for undergraduate students) or one course—not to exceed four semester hours—(for graduate students) of the completion of the degree and can provide evidence of an intent to register for these final courses during the summer which follows the ceremony.

Diplomas. The actual completion date of a student’s degree will be noted on the official transcript. The diploma, however, will carry one of the following dates, whichever comes first after degree completion—May 31, August 31, or January 31. For graduate students, the specific title of the degree with the concentration will appear on the diploma; for undergraduate students, the degree, the major, undergraduate honors, and the concentration (if any) will appear on the diploma.

Undergraduate Honors. Honors at graduation are based on GPA according to the guidelines below. A bachelor’s degree student must have taken at least 84 semester hours for letter grades to be considered for honors.

Cum Laude. The student who completes 36 semester hours or more at ULV, and who earns a minimum GPA of 3.6 in courses taken at the University and a minimum GPA of 3.6 in all work applicable toward the bachelor’s degree, will be considered for the honor of Cum Laude upon graduation.

Magna Cum Laude. The student who completes 36 semester hours or more at ULV, and who earns a minimum GPA of 3.75 in courses taken at the University and a minimum GPA of 3.75 in all work applicable toward the bachelor’s degree, will be considered for the honor of Magna Cum Laude upon graduation.

Summa Cum Laude. The student who com-

Completes 60 semester hours or more at ULV, and who earns a minimum GPA of 3.85 in courses taken at the University and a minimum GPA of 3.85 in all work applicable toward the bachelor's degree, will be considered for the honor of Summa Cum Laude upon graduation.

Departmental Honors—Undergraduate. Departmental honors are granted to undergraduate students who demonstrate a high level of achievement in their majors. Students are encouraged to work toward departmental honors; those working for them should apply to the department chairperson or academic advisor. Departmental honors will be awarded on the basis of a high-quality senior thesis/project and a minimum GPA of 3.6 in the major and 3.0 overall. All major courses, with the exception of challenges, must be taken for letter grades. These are the minimum requirements for honors; departments may add other requirements. Department honors are not printed on the diploma.

RIGHTS & RESPONSIBILITIES

RIGHTS

**Freedom of Access.** The University of La Verne is open to all applicants qualified according to its published admissions policies and standards. Upon matriculation, each student has access to all ULV services and facilities for which he or she is qualified. Access may be denied to persons who are not ULV students.

**Classroom Rights and Privileges.** Instructors are expected to encourage open discussion and inquiry. Students may take reasoned exception to information offered in any course and should make judgment on matters of informed opinion.

**Protection Against Improper Disclosure.** Students’ views, political associations, and beliefs which are confided to instructors, advisors, and counselors during the performance of their duties are confidential.

**University Governance.** As members of the University community, students are free individually and collectively to express their interests. As vehicles for this purpose, provisions are made for student self-government as well as for student representation on the Board of Trustees; University, college, and departmental committees; and other decision-making bodies.

**Family Educational Rights and Privacy Act.** ULV abides by the Family Educational Rights and Privacy Act of 1974 as amended. Students have the right to inspect and review information contained in their education records, to challenge the contents of their education records, to have a hearing if they consider the outcome of the challenge to be unsatisfactory, and to submit explanatory statements for inclusion in their files if they feel the decisions of the hearing panels are unacceptable. ULV’s Registrar coordinates the inspection and review procedures for student education records, which include admissions, personal, academic, and financial files, and academic, cooperative education, and placement records. The Dean of Student Affairs oversees the review of records pertaining to social judicial matters. Students wishing to review their education records must make written requests to the Registrar listing the item(s) of interest. Records covered by the Act will be made available within 45 days of the request. Students may have copies of their records, at their own expense, with certain exceptions (e.g., a copy of a transcript upon which a “financial hold” has been placed or copies of transcripts from other schools). Educational records do not include records of instructional, administrative, and educational personnel which are the sole possession of the maker and are not accessible or revealed to any individual (except temporary substitutes); ULV security records; student health records; employment records; or alumni records. Health records may be reviewed by physicians of the students’ choosing. In addition, students may not see financial information submitted by their parents, any confidential letters or recommendations to which they have waived their rights of inspection and review, or education records containing information about more than one student. In the latter case a student will be permitted access only to that part of the record which pertains to him or her.

Students who believe that their education records contain information that is inaccurate, misleading, or otherwise in violation of their privacy or other rights may discuss their problems informally with the Registrar, either in person or in writing. If the Registrar agrees with a student’s requests, the appropriate records will be amended. If not, the student will be informed and may request a formal hearing. This request must be made in writing to the Registrar who will inform
Rights and Responsibilities

the student of the date, place, and time of the hearing before a panel selected by ULV. The student may present evidence relevant to the issues raised and may be assisted or represented at the hearings by one or more persons of the student's choice, including attorneys, at the student's expense. Decisions of the hearing panel are final and based solely on the evidence presented at the hearing. The panel's written judgment will be delivered to all parties concerned. If the decision is in favor of the student, the education records will be corrected. If the decision is not satisfactory to the student, he or she may place with the education records statements commenting on the information in the records or statements setting forth any reasons for disagreeing with the decisions of the hearing panel. These statements will be placed in the student's education records, maintained as part of them, and released whenever the records in question are disclosed. A student who believes that the decisions of this adjudication process were unfair or not in keeping with the Act may make a written request for assistance to ULV's President. Students who still believe that their rights have been abridged may file complaints with the US Department of Education, Washington, DC.

No one outside ULV may have access to, nor will ULV disclose, any information from a student's education record without the written consent of the student. Exceptions are ULV personnel, officials of other institutions in which the student seeks to enroll, persons or organizations providing the student's financial aid, accrediting agencies carrying out their accreditation functions, persons in compliance with a judicial order, and persons in an emergency in order to protect the health or safety of the student or other persons. Within the ULV community, only members acting in the students' educational interest, individually or collectively, are allowed access to student education records. These members include personnel from the Offices of the Vice President for Academic Affairs, the Chief Financial Officer, Registrar, Financial Aid, Admissions, and Academic Advising, as well as academic personnel within the limitations of their need to know.

At the discretion of ULV officials, the following directory information will be provided: student's name, major field of study, dates of attendance, and degrees and awards received. A student wishing to withhold this directory information must complete the Privacy Request Form at ULV's Registrar's Office or at their center of registration. This must be done within the first ten working days of enrollment of a semester/term. The privacy request will be valid for one calendar year.

Americans With Disabilities Act. The University policy concerning students with disabilities is available in the offices of the Deans, the Directors of the ULV Centers, and the Director of the Learning Enhancement Center.

Confidentiality and Institutional Research. ULV is committed to maintaining confidentiality. When questionnaires are circulated, social security numbers are sometimes requested, but only for purposes of connecting data to demographic and other information. Data are reported only at the group level, never by individual.

RESPONSIBILITIES

University Catalog. It is the responsibility of the student to be familiar with the information presented in this catalog and to know and observe all policies and procedures related to the program he/she is pursuing. Regulations will not be waived nor exceptions granted because a student pleads ignorance of policies or procedures. While academic advisors will assist students in every way possible, the responsibility for following all policies and meeting all requirements and deadlines rests with the student. A student is expected to satisfy the requirements of the catalog in effect at the time he or she is admitted to, and begins course work in, a degree program. However, a student may elect to graduate under the catalog in force at the time of his or her graduation provided the student complies with all requirements of the later catalog. New catalogs take effect on
Rights and Responsibilities

Class Attendance. Regular and prompt attendance at all University classes is required. The instructor may assign extra work, require special examinations, or refuse to grant credit for a course if the number of absences is excessive. Students should ascertain the exact policy of each faculty member at the beginning of each course. Students must attend the first class meeting or they may be unofficially dropped by the instructor, resulting in a failing grade. Only registered students, University faculty and administrators, and guests invited by the instructor may attend classes. All others will be asked to leave.

Classroom Conduct. Instructors are responsible for presenting appropriate material in courses, and students are responsible for learning this material. Although it is a student's academic performance that is evaluated in determining grades, student conduct is important in the academic setting. Enrollment in a class may be terminated due to unsatisfactory student conduct, undue disrespect toward an instructor or administrator, or academic dishonesty. Each student is responsible for maintaining standards of academic performance established for each course in which he or she is enrolled.

Academic Honesty. Each student is responsible for performing academic tasks in such a way that honesty is not in question. Unless an exception is specifically defined by an instructor, students are expected to maintain the following standards of integrity:

a. All tests, term papers, oral and written assignments, recitations, and all other academic efforts are to be the work of the student presenting the material.

b. Any use of wording, ideas, or findings of other persons, writers, or researchers requires the explicit citation of the source; use of the exact wording requires a “quotation” format.

c. Deliberately supplying material to a student for purposes of plagiarism is also culpable.

When academic honesty is in question, the following may occur:

1. A faculty member who has clear evidence that academic honesty has been violated may take appropriate disciplinary action. Appropriate disciplinary action may include, but is not limited to, requiring the student to rewrite a paper or retake a test, giving the student an F on the assignment and/or in the course, and/or recommending expulsion. If the action includes giving a course grade of NCR or F and/or a recommendation for expulsion because of academic dishonesty, the faculty member must report the action to the Department Chair and/or Academic Dean (or to the Center/Program Director for off-campus situations).

2. If a faculty member has reason to suspect academic dishonesty (even after having seen requested additional or revised work when appropriate) and the student denies the allegation, the faculty member may refer the matter to the Vice President for Academic Affairs (through the Center/Program Director for off-campus situations). Following due process an Academic Judicial Board may be formed to investigate the matter and make a recommendation to the Vice President about whether academic honesty has been violated. The Vice President will then take appropriate action which may include, but is not limited to, academic probation, suspension, or expulsion. In this process students may be asked to produce earlier drafts of their work and/or original notes and resources, other samples of writing, or documents deemed appropriate or necessary by the Board.

3. Grades of F or NCR received in courses due to academic dishonesty will be filed with appropriate documentation for future reference in the office of the Vice President for Academic Affairs by the Department Chair, Academic Dean, or Center/Program Director. Students receiving an F or NCR as a result of academic dishonesty will be sent a letter from the Vice President noting that a second offense will result in expulsion.

4. Expulsion for academic dishonesty will be noted on the student’s transcript by the words “Expelled for Academic Dishonesty.”
Rights and Responsibilities

College of Law students are covered by the academic dishonesty policies contained in the College of Law manual of Academic Policies and Procedures.

Behavior Standards. When students enroll at ULV, they voluntarily choose to associate with the University. ULV believes that the behavior of community members must be guided not only by American civil and criminal laws, but also by standards and expectations which serve to support and promote the values the University has come to represent and believes to be important.

The University prohibits the use, possession, distribution, or sale of alcoholic beverages, illegal drugs, firearms, explosives, fireworks, and other dangerous substances on ULV property. Any exceptions must be approved by the Dean of Student Affairs. Smoking is prohibited in all University buildings, including the residence halls. ULV has promulgated additional policies and behavior standards which apply on-campus and at sponsored academic programs and events. These include, but are not limited to, policies on Computer Abuse, Conduct, Hazing, Physical/Verbal Abuse and Harassment, Sexual Harassment/Assault, and Theft and Vandalism. Additional policies and information can be found in ULV’s “Guide to Residential Life,” in the “Day to Day” (ULV’s traditional-age central campus student handbook), ULV’s “The Disciplinary Process for Student Social Misconduct” (available in the Dean of Student Affairs Office and on the ULV website, and in other University publications. Some off-campus centers and programs publish information concerning other policies specific to their circumstances. The University reserves the right to dismiss any student without refund if the student fails to abide by ULV regulations, or when such action is deemed to be in the best interests of ULV or the student.

The University’s policies, procedures, and regulations are provided to give students general notice of prohibited conduct. These policies, procedures, and regulations can be read broadly and are not designed to define misconduct in exhaustive terms.

Sexual or Racial Harassment. ULV is committed to maintaining an environment free of harassment for students, faculty, and staff. Consequently, sexual or racial harassment of ULV students or employees is unacceptable and will not be tolerated. Complete information concerning harassment can be obtained from any department head or online at www.ulv.edu/hr/sec22.ans.

JUDICIAL PROCEDURES

General Principles. The University of La Verne stresses not only academic and career preparation but also values and character development. In order to preserve the quality of education, ULV expects all students to conform voluntarily to the established rules, regulations, and social orders, and to conduct themselves at all times and in all places in a manner befitting student status. ULV is not a law enforcement agency but expects all its students, whether as individuals or groups, to obey all federal, state, and local laws. Violators will not be immune from prosecution under these laws.

The primary objective of establishing disciplinary standards is to maintain an appropriate level of conduct in our academic and social community. If an institution is public, it is required to grant due process. Because ULV is a private institution, constitutional due process is not required. In all judicial proceedings regarding a student's social behavior, the student will be treated with fundamental fairness.

ULV’s academic judicial procedures permit members of the University community to register complaints against individuals or groups with the academic deans, the Dean of the School of Continuing Education, or the Dean of Student Affairs, as appropriate.

Right to Judicial Review. A student who is charged with a social policy violation has the right to a judicial review prior to any action being taken. The only exception to being granted a full judicial review prior to any action being taken occurs
Rights and Responsibilities

when a student may present a continuing danger to persons or to the property of others. In this case, the student may be separated from the University immediately and then be provided a judicial review at a later date. Otherwise, a student under disciplinary action has the right to be present on campus and to attend classes until suspended or expelled.

Violations of ULV social behavior standards or policies are normally handled by a judicial review body under Fundamentally Fairness procedures. Situations requiring such action include violations of ULV’s drug, alcohol, and sexual behavior policies, as well as incidents of violence threatening the safety of an employee or other members of the campus community. The judicial process for social behavior at ULV has four forms of judicial review bodies, one for resident students only and three available to all traditional-age students:

1. Hearing with the Area Coordinator—an administrative review (for resident students only).
2. Student Life Conduct Committee—a peer review hearing;
3. Judicial Board—an administrative board hearing; and
4. Administrative Review—an administrative review with one administrator such as the Associate Dean of Student Affairs, the Director of Housing and Residential Life, and the Dean of Student Affairs or appropriate program administrator.

Most central campus offenses within the traditional student body are handled by a student-run board, the Student Life Conduct committee. More serious central campus offenses go to the Judicial Board composed of faculty, staff, and students. Offenses or threats involving employees are usually handled by a separate administrative process. Student do have a right of appeal on several specific grounds for decisions by each judicial review body. The appeals process is not a “re-hearing” of the case. In most cases appeals must be submitted in writing within five working days after the hearing.

Information regarding social behavior standards and Judicial Procedures are available in the handbook on “The Disciplinary Process for Student Social Misconduct” (available in the Dean of Student Affairs Office and on the ULV Web Home Page under “Student Affairs”).

Non-Traditional-Age and Graduate Programs.
The College of Law, School of Business and Global Studies (SBGS), School of Organizational Management, and School of Continuing Education (SCE) have their own judicial processes, including administrative reviews.

Appeals Procedures on Academic Matters. A student may appeal final grades, academic honesty decisions, and most policy decisions. Procedures for appealing final grades and academic honesty are contained in the Final Grades and Academic Honesty sections of this catalog. The path of appeal for grades and course requirements starts with the instructor in the course and then goes successively to the department chair (to the program chair in the SBGS; to the center/program director in SCE), the Dean of the college or school, and the Vice President for Academic Affairs. Appeals on academic honesty decisions at the central campus begin with the instructor and then may be taken in turn to the department chair (to the program chair in the SBGS), Dean, and the Vice President, except in the College of Law, where the first appeal is to the Dean. At SCE centers the first appeal is to the instructor and then to an ad hoc faculty committee convened for this purpose at the center by the director. Appeals of decisions by these committees should be directed first to the Dean of SCE and then to the Vice President. Appeals on academic policy decisions must be made to the Undergraduate or Graduate Appeals Committee.

Appeals of decisions by these committees can be made to the Dean of the college or school and to the Vice President in that order. Central campus students wishing to appeal ESL decisions should write directly to the chair of the ESL
Rights and Responsibilities

Appeals Committee.

Appeals must be made in writing, on the appropriate appeals form, to the Undergraduate or Graduate Appeals Committee. Central campus students can obtain these forms from the Registrar and Graduate Office respectively; SCE students may request them from the director or coordinator of their center or program. When certain appeals are granted, penalty/administrative fees may be assessed. All appeals must be made in a timely manner, generally within four weeks of the action or decision in question.

Appeals Procedures for Social Conduct Violations. Appeals of Student Life Conduct Committee decisions or of Judicial Board decisions must be made in writing within five working days to the Associate Dean of Student Affairs or the Dean of Student Affairs. Appeals of decisions made by SCE directors must be made in writing to the Dean of SCE within one month after the student was notified of the decision.

Appeals by Students with Disabilities. ULV has established a set of procedures that address policy implementation for students with disabilities. Should any student desire to initiate action related to a diagnosed disability or to initiate testing for a disability, he/she should contact the Director of Services for Students With Disabilities, the Dean’s office of his/her school or college, or the Director of the ULV Center where he/she studies to get a copy of the University’s policies and procedures.

GRADUATION REQUIREMENTS

UNDERGRADUATE PROGRAMS

To obtain an associate or bachelor’s degree from the University of La Verne, a student must complete all the appropriate residency, semester hour, and general education requirements listed below as well as specific major requirements listed in the Undergraduate Programs section of this catalog. In addition, to qualify for graduation the student must have a ULV GPA and a cumulative GPA of 2.0 or better both in the major and overall. For the purpose of fulfilling elective requirements and general education requirements other than Written English, a course in which a D-level grade was received will be counted only if the course was taken at ULV. A C- grade or better is required to fulfill the Written English general education requirement, to count toward an academic major or minor, or to advance to the next course in the ESL program.

Bachelor’s Degree Programs

To receive a bachelor’s degree from La Verne, a student must complete a declared major, the general education requirements, and all of the following:

1. A minimum of 128 semester hours, including all the general education requirements listed below and the appropriate major requirements listed in the Undergraduate Programs section of this catalog.
2. A minimum of 32 semester hours at La Verne for the residency requirement.
3. A minimum of 44 semester hours at the upper-division level, including a minimum of 24 in the major and 6 in general education. At least 16 semester hours at the upper-division level in the major and 6 in general education must be taken at ULV.

General Education Requirements —Bachelor’s Degree Programs

Philosophy. General education at La Verne reflects the University’s identity. Consequently, ULV’s general education requirements aim at fulfilling two primary objectives: 1) to communicate the central values of the University as expressed in its Mission Statement, and 2) to expose students to the traditional liberal arts fields of study.

Goals. Through its general education program, the University of La Verne encourages its students to do the following:

1. Become reflective about questions of meaning and values in life, and to incorporate ethical guidelines into their lives.
2. Develop an international/intercultural consciousness in which they can appreciate the contributions, the diversity, and the interdependence of the various cultures of the nation and the world.
3. Develop an understanding and appreciation of gender issues.
4. Develop a sense of community by working together with others toward serving society and environment.
5. Learn how to learn, to solve problems, and to develop an appreciation of and a commitment to life-long learning.
6. Learn how to think critically and creatively, to live productively in a world of ambiguity, and to help effect meaningful change.
7. Develop the ability to access, analyze, synthesize, and evaluate masses of information.
8. Develop effective oral, written, and interpersonal communication skills.
General Education Requirements

9. Develop an understanding of the assumptions, the basic terminology, the fundamental concepts, and the ways of knowing of the Humanities, the Social Sciences, and the Natural Sciences.

10. Learn about the rich heritage of the past, be aware of the present, and take responsibility for the future.

11. Learn how to integrate and care for the intellectual, emotional, physical, aesthetic, and spiritual aspects of their lives.

12. Study, understand, and appreciate the interdependence of humans and their environment, and promote the sustainability of the planet.

