# UNIVERSITY OF LA VERNE

## History

---

The University of La Verne was founded in 1891 as Lordsburg College by members of the Church of the Brethren who had moved west. Both the College and the agricultural community were renamed La Verne in 1917, and the 1920's and 1930's found three-quarters of the student body in teacher education. The next three decades saw campus facilities multiply fourfold, the Board of Trustees become independent of church control, and the student body increase and become more cosmopolitan without the College losing its commitment to service and to sound, values-oriented education. In the 1960's the college awarded its first master's degree, and in 1979, it conferred its first doctorate.

In 1969 La Verne, began offering degree programs off campus, and the following year it opened its College of Law. Reflecting these profound changes, the College reorganized in 1977 as the University of La Verne. The University founded its Orange County campus in 1981 and its San Fernando Valley campus in 1983. A decade later it created campuses in Ventura and San Bernardino/Riverside Counties, and in 2000 established a separate campus for the College of Law in Ontario, California. Continuing the trend of improving services to students, La Verne developed the Central Coast, Kern County, High Desert campuses. More information on La Verne's regional campuses may be found at <http://laverne.edu/location/regional-campus-locations/>.

The University of La Verne is a Hispanic Serving Institution (HSI).

# ***ADMISSIONS***

# ***INFORMATION***

**Chris Krzak, Dean of Admissions**  
**Ana Liza V. Zell, Associate Dean**

## **Matriculation Policy**

In order to be governed by this catalog, students who apply for admission must enroll in courses within twelve months of their acceptance date.

## **Non-matriculated Students**

Undergraduates who wish to enroll as part-time students may enroll in a combined total of no more than 11 semester hours in any semester and related Interterm or 8 semester hours in any