PROGRAM OF GENERAL EDUCATION

In keeping with the above philosophy and goals, the faculty established general education requirements for the bachelor’s degree that contain an interdisciplinary Core relating to ULV’s Mission Statement and a series of Area Requirements introducing the traditional Liberal Arts disciplines.

CORE REQUIREMENTS:

The core consists of a cluster of common courses which all students take. It introduces students to the central values of the University as they are articulated in the Mission Statement—values-orientation, community and diversity (internationalism/interculturalsim), life-long learning, and service to society:

Values and Critical Thinking. The aim of this course is to teach students how to think critically and to help them reflect on their own values as well as to think critically about the value systems of other persons, groups, and nations.

International/Intercultural Core. The aim of this tripartite requirement is to expose students to cultures and persons different from their own in order to introduce them to the increasingly complex and multicultural world. Knowledge of another language and culture is imperative for true intercultural understanding. The foreign language requirement provides functional communications skills as well as an introduction to the culture. The interdisciplinary world civilizations and cultures course complements the language study by offering a broader world perspective. Finally, the international/intercultural experience personalizes the study by immersing students in an ethnic-religious-national group different from their own.

Interdisciplinary Core. The aim of this two-course requirement is to show students the interrelationships between disciplines, the associations between themes, and the holistic nature of their lives. To achieve this, both upper-division courses are team taught by faculty from two different disciplines. One of the disciplines represented in The Human Condition must be from either the Humanities or the Social Sciences; one of the disciplines in Toward a Sustainable Planet must be in the Natural Sciences.

Service Requirement. The aim of this supervised volunteer service placement is to practice ULV’s Mission Statement’s affirmation that “service is a primary goal of the educated person.”

AREA REQUIREMENTS:

To become educated, a student needs to experience a wide range of disciplines within the Liberal Arts and to develop physical, communication, and reasoning skills. Each course in the area requirements contains the following common characteristics: the assumptions of the discipline; how the discipline approaches knowing; the basic concepts, methodology, and terminology of the discipline; the instructor’s approach to the discipline; how to access information in the discipline; how to evaluate information in the discipline; and how to apply the discipline to daily life.

Humanities. Students must demonstrate a breadth of understanding in the Humanities through study in literature, philosophical/religious thought, or mass media. This study develops an
General Education Requirements

appreciation for the philosophical, aesthetic, and cultural systems that have influenced Western thought and, to a lesser degree, the major systems that affected other civilizations. Undergirding this study is an appreciation for the value systems that have infused these various cultures.

Fine Arts. Students must be exposed to the history and aesthetics of art, music, or theater as well as engaging in an artistic process. This study fosters appreciation of aesthetic form and understanding of basic theory in both the historical and the contemporary contexts, and provides the experience of artistic creation.

Social Science. Students must demonstrate a basic understanding of the economic, historical, and political forces that have impacted civilization and the conditions that have influenced human behavior, collectively and individually.

Natural Sciences. Students must demonstrate an understanding of the fundamental physical and biological principles in nature and the methodology used in applying them, as well as develop a philosophical and historical perspective of nature from the viewpoint of science. This study provides information necessary for the critical analysis of issues facing individuals and societies, with emphasis on the relationships between the human species and environment.

Mathematics. Students must show sufficient ability in algebraic formulation, basic computation, and problem-solving to understand the purpose and function of mathematics in a social context. This study enhances the student's grasp of complex systems and abstract thought processes.

English Language Skills. Students must show satisfactory proficiency in English composition, including standard grammar, usage, and rhetorical approaches. They are required to analyze effective writing and learn the process of preparing investigative, research-based papers with documentation that is intellectually honest and in correct form. Students must also show that they can speak effectively before small groups and larger audiences.

Movement and Sports Science. Students need to learn how to make fitness a part of their lifelong activities by participating in a multifaceted fitness course. This participation provides a basis for appreciating the value of physical exercise and its relationship to lifelong social, physical, and psychological development. Intercollegiate athletic participation does not satisfy this general education requirement.

GENERAL EDUCATION REQUIREMENTS

With the exception of the College Writing and Mathematics requirements, students are encouraged to distribute their general education requirements throughout their bachelor's degree studies and to include courses at the upper division level. To fulfill the College Writing and Mathematics requirements, however, students are expected to enroll in writing and math courses each semester until the requirement is fulfilled.

For the purpose of fulfilling the requirements listed below, with the exception of the International/Intercultural Experience and the Service Learning requirements (which are one semester hour each), one “course” is defined as having a minimum of two semester hours. No course can be used to meet more than one general education requirement, with the exception of courses that have International/Intercultural Experience or Service Learning embedded into the curriculum. Courses which meet either of these requirements as well as another general education requirement, as approved by the General Education Committee, are so designated in the Courses section of this catalog.

The Foreign Language, Studio/Performance Arts, Mathematics, and English Language skills requirements can be fulfilled through certification, which does not carry course credit. Students who wish to meet a requirement through certification should contact the appropriate department for information.
General Education Requirements

CORE REQUIREMENTS

1. CORE 300 Values and Critical Thinking
2. International/Intercultural Core
   a. Foreign Language. Two courses in one foreign language.
      Note: Acceptable courses are marked CORE2a in the Courses section of this catalog. This requirement can be fulfilled by successfully passing the placement test in a foreign language. International students can fulfill this requirement by passing ULV’s English Placement Test or by completing assigned ESL courses. International students who graduated from a high school or college where the language of instruction was other than English can also fulfill this requirement by passing ENG 111. SCE students are exempt from this requirement.
   b. World Civilizations and Cultures. One course.
      Note: Acceptable courses are marked CORE2b in the Courses section of this catalog.
   c. CORE 310 International/Intercultural Experience
      Note: SCE students are exempt from this requirement.
3. Interdisciplinary Core. Two courses.
   a. CORE 320 The Human Condition, and
   b. CORE 340 Toward a Sustainable Planet
      Note: SCE students can fulfill this requirement by taking either CORE 320 or CORE 340.
4. CORE 305 Service Learning
   Note: SCE students are exempt from this requirement.

AREA REQUIREMENTS

Humanities — Three courses from three different areas:
1. Literature
2. Philosophy or Religion
3. Mass Media
4. Interdisciplinary Humanities course
   Note: Acceptable courses are marked GEHa, GEHb, GEHc, and GEHd respectively in the Courses section of this catalog. SCE students can fulfill this requirement by taking two courses in two different areas.

Fine Arts —
1. One course in the history and appreciation of art, music or theatre.
   Note: Acceptable courses are marked GEFAa in the Courses section of this catalog.
2. One experiential course in art, creative writing, music, photography, or theatre, or two semesters of ballet, choral or instrumental ensemble, modern dance, or music lessons.
   Note: Acceptable courses are marked GEFAb in the Courses section of this catalog. SCE students can fulfill the Fine Arts requirement by taking one course from either area.

Social Sciences — Three courses from three different areas:
1. Behavioral Sciences:
   ANTH 250 Principles of Anthropology, or
   PSY 250 Principles of Psychology, or
   SOC 250 Principles of Sociology
   Note: Acceptable courses are marked GESSa in the Courses section of this catalog.
2. History and Political Science:
   HIST 110 United States History & Cultures, or
   PLSC 301 American Government and Politics
   Note: Acceptable courses are marked GESSb in the Courses section of this catalog.
General Education Requirements

3. Economics:
   ECBU 220  Economic Analysis I
   Note: Acceptable courses are marked GESSc in the Courses section of this catalog.

4. Interdisciplinary Social Science course
   Note: Acceptable courses are marked GESSd in the Courses section of this catalog.

SCE students can fulfill the Social Science requirement by taking two courses from two different areas.

Natural Sciences: Two courses.
1. One course in life science, and
2. One course in physical science.
   Note: Acceptable courses are marked GELS and GEPS respectively in the Courses section of this catalog. One of the two courses must have a laboratory component. GELS and GEPS with laboratory components are marked GELS-L and GEPS-L.

Mathematics:
MATH 104  College Algebra, or
MATH 170  Mathematics in Society
   Note: Acceptable courses are marked GEM in the Courses section of this catalog.

English Language Skills: Three courses:
1. ENG 110  College Writing A, and
   ENG 111  College Writing B
   Note: Acceptable courses are marked GEWE1 and GEWE2 respectively in the Courses section of this catalog.
2. SPCM 100 Fundamentals of Public Speaking, or THAR 311  Oral Communication
   Note: Acceptable courses are marked GESE in the Courses section of this catalog.

Movement and Sports Science:
MSS 001  Fitness for Life
   SCE and Athens students are exempt from the Movement and Sports Science requirement.

ESL Requirement for Undergraduate International Students. An international student who has been accepted into an undergraduate program by demonstrating English competency as described in the Admissions section of this catalog, but who has not passed a transferrable course in English composition equivalent to English 110, must have scores on file in the Admissions Office from one of the following proficiency tests before registration for his or her first semester at ULV: the ULV English Proficiency Test, the TOEFL, the SAT, or the ACT. This includes students who are transferring from other institutions in the United States. If the test scores indicate that courses in ESL are needed, the student must enroll in the assigned course(s) in his or her first semester at La Verne and continue instruction until all required ESL courses are passed. The student may take no more than 14 semester hours per semester until the ESL requirement is complete.

The Bachelor’s Degree Major. Students may choose an established departmental or interdepartmental major, or they may design a major of their own with faculty advisement and approval. A major consists of not less than 32 and not more than 48 semester hours, of which at least 24 must be upper division. No more than 16 semester hours may be required beyond this as prerequisites. One exception is the Diversified Major. Students in SCE must select a structured major and can only choose from those offered at a particular site. Concentration in a major is available in selected departments. A concentration requires a student to complete 20 semester hours of upper division work or 24 semester hours of which 16 are upper division in the emphasis area as specified by the department. Selected concentrations are listed under the program requirements. Concentrations are noted on the transcript.

No course—whether a prerequisite, core requirement, elective, or culminating requirement—can be applied toward a major unless a grade of C- or better was received. A course in which CRD was received cannot be applied to the
General Education Requirements

Most central campus seniors are required to pass a set of comprehensive examinations in their major(s) and/or complete a senior project/seminar.

Bachelor's Degree Double Majors. ULV permits students to pursue a double major, but does not encourage them to do so. The minimum requirements for graduation with two bachelor's degree majors are as follows:

1. Completion of all the requirements in both majors.
2. In cases where there is no duplication of major requirements, completion of a minimum of 64 semester hours in the two fields (32 semester hours in each major), of which 48 semester hours (24 semester hours in each) must be at the upper-division level.
3. In cases where there are overlapping upper-division major requirements, completion of additional upper-division electives in the fields equal to the number of overlapped courses.

Second Bachelor's Degree. A student already holding a bachelor's degree may earn an additional bachelor's degree by satisfying the requirements of that degree in residence, general education, and upper-division course work. To satisfy the residency requirement for the second bachelor's degree, a student must complete a minimum of 32 additional semester hours at ULV of which 16 must be upper division. The major, general education, and upper-division requirements in effect at the time of matriculation for the second bachelor's degree must also be completed, but courses taken for the first degree may be applied to the second.

Bachelor's Degree Minors. Students may declare a minor in a second field upon the approval of the minor field department if the student has completed 20 semester hours of upper-division work in the minor field or if the student has completed 24 semester hours in the field of which 16 are upper division. Individual departments may require specific courses and/or additional work for the minor as specified in the Undergraduate Programs section of this catalog. Courses declared as part of the major cannot be applied toward the minor. These are ULV requirements only; for credential minor requirements, contact the Education Department.

Major Requirements—Undergraduate Programs. During the student's junior year (for a central campus student) or during the third term prior to graduation (for an SCE student), he/she must prepare a major "contract" in consultation with his or her major advisor(s) or academic/program advisor. Courses accepted into the major are subject to approval by the major department. The completed contract, signed by the student and the advisor(s) or counselor, is filed with the Registrar simultaneously with the student's Application for Graduation and graduation fee. Once filed, any alteration in the contract or change in major requires the approval of the advisor(s) or counselor and written notification to the Registrar.

Associate Degree Programs

Associate degree programs are offered only at selected residence centers, in Paralegal Studies, and in EPIC. To receive an associate degree from ULV, a student must complete the following:

1. A minimum of 60 semester hours, at least 30 of which must be at the lower-division level.
2. A minimum of 18 semester hours in the major, including all the requirements listed for the A.A. or A.S. major in the Undergraduate Programs section of this catalog.
3. A minimum of 12 semester hours in the major from ULV.
4. A minimum of 18 semester hours in general education, including one course (2-4 semester hours) in fine arts, one in humanities, one in natural science, one in social science, and two in written English (one designated GEWE1 and one designated GEWE2).
GRADUATE PROGRAMS

Specific requirements for each graduate degree and credential program offered by the University of La Verne are contained in the Graduate Programs section of this catalog; policies for second master’s degrees are described in the Graduate Admissions section. To qualify for a degree or credential, a student must have a cumulative GPA of 3.0 or above for all ULV course work required for the degree or credential. All transfer credit from other colleges or universities also must have a cumulative GPA of 3.0 or above.

ESL Requirement for Graduate Students. An applicant admitted into a graduate program who does not possess a degree granted by an English-speaking institution where English is the primary language of instruction and of the geographical area must have scores on file in the Graduate Office/SCE from one of the following proficiency tests before registration for his or her first semester at ULV: the ULV English Proficiency Test, the TOEFL, or the GRE. Graduate students with TOEFL scores from 550 to 574 inclusive are required to take a written ESL examination. If the test scores indicate that courses in ESL are needed, the student must enroll in the course(s) in his or her first semester at ULV and continue instruction until all required ESL courses are passed.

Advanced Standing—Master’s Degree Programs. Master’s degree candidates must receive Advanced Standing to be eligible to enroll in the culminating activity. To obtain Advanced Standing, candidates must have completed a minimum of 21 semester hours (30 semester hours in a 39-50 semester-hour program) as well as all prerequisite and ESL courses. In addition, they must have satisfied any provisions or conditions imposed at the time of their admission to the program, fulfilled any special conditions or procedures specified by their academic departments, and attained a minimum cumulative GPA of 3.0. To apply for Advanced Standing, students must submit an Application for Advanced Standing with the approval of their academic advisor along with an Application for Graduation (with the graduation fee) to the Graduate Office or SCE administrative center. Verification of Advanced Standing is sent to the student by the Graduate Office or the SCE Student Services Office.

Time Limitation. All requirements for the master’s degree are to be completed within five years from the time of first course registration for the graduate program at ULV; all requirements for the doctorate, within eight years. Appeals for extensions of time limitations must be made in writing to the Graduate Appeals Committee.

Continuous Registration for Culminating Activity/Field Work. Students who receive an IP for 594 (Thesis), 596 (Graduate Seminar), EDUC 581/582, or EDMT 574 (field work) and have not cleared it within one year following the end of the term or semester of registration, can extend their registration for six months with a one-semester-hour extension fee and approval of their sponsor/instructor. A maximum of four six-month extensions will be permitted within the five-year time limit for the completion of the degree.

Art — B.A.

The Art Department is committed to providing an environment of instruction, assistance, and exploration in which the student can develop a sound foundation of knowledge and experience in the visual arts. This major gives the student a background in the fundamentals of the formal, technical, and theoretical concerns of the artist from both historical and contemporary perspectives. Students can prepare for a career as a professional artist, for graduate study in art, or for teaching. Harris Art Gallery and Carlson Photography Gallery programs expose students to professional and student exhibitions while providing opportunities for experiences in gallery work. The student majoring in art must complete the core requirements and those from his or her selected area of concentration: Studio Art, Photography, or Design.

Core Requirements:
ART 100 Art Experience (3)
ART 120 Fundamentals of Design (3)
ART 380 Contemporary Art Seminar (4)
ART 499 Senior Project (4)

Courses Required in All Concentrations:

Programs — Behavioral Sciences

BEHAVIORAL SCIENCES DIVISION

Division Coordinator: Ann Wichman

1 Off-campus faculty

The Behavioral Sciences Division consists of the Sociology/Anthropology Department, the Psychology Department, and the Behavioral Sciences Program. Its mission is to promote an understanding of human behavior as a dynamic process of personal integration and social and global interdependence; to study behavior scientifically through interdisciplinary, theoretical, empirical, and applied approaches in the fields of Sociology, Psychology, and Anthropology; and to develop the capacity for informed and critical processing of information and the ability to live and work effectively. Students cannot double major in Behavioral Science programs.

Behavioral Sciences — B.S.

This major provides an opportunity to study human behavior from the perspectives of anthropology, psychology, and sociology. Two emphasis areas are available to students majoring in Behavioral Science: General and Ethnic Studies.

BIOLOGY DEPARTMENT

Chairperson: Harvey Good

Regular Faculty: Jeff Burkhart, Julia Chang, Harvey Good, Jay Jones, Dan Merritt, Robert Neher, Alice Tamaccio-Pappas. Adjunct Faculty: Fredda Fox, Ron Scogin, Hayden Williams.

The Biology Department offers majors to prepare students for the health professions, teaching, environmental management, and research, and it encourages interdepartmental majors. Opportunities are available for collaborative study in special areas of staff interest. B.A. and B.S. majors are developed with the advice of the student’s advisor.

Biology — B.A./B.S.
Core Requirements: 42-47 semester hours
BIOL 203 Principles of Biology (4)
BIOL 204 Plant Science (4)
BIOL 205 Animal Science (4)
BIOL 310 Cell Biology (3)
BIOL 311 Genetics (3)
BIOL 312 Environmental Biology (4)
BIOL 313 Developmental Biology (4)
BIOL 316 Molecular Biotechnology (4)
BIOL 314 Biochemistry (4-5)
BIOL 378 Evolution/Systematics (2)
BIOL 379 Research Methods and Biostatistics (2)
BIOL 499 Senior Project (2-4)
Senior Comprehensive Exam (0)

Electives: Two BIOL courses (6-8)

Supportive Requirements:
CHEM 201, 202 General Chemistry I, II (5,5)
CHEM 311, 312 Organic Chemistry I, II (5,5)
MATH 201 Calculus I (4)
PHYS 201, 202 General Physics I, II (5,5)
NASC 201 General Geology (4)
CHEM 420 Environmental Chemistry (4)
One BIOL extended field course (4)
BIOL 499 Senior Project (2-4)
Senior Comprehensive Exam (0)

Electives: Three of the following:
BIOL 327 Mountain and Desert Biology (4)
BIOL 322 Aquatic Biology (4)
BIOL 376 Human & Environmental Toxicology (4)
BIOL 325 Field Biology (2)
BIOL 328 Environmental Management (4)
Programs — Biology and Chemistry

Supportive Requirements:
CHEM 201, 202 General Chemistry I, II (10)
CHEM 311 Organic Chemistry I (5)
MATH 105 Precalculus (4)
PHYS 105 Introduction to Physics (4)
NASC 370 Science Seminar (1)

Environmental Management — B.A.
Program Chairperson: Robert Neher

Students may specialize in the area of environmental management, a field that deals with the problems of pollution, demography, contamination, management of resources, etc. Interdepartmental majors can be arranged with the departments of Biology, Chemistry, Business and Economics, History and Political Science, and Behavioral Science.

Recommended Core Courses:
BIOL 203 Principles of Biology (4)
BIOL 204 Plant Science (4)
BIOL 205 Animal Science (4)
BIOL 312 Environmental Biology (4)
BIOL 328 Environmental Management (4)
BIOL 376 Human & Environmental Toxicology (4)
BIOL 499 Senior Project/Thesis (2-4)
CHEM 201, 202 General Chemistry I, II (5,5)
CHEM 420 Environmental Chemistry (4)
ECBU 347 The Legal Environment of Business (4)
ECBU 350 Principles of Management (4)
NASC 201 General Geology (4)
NASC 370 Science Seminar (4 semester.) (1,1,1,1)
PHYS 201, 202 General Physics I, II (5,5)

Recommended General Education:
ECBU 172 Mathematical Methods for Business and Economics (4)
ECBU 220 or 221 Economic Analysis I or II (4)
ECBU 343 Foundations of Business Ethics (4)

Electives: A minimum of 4 semester hours.

Natural History — B.A.
Program Chairperson: Robert Neher

The Natural History Major is tailored to the individual student’s needs. It is similar to the Biology Major, but is less technical and more descriptive. Interested students should contact the program chairperson.

CHEMISTRY DEPARTMENT

Chairperson: Iraj Parchamazad

Regular Faculty: Jay Jones, Mark Nelson, Iraj Parchamazad. Adjunct Faculty: Ernest Ikenberry, Nick Vardafsikos

1Off-campus faculty

The Chemistry Department provides a solid theoretical- and experimental-based bachelor’s program in Chemistry in preparation for graduate study in chemistry, the medical professions, and employment in chemistry-related professions. The Department strongly encourages hands-on laboratory experience with instrumentation. Ample opportunity exists for participation in research and other professional activities.

Chemistry — B.A./B.S.

Core Requirements:
CHEM 201, 202 General Chemistry I, II (5,5)
CHEM 230, 430 Analytical Chemistry I, II (4,4)
CHEM 311, 312 Organic Chemistry I, II (5,5)
CHEM 411, 412 Physical Chemistry I, II (4,4)
NASC 370 Science Seminar (4 semester.) (1,1,1,1)

Electives: All of the following for the B.S.; one for the B.A.:
CHEM 314 Biochemistry (5)
CHEM 440 Inorganic Chemistry (4)
CHEM 450 Advanced Organic Chemistry (4)

Supportive Requirements: Students must show competency in mathematics (or MATH 201, 202), physics (PHYS 201, 202), and biology (BIOL 201, 202).

Culminating Requirements:
CHEM 499 Senior Project (1-4) Comprehensive Examination (0)

Certificate Programs in Chemistry

In addition to the traditional B.S. program, the department offers three certificates which link pure theoretical chemistry with chemical engineering: Solar Photochemistry and Technology, Environmental Chemistry, and Analytical Instrumentation. The following are the courses in the programs:
Programs — Chemistry and Communications

CHEM 400 Fundamentals of Electronics, Optics, and Computers (4)
CHEM 401 Introduction to Scientific Principles of Chemical Engineering (4)
CHEM 402 Environmental Chemistry and Technology (4)
CHEM 403 Solar Photochemical and Thermal Process (4)
CHEM 404 Instrumental Analysis I (4)
CHEM 405 Instrumental Analysis II (4)
CHEM 406 Selected Topics in Energy Technology (4)
CHEM 407 Selected Topics in Environmental Technology (4)

Program requirements are as follows:

**Solar Photochemistry and Technology**
Requirements: CHEM 400, 401, 403, 405
Electives: One of the remaining four courses.

**Environmental Chemistry**
Requirements: CHEM 401, 402, 404, 407
Electives: One of the remaining four courses.

**Analytical Instrumentation**
Requirements: CHEM 400, 401, 404, 405
Electives: One of the remaining four courses.

COMMUNICATIONS DEPARTMENT

Chairperson: George Keeler

Regular Faculty: Eric Bishop, Gary Colby, George Keeler, Michael Laponis, Don Pollock, Robert Rivera.

Broadcasting — B.A.

The broadcasting program gives students a solid introduction to the entire field of broadcasting, allowing them to select emphases and internships in either television or radio. It requires a minimum of 40 semester hours.

**Core Requirements:**
JOUR 100 News Reporting (3)
RDIO 112 Radio and TV Audio Controls and Techniques (4)
RDIO/TV 166 Introduction to Mass Media (3)
RDIO 220A Radio Production I (4)
TV 220A Fundamentals of Video Production I (4)
RDIO/TV 305 Radio and TV Newswriting and Editing (4)
TV 400 Designing the Media Message (4)
RDIO/TV 460 Law and the Mass Media (2)
RDIO/TV 467 Ethics of Mass Media—Printed and Electronic (3)

**Radio Emphasis:** The following courses plus up to three additional semester hours in upper-division electives (depending upon the number of semester hours taken in the internship) to meet residency requirements in the major.
RDIO 220B Radio Production II (4)
RDIO 426A Radio Station Operation I (2)
RDIO 497 Internship (1-4)
RDIO 499 Senior Seminar (3)

**Television Emphasis:** The following courses plus up to three additional semester hours in upper-division electives (depending upon the number of semester hours taken in the internship) to meet residency requirements in the major.
TV 220B Intermediate Video Production (4)
TV 320A Advanced Video Production I (2)
TV 330 Television Editing (4)
TV 497 Internship (1-4)
TV 499 Senior Seminar (3)

Communications — B.A.

The Communications Major allows the student to design a program in the mass media to fulfill individual needs. The major requires a minimum of 40 semester hours of communications courses.

**Core Requirements:**
JOUR 100 News Reporting (3)
JOUR 166 Introduction to Mass Media (3)
JOUR 460 Law and the Mass Media, or JOUR 467 Ethics of Mass Media—Printed and Electronic (3)
JOUR 499 Senior Seminar (3)
PHOT 210 Elementary Photography (3)
PHOT 310 Digital Imaging (3)
RDIO 220A Radio Production I (4)
TV 220A Fundamentals of Video Production I (4)
SPCM 260 Oral Communication for the Media (4)
Production courses in JOUR, PHOT, RDIO, SPCM, and/or TV (6)

**Electives:** A minimum of 12-18 semester hours of upper division JOUR, PHOT, RDIO, SPCM, or TV courses.

University of La Verne, 2000-2001
Programs — Journalism and English

Journalism — B.A.

The journalism program prepares students for careers in the news media. By following the journalism emphasis or the photojournalism concentration, students prepare for positions on newspapers and magazines as reporters, photographers, columnists, and editorial writers, or for positions in public relations. It requires a minimum of 40 semester hours.

Core Requirements:
- JOUR 100 News Reporting (3)
- JOUR 115 News Editing (2)
- JOUR 315 Syntax and Grammar for the Professional Writer (4)
- JOUR 317 Graphic Production Processes and Design for Publications (4)
- JOUR 460 Law and the Mass Media (3)
- JOUR 467 Ethics of Mass Media—Printed and Electronic (3)
- JOUR 499 Senior Seminar (3)
- PHOT 210 Elementary Photography (3)
- PHOT 310 Digital Imaging (3)

Journalism Emphasis:
- Program Chairperson: George Keeler
  - JOUR 220A,B Newspaper Production I,II (2,2)
  - JOUR 300 Advanced News Reporting (4)
  - JOUR 313 Feature Writing (2)
  - JOUR 325A Magazine Production I (2)
  - JOUR 497 Internship (1-4)

Photojournalism Concentration:
- Program Chairperson: Gary Colby
  - PHOT 327A-D Staff Photography I, II (2,2)
  - PHOT 350 Color Photography (4)
  - PHOT 355 Introduction to Web Design (3)
  - PHOT 450A Special Projects in Photography (4)
  - PHOT 497 Internship (1-4)

Supportive Electives:
- PHOT 327C-D Staff Photography III, IV (2,2)

English — B.A.

Program Chairperson: David Werner

English studies help students sharpen their understanding, enhance their enjoyment, and heighten their awareness of themselves and their changing multi-cultural world. Designed for a variety of students, including those who are seeking personal enrichment, English Studies are appropriate as preparation for careers in education, law, business, or human relations, and for graduate study in literature. The approach is through a close study of language and literature as a discourse upon and communication of human concerns and values, with emphasis as well on the distinctive imaginative and aesthetic qualities of literary texts.

To complete an English major a student must demonstrate the ability to read and analyze critically the major genres, to write clearly and coherently, to understand and use basic linguistic concepts, to employ intelligently the vocabulary of literary study, and to be able to relate major events in literary history to the world at large.

The English major requires 51 units; the Single Subject Waiver (with the addition of EDUC 412 and ENG 497 Field Experience for the Single Subject Waiver in English) requires 59 units.

Core Requirements:
- ENG 270 Introduction to Language (4)
- ENG 275 Advanced Writing for the English Major (4)
- ENG 350 A,B,C,D Survey of English Literature (3 required) (4,4,4)
- ENG 353, 354, 355 American Literature (2 required) (4,4)
- One course in Shakespeare (4)
- ENG 499 Senior Thesis/Exam (4)
Programs — English

Electives: A minimum of 15 semester hours in upper-division ENG literature courses.

English Minor

Requirements:
One survey of American Literature (4)
One survey of English Literature (4)
One course in Shakespeare (4)
One additional 400-level ENG course (4)
Two ENG electives (3,3)

English Single Subject Waiver

Core Requirements:
ENG 270 Introduction to Language (4)
ENG 275 Advanced Writing for the English Major (4)
ENG 350 A,B,C,D Survey of English Literature (3 required) (4,4,4)
ENG 353, 354, 355 American Literature (2 required) (4,4)
One course in Shakespeare (4)
EDUC 412 Theories and Methods of Bilingual Education, English Language Development, and Specially Designed Academic Instruction in English (4)
ENG 497 Field Experience for the Single Subject Waiver in English (4)
ENG 499 Senior Thesis and Exam (4)

Breadth and Perspective Requirements: A minimum of 15 semester hours from the following two areas:

I—Social, Cultural, and Ethnic Diversity
ENG 336 Literature of Incarceration (3)
ENG 360 Jewish Literature (3)
ENG 362 North American Italian Immigration (3)
ENG 380 World War II Holocaust Literature (3)
ENG 383 Myth in Literature (3)
ENG 385 Special Studies in American Literature (3)

II—Modes & Methods of Imaginative Expression
ENG 283 Values in Film (3)
ENG 312 Creative Writing (3)
ENG 344 Drama on Page and Stage (3)
ENG 440 American Stage: Mirror of Society (3)
ENG 441 Drama: Comedy and Tragedy (3)
ENG 449 Study Trip to Ashland, Oregon Shakespeare Festival (3)

Comparative Literature — B.A.

Program Chairpersons: Gerard Lavatori and Dorena Wright

Core Requirements:
One upper-division literature course in French, German, or Spanish (4)
CMPL 390 Critical Theory: Approaches to Literature (4)
CMPL 498 Senior Seminar—Comparative Literature (4)
ENG 385 Special Studies in American Literature (4)
One survey of English Literature (4)
One survey of American Literature (4)
One course in Shakespeare (4)
One genre course (4)

Electives: A minimum of 16 semester hours of upper-division ENG, FREN, GERM, and SPAN courses involving comparative literature.

FINE ARTS DEPARTMENTS

Faculty Representative: Ruth Trotter

The University of La Verne’s Fine Arts Program consists of the Departments of Art, Music, Photography, and Theatre Arts. For a complete listing of faculty and offerings, see the separate departmental and program listings in this catalog.
Programs — History and Political Science and Honors Program

HISTORY AND POLITICAL SCIENCE DEPARTMENT

Chairperson: Richard Gelm

Regular Faculty: Paul Angelides, Richard Gelm, John Jang, James Le Sueur, Jack Meek, Stephen Sayles, Kamol Somvichian. Adjunct Faculty: Christos Doumas, Herbert Hogan, Angelo Montante, John Murphy, George Peppas, Stephen Slakey.

1Off-campus faculty

History — B.A.

A variety of courses are offered to allow students to develop their own interests and attain their professional objectives. Individualized majors in such areas as non-Western History and History of the West are available.

Core Requirements:
HIST 311, 312 Development of American Democracy I,II (4,4)
HIST 333 Early Modern Europe, or
HIST 334 Late Modern Europe (4)
HIST 363 History of Asia (4)
HIST 389 Study of History (4)
HIST 425 Intellectual History of United States Since 1865 (4)
HIST 499 Senior Seminar (2)

Electives: A minimum of 14 semester hours in the upper-division courses in the student's area(s) of emphasis.

History Minor

Core Requirements:
HIST 311, 312 Development of American Democracy I,II (4,4)
HIST 425 Intellectual History of United States Since 1865 (4)

Electives: A minimum of 12 semester hours in upper-division non-US History courses.

Political Science — B.A.

A variety of courses are offered to allow students to develop their own interests and attain their professional objectives. Individualized majors in such areas as Minority Studies, Political Studies, and Urban Affairs are available.

Core Requirements:
PLSC 301 American Government and Politics (3)
PLSC 351 International Relations (4)
PLSC 371 Classical Political Philosophies, or
PLSC 373 Modern Political Theory (4)
PLSC 499 Senior Seminar (2)

Electives: A minimum of 28 semester hours in upper-division Political Science courses.

Political Science Minor

Core Requirements:
PLSC 301 American Government and Politics (3)
PLSC 351 International Relations (4)
PLSC 373 Modern Political Theory (4)

Electives: A minimum of 13 semester hours in upper-division Political Science courses.

HONORS PROGRAM

Program Chairperson: Andrea Labinger

For students who have demonstrated exceptional academic achievement and motivation, the ULV Honors Program offers increased opportunities for intellectual and personal growth. Participants in the Honors Program can enrich their undergraduate experience through a special Honors curriculum that emphasizes critical thinking skills and the integration of knowledge from various disciplines, through individualized attention from faculty mentors, and through community outreach activities and cultural programs.

All eligible undergraduate students, regardless of major, are invited to apply, but participation in the program is completely voluntary. Students who complete the entire program receive the designation “Honors Program Graduate” on their diplomas and transcripts. Students who complete a minimum of two Interdisciplinary Seminars and a total of at least 10 units in Honors receive the designation “Honors Program Participant” on their transcripts. Besides these benefits, students in the program also receive specialized academic advising, greater opportunities for original research and study, and additional enrichment activities, including guest lectures. They are also eligible for Honors Scholarships.
Eligibility Requirements: Entering freshmen must have a minimum high school GPA of 3.5, minimum combined SAT scores of 1100, and the recommendations of two high school instructors. Currently enrolled students and transfer students must have a minimum GPA of 3.3 and the recommendation of two instructors. Interested students who do not meet these criteria are welcome to apply. All applications are considered on an individual basis; final acceptance is determined by the Honors Program Committee.

Core Requirements:
HONR 300 Interdisciplinary Seminar I (4)
HONR 310 Interdisciplinary Seminar II (4)
HONR 320 Interdisciplinary Seminar III (4)
HONR 330 Interdisciplinary Seminar IV (4)
HONR 370 Honors Colloquium (3 semesters minimum) (3-8)
HONR 499 Interdisciplinary Senior Seminar (1-4)

INTERDISCIPLINARY PROGRAMS

General Studies — A.A.
(Available only at selected locations.)

Core Requirements: A minimum of six semester hours in each of the following areas (courses used for general education requirements may also be used in the major):
Written and Spoken English (Public Speaking Optional) (Acceptable courses are marked GEWE1, GEWE2, and GESE below.)
Fine Arts
Humanities (Literature, Philosophy, Religion)
Natural Science
Social Science

International Business and Language — B.S.
Program Chairpersons: Jack McElwee and Andrea Labinger

The goals of this program are to increase students’ ability to communicate with people of other cultures in a business context, to provide language students with career opportunities in international business, to enable business students to function more efficiently in a cross-cultural environment, and to make students more competent as professionals and more productive as citizens of the world. French, German, or Spanish may be chosen as the language.

Prerequisites:
Two years of college-level French, German, or Spanish, or a passing ULV test score (3,3,3,3)
ECBU 201 Fundamentals of Accounting I (4)
ECBU 220 Economic Analysis I (3)

Core Requirements:
Commercial French, German, or Spanish (4)
300-level FREN, GERM, or SPAN course (4)
ECBU 324 Comparative Economic Systems (4)
ECBU 325 International Economics (4)
ECBU 350 Principles of Management (4)
ECBU 360 Principles of Marketing (4)
ECBU 466 International Marketing (4)
ECBU 451 International Management (4)
REL 305 World Religions: East, or
REL 370 History of Christianity (3-4)
PLSC 351 International Relations (4)
PLSC 301 American Government and Politics (international students only), or
PLSC 452 Comparative Government and Politics (US students only) (3-4)
ECBU 496 Senior Seminar, or
FREN or GERM or SPAN 499 Senior Project (3-4)

Electives: A minimum of 12 semester hours chosen with the approval of a program chairperson.

Latin American Studies Minor
Program Chairperson: Andrea Labinger

Core Requirements:
ENG 362 Contemporary Latin American Literature in Translation (4)
HIST 351 History of Latin America (4)

Electives: A minimum of 12 semester hours if all upper division, 16 if not, selected from the following or others with permission of the chairperson:
BHV 326 Latino Experience (4)
PLSC 363 Politics of Developing Nations (4)
REL 242 Contemporary Issues in the Catholic Faith (3)
SPAN 321 Hispanic Civilization and Culture II (4)
Liberal Arts — B.A.

Program Coordinator: Teresa Bader-Hull

This major gives students the opportunity to design an individualized, interdisciplinary major centered around a focus, theme, or problem area of the student’s choosing. It is ideal for students planning to pursue graduate work in disciplines which require a broad-based bachelor’s degree. To view a list of courses which can be selected for core requirements, see the program coordinator.

Core Requirements:
- 300-400-level Languages/Literatures course (3-4)
- 300-400-level REL or PHIL course (3-4)
- 300-400-level JOUR, RDIO, or TV course (4)
- 300-400-level ART, MUS, or THAR course (3-4)
- 300-400-level ANTH, PSY, or SOC course (4)
- 300-400-level HIST or PLSC course (3-4)
- 300-400-level Economics course (4)
- 300-400-level BIOL or CHEM course (3-4)
- LA 390 Research Methods (3)
- LA 499 Senior Seminar/Project (2-4)

Concentration: The concentration consists of 20 semester hours, focusing on the student’s theme or problem area, chosen by the student in consultation with an academic advisor.

Peace Studies Minor

Program Coordinator: Deborah Roberts

The Peace Studies interdisciplinary minor examines the process of engagement between the individual and the human and natural environments in a context that affirms mutual welfare and cooperative security.

Core Requirements:
- HUM 110 Introduction to Peace Studies (3)
- HUM 302 Conflict Resolution and Non-Violence (3)
- HUM 310 Peace Studies Colloquium (1,1,1,1)
- HUM 410 Peace Studies Seminar (3)

Electives: A minimum of 12 semester hours approved by a Peace Studies advisor and taken concurrently with Peace Studies Colloquium.

Social Science — B.A.

Program Chairperson: Stephen Sayles

Lower-Division Requirements: A minimum of 12 semester hours of courses selected from at least three of the following fields:
- Anthropology
- History
- Political Science
- Psychology
- Economics
- Public Administration
- Geography
- Sociology

Upper-Division Requirements: 42-44 semester hours from the above fields distributed as follows:
- 16 semester hours, departmentally approved, in one of the fields (16)
- 12 semester hours in a second field (12)
- 8 semester hours in a third field (8)
- 4 additional semester hours in one of the three fields (4)
- Senior Seminar/Project in the field with 16 semester hours (#1 above) (2-4)

INTERNATIONAL STUDIES

International Studies — B.A.

Program Chairperson: John Jang

The International Studies major combines an area of study (Asia, Europe, Latin America, or the Middle East) with a strong academic core program to provide an understanding of the diverse nature of global affairs and development.

Prerequisite: Two years of a foreign language

Core Requirements:
- ECBU 325 International Economics (4)
- PLSC 351 International Relations (4)
- REL 300 World Religions: West, or
- REL 305 World Religions: East (3-4)
- PLSC 499 Senior Seminar (2)
- International Students only:
- PLSC 301 American Government and Politics (3)

United States students only:
- PLSC 452 Comparative Government and Politics (4)

Electives: A minimum of 20 semester hours in upper-division courses in the student’s area(s) of emphasis.
European Studies Concentration (Athens campus only):  This concentration examines the events, ideas, traditions, and changes that have shaped Europe from 1945 to the present. A minimum of two terms of study in a European country other than Greece in an approved program is required. An internship relevant to the student's area of emphasis is highly recommended. Internships require approval of the program chair in Athens and may be taken for up to 8 semester hours of credit.

Students in this concentration must complete the prerequisites and core requirements of the major with the exception of REL 300/305, which is not required. Instead of the electives, students must take the following:

- HIST 439 Western Europe in the 20th Century (4)
- PLSC 453 European Government and Politics (4)
- PLSC 454 European Union Institutions (4)
- ECU 444 The Economics of the European Union (4)
- Approved electives (including internship and study abroad) (8)

**MATHEMATICS/PHYSICS/COMPUTER SCIENCE DEPARTMENT**

**Chairperson:** Michael Frantz

**Mathematics — B.A./B.S.**

**Regular Faculty:** Michael Frantz, Xiaoyan Liu, Themistocles Rassias, Rick Simon. **Adjunct Faculty:** Ann Raymond, Elaine Hemenway, James Ingersoll, Gary Westfahl, Rex Winters

1 Off-campus faculty

The mathematics program offers students preparation for graduate study, careers in teaching, scientific computing, and technology-related industry. While offering a basic grounding in the classical areas of mathematics, the curriculum emphasizes applied mathematics and its constantly evolving role in analyzing and solving problems in fields ranging from economics to aerodynamics to the environment.

**Core Requirements:**

- MATH 201, 202, 311 Calculus I, II, III (4,4,4)
- MATH 320 Linear Algebra (4)
- MATH 361 FORTRAN, or CMPS 263 PASCAL, or CMPS 366 Programming in C, or CMPS 367 Object Oriented Programming Using C++ (4)
- Additional Core Requirements for B.A.:
  - MATH 319 Vector Calculus, or MATH 328 Abstract Algebra (4)
  - MATH 325 Number Theory, or MATH 351 Probability (4)
- Electives for B.A.: A minimum of 8 semester hours in upper-division mathematics courses.

- Additional Core Requirements for B.S.:
  - MATH 315 Differential Equations (4)
- Electives for B.S.: A minimum of 12 semester hours in upper-division mathematics courses.

- Culminating Requirement:
  - MATH 499 Senior Project (1-4)
  - Comprehensive examination (consisting of a departmental exam and the GRE Mathematics Subject Exam) (0)

**LANGUAGES AND LITERATURES DIVISION**

**Chairperson:** Gerard Lavatori

The University of La Verne’s Languages and Literatures Division consists of the English Department, the Modern Languages Department, the Writing Program, and the ESL Program. For a complete listing of faculty and offerings, see the separate department and program listings in this catalog.
Physics — B.A./B.S.

Program Chairperson: Sarah Johnson
Regular Faculty: Sarah Johnson, Chris Koutsogeorgis.\(^1\) Adjunct Faculty: George Arnold, C. Robert Ferguson.

\(^1\)Off-campus faculty

The physics program prepares students for teaching, industry-related occupations, and graduate study. For stronger preparation, students should consider combining a physics major with a major or minor in mathematics and/or chemistry.

Core Requirements:
PHYS 203, 204  Engineering Physics I, II (5,5)
PHYS 322  Electricity and Magnetism (4)
PHYS 342  Analytical Mechanics (4)
PHYS 360  Atomic and Nuclear Physics (4)
PHYS 368  Quantum Mechanics (4)
NASC 370  Science Seminar (4 sem.) (1,1,1,1)

Electives: A minimum of 8 semester hours selected in consultation with the program counselor for the B.A.; a minimum of 12 for the B.S.

Supportive Requirements:
CHEM 201  General Chemistry I (5)
MATH 201, 202, 311  Calculus I, II, III (4,4,4)

Culminating Requirement:
PHYS 499  Senior Seminar/ Project (1-4)
Comprehensive examination (0)

Computer Science and Computer Engineering — B.S.

Program Chairperson: Seta Whitby
Regular Faculty: Mohamadreza Ahmadnia, Gregory Antonopoulos.\(^1\) Seta Whitby. Adjunct Faculty: Anaikuppam Marudarajan

\(^1\)Off-campus faculty

This major requires a minimum of 48 semester hours of computer engineering, computer science, and information science courses. Students are required to complete the core and supportive requirements during their freshman and sophomore years, and encouraged to streamline studies toward one concentration.

Core Requirements:
CMPN 220  Digital Logic Systems (4)
CMPN 280  Computer Organization (4)
CMPS 366  Programming in C (4)
CMPS 367  Object Oriented Language C++ (4)
CMPS 368  Principles of Computer Networks (4)
CMPS 370  Seminar (1)
CMPS 385  Data Structures (4)

Software Concentration:
Required Courses:
CMPS 454  Automata Theory (4)
CMPS 455  Compiler Design (4)
CMPS 460  Operating Systems (4)
CMPS 490  Database Management Systems (4)
CMPS 499  Senior Project (1-4)

Engineering Concentration:
Required Courses:
CMPN 150  Principles of Electronics and Computer Engineering (4)
CMPN 202  Electronic Devices and Circuits (4)
CMPN 330  Microprocessor Systems (4)
CMPN 480  Advanced Computer Architecture (4)
CMPS 499  Senior Project (1-4)

Information Science Concentration:
Required Courses:
CMPS 369  Local Area Networks (4)
CMPS 375  Systems Analysis (4)
CMPS 390  Information Systems in Organizations (4)
CMPS 490  Database Management Systems (4)
CMPS 499  Senior Project (1-4)

Electives: A minimum of one course from the following:
CMPS 303  Integrated Electronics (4)
CMPS 362  Numerical Algorithms (4)
CMPS 376  Small Talk (4)
CMPS 377  Visual Basic (4)
CMPS 378  Numerical Model and Simulation Engineering Systems (4)
CMPS 379  Java (4)
CMPS 380  ADA Programming Language (4)
CMPS 392  Project Management (4)
CMPS 400  Analysis of Algorithms (4)
CMPS 410  Engineering Experimental Designs (4)
CMPS 450  Peripherals and Communication Protocols (4)
CMPS 451  Artificial Intelligence (4)
CMPS 463  Computer Graphics (4)
CMPS 465  Programming Languages (4)
The foreign language and literature majors in French, German, and Spanish and the courses in Japanese aim to familiarize students with the cultural richness and diversity of the world through the intensive study of the linguistic, literary, and cultural expression of other nations. Since cultural values are best understood experientially, the study abroad program (in Ecuador, France, Germany, Japan, Mexico, and Spain) is a central component of the ULV foreign language major.

Students who complete the ULV foreign language major should demonstrate the linguistic competence and cultural sensitivity necessary to function effectively as informed world citizens in a growing number of professional fields, including international affairs, business, teaching, and communications. The ULV undergraduate foreign language major also prepares students for graduate studies.

Honors students in Spanish are eligible for election to Sigma Delta Pi, the National Spanish Honor Society.

French — B.A.

Program Chairperson: Gerard Lavatori

Core Requirements:
ANTH 340 Language and Culture, or
ENG 270 Introduction to Language
FREN 210, 211 Intermediate French I, II
FREN 320, 321 French Civilization and Culture I, II
FREN 330 Second Language Teaching
FREN 430, 431 French Literature I, II
FREN 499 Senior Project

Electives: Additional upper-division French courses to complete 40 semester hours in French. Many of these may be taken abroad.

Study Abroad Requirement: French Majors must complete a year of study in France.

Comprehensive Examination: The senior comprehensive examination tests language proficiency and reading skills.

German — B.A.

Program Chairperson: Roswitha Brooks

Prerequisites: A minimum of three years of high school German or the following:
GERM 100, 101 Elementary German I, II

Core Requirements:
ANTH 340 Language and Culture, or
ENG 270 Introduction to Language
GERM 210, 211 Intermediate German I, II
GERM 320, 321 Advanced German I, II
GERM 330 Second Language Teaching
GERM 430, 431 German Literature I, II
GERM 499 Senior Project

Electives: Additional upper-division German
Programs — Modern Languages

courses to complete 40 semester hours in German. Many of these may be taken abroad.

Study Abroad Requirement: German majors must complete a year of study in Germany at the university level.

Comprehensive Examination: The senior comprehensive examination tests language proficiency and reading skills.

Spanish — B.A.
Program Chairperson: Andrea Labinger

Core Requirements:
ANTH 340 Language and Culture, or
ENG 270 Introduction to Language (4)
SPAN 210, 211 Intermediate Spanish I, II (3,3)
SPAN 320, 321 Hispanic Civilization and Culture I, II (3,3)
SPAN 330 Second Language Teaching (3)
Two of the following four:
SPAN 430, 431, 432, 433 Hispanic Readings (4,4)
SPAN 499 Senior Project (1-4)

Electives: Additional upper-division Spanish courses to complete 40 semester hours in Spanish. Many of these may be taken abroad.

Study Abroad Requirement: Spanish Majors must supplement their ULV language course with study in a Spanish-speaking country.

Writing Program
Director: Catherine Henley-Erickson

The Writing Program is designed to ensure that clear, informed, correct writing is a viable and important cornerstone of the lifelong learning that is part of ULV’s mission. The Writing Program intends to instill confidence in and appreciation of the tools of written communication, whether that communication takes the form of television scripts, novels, newspaper editorials, or e-mail.

Based on entering placement scores, students are assigned to one of three levels of writing courses: ENG 106, Communications Skills; ENG 110, College Writing A; or ENG 111, College Writing B. Students are expected to complete all assigned writing courses in sequence, enrolling in the appropriate course each semester until the writing requirement is completed. Course challenges are available for ENG 110 and ENG 111. Assistance in writing is available at the central campus through the Learning Enhancement Center; computers are available there and in the computer labs.

Other course offerings in writing include ENG 309, Writing Workshop, and ENG 312, Creative Writing. Central campus students interested in writing also have the opportunity to participate in PRISM, ULV’s creative arts magazine, La Vernacula, the creative arts magazine in Spanish, the Campus Times newspaper and La Verne Magazine, journalism student publications, and Entr’Acte magazine, a theatre arts publication.

Creative Writing Minor

Core Requirements:
ENG 300 Writing for the Visual Arts or
ENG 309 Writing Workshop (3)
ENG 312 Creative Writing (3)
ENG 313 Advanced Creative Writing (3)
ENG 413 Grammar Workshop or
JOUR 315 Syntax and Grammar for the Professional Writer (4)
A minimum of 7 semester hours of approved ENG electives (7)

English as a Second Language Program
Director: Janice Johnson

The English as a Second Language Program is designed to assist international students in gaining the English skills necessary to successfully complete a degree at ULV. It is a part-time program for students who have been admitted into regular academic work, but who still need to improve their skills. ESL courses carry college credit and can be used to fulfill the foreign language general education requirement. While the TOEFL score grants admission, students must enroll in ESL/English courses each semester, until all courses are successfully completed. At the central campus placement criteria are as follows:

TOEFL of 475-500 or EPT of 2-2.9: ESL101/101P
TOEFL of 501-525 or EPT of 3-3.9: ESL103/103P
TOEFL of 526-550 or EPT of 4-4.9: ESL 105/105P
TOEFL of 551+ or EPT of 5.0+: ENG 110/111
Students enrolled in ESL courses may also take up to six semester hours per term of other course work with their advisor’s approval.

**MOVEMENT AND SPORTS SCIENCE DEPARTMENT**

**Chairperson:** Rex Huigens

**Regular Faculty:** Paul Alvarez, Julie Kline, Rex Huigens, Bobby Lee, Marilyn Oliver, Jim Paschal, Pat Widolff, Wendy Zwissler. **Adjunct Faculty:** Dwight Hanawalt

**Movement and Sports Science — B.S.**

The Movement and Sports Science major offers three tracks—a Teaching Track which prepares students to teach Physical Education, an Athletic Training Track which prepares students to become Athletic Trainers, and a general major for those students who do not wish to follow either of these tracks. The general major is designed by the chairperson of the department to meet the needs of the student's career. Each track will prepare a student for graduate study in Movement and Sports Science. Students are also able to utilize the Athletic Training Track and special electives in partial fulfillment of prerequisites for many graduate programs in Physical Therapy.

**I. Teaching Track**

The Teaching Track is a single subject program approved by the State of California for the teaching of Physical Education.

**Prerequisite for MSS 455 and 456:**

BIOL 343 Human Anatomy (4)

**Core Requirements:**

MSS 151 Health and Physical Fitness Strategies (2)
MSS 230 Field Work and Foundations of Movement and Sports Science (3)
MSS 250 Introduction to Adapted Physical Education (3)
MSS 323 Scientific Principles of Movement (3)
MSS 345 Methods of Research, Assessment, and Evaluation (3)
MSS 370 Methods and Practice of Teaching (3)
MSS 371 Methods and Practice of Teaching Individual Sports and Outdoor Education (3)
MSS 372 Methods and Practice of Teaching Team Sports and Games (3)
MSS 373 Methods and Practice of Teaching Gymnastics and Dance (3)
MSS 380 Motor Development (3)
MSS 430 Curriculum and Organization in Physical Education (3)
MSS 455 Kinesiology (4)
MSS 456 Physiology of Exercise (4)
MSS 460 Philosophy of Physical Education and Athletics (3)
MSS 499 Senior Seminar (4)

First Aid and CPR Certification

**Electives:** A minimum of 4 semester hours in MSS courses.

**II. Athletic Training Track**

The Athletic Training Track is beginning the transition to a CAAHEP (Commission for the Accreditation of Allied Health Professionals) accredited Athletic Training Education Program (ATEP). The original Athletic Training Track was designed to prepare and qualify students for the NATABOC (National Athletic Trainers Association Board of Certification) exam, through the internship route. The profession of athletic training and the professional education of athletic training students have recently undergone significant change. Both the internship route and the curriculum route to NATABOC certification have been eliminated, and, effective January 1, 2004, the sole route to certification will be through CAAHEP-accredited education programs.

Students graduating and fulfilling all eligibility (including application) requirements for the NATABOC exam by December 31, 2003, may elect to follow Athletic Training Track B, the original internship-based program. Those students graduating after January 1, 2004, must follow Athletic Training Track A. This curriculum is designed to fulfill all requirements for CAAHEP-accreditation. This program is not yet accredited, but application for candidacy is anticipated in September 2000. All students interested in...
Athletic Training must be assigned to an advisor in the Athletic Training Education Program and must communicate with that advisor on a regular basis. If accreditation is not achieved prior to 2004, graduating students will not be eligible to sit for the NATABOC exam.

**Athletic Training Track A (CAAHEP Planning)**

**Athletic Training Core Requirements:**
- MSS 235 Introduction to Athletic Training (3)
- MSS 237 Techniques and Observation in Athletic Training (2)
- MSS 324 Lower Extremities Assessment and Evaluation of Athletic Injuries (4)
- MSS 325 Athletic Training Practicum I (2)
- MSS 326 Upper Extremities Assessment and Evaluation of Athletic Injuries (4)
- MSS 327 Athletic Training Practicum II (2)
- MSS 328 Assessment and Evaluation of Head and Spinal Injuries (4)
- MSS 400 Athletic Training–Team Rotations (2)
- MSS 410 Exercise, Rehabilitation, and Modalities (4)
- MSS 411 Athletic Training Practicum III (2)
- MSS 415 Management and Administration in Athletic Training (3)
- MSS 418 Special Topics in Athletic Training (4)
- MSS 455 Kinesiology (4)
- MSS 456 Physiology of Exercise (4)
- MSS 496 Internship (1)

**Sports Sciences Core Requirements:**
- BIOL 343 Human Anatomy (4)
- BIOL 344 Human Physiology (4)
- MSS 151 Health and Fitness Strategies (2)
- MSS 323 Scientific Principles of Movement (3)
- MSS 345 Methods of Research, Assessment, and Evaluation (3)
- MSS 455 Kinesiology (4)
- MSS 456 Physiology of Exercise (4)
- MSS 499 Senior Seminar (4)

**Athletic Training Track B Prerequisite for MSS 455 and 456:**
- BIOL 343 Human Anatomy (4)

**Core Requirements:**
- BIOL 344 Human Physiology (4)
- MSS 151 Health and Physical Fitness Strategies (2)
- MSS 221 Athletic Training I (4)
- MSS 222 Athletic Training Field Work I (2)
- MSS 230 Field Work and Foundations of Movement and Sports Science (3)
- MSS 321 Athletic Training II (4)
- MSS 322 Athletic Training Field Work II (2)
- MSS 323 Scientific Principles of Movement (3)
- MSS 345 Methods of Research, Assessment and Evaluation (3)
- MSS 455 Kinesiology (4)
- MSS 456 Physiology of Exercise (4)
- MSS 497 Athletic Training Internship (1)
- MSS 499 Senior Seminar (4)
- MSS 222 and 322 each includes 100 hours experience as a student trainer for athletic teams. National Athletic Trainers Association Certification requires additional work.

**Movement and Sports Science Minor**

**Prerequisite for MSS 455 and 456:**
- BIOL 343 Human Anatomy (4)

**Core Requirements:**
- MSS 151 Health & Physical Fitness Strategies (2)
- MSS 230 Field Work and Foundations of Movement and Sports Science (3)
- MSS 323 Scientific Principles of Movement (3)
- MSS 455 Kinesiology or MSS 456 Physiology of Exercise (4)

**Electives:** A minimum of 6 semester hours from MSS 370-373 Methods and Practice of Teaching courses.

**MUSIC DEPARTMENT**

**Chairperson:** Reed Gratz

**Faculty:** Regular Faculty: Reed Gratz, Shawn Kirchner, Kathleen Lamkin. Adjunct Faculty: Karen Clark, Robert Dominguez, Anita Hanawalt, Jonathan Rothe, Michael Ryan

The mission of the Music Department is to provide students opportunities to experience a broad spectrum of music from the Western fine art tradition, the many genres of American music, and the music of other cultures. Through the courses and performances offered by the department, students will develop an understanding of artistic expression as an essential part of life, as well as learn skills essential to musicians today. Students may

choose a major or minor with a concentration in performance, history, or theory/composition.

The department has a unique relationship with the total educational experience in that students majoring in other areas are invited and encouraged to participate in all classes, ensembles, and applied lessons. Students are given the opportunity to initiate and/or continue development of their musical interests and talents.

Music — B.A.

Core Requirements:
MUS 230, 232 Theory I, II (4,4)
MUS 330, 332 Theory III, IV (4,4)
MUS 351, 352, 353 History and Literature of Music (4,4,4)
Theory, History, or Conducting (300-400 level) (8)
Applied music (8)
Ensemble (6)

Paralegal Studies — Certificate

Prerequisites: A bachelor's degree, an A.A. degree, or 60 semester hours (including a minimum of 18 in general education) from a regionally accredited college. The general education must include at least three semester hours in college-level English composition and 15 units from at least three of the following academic areas: social and behavioral science; English composition and literature; foreign language; mathematics; humanities; natural science; appreciation or history of the arts.

Core Requirements:
PL 101 Introduction to Paralegalism (3)
PL 300 Analysis and Research (3)

Electives: A minimum of 24 semester hours in Paralegal courses.

Paralegal Studies — A.S.

In addition to the courses required for the Paralegal Studies Certificate, students wishing an A.S. degree must complete the requirements listed in the Associate Degree requirements section of this catalog. At least 18 semester hours of the general education courses must be approved by the Paralegal program. The Fine Arts general education requirement can only be met by courses marked GEFAa. Examples of unacceptable courses for general education are ECBU 140, 328, 341, 343, 346, 350, 410. A.S. students should complete ENG 110 and six additional semester hours of general education prior to taking PL courses.

Paralegal Studies — B.S.
Transfer courses are accepted into this program, but majors must take a minimum of 15 semester hours of upper-division PL courses from ULV. Students should complete ENG 110 and six additional semester hours of general education prior to taking PL courses. At least 18 semester hours of general education must meet the Paralegal Program’s approval.

**Core Requirements:**
- PL 101 Introduction to Paralegalism (3)
- PL 110 Legal Writing (3)
- PL 165 Civil Procedure, or
- PL 170 Criminal Law and Procedure (in Criminology Concentration only) (3)

Prehealth Science Program

Program Chairperson: Robert Neher

Premedical and Predental Programs. The prehealth science program meets the requirements for admission to all accredited dental and medical schools. The high school program should include biology, chemistry, physics, trigonometry, and a foreign language, such as French, German, or Russian. New prehealth science students should register with the premedical and predental committee to receive counseling during the total program and for periodic program evaluations.

The health science student is entering a difficult and demanding program, and there are many steps to take to prepare for graduate study. To begin with, a broad, well-balanced, general education background is essential. Although a premedical or predental student may select any college major, he/she must complete the prescribed courses in biology, chemistry, math, physics, and English. These courses are required by most medical and dental schools, and they are essential preparation for the MCAT or DAT qualifying exams.

Competition for dental and medical school is increasingly keen, with the average GPA of those accepted at about 3.5. Other important factors in determining admission include interviews, admission test results, letters of recommendation, grade trends, extracurricular activities, intensity of the academic programs, and work experience.

Suggested Prehealth Science Program:

**Freshman year:**
- BIOL 201, 202 General Biology I, II (5,5)
- CHEM 201, 202 General Chemistry I, II (5,5)
- English and Speech (4,4,2)
- Three electives (general education requirements)

**Sophomore year:**
- BIOL 311 Genetics (4)
- BIOL 312 Environmental Biology (4)
- CHEM 311, 312 Organic Chemistry I, II (5,5)
- MATH 201, 202 Calculus I, II (4,4)
- Two electives (including general education requirements)

**Junior year:**
- BIOL 313 Developmental Biology (4)
- BIOL 314 Biochemistry (5)
- PHYS 201, 202 General Physics I, II (5,5)
- Four electives (including general education requirements)

**Senior year:**
- Fall: MCAT or DAT examination
- Completion of major requirements including senior project/thesis
- Completion of general education requirements.
- GRE major subject examination

Prenursing Program. Requirements for admission into specific nursing programs are diverse, and specific schools should be contacted for their requirements. A recommended prenursing course includes a broad general education background, plus emphasis in the following areas: general chemistry, general biology, anatomy and physiology, environmental biology, microbiology, biochemistry, and psychology.

Other Preprofessional Programs. Many other preprofessional programs are available, such as prepharmacy, preoptometry, prepodiatry, prevet-
Programs — Prehealth Science and Psychology

Veterinary, premedtech, and prephysical therapy. Since these graduate areas have specific requirements for entrance, students are urged to contact and work directly with their advisor and the graduate school of their choice.

Seven-Year Baccalaureate/Doctor of Osteopathy Program. ULV has developed a premedical ladder program with Western University of Health Sciences in Pomona, California. After three years of study at ULV, selected students may be accepted by Western University and complete their bachelor's and medical degrees simultaneously, thus earning the two degrees in seven years rather than eight.

Prelaw Program

Prelaw Advisor: Kamol Somvichian

A broad academic, cultural, and intellectual background in the various disciplines of the liberal arts is highly beneficial to students who are considering the legal profession. While leading law schools prescribe no one set of courses for students preparing to enter legal studies, all encourage prelaw students to develop skills in analytic research, communication (both written and oral), and reading. Prelaw students may select any undergraduate major offered at ULV.

The prelaw advisor has been designated to give prelaw students assistance in designing their courses of study at La Verne to best prepare them for law school. Through careful counseling the advisor will identify the student's strengths and weaknesses for future legal study. This individualized counseling program and the help given to students in locating suitable law schools has been successful in placing prelaw students in the La Verne College of Law as well as other law schools in California and other parts of the United States. Students are urged to contact the prelaw advisor as soon as they decide to pursue a legal career.

Six-year Baccalaureate/Juris Doctor Program. Students interested in earning a bachelor's degree in four years and a J.D. two years later. Students majoring in history, political science, public administration, or economics/business may be able to apply some courses taken in law school toward their major. Other students must complete all of their undergraduate major and general education requirements by the end of their junior year and have no more than 32 semester hours of elective credit outstanding. By the same date they must also apply to the College of Law and meet all requirements other than the completion of the bachelor's degree. Interested students should contact the prelaw advisor as soon as they arrive at ULV.

Psychology Department

Chairperson: Roger Russell

Regular Faculty: Eugenia Dallas, Aghop Der-Karabetian, Michael Fakinos, Glenn Gamst, Arthur Gonchar, Daphne Halkias, Valerie Jordan, Gloria Morrow, Errol Moultrie, Mary Prieto-Bayard, Christina Rodriguez, Roger Russell.

The Psychology Department offers bachelor’s, master’s, and doctoral programs in psychology and counseling, and oversees the ULV Counseling Center. Psychology students have the opportunity to join Psi Chi, the national honor society in Psychology.

Psychology — B.S.

Program Chairperson: Roger Russell

This major prepares students for careers in psychology and related fields. It is also offered at selected residence centers where, with advisor approval, other courses may be substituted for courses in the area of emphasis.

Courses for declaration of major:

Students may declare a major in the B.S. Psychology Program after successfully completing these courses:

The Psychology Department offers two graduate
counseling programs: Marriage, Family, and Child
Counseling (MFCC) at the central campus, and
Counseling (with concentrations) at the central
campus and at La Verne College of Athens. The
admission requirements and program policies are
the same for both counseling programs. The
department also offers a concentration in Counseling in the M.S. Gerontology program.

Admission requirements: The minimum admission
requirements for both Counseling programs are
listed below (some tracks may have additional
requirements):
1. A bachelor’s degree with a psychology, soci-
ology, or behavioral science major, or at least the
following five courses: general psychology, life-
span human development, abnormal psychology,
research methods or statistics, and one other the-
ory course in the behavioral sciences. The under-
graduate course work will be evaluated on an indi-
vidual basis for its recency and appropriateness to
the graduate program.
2. An overall undergraduate GPA of 3.0. Applicants with GPA under 3.0 may be considered
on a provisional admission basis.
3. Applicants are strongly encouraged to have
at least one year of volunteer or paid experience
working with families, children, or couples.
4. Completion of a 5-7 page Statement of
Purpose and Autobiography.
5. An interview with at least two Behavioral
Science faculty members.
6. Completion of a psychological inventory.
7. Three letters of recommendation from pro-
fessors and colleagues who are familiar with the
applicant’s academic and professional abilities,
potential, and appropriateness for the counseling
profession. At least one letter should be from a
professor.
8. A copy of a current résumé.
A student is eligible to enroll in no more than
six semester hours prior to being admitted into a
Counseling program.

Program Candidacy: All counseling students
are admitted into the program under a precandi-
dacy status. After the completion of 12 semester
hours, all students become eligible for candidacy.
status and are evaluated by the department by the following criteria: GPA of 3.0 or above, a passing score on the Competency Examination (PSY 595), and demonstrated personal suitability for the counseling profession. Occasionally, students may receive a provisional candidacy status in which certain conditions must be completed before they can receive candidacy status. In some instances, students may be denied candidacy and be discontinued from the program. All students must receive candidacy status in order to complete the program.

During their coursework in the program, students continue to be evaluated for demonstrated suitability to the program and the counseling profession. Occasionally, discontinuation of a student from the program may occur, even after the conferring of candidacy status, if the student’s personal or professional behavior does not continue to meet minimum professional and/or academic standards.

**Personal Psychotherapy:** The department believes that students entering the counseling profession benefit professionally, personally, and academically from experiencing personal psychotherapy, and believes that psychotherapy is a necessary training experience for counseling professionals. Therefore, after admission, all students enrolled in the MFCC program are required to complete a minimum of 30 hours of personal psychotherapy over a six-month period or longer in order to complete the program. Likewise, after admission, all students enrolled in the M.S., Counseling program are required to complete at least 20 hours of personal psychotherapy spread over at least six months in order to complete the program. The therapy may include individual, couple, family, or group therapy, depending on the individual student’s issues and preferences. In consultation with the program chair, each student designs a psychotherapy treatment plan for department approval no later than the time of evaluation for candidacy. Students enrolled in the MFCC program may apply their psychotherapy hours towards the optional hours of experience category for California MFT licensure. Any exceptions to this policy must be approved by the department.

**Competency Exam:** This written exam, a part of the evaluation for candidacy, is based on PSY 512, 517A, 517B, and 527, and requires students to integrate and apply counseling theories, techniques, diagnosis, and ethical and legal issues.

**Marriage, Family, and Child Counseling — M.S.**
(Central Campus only)

**Program Chairperson:** Errol Moultrie

The MFCC program trains students to become therapists to meet the psychological needs of families, couples, and children in a changing society. It combines theoretical training with practical experiences to prepare students for both professional counseling careers as well as possible doctoral study. General systems theory provides the theoretical foundation for the MFCC program, and students are exposed to a range of theoretical orientations that reflect a systems perspective. In California, completion of this program fulfills all of the academic requirements of the Board of Behavioral Science for licensure in California as a Marriage and Family Therapist, as well as the academic requirements for California community college counseling and instructor positions.

Counseling (Concentration) — M.S.

Program Chairperson: Errol Moultrie
Athens Coordinator: Daphne Halkias

This program is designed for students who are pursuing training in a variety of professional areas of counseling, and provides three specific concentrations within the counseling domain: General Counseling, Gerontology, and Counseling in Higher Education. These concentrations will prepare students for career opportunities in human services, community colleges and universities, community mental health agencies, and other settings involving counseling expertise. In California, completion of this program fulfills the academic requirements for California community college instructor, administrator, and counseling positions. It does not fulfill the academic requirements of the Board of Behavioral Science for licensure in California as a Marriage and Family Therapist and is not intended for students who wish to pursue that license. Only the General Counseling concentration is available at the Athens campus.

Doctor of Psychology — Psy.D.
Clinical–Community Psychology

Program Chairperson: Valerie B. Jordan
Director of Clinical Training: Gloria Morrow

This doctoral program builds upon ULV’s well-established tradition of community service and prepares its graduates to function competently and responsibly in a multicultural and pluralistic society. It is anchored in a clinical-community-ecological perspective emphasizing that human behavior is understood best within the context of interactional systems that are multi-level, multi-dimensional, and multi-directional. Its core mission is to train clinician-scholars who will think critically, apply their knowledge diligently, and practice ethically and compassionately, not only reactively as providers of traditional clinical services but also proactively as agents of social change.

The program is secular in orientation and is designed to be completed in five years of full-time study, at least four of which must be in residence. It develops competence in the scientific founda-

tions of psychology, clinical-community professional areas of practice, research methods, and data analysis. It includes an empirical dissertation as well as clinical training, the latter of which consists of clinical practica and an internship. The practica occur during Years 2 and 3 of the program, and consist of a total of 900 hours of training at two different sites. The dissertation proposal is designed during Year 3 and completed during Year 4, prior to the clinical internship. The clinical internship in Year 5 consists of 1500 clinical hours and can be completed either during one year of full-time training or in two years of half-time training. The internship meets the predoctoral licensure requirements in California. The program is designed to meet the criteria for pursuing eventual accreditation by the American Psychological Association.

Admissions Requirements. Applicants are admitted with a bachelor’s or master’s degree. All applicants must submit the following:

1. Academic preparation. Official transcripts documenting receipt of a bachelor’s degree from a regionally-accredited institution of higher learning with a minimum GPA of 3.25. Although an undergraduate major in psychology is not required, all applicants must have completed at least 18 hours of psychology distributed across the following core areas: introductory psychology, statistics, experimental psychology or research methods, physiological psychology, and abnormal psychology. In addition, one course from among the following is required: history and systems, social psychology, human development, theories of personality, and clinical or community psychology. Applicants with graduate degrees must submit transcripts showing these degrees and documenting a minimum graduate GPA of 3.65.

2. Three letters of recommendation from individuals who are sufficiently familiar with the applicant’s academic and/or clinical or field work to provide a valid and objective assessment of the applicant’s potential to function competently as a professional psychologist.

3. A statement of purpose, not to exceed 500 words, addressing the applicant’s reasons for pursuing doctoral work in clinical-community psychology.

4. An autobiographical statement, not to exceed 1000 words, addressing ways in which life experiences have influenced the decision to pursue doctoral studies.

5. A current curriculum vitae.

Transfer Credit. Individuals with graduate-level coursework may petition for a maximum of 30 transfer credits. Transfer credit will not be awarded for prior clinical experience or practicum work.

Program Progress, Candidacy, and the Clinical Competency Examination. Individuals are admitted into the program as precandidates. To be eligible to apply for candidacy, precandidates must at a minimum (a) complete 60 semester hours of course work in the program, (b) complete 300 clinical practicum hours, and (c) pass a comprehensive examination. Evaluation for candidacy normally occurs in the fall of the third year of the program.

To apply for an internship, a candidate must pass the Clinical Competency Examination given in the fall of the fourth year of study. All students must earn candidacy status and pass the Clinical Competency Examination in order to complete the program. Dismissal of a student may occur even after the conferring of candidacy and passing the Clinical Competency Examination if the student’s personal or professional behavior do not continue to meet required standards for the profession.

M.S. in Psychology. An M.S. in Psychology will be awarded at the completion of the second year of the Psy.D. program (60 semester hours for students entering the program with a bachelor’s degree; at least 45 semester hours for students entering with transfer credit) to students in academic good standing who have successfully completed PSY 635, PSY 636, and the Comprehensive Examination (taken in the summer of the second year of the program). This degree is intended only as an enroute degree toward the completion of the Psy.D., not as a terminal master’s degree.

Personal Psychotherapy Requirement. The capacity for objective self-awareness and an appreciation of the psychotherapeutic process are
Programs — Psychology

important aspects of an individual's development as a clinician. The Psy.D. program encourages this process by requiring that all students complete a minimum of 40 hours of personal psychotherapy during the course of their enrollment. Although the Psychology Department maintains a referral network of practitioners who are willing to see students at reduced fees, it is the responsibility of the individual student to meet the cost of his or her personal psychotherapy.

Licensure. Courses in the Psy.D. curriculum are designed to be consistent with educational requirements for licensure in the State of California. However, because licensure requirements vary among states, students interested in practicing outside of California are encouraged to consult the licensing boards in the states where they intend to practice.

RELIGION & PHILOSOPHY DEPARTMENT
Programs — Religion and Philosophy

Chairperson: Dan Campana

Regular Faculty: Dan Campana, John Gingrich, Jonathan Reed, Richard Rose. Adjunct Faculty: Foster Craggett, 1 Marshall Osman, Deborah Roberts

1 Off-campus faculty

Consistent with ULV's church-related origins and values orientation, the Religion/Philosophy Department offers bachelor of arts degrees in Religion, Philosophy, and Religion/Philosophy. A minor is also available in Religion or Philosophy.

Religion courses offer the opportunity to explore religion and religious values in a critical, Christian context. Philosophy courses challenge students to look seriously at the philosophical traditions which have helped to shape our world views. In all courses emphasis is upon clear thinking and evaluation of a broad range of views with the goal of refining one's own perspectives.

Off-campus religion programs are also offered to enable students in African-American and Latino communities of Los Angeles to pursue degrees in Religion and Philosophy. These courses are offered in Pasadena and central Los Angeles in the evenings and on Saturdays. For further information see the “Special Programs" section of this catalog.

THEATRE ARTS DEPARTMENT

Chairperson: David Flaten

Regular Faculty: David Flaten, Steven Kent.
Adjunct Faculty: Jane Dibbell, Georgij Paro, Elizabeth Pietrzak.

The mission of the Theatre Arts Department is, through contact with theatre as participant or audience, to celebrate and reflect upon the values that enrich life, to increase awareness of dynamic human interrelationships and of different cultures and world views, and to encourage students and the community to view and use ULV theatre as a resource where ideas may be explored creatively and find physical form.

To this end, the department offers an experiential, production-oriented program with a variety of performance and academic courses. Through the Institute for Conscious Acting, the department regularly sponsors projects and special workshops with visiting theatre professionals. The Theatre Arts program is designed for majors with various career goals as well as non-major participants. Along with providing a thorough back-

The mission of the School of Business and Global Studies (SBGS) is to provide students an educational experience that exposes them to a body of theory, research, and application that will develop conceptual abilities and application skills to meet the needs of the current and future business environment.

In support of this, the SBGS is committed to providing a curriculum to our students that:
• is relevant to today’s multicultured, transna-
Programs — Business and Global Studies

- focuses on the development of ethics and values that leads to actions that enrich the human condition;
- integrates information technology and concepts as decision tools of a modern organization and enhances the student's capability to succeed in a changing future environment through lifelong learning.

The SBGS offers undergraduate majors in Accounting, Business Administration, Economics, and Marketing, with concentrations in Business Economics, Business Finance, Business Management, Information Technology, International Business, and Marketing. Minors in Business Administration, Economics, Human Resources Management, and Marketing are available for non-SBGS majors. At the graduate level, SBGS offers the Master of Business Administration (M.B.A.) and a Master of Science in Business Organizational Management. Concentrations in Accounting, Executive Management, Finance, Health Services Management, Information Technology, International Business, Leadership, Managed Care, Management, and Marketing are available. Graduate academic certificates are available in the areas of concentration.

Business students are advised to participate in co-curricular activities related to business or other student governance and leadership groups. Students may choose to augment on-campus education through job experience in work-study and internship programs. Business students also are strongly encouraged to study abroad to broaden their horizons while earning degree credit.

CENTRAL CAMPUS & ATHENS
UNDERGRADUATE PROGRAMS

Undergraduate students at the central campus and in Athens may choose to major in Accounting, Business Administration, Marketing, or Economics. Those majoring in Business Administration may choose from concentrations in Business Economics, Business Economics and Global Studies, Business Finance, Business Management, Information Technology, International Business, or Marketing. Not all concentrations are available in Athens. Central campus students may also select the interdepartmental major, International Business and Language. Students not majoring in the School of Business and Global Studies may choose to minor in Business Administration, Economics, Human Resources Management, or Marketing. All students are expected to be proficient, in word processing, spreadsheets, electronic communications, and information retrieval on the Internet.

GRADUATE PROGRAMS IN BUSINESS
Graduate business programs at ULV are designed for individuals with proven academic background and work experience along with high probability of success in graduate study and in subsequent teaching, research, or professional careers. All applications are reviewed carefully, based on the following criteria:

1. A bachelor’s degree from a regionally accredited college or university.
2. A minimum GPA of 3.0 in the last 60 semester hours of undergraduate work including no lower than a C grade in all prerequisite courses. Applicants with lower GPA’s will be considered on a provisional basis and may be required to submit GMAT scores. The GRE may be substituted for the GMAT.
3. Two positive letters of recommendation, especially from business instructors or employers.
4. A current résumé and personal statement of purpose.

Students without a degree from an English-speaking institution, where English is the primary language of instruction and of the geographic area, must establish minimal proficiency in English by accomplishing one of the following: TOEFL score of 550 or more, 400 verbal GRE, satisfactory completion of ULV’s English proficiency test, or satisfactory completion of prerequisite ESL courses at ULV as indicated by a placement examination.

All students are expected to be proficient in word processing, spreadsheets, electronic communications, and information retrieval on the Internet.

M.B.A. Preparatory Program
Program Chairperson: Ibrahim Helou

This program provides coursework tailored to the needs of students who do not meet the entrance requirements for full admission to the MBA program. For further information contact the program chairperson.

Master of Business Administration
Program Chairperson: Ibrahim Helou

The M.B.A. provides a strong foundation in the traditional areas of business administration, the interrelationships among the various functional business disciplines, and a broad exposure to the contemporary skills of management. Emphasis is on the development of skills necessary to manage in a critical, rational, and effective manner within the complex global environment. The program does not require work experience or an undergraduate degree in business administration. Students with professional experience and/or an undergraduate degree in business are also eligible.

TEACHER EDUCATION PROGRAM

Program Chairperson: Margaret Redman

The Teacher Educational Program at the University of La Verne emphasizes learning skills and humanistic approaches to teaching. It is designed specially to meet the requirements of multiple subject and single subject certification for the State of California. Students interested in obtaining a teaching credential should seek counseling through the Education Office (MA 152, ext. 4626), and must apply for the program prior to enrolling in classes. Out of state credentials are evaluated on an individual basis.

Admission Requirements:
• Application and personal interview
• CBEST score card and pass card
• Transcript(s) indicating 90 semester hours or more toward B.A./B.S. at time of application.
• 2.75 overall GPA
• 3.00 in a university/college-certified program for subject matter competence
• Constitution course or test
• Speech course or verification
• Writing competency sample
• Course in Child Psychology and Development (birth through adolescence) completed within the last five years.

For the Single Subject Credential a major in one of the subject areas listed or passage of Praxis and SSAT is required.

Majors in one of the subject areas or passage of the Praxis/SSAT: Agriculture, Art, Business, English, Home Economics, Industrial and Technology Education, Mathematics, Foreign Language, Health Science, Music, Physical Education, Science: Biological Sciences, Chemistry, Geo Sciences, Physics, Social Science.

Candidates with low GPA’s must pass appropriate National Teachers Examination (NTE) and Single Subject Assessment for Teachers (SSAT) for Single Subject Credential or Multiple Subjects Assessment for Teachers (MSAT) for Multiple Subject Credential prior to application for student teaching.

Not offered at the University of La Verne as a subject matter competence program. Non-waiver candidates must pass appropriate National Teachers Examination (NTE/Praxis) and Single Coursework Taken Prior to Student Teaching:
EDUC 405 Foundations of Learning (3)
EDUC 405P Directed Teaching—Practicum I (1)
EDUC 406 Professional Skills and Competencies (3)

Leadership and Management — M.S.

Program Chairperson: Carol Sawyer

Regular Faculty: Ellsworth Johnson, Carol Sawyer. Adjunct Faculty: Bennett Monyé

This program emphasizes the human dimensions of management. It is applicable where skills in change management, leadership, and group dynamics are demanded for professional effectiveness. The core classes develop an essential managerial knowledge base; students customize the balance of the coursework with either a focused concentration of four electives or a more generalized program of study, selecting from 15 different electives. The capstone course, built upon three required research courses, results in the research, writing, and presentation of either a thesis or an applied research project. The MSLM program is a networked and mutually supportive community of learners. New students are required to participate in an orientation and are expected to develop mastery of Internet research. Applicants must interview with the program chairperson.

Professional Administrative Services Credential
Program Chairperson: Barbara Poling
Adjunct Faculty: Michael Barkhurst, Janeane Dimpel, Ronald Hockwalt

The Professional Administrative Services Credential is the second level of the two-tiered credential requirements enacted into law in 1982. This credential may be taken in conjunction with the Ed.D. program in Educational Leadership, or it may be pursued as a separate program. The courses in the credential program relate directly to the five thematic principles established by the Credentialing Commission: organizational and cultural environment; dynamics of strategic issues management; ethical and reflective leadership; evaluation, analysis, and development of public policy; and management of information systems and human and fiscal resources. The California Commission on Teacher Credentialing has approved this program for granting the administrative credential.

Admission Requirements: In addition to the University requirements, the following are required:
1. A valid Preliminary Administrative Services Credential (Tier 1).
2. Employment in a full-time public or private school administrative position.

Educational Leadership — Ed.D.
Program Chairperson: Barbara Poling
Regular Faculty: William Bearley, John Glaser, Thomas Harvey, Don Hayes, Larry Kemper, Larry Machi, Steve Morgan, Barbara Peterson, Barbara Poling, Carol Roberts, Emanuel Scrofani.
Adjunct Faculty: Patricia Clark-White, Ronald Hockwalt, Keith Larick, Loretta Rahmani

This program is designed for the practicing administrator who wishes to pursue advanced study while continuing a professional career. Its primary focus is the application of management theory to the processes and practices of educational administration. The day-to-day and long-range problems facing administrators serve as case studies for individual and group activities. Theory is tested in the field by students, thereby validating both theoretical and practical competencies.

Prerequisites: Applicants must possess an earned master’s degree or equivalent and have maintained a GPA of 3.0 or better in all work leading to the degree. They must also possess the following characteristics:
1. Academic capability to complete the requirements of doctoral studies.
Programs — Organizational Leadership

2. Demonstrated ability as an educational manager.
3. Opportunity to apply theory on the job.
4. Potential of making significant contributions to the field of education as a practicing administrator.

Admission: Applicants will be evaluated by the departmental admissions committee using the following measures: undergraduate performance, graduate performance, performance on the GRE (Aptitude Section) or the Miller Analogies Test, and letters of recommendation. A personal interview with the departmental admissions committee may be required. The department seeks a profile of the total student and will balance all of these measures.

Total Program: 54 semester hours
The program requires a minimum time commitment of three years with at least nine semester hours each semester. In addition to participation in geographic clusters each semester, candidates meet in eight-day seminars each January and July at the central campus.

Management Theme Courses: 36 semester hours

**Regular Faculty:** Kent Badger, Suzanne Beaumaster, Raymond Garubo, Ellsworth Johnson, Stuart Mandell, Jack Meek, Keeok Park, Keith Schildt, Janat Yousof. **Adjunct Faculty:** Marilyn Ditty, Judy Doktor, Susan Lomeli, Bennett Monyé.

The Doctor of Public Administration is designed to develop scholarly practitioners as leaders committed to improving the quality of life and environmental sustainability of the Southern California region. Students learn to consciously integrate and apply current theoretical, moral, and institutional perspectives that contribute to the disciplined analysis and professional resolution of administrative problems. Students take coursework in clusters offered near their places of work and in intensive seminars held on the central campus. They take a prescribed sequence of courses which are instructed and coordinated by
Programs — Public Administration

A full-time department faculty member teamed with a practitioner adjunct faculty member.

**Prerequisites:** Applicants should possess a Master of Public Administration (M.P.A.) or a master’s degree in a related field. Applicants with master’s degrees in an unrelated field may be required to take additional prerequisites discussed and agreed upon at the time of admission. The determination of needed prerequisites will be based upon the applicant's knowledge of research methods, statistics, organization theory and behavior, management theory, and politics.

**Admission:** Applicants are evaluated on undergraduate G.P.A.; graduate GPA; G.R.E. (Aptitude Section), Miller Analogies Test, or GMAT scores; letters of recommendation; and a personal interview. The department balances all of these measures in making decision on admission.

**Total Program:** 54 semester hours minimum

The program requires a minimum time commitment of three years with at least nine semester hours each semester. In addition to participation in cluster sessions each semester, all students meet together in nine days of weekend seminars at the central campus. Students are required to produce a dissertation of publishable quality.

**Theme courses:** 36 semester hours

- **Fall Semester 2000**
  - PADM 674 Organizational Change and Development (3)
  - PADM 682 Conflict Management (3)

- **Spring Semester 2001**
  - PADM 620 Organizational Theory & Design (3)
  - PADM 622 Political Systems & Environments (3)

- **Fall Semester 2001**
  - PADM 675 Executive Leadership (3)
  - PADM 677 Administrative Decision Making and Ethics (3)

- **Spring Semester 2002**
  - PADM 650 Fiscal Administration (3)
  - PADM 651 Human Resource Management (3)
  - PADM 671 Program Evaluation (3)
  - PADM 672 Policy Analysis (3)

- **Fall Semester 2002**
  - PADM 673 Strategic Management (3)
  - PADM 678 Information Resource Management (3)

- **Research Courses:** 18 semester hours

  - **Summer**
    - PADM 690 Public Administration Foundations (3)

  - **Fall**

GENERAL INFORMATION ON COURSES

Course Numbering System:
001 Precollege
002-099 Activity and survey courses — lower division
100-199 Elementary and survey courses — lower division
200-299 Intermediate courses and courses introductory to a discipline
300-399 Advanced level, upper-division courses applicable to bachelor's degree programs
400-499 Advanced level, upper-division courses applicable to bachelor's degree programs and introductory graduate-level courses
500-699 Graduate level courses applicable to advanced degree programs and credential programs
700-799 In-service courses, graduate level, not to be used for degree credit

ULV courses can be designated by three digits or by three digits and a letter. The common letters used in course designations are A, B, C, D with sequences, F with field work, G with selected graduate courses, L with laboratories, P with practicums, S with seminars, and W with workshops. Other letters have been used as needed to provide course numbers and do not have significance in defining the courses. Most 700-level courses are described in program brochures and are not found in this catalog.

Course Value. The semester hour value of each course is listed in parenthesis after the course title. The standard value for undergraduate courses is 4 semester hours; for general education and for graduate courses, 3 semester hours.

Certain undergraduate courses are offered for 3 semester hours at selected sites and for 4 semester hours at others. These courses cover the same material, demand the same prerequisites, and fulfill the same requirements as the courses with the same titles offered for 4 or 5 semester hours of credit. The value for such courses is listed as (3*-4) or (3*-5), but they can be taken for 3 hours only at locations where they are scheduled for 3 hours. Everywhere else they must be taken for the higher value.

Course Department Notation. Some courses are cross-listed in two or more academic departments. Students should confer with their advisors regarding the department in which they should register.

Course Location. Most courses are available on and off campus. Where a course is offered only at one location, the location is listed followed by "only." Hence, "Athens only" in a course listing means the course is only offered at the Athens Residence Center. "ECBCS only" means that the course is only offered at the Ecumenical Center for Black Church Studies. Courses that are offered only at off-campus sites are marked with an asterisk (*).

Course Frequency. Some courses are offered every semester at most locations; most are offered less frequently. Consult program and site directors for specific schedules. Courses that are only offered by directed study are listed as "Directed study only."

General Education. Courses that may be used to fulfill general education requirements are marked as follows:

### Course Challenges.
The majority of courses are challengeable. Those that are not are marked NCh.

### California Articulation Numbers.
The California Articulation Number (CAN) System provides a cross-reference “CAN number” for certain lower-division introductory courses commonly taught at California colleges and universities. Most CAN courses will be accepted in transfer by ULV. The CAN courses listed below will fulfill the ULV general education requirements noted with them provided that the CAN courses carry at least three quarter hours or two semester hours of credit. Certain CAN courses may be used to fulfill specific requirements in ULV majors with the approval of the major department. Potential transfer students to ULV should consult the catalog of the college they are currently attending to determine the CAN numbers of their courses.

COURSE DESCRIPTIONS

The course descriptions listed are supplemented by a file of course syllabi in the Office of the Academic Vice President. Cross-listed courses are listed in every department in which they are cross-listed but only described in one department. All cross-listings are noted by the word “Also” followed by the cross-listed course number.

COURSES COMMON TO MANY DEPARTMENTS

The following course numbers are available in most departments. The common descriptions are listed here:

199, 299, 399, 599, 699 Independent Study (1-4). Student-designed courses approved by a faculty member. Prior approval of goals, objectives, procedures, and assessment plan as directed in the Independent Study Manual is required. Offered in every department at appropriate levels.

499 Senior Seminar/Project/Thesis/Exam/Recital (1-4). Culminating activity required by majors in all departments. Papers/theses/projects researched, prepared, and written under the guidance of a faculty member. Comprehensive exams or recitals required in some departments. Academically, students must be in Good Standing to enroll in 499. NCh.

Anthropology (ANTH)

250 Principles of Anthropology (3-4*). Explores human nature through the application of knowledge and principles drawn from physical, cultural, linguistic, and archeological anthropology to a variety of contemporary issues. GESSa.

330 Cultural Anthropology (3*-4). Examines traditional and industrialized cultures, focusing on ethnographic methodology and cross-cultural analysis. Emphasizes conceptualization and adaptation through social, economic, political, and religious systems. CORE2b. GESSa.

331 Culture and Personality (3*-4). See PSY 310. GESSd.

340 Language and Culture (3*-4). Explores the relationship between language and culture in cross-cultural context, including comparative and historical linguistics, ethnolinguistics, and sociolinguistics. GESSd.

360 Anthropological Archeology (4). Studies archeological methods and theoretical approaches to understanding human societies through analysis of material remains. Includes ethnoarcheology, experimental archeology, and an overview of archeological evidence for cultural evolution. CORE2b.

364 Cultural Resource Management (4). Addresses philosophical, ethical, and practical aspects of cultural resource management, including history, laws, and procedures. Also PADM 364. NCh.

365 Archeology Practicum (3). Provides hands-on training in archeological methods. Covers techniques and applications of survey, excavation, and laboratory work. May be taken twice for credit. NCh.

400 Anthropological Theory (4). Covers major theoretical models, including neo-evolutionism, functionalism, psychological anthropology, cultural materialism, cultural ecology, ethnoscience, cognitive models, and evolutionary psychology. Prereq.: ANTH 250 or ANTH 330.

Art (ART)

100 Art Experience (3-4*). Provides students with an aesthetic orientation toward the arts. GEFAb. NCh.
Courses — Art (ART)

120 Fundamentals of Design (3-4*). Basic design structure, concepts, and process. Explores origins and applications of two-dimensional design. GEFAb. NCh.

130 Ceramics (3-4*). Beginning and advanced exploratory work in glaze, decoration, and forms. Emphasizes development of student's creativity. GEFAb. NCh.

140 Drawing Techniques and Materials (3 or 4*). Various approaches to drawing, utilizing traditional and contemporary artist's materials and subject matter. GEFAb. NCh.

150 Sculpture I (3-4*). Introduces the materials and techniques of sculpture. Explores spatial and aesthetic issues as well as technical possibilities. GEFAb. NCh.

221 Introduction to Stage Design and Craft (4). See THAR 233. Also TV 233. GEFAb. NCh.

225 Mixed Media (4).* Explores possibilities of art using "mixed media" from a variety of sources. Athens only. GEFAb. NCh.

260 Painting (4).* Explores painting methods in a variety of media which may include acrylic, gouache, and oil. May be taken twice for credit. Athens only. Prereq.: ART 140 or ART 100. GEFAb. NCh.

300 Writing for the Visual Arts (3). Emphasizes the development of writing skills applied to art analysis, art criticism, and art education for art majors. Prereq.: ENG 111. Also ENG 300, JOUR 310. GEFAa.

314 Greek Architecture (4).* Architecture of Greece from Minoan times to present. Athens only. GEFAa.

315 Introduction to Contemporary Art (4). Introduces contemporary art, including issues and aesthetics. FAa. FAb for Diversified Major only.

316 History of Asian Art (3). Surveys the art and architecture of India, Southeast Asia, China, Korea, and Japan. GEFAa.

318 Art and Myth (3*-4). Studies ancient to modern art works to explore origins of world view, ideas, patterns of behavior, belief, and visualization. GEFAa.

319 Women and Art (4). Women's contributions to the arts from the Middle Ages to the 21st century. GEFAa.

320 Graphic Production Processes and Design for Publications (4). See JOUR 317.

322 Commercial Art Techniques (4). Studies elements of layout, design, and a variety of commercial art illustration techniques.

326 Introduction to Advertising Design (4). Examines basic principles of graphic design. Emphasizes acquiring skills, knowledge, and creative development of design solutions. Also JOUR 326. GEFAb.

340 Life Drawing I (3*-4). Human figure as subject. Emphasizes structural anatomy. May be taken twice for credit. Prereq.: ART 140. GEFAb. NCh.

350 Sculpture II (4). Continuation of 150. GEFAb.

355 Introduction to Web Design (3). See PHOT 355.

360 Watercolor Painting (4). Techniques and materials of watercolor painting applied to still life, landscapes, abstraction. GEFAb. NCh.

370 Painting II (4). Advanced painting. Emphasizes painting as a contemporary art form. May be taken twice for credit. GEFAb. NCh.

371 Culture and the Arts (4).* Studies problems concerning nature of art, aesthetic experience, and function of the artist. Also PHIL 332. GEHb. GEFAa.

378 Jesus in Art and Film (4). See REL 378. GEHb. GEFAa.
Courses — Art (ART) and Behavioral Science (BHV)

380 Contemporary Art Seminar (4). Advanced seminar on contemporary art. Also deals with practical concerns of an art career. Artist’s studio visits. Portfolio development. GEFAa.

410 History of Byzantine Art (4).* Studies art and architecture of the Byzantine Empire. Visits to local churches and museums. Athens only. GEFAa.

460 Oil Painting (3*-4). Techniques and materials of oil painting applied to still life, landscapes, and abstraction. GEFAb. NCh.

472 Art for the Elementary Teacher (3-4*). See EDUC 432.

Behavioral Science (BHV)

305 Statistics (3*-4). Introduces basic concepts of descriptive and inferential statistics and their application in various professional and academic areas. Also MGMT/PADM 388, PSY 305. GEM for SCE students only.

311 Sexuality and Gender Issues (3*-4). Explores human sexuality and gender issues from the perspective of biology, psychology, sociology, and anthropology. Includes cross-cultural comparisons.

313 Women’s Experience in America (4). Examines the experience of women in US society from the perspectives of Anthropology, Psychology, and Sociology. NCh.

320 Ethnic Relations (3*-4). Provides historical, theoretical, and empirical bases for understanding diversity in society. Addresses cultural, racial, ethnic, and subcultural divisions, and explores cognition, emotion, and identity issues. Focuses on U.S. minority groups. CORE2b.

326 Latino Experience (3*-4). Examines Latino experience in US society, including heritage, history, culture, and political movements of a variety of Latino groups.

327 Asian-American Experience (4). Examines Asian-American experience in US society, including heritage, history, culture, and political movements of a variety of Asian-American groups.

345 Theatre as Political and Cultural Expression (4). Surveys major theoretical orientations in social problems of Latin America. Includes writing and producing a play. Also THAR 345. NCh.

350 Aging, Death, and Dying (4). Examines human aging, death, and dying from perspective of current sociological, psychological, and cross-cultural concepts.

390 Research Methods (3*-4). Methodology and research design in the behavioral sciences, including qualitative and quantitative methods. Prereq.: BHV 305 strongly recommended. Also MGMT/PSY 390.

400 Theory and Research in Ethnic Studies (4). Analyzes interpersonal, social, structural, and process models from psychology, sociology, anthropology, and ethnic studies for their usefulness in understanding particular ethnic experiences and US multicultural society as a whole. Prereqs.: BHV 320 and 325 or 326 or 327.

409 Selected Topics in Behavioral Science (1-4). Special topics from the behavioral sciences. May be repeated with different topics.

481 Management of Anger and Conflict (3). Dynamics of stress and anger in human interactions. Emphasizes understanding of these dynamics and acquisition of specific skills to transform angry encounters into problem-solving approaches to human interactions.

482 Family Violence and Abuse (3-4*). Establishes a historical context for domestic violence. Examines spouse battering, child abuse, incest, and other forms of physical violence and psychological assault.

497 Internship (1-4). Applies behavioral science theoretical principles and methods under
Courses — Behavioral Science (BHV) and Biology (BIOL)

supervision of working professionals. For majors in the behavioral sciences. Prereq.: Junior or senior standing and instructor approval. Also PSY 497. NCh.

499 Senior Seminar/Project (3*-4). Prereqs. or Coreqs.: BHV 305, 390, 395 (395 may be waived in off-campus programs).

Biology (BIOL)

101 Life Science: The Human Environment (3). Examines the world from the perspective of science. Includes data from biology and environmental studies. GELS.

101L Life Science: The Human Environment Lab (1). Coreq.: BIOL 101. GEL.

110 Health Science (3)*. Provides basic knowledge for healthful living: general health values for mental and emotional health, nutrition, substance abuse, disease, physical fitness, and other positive health aspects. EPIC only.

201 General Biology I (3 or 5).* Environmental and behavioral biology, classification and evolutionary adaptations of plants and animals. Includes lab and field work. Required of Biology Majors, premedical, predental, and prenatal nursing students. Lab included. GELS-L.

202 General Biology II (3 or 5).* Cellular and molecular biology, physiology, and genetics. Includes lab and field work. Required of Biology Majors, premedical, predental, and prenatal nursing students. GELS-L.

203 Principles of Biology (4). Covers biological concepts. Emphasizes fundamental principles and processes and the interplay of structures and processes at the molecular, cellular, genetic, and evolutionary levels. Lab included. GELS-L.

204 Plant Science (4). Introduces plant biology. Focuses on diversity, growth, development, evolution, ecology, structure and function, and phylogenetic relationships. Lab included. GELS-L.

205 Animal Science (4). Introduces animal biology. Focuses on diversity, growth, development, behavior, ecology, evolution, structure and function, and phylogenetic relationships. Lab included. Prereq.: BIOL 203. GELS-L.

220 Natural History of California (3*-4). Emphasizes geological and geographical characteristics, and adaptive strategies of plants and animals for survival in their respective habitats. Lab included. GELS-L.

302 Microbiology (4). General study of microorganisms with attention to practical importance of bacteria, yeasts, and molds and the laboratory methods involved in handling, isolating, and identifying unknowns. Lab included. Prereq.: a semester of college biology.

311 Genetics (3). Plant and animal meiosis, mitosis, and fertilization, and their relation to the principles of heredity and mutation. Prereqs.: BIOL 203, 204.

312 Environmental Biology (4). The balance of forces which operates to maintain stability within the ecosphere. Methods of preserving natural resources through education, research, and public action. Lab included. Prereq.: a year of college biology.

314 Biochemistry (5). See CHEM 314.

316 Molecular Biotechnology (4). Introduces modern biotechnological techniques. Includes gene cloning and sequencing, restriction analysis, PCR, Southern analysis, and genetic manipulation of DNA. Lab included. Prereqs.: BIOL 203, 204, 205; CHEM 201, 202; junior standing.

322 Aquatic Biology (4). Ecological study of fresh-water, estuarine, and marine systems. Effects of thermal, chemical, and radioactive pollutants in aquatic ecosystems. Lab included. Prereq.: a semester of college biology.

325 Field Biology (2). Types, behavior patterns, population dynamics, and ecological interactions of selected organisms in lab and in field. Lab included.
Courses — Biology (BIOL)

326 Natural History of Baja California (4). Ecological study of intertidal and inshore organisms. Field study in deserts and along the Pacific and Gulf Coasts of Baja California and Mexico. Lab included. Prereqs.: a semester of college biology and instructor's approval. NCh.

327 Mountain and Desert Biology (4). Comparative survey of flora, fauna, and geography of mountain and desert biomes. Dynamics of community organizations, and effect of man and his responsibility to these changing environments. Lab and field trips included. Prereq.: a semester of college biology or instructor's approval.

328 Environmental Management (4). Covers environmental laws and regulations, natural resource conservation and utilization, pollution prevention, environmental health, urban and land-use planning. Prereqs.: BIOL 203, 204, 205, 312.

334 Ornithology (Birds) (4). Systematic, distributional, behavioral, and ecological study of shore, fall migratory, and canyon birds of Southern California. Lab included. Prereqs.: a semester of college biology and instructor's approval. GELS-L.

335 Entomology (4). Studies local arthropods, insect collecting, mounting techniques, identification, physiology, and control. Creation of personal collection required. Lab and field work included. Prereq.: a semester of college biology.

336 Invertebrate Zoology and Parasitology (4). Examines taxonomy, morphology, and natural history of invertebrates (excluding insects) and host-parasite relationships, including parasitic diseases. Includes lab and field work. Prereq.: a semester of college biology.

342 Anatomy and Physiology (4)*. Human anatomy and elementary physiology for non-science majors. Lab included. Prereq.: a semester of college biology. EPIC only.

345 Immunology (2). Emphasizes experimental foundations influencing immunology. Covers antigen-antibody interactions, immunity mechanisms, cellular and transplant immunology, molecular biology, and antibody diversity. Prereq.: a year of college biology.

346 Molecular Basis of Disease (4). Examines mechanisms of genetic, bacterial, viral, and prion diseases, and individual diseases such as cystic fibrosis, AIDS, Scrapie, and cholera. Prereqs.: BIOL 203, 205; CHEM 201, 202.

361 Plant Physiology (4). Principles of plant physiology, as applied to photosynthesis, mineral absorption and utilization, water relations, translocation, respiration, metabolism, and the role of plant hormones in control of growth and development. Lab included. Prereqs.: BIOL 203, 204; a semester of college chemistry.

374 Science and Society (3*-4). Examines some of the challenges that recent developments in science and technology pose to society. GELS. NCh.

376 Human and Environmental Toxicology (4). Covers principles and mechanisms of toxicology. Emphasizes agents likely to be encountered in industry and the environment. Includes pathology, toxicity determination, dose response, hazard and risk assessment, and transfer and transformation of toxins in the environment. Prereqs.: a semester of college biology and a semester of college chemistry. Organic chemistry recommended.

377 Biotechnology, Society, and the Environment (4).* Introduces basic concepts of genetic engineering and studies the implications of biotechnology in agriculture, medicine, industry, and the environment. Athens only.

378 Evolution (2). Examines the historical, philosophical, and conceptual bases of evolutionary principles and processes. Prereqs.: BIOL 203, 204, 205, 311.
379 Research Methods and Biostatistics (2). Introduces research methods. Includes hypothesis development, experimental design, data analysis, presentation, and the use, interpretation, and presentation of descriptive and inferential statistics. Prereqs.: BIOL 203, 204, 205.

390 Natural History of the Tropics (4). Studies natural history of a tropical habitat. Also includes flora, fauna, geology, and history. Lab and field course. NCh.

441 Nutrition (2). Family and institutional food planning and health programs. Emphasizes nutritional needs, holistic health, and diet. Also EDUC 422. NCh.

443 Histology (4). Function and microscopic structure of tissues. Emphasizes four basic tissue types, their embryonic development, and their physiology within organ systems. Lab included. Prereq.: a year of college biology.

461 Systematics of Local Flora (4). Principles underlying biological nomenclature and taxonomy with emphasis on field and lab identification of local vascular plants. Lab included. Prereq.: a year of college biology.

Chemistry (CHEM)

103 Introduction to Chemistry (3). For students with limited background in chemistry to prepare them to continue study in chemistry and science. GEPS.

103L Introduction to Chemistry Lab (1). CRD/NCR only. GEL.

201 General Chemistry I (5). Beginning course for science and prehealth science students. Chemical calculations, atomic and molecular structure, chemical and physical properties, and chemical bonding theories. Lab involves quantitative chemical relationships. Prereq.: High school chemistry or instructor's approval. GEPS-L.

202 General Chemistry II (5). Continuation of 201. Thermochemistry, chemical equilibrium and kinetics, acid-base properties, electrochemistry, etc. Lab involves qualitative chemical analysis. Prereq.: CHEM 201 or instructor's approval. GEPS-L.

280 Topics in Modern Chemistry (3-4*). Selected topics of current interest in chemistry and biochemistry. Emphasizes problems of social significance, such as antibiotics, pesticides, drugs, food additives, and pollution. GEPS.

303 Energy Issues (3-4*). See NASC 303. Also PHYS 303. GEPS.

315 Advanced Biochemistry (4). Focuses on the chemistry, thermodynamics, reaction mechanisms, and regulation of metabolic pathways, including glycolysis, respiration, photosynthesis, and metabolism of glucose, fatty acids, amino acids, nucleotides, and hemes. Individual research projects required. Prereq.: CHEM 314. Also BIOL 315.

395 World Industrial Chemistry (4). Covers worldwide aspects of the chemical industry. Focuses on comparative studies, including economic, technological, and environmental considerations. Includes field trips. GEPS-L.

401 Introduction to Scientific Principles of Chemical Engineering (4). Introduces basic material and energy balances, heat and mass transfer, applied thermodynamics and kinetics,
and similar subjects which bridge pure and applied science. Certificate Program.

406 Selected Topics in Energy Technology (4). Covers selected topics in conventional and innovative energy technology. Certificate Program.

412 Physical Chemistry II (4). Introduces quantum mechanics, symmetry, group theory, atomic and molecular structure, and chemical bonding. Prereq.: CHEM 411.

420 Environmental Chemistry (4). Deals with the theory and technology of the environmental chemistry of air, soil, and water. Covers water and waste water treatment and specific technologies for assessing and dealing with heavy metals, organics, and radioactive pollutants. Includes Lab in standard EPA and other methods using GC, GC-MS, HPLC, and societal impact of pollution. Prereq.: CHEM 201, 202 or instructor's approval.

450 Advanced Organic Chemistry (4). Selected topics, such as physical organic, reaction mechanisms, and stereochemistry. Prereqs.: CHEM 311, 312.

Chinese (CHN)

100 Elementary Chinese I (3). Develops basic skills in listening, speaking, reading, and writing Mandarin Chinese. CORE2a. NCh.

101 Elementary Chinese II (3) Continuation of CHIN 100. CORE2a. NCh.

Comparative Literature (CMPL)

390 Critical Theory: Approaches to Literature (4). Applies various critical approaches to selected literature, including original works in English and in translation. Prereq.: ENG 111. NCh.

498 Senior Seminar—Comparative Literature (4). A culminating experience focusing on a literary period, movement, genre, or theme in the literatures of at least two languages. Prereq.: ENG 111 and senior standing. NCh.

Computer Engineering (CMPN)

Courses — Computer Engineering (CMPN) and Computer Science (CMPS)

202 Electronic Devices and Circuits (4). Bipolar and field effect transistor theory. Audio and RF circuit design and analysis. Operational amplifiers. Lab included. Prereq.: MATH 201; CMPN 150. NCh.

Computer Science (CMPS)

100 Introduction to Personal Computing (3*-4). Emphasizes practical knowledge of comput-
375 Systems Analysis and Design (4).
Examines the information systems life cycle in relation to systems analysis. Presents current tools and techniques of systems analysis in data flow diagrams, data dictionary, transform descriptions, data bases descriptions, and prototyping, etc. Lab included. Prereq.: CMPS 390. NCh.

376 Small Talk (4).
Introduces object oriented software development using Small Talk language. Covers class, encapsulation, inheritance, polymorphism, concepts of collections, and GUI design. Lab included. Prereq.: CMPS 367. NCh.

377 Visual BASIC (4)
Covers basic concepts of object oriented programming languages, problem solving, programming logic, data files, arrays, and design techniques of an event-driven language. Lab included. Prereq.: CMPS 263. NCh.

Covers numerical finite element analysis in such fields as structures, aerodynamics, and heat transfer. Includes practical, hands-on experience in theory and application in a computer-room environment. Lab included. Prereqs.: CMPS 366; MATH 202. NCh.

379 Java (4).
Covers basic concepts of object oriented programming; Java and OOP classes, packages, and inheritance; and requirements for building a fully functional Java program. Lab included. Prereq.: CMPS 367. NCh.

380 ADA Programming Language (4).
Explores ADA programming and modern software development. Includes data types, control structures, packages, generics, exceptions, and concurrent programming. Lab included. Prereq.: CMPS 263. NCh.

385 Data Structures (4)

390 Information Systems in Organizations (4).

170 Mathematics in Society (3). Introduces contemporary mathematical sciences to the non-specialist through real-world applications. Includes concepts from management science, statistics and probability, and social decision theory, and selected topics from geometry, scale and growth, and coding theory. Prereq.: MATH 102, or two years of combined high school algebra/geometry and a passing score on placement exam. GEM.

172 Mathematical Methods for Business and Economics (4). See ECBU 172. GEM.

201 Calculus I (3*-4). Introduces standard topics in differential and integral calculus of functions of one variable including a review of analytic geometry. Prereq.: MATH 105 with a C or better and a passing score on placement exam. GEM.

202 Calculus II (3*-4). Continuation of 201, with an emphasis on transcendental functions and various techniques and applications of integration. Introduces the calculus of functions of two variables. Prereq.: MATH 201 with a C or better. GEM.

210 Introduction to Computer Utilization (3*-4). Introduces computers and related technologies. Presents fundamentals and applications of BASIC computer programming, word processing, spreadsheet analysis, and database manipulation using popular software packages.

210L Introduction to Computer Utilization Lab (1).* Laboratory to accompany 210 when the latter is taken for 3 units. Coreq.: MATH 210. NCh.

263 PASCAL (4). See CMPS 263. NCh.

289 Mathematics Field Experience (1). Includes attendance at a professional mathematics meeting, math tutoring, and 8 hours of math classroom observation. Prereq.: MATH 202.

305 Transition to Advanced Mathematics (3-4*). Introduces abstraction in math. Includes set theory, symbolic logic, number theory, abstract algebra, and analysis. Explores rigorous proof and oral and written expression of mathematical concepts. Prereq.: MATH 202.

311 Calculus III (3*-4). Continuation of the theory of functions of one and two variables including infinite series, polar coordinates, vector-valued functions, and multiple integrals. Prereq.: MATH 202 with a C or better.

319 Vector Calculus (4). Calculus of several variables including multidimensional differentiation and integration, and major theorems of vector analysis: Green's theorem, Stokes' theorem, divergence theorem. Prereq.: MATH 311.

327 Discrete Mathematics (4). Development of mathematical tools necessary for algorithmic
applications in computer science. Includes set-theory and logic, various algebraic structures, graph theory, Boolean algebra, and computability theory. Emphasizes applications in computer science. Prereq.: MATH 201.

**328 Abstract Algebra (4).** Introduction to sets, groups, rings, fields, and vector spaces, with applications. Prereq.: MATH 320 or instructor’s approval.

**330 Foundations of Geometry (4).** Foundations of and topics from Euclidean and non-Euclidean geometries, projective geometry, invariant theory, and applications. Prereqs.: high school geometry and MATH 201, or instructor’s approval. Directed study only.

**342 Analytical Mechanics (4).** See PHYS 342.

**351 Probability (4).** Algebra of events, random variables, standard distributions, expected values, variance, and Markov chains. Prereq.: MATH 201.

**352 Statistical Theory (3*-4).** Introduces theory and practical applications of statistical inference including estimation of parameters, confidence intervals, hypothesis testing, ANOVA, regression analysis, and experimental design. Prereqs.: MATH 201 and 351, or instructor’s approval. Directed study only.

**361 FORTRAN (3*-4).** Computer programming in FORTRAN at an intermediate level as implemented on VAX or microcomputers. Various techniques and algorithms with emphasis on problem-solving. Prereqs.: Two years of algebra; MATH 210, 363, or equivalent programming experience.

**361L FORTRAN Lab (1).* Laboratory to accompany 361 when the latter is taken for 3 units. Coreq.: Math 361 for three semester hours.

**362 Numerical Algorithms (4).** See CMPS 362. NCh.

**370 Topics in Applied Mathematics (4).** Develops basis and techniques for algorithmic solutions for applied problems in graph theory, operations research, dynamical systems, and game theory. Includes NP-complete problems, cryptography, linear programming, chaos, fractals, and social decision-making theory. Prereq.: MATH 202. MATH 311, 320, and 330 recommended.

**375 Mathematical Modeling (4).** Introduces mathematical modeling, model construction, solution techniques, and interpretations. Utilizes advanced mathematical and computer tools. Prereq.: MATH 201, 202, and 311. MATH 315 and/or 319 recommended.

**410 Real Analysis (4).** Introduces advanced calculus and real analysis. Includes properties of real numbers, metric spaces, the Heine-Borel and Weierstrass theorems, continuity and uniform continuity, sequences and series of functions, differentiation and Riemann integration, and elementary measure theory. Prereqs.: MATH 311 and 320 or 328.

**412 Complex Analysis (4).** Introduces complex analysis. Includes properties of complex numbers, analytic functions, differentiation and integration, series, residues and poles, basic conformal mapping, and applications. Prereq.: MATH 319 or 418.

**418 Advanced Engineering Math (4).** Mathematical concepts, theory, and methods of solution for problems in physics and engineering. Topics include ordinary and partial differential equations, Laplace transforms, Fourier series and transforms, and various theorems in vector analysis. Prereq.: MATH 311.

**482 History of Mathematics (4).** Surveys the development of elementary mathematics from antiquity to the present. Prereq.: MATH 201 or instructor’s approval.

**489 Developmental Mathematics (4).** Emphasizes development of mathematical understanding in seven strands: number, measurement, geometry, patterns and functions, statistics and probability, logic, and algebra. Not applicable toward the Mathematics Major. Prereq.: EDUC 350.

**M.S., Business Organizational Management (MBOM)***

**501 Accounting for Managers (3).* Analyzes financial statements and accounting reports from the manager’s perspective. Studies accounting techniques to help managers in decision-making. Alaska only.

**502 Budgeting and Financial Management**
Courses — Business Organizational Management (MBOM)

(3).* Analyzes finance principles and techniques for managing financial resources in organizations. Studies risk, time value of money, capital budgeting, capital acquisition, financial leverage, bankruptcy, and mergers. Prereq.: MBOM 501.

503 Theories and Issues in Economics (3).* Examines traditional and current economic theories, current policies and their effect on the economy and business firms, and current economic issues.

504 Organizational Theory and Analysis (3).* Analyzes organizations and their environments. Studies the interrelationship between environmental factors and organizational missions, goals, resources, structures, accountability, performance, communication, and compensation systems.

505 Investment Finance (3).* Explores the investment environment and investment vehicles: investment strategies, financial markets, stocks, bonds, options, future contracts, other financial instruments, and portfolio management. Prereqs.: MBOM 501, 502, 503. NCh.

510 Information Systems for Managers (3).* Examines the role of managers in planning, developing, and using management information systems. Prereq.: microcomputer proficiency. NCh.

530 Managing the Human Resource (3).* Studies theories and practices of human resource management, the integration of strategic planning and human resource planning, and the development of human resource programs. NCh.

531 Managing Global Diversity (3).* Examines cultural diversity in an international workforce. Explores global diversity problems encountered in managing organizations in Europe, Asia, and Latin America.

532 Managing Diversity in the Workplace (3).* Studies management of a multicultural workforce. Emphasizes the complexities of and techniques for merging workers from multiple cultures, concentrating on real world problems and solutions. NCh.

533 Managerial System Dynamics Seminar (3).* Examines organizations and work teams as interrelated systems, rather than insular divisions. Alaska only. NCh.

534 Training and Human Resource Development (3).* Explores training and employee development as they relate to strategic goals of the firm. Examines career development and adult learning theory.

540 Entrepreneurship in a Dynamic Environment (3).* Examines entrepreneurship in the dynamic workplace. Studies creative principles, start-up financing, operation, and emerging markets. NCh.

543 Seminar in Business Ethics (3).* Analyzes the ethical and social responsibilities of organizations, including the implications of non-ethical behavior for individual institutions and entire social systems. NCh.

545 Industrial Relations for Managers (3).* Studies labor-management relations, the union movement, collective bargaining, grievance resolution, labor laws, and regulations. NCh.

546 Managerial Negotiations (3).* Studies labor negotiations and the principles of negotiation and mediation. NCh.

547 Contract Management (3).* Presents managerial and legal aspects of public- and private-sector contracts, emphasizing contract proposals, contract administration, performance, negotiation, intent, and damages. NCh.

548 Seminar in Strategic Planning (3).* Examines the formulation and implementation of long-range organizational plans, emphasizing changes resulting from threats or opportunities in the business environment, as well as the life cycle of the organization. NCh.

550 Seminar in Organizational Behavior (3).* Examines organizational collective behavior, leadership, “followership,” power, authority, group dynamics, corporate culture, and collective consciousness. NCh.

552 Human Behavior and Motivation (3).* Introduces psychological theories and practice concerning human behavior and motivation. Examines the individual in the organization and his/her perception of organizational activities. NCh.

554 Public Policy, Law, and Business Decisions (3).* Analyzes public policy goals and business law and their effect on business decisions. Studies changes in business strategies and operations in response to the changing politi-
cal and legal environment. Prereq.: graduate courses in economics. NCh.

555 Processes of Management (3).* Analyzes how managers mobilize, organize, and utilize resources to achieve organizational goals and objectives. Prereq.: undergraduate courses in management, marketing, finance, and managerial accounting. NCh.

556 International Management (3).* Studies relationships between businesses and their international environment. Compares and contrasts domestic and foreign management practices and styles. Discusses the roles of governments as well as managing comparative advantages and disadvantages. NCh.

558 Quality Management Systems (3).* Examines theory, practice, and interrelations of continuous improvement efforts. Analyzes how to create meaningful organizational improvement and how to implement organizational change. NCh.

560 Managing Service Organizations (3).* Analyzes the unique aspects of service enterprises. Examines customer relations, product development, problem-solving, and management of resources. NCh.

565 Marketing Principles and Strategies (3).* Explores the principles and role of marketing, their impact on the organization, the integration of consumer behavior, and the application of marketing strategies. Prereqs.: ECBU 501, 502, 503. NCh.

569 Managing Change in a Dynamic Environment. (3).* Analyzes planning and implementation of change in organizations, the need for change, the nature and sources of change, conflicts created by change, and conflict resolution techniques. NCh.

572 Project Management, Quantitative Applications, and Problem Resolution (3).* Examines project management and selected quantitative techniques, including linear programming, forecasting models, decision analysis, and applied problem resolution. Prereq.: MBOM 555. NCh.

593 Selected Topics (1-3).* Studies selected topics in a group setting. Prereq.: Dean’s approval of course. NCh.

596 Graduate Business Seminar (3).* Integrates knowledge from different functional areas of organizational management. Emphasizes application of theory to “real world” situations. Prereq.: advanced standing. NCh.

Movement and Sports Science (MSS)

001 Fitness for Life (2). Aims at establishing lifelong patterns of fitness. Identifies principles of a rounded fitness program, based on a wellness approach, and applies scientific concepts to develop a personal fitness program for each student. Includes active participation in various physical fitness activities. GEPE1. NCh.

002-049 Instructional Activity Courses (1). Instruction and experience in physical recreation skills. Classes meet two hours per week and are coed unless otherwise designated. Appropriate dress is to be provided by the students. Students may apply up to eight activity courses (8 semester hours) toward graduation. A course may be repeated 3 times (4 times total) for credit toward graduation. Enrollment in the same activity course may be for more than 4 times, but without credit toward graduation beyond 4. 151 Health and Physical Fitness Strategies (2).
Health and physical fitness principles applied to individual and community.

221 Athletic Training I (4).
Introduces basic techniques for prevention and care of athletic injuries, including rehabilitation exercises and treatment modalities. Contains experience in conditioning and taping techniques.

222 Athletic Training Field Work I (2).
Practical experience in athletic training. Students apply techniques of injury prevention and management, perhaps with a team assignment. 100 hours per semester minimum required. Prereq.: MSS 221.

Historical, sociological, and psychological foundations of physical education. Students also observe physical education programs at the elementary, intermediate, and high school levels.

235 Introduction to Athletic Training (3).
Introduces the profession of athletic training, including the history, philosophies, career, and advanced educational opportunities of the field. Emphasizes prevention and care of injuries.

237 Techniques and Observation in Athletic Training (2).
Applies basic techniques in athletic training. Includes fitting of protective equipment, construction of protective padding, injury taping, transportation of injured. Students observe services provided by athletic trainers.

250 Introduction to Adapted Physical Education (3).
Methods of teaching physical education to the handicapped. Offers a wide spectrum of activities, types of handicapping conditions, and ramifications of mainstreaming.

310-319 Theory and Analysis Courses (2).
Individual techniques and fundamentals as well as team play. Systems and philosophies of leading contemporary coaches. Rules and training methods.

310 Theory and Analysis of Basketball
312 Theory and Analysis of Baseball and Softball
313 Theory and Analysis of Football
314 Theory and Analysis of Soccer
316 Theory and Analysis of Tennis and Badminton
317 Theory and Analysis of Volleyball
318 Theory and Analysis of Track
320 Theory and Methods of Coaching (2).
Covers individual techniques and fundamentals, team play, systems and philosophies of leading contemporary coaches, psychology of sport and coaching, and rules and training methods.

321 Athletic Training II (4).
Continuation of study in PE 221. Concentrates on emergency first aid, evaluation of injuries, therapeutic modalities, and rehabilitation exercises. Prereq.: MSS 221

322 Athletic Training Field Work II (2).
Continued practical experience in athletic training. Application of injury prevention techniques and injury management, including use of therapeutic modalities and rehabilitation exercises. Students
Courses — Movement and Sports Science (MSS)

may be given a team assignment. 100 hours per semester minimum required. Prereq.: MSS 321.

323 Scientific Principles of Movement (3). Scientifically studies the basic concepts and mechanical principles of efficient human movement. Applies these concepts to fundamental physical skills. Includes requirements for First Aid and CPR certification.

325 Athletic Training Practicum I (2). Focuses on application and proficiency in skills introduced in 324. Requires a minimum of 100 hours in the athletic training room setting. Prereqs.: MSS 235, 237. Coreq.: MSS 324.

327 Athletic Training Practicum II (2). Focuses on application and proficiency in skills introduced in 326. Requires a minimum of 100 hours in the athletic training room setting. Prereqs.: MSS 235, 237. Coreq.: MSS 326.

328 Evaluation and Assessment of Head and Spinal Injuries (4). Covers recognition, evaluation, assessment, and consequent care of head and spinal injuries. Includes practical application techniques and clinical proficiency testing.

330 Physical Education for Elementary School Teachers (4). Includes movement exploration, games, rhythms, dances, guided play, gymnastics, and self-testing activities. NCh.

345 Methods of Research, Assessment, and Evaluation (3). Covers criteria for evaluation, methods of research, and the function of measurement and evaluation of test scores in physical education.

360 Psychology of Coaching (2). Current topics of psychological concern and application as related to athletic performance.

364 Sports Marketing (3). See ECBU 364.

370 Methods and Practice of Teaching Dual Sports and Aquatics (3). Covers methods of teaching dual sports (e.g., badminton, tennis, racquetball, squash, and aquatics), including basic swimming strokes. Utilizes biomechanical principles and video analysis.

371 Methods and Practice of Teaching Individual Sports and Outdoor Education (3). Covers methods of teaching individual sports including golf, archery, bowling, cycling, jogging/track, combatives, and outdoor education. Utilizes biomechanical principles and video analysis.

372 Methods and Practice of Teaching Team Sports and Games (3). Covers methods of teaching team sports and games, including softball, basketball, volleyball, flag football, soccer, frisbee games, bocheball, and earthball. Utilizes biomechanical principles and video analysis.

373 Methods and Practice of Teaching Gymnastics (2). Covers methods of teaching gymnastics and dance. Includes tumbling, parallel bars, balance beam, and floor exercise in gymnastics, and jazz, creative, square, and folk in dance. Utilizes biomechanical principles and video analysis.

380 Motor Development (3). Studies the stages of growth and development from birth to adulthood, including how people develop locomotor and non-locomotor skills.

384 Wilderness Experience (2). Students experience a wilderness area while hiking, camping, and studying the natural history. Coreq.: NASC 384.

400 Athletic Training/Team Rotations (2). Students experience duties and responsibilities inherent in working with intercollegiate athletic teams and will assigned to a certified athletic trainer/clinical instructor. Prereqs.: MSS 237, 324, 325, 326, 327, 328.

411 Athletic Training Practicum III (2). Emphasizes application of principles of rehabilita-
Courses — Movement and Sports Science (MSS) and Music (MUS)

410 Rehabilitation — Design and Evaluation (4).  Students will participate in design, implementation, documentation, and evaluation of rehabilitation programs.

415 Management and Administration in Athletic Training (3).  Covers management of a program that provides health care to athletes. Includes documentation, confidentiality, preparticipation exams, SOAP notes, insurance, communications with other medical facilities, budgets, and facility design.

418 Special Topics in Athletic Training (4).  Addresses contemporary issues in athletic training. Includes special populations, alternative medicine, pharmacology, and other topics, as well as interaction with other allied health experts.

420 Assistant in Physical Education Program (2).  Teaching assistant in PE Department activity and sports program under direction and supervision of MSS staff. May be repeated. Prereq.: MSS Department approval. NCh.

430 Curriculum and Organization in Physical Education (3).  Curriculum content and development for public school programs. Organizational procedures for the instructional period. NCh.

454 Athletic Training—Team Management (2).  Providing for healthcare management of an intercollegiate athletic team under direct supervision of a certified athletic trainer. Prereqs.: written application and department approval. May be repeated for credit.

460 Philosophy of Physical Education and Athletics (3).  Approaches to physical education and related areas with emphasis on contemporary theories and practices. Open to juniors and seniors only. NCh.

497 Athletic Training Internship (1).  Supervised, off-campus athletic training experience in a sports medicine/physical therapy clinic. 80 contact hours minimum required. Must be approved by athletic training program supervisor. Seniors only.

Music (MUS)

100 Music History and Appreciation (3-4*).  Surveys different style periods and genres of music. Emphasizes composers, styles, literature, culture, and aesthetics of different eras. No music background required. GEFAa.

101 Fundamentals of Music (3-4*).  Introduces music theory. Includes basic rhythms, clefs, notes, chord formation, musical materials, and terms. No music background required. GEFAb.

111 Recorder Ensemble (1).  Ensemble rehearses weekly and performs at least twice a semester in the community and for student recital. Performs repertoire from ancient to modern. May be repeated for credit. Prereq.: instructor’s approval. GEFAb.

112 Choral Organizations (1).  Ensembles auditioned and organized according to performance plans for the season. Ensembles will study and perform a varied repertoire of classical, folk, and popular choral literature. May be repeated for credit. GEFAb. NCh.

113 ULV Choral Society (1)  Choral ensemble. Performs a major choral work each spring. May be repeated for credit. Spring semester only. GEFAb. NCh.

114 Wind/Percussion Ensemble (1).  Organized according to performance plans, the ensemble studies and performs a selected repertoire. May be repeated for credit. Prereq.: instructor’s approval. GEFAb. NCh.

116 Jazz Ensemble (1).  Rehearses and performs jazz and related literature through improvisation and ensemble playing. Open to students by audition. May be repeated for credit. GEFAb. NCh.

117 Chamber Singers (1).  Rehearses and performs a variety of musical genres. May be repeated for credit. GEFAb. NCh.

118 Chamber Music (1).  Rehearses and performs standard chamber music of string, brass,

keyboard, and woodwind repertoires. May be repeated for credit. Prereq.: instructor's approval. **GEFAb. NCh.**

120-129 Individual Music Instruction (1). One semester of private lessons consisting of 12 half-hour sessions. Open to all students. May be repeated for credit. Prereq.: departmental approval. **GEFAb. NCh.**

120 Piano. Prereq.: MUS 140.
120H Harpsichord.
120J Jazz Piano
121 Pipe Organ
122 Accompanying
123 Woodwinds
123R Recorder
124 Brass
125 Percussion
126 Strings
126E Electric Bass
127E Electric Guitar

130-138 Advanced Individual Music Instruction (2). One semester of private lessons consisting of 12 one-hour sessions. Open to advanced performers with instructor's approval. May be repeated for credit. **GEFAb. NCh.**

130 Advanced Piano
130H Advanced Harpsichord
130J Advanced Jazz Piano
131 Advanced Pipe Organ
132 Advanced Accompanying
133 Advanced Woodwinds
133R Advanced Recorder
134 Advanced Brass
135 Advanced Percussion
136 Advanced Strings
136E Advanced Electric Bass
137 Advanced Guitar
137E Advanced Electric Guitar
138 Advanced Voice

140 Piano Workshop (2). Beginning piano study. Includes a variety of styles and exercises in rhythm, meters, modes, harmony, and forms. **GEFAb. NCh.**

160 Voice Workshop (2). Studies the human voice, its anatomy and repertoire. Recommended for the beginning vocalist. May be repeated for credit. **GEFAb. NCh.**

180 Guitar Workshop (2). Basic technique for beginners. May be repeated for credit. **GEFAb. NCh.**

230 Theory I (4). Develops the fundamentals of music, aurally and written. Focuses on triadic recognition and function, rhythm, melody, and notation. Introduces MIDI. Prereq.: MUS 101 or instructor's approval. **GEFAb. NCh.**

232 Theory II (4). Emphasizes four-part writing and analysis of 18th century styles; Bach Chorales. Studies binary and ternary forms. Stress aural and written skills.

234 Improvisation Workshop (2). Emphasizes many approaches to improvisation within different styles of music. Students learn and practice improvisation on their respective instruments using a variety of different harmonic progressions, rhythms, meters, and melodic resources. CRD/NCR only. **NCh.**

310 Music Production (1-3). Offers an opportunity for selected vocalists and instrumentalists to experience in-depth rehearsal, performance, and/or major touring situations. May be taken up to four times for credit. **GEFAb. NCh.**

330 Theory III (4). Analyzes late 18th- and 19th-century music emphasizing its parameters. Studies form and aural and written skills; introduces music of other cultures and MIDI.

331 Counterpoint (2). Principles of melodic writing; two- and three-part counterpoint involving use of imitation, augmentation, mirror, and diminution. Prereq.: MUS 230. Directed study only.

332 Theory IV (4). Focuses primarily on 20th-century music through analysis, composition, use of MIDI, and discussion. Includes notation and corresponding ear-training exercises.

333 Composition (2). Stress creativity on the part of the individual. Considers style, form, and proportion. Students use MIDI and sequencing. Directed study only. May be repeated up to 4 times for credit. Prereq.: MUS 230. **NCh.**

341 Orchestration (2). Analyzes styles of orchestral writing and uses of instruments. Includes scoring for school orchestras, bands, and various instrumental combinations. Prereq.:
Courses — Music (MUS)

MUS 230.

343 Form and Analysis (2). Focuses on the analysis of a variety of music from the American/European sphere of influence. Analyzes in depth the music of different eras, primarily Western art music. Designed for the advanced music student. Prereq.: MUS 332. Offered infrequently.

350 Survey of Western Music (3-4)*. Surveys western art music from ancient to modern times. Emphasizes composers, styles, literature, and aesthetics of different eras. No previous music background required. GEFAa. GEFAb. NCh.

351 History and Literature of Music (to 1750) (4). Examines western music from its beginnings through the music of J.S. Bach from a stylistic, analytical and historical perspective. Prereq.: MUS 232 or instructor’s approval. GEFAa.

353 History and Literature of Music (1900 to Present) (4). Examines music of the 20th century from Post Romanticism forward. Emphasizes historical perspectives and analytical procedures. Prereq.: MUS 332 or instructor’s approval. GEFAa.

354 Music and the Stage (3-4*). Examines the development and impact of celebrated stage music of different eras which mirrors the artistic, literary, and political elements of society. GEFAa.

356 Music of Women Composers and Performers (3-4*). Examines women composers and performers from medieval times to the present. Includes artistic expression, cultural/social aspects, and sexism from historical and musical perspectives. GEFAa.
Courses — Music (MUS) and Natural Science (NASC)

358 American Music (3-4*). Presents America’s history through its music. Includes colonial period, 19th century, Native American, African American, and 20th century popular and classical music. No music theory or performance background necessary. GEFAa.

359 World Music (3-4*). Introduces an overview of music of diverse cultures and its integration into those societies, with emphasis on India, West Africa, Caribbean, and East Asia. GEFAa.

361 Survey of Rock Music (3-4*). Studies rock music in a social and aesthetic context from 1950 to the present through extensive use of video and audio recordings. Includes analysis of musical influences beginning with blues. GEFAa.

362 Music of Latin America (3-4*). Studies musical styles, important musical genres, social functions, characteristics, and instrumentation of Mexico, Central America, the Caribbean, and South America. GEFAa.

371 Conducting (3). Studies choral and instrumental conducting techniques. Includes analysis of choral and instrumental idioms, rehearsal, and performance procedures. Prereq.: instructor’s approval. GEFAb.

409 Selected Topics in Music (2-4). Various specialty areas of music in response to faculty interest and student needs. Prereq.: instructor’s approval.

481 Music in the Elementary School (2). Fundamentals of music and materials used in primary and intermediate grades, presented according to class methods employed in public schools. Also EDUC 430.

Natural Science (NASC)

102 Physical Science: The Human Environment (3). Examines the world from the perspective of science. Includes data from astronomy, chemistry, geology, history of science, and physics. Lab. GEPS.

102L Physical Science: The Human Environment Lab (1). GEL.

103 Natural Science: The Human Environment (3*-4).* Examines the world from the perspective of science. Includes data from biology, chemistry, physics, geology, and environmental studies. Lab. For SCE students only. GELS-L or GEPS-L.

201 General Geology (3 or 4). Introduces physical and historical geology. Composition of earth, geochemical and geophysical concepts, mountain building, degradation processes, and earth history. Lab. Prereq.: CHEM 201 or instructor’s approval. GEPS-L.

202 Field Studies in Geology (1). Involves field study of “Thera Volcano,” located on the historic island of Santorini, Greece. Prereq.: NASC 201 or instructor’s approval. GEPS. NCh. Athens only.

203 Introduction to Oceanography (3).* Introduces science of oceanography, and origin, evolution, and composition of world’s oceans. Discusses and applies history, recent discoveries and theories of oceanography. Coreq.: NASC 203L. GEPS.

203L Introduction to Oceanography Lab (1).* Coreq.: NASC 203. GEL for SCE students only.

301 Environmental Geology (4). Reviews principles of environmental geology and human existence. Examines geologic principles, processes, and phenomena, relating them to humankind and human endeavors. GEPS. NCh. Athens only.

303 Energy Issues (3-4*). Introduces energy concepts, resources, technologies, and planning, and related environmental and chemical topics. Includes heat and electricity, chemical production, solar energy, photochemical smog, water and waste treatment, recycling, greenhouse effect, and population. Also CHEM/PHYS 303. GEPS.

324 Social Ecology in Mexico (4). On-site integrative study of biological, agricultural, social, and educational factors operating in a rural Mexican village.

334 Ornithology (3).* Systematic, distribu-
tional, behavioral, and physiological study of shore, spring migratory, and canyon birds of Ventura County. Coreq.: NASC 334F. Pt. Mugu only. GELS for SCE students only.

334F Field Studies in Ornithology (1). Field study of birds of Southern California. GEL.

370 Science Seminar (1). Students, guest speakers, and faculty members present papers
Courses — Natural Science (NASC) and Paralegal (PL)

and projects. Registration and four regular terms of attendance required of all majors in Biology, Chemistry, and Physics. CRD/NCR only. NCh.

384 Wilderness Experience (2). Same as MSS 384. Coreq.: MSS 384.

390 Meteorology and Oceanography (3). Introduces meteorology and oceanography. Emphasizes physical, chemical, and geological processes. GEPS.

391 Physical Oceanography (3)*. Physical characteristics of the world’s oceans. Human effect on ecology and pollution of oceans. Coreq.: 391L. GEPS for SCE students only.

391L Physical Oceanography Lab (1).* Coreq.: 391. GEL for SCE students only.

Paralegal (PL)

101 Introduction to Paralegalism (3). Introduces role of paralegal in legal profession and surveys the American legal system. Discusses basic legal concepts and drafting of complaints, answers, contracts, and various other legal documents.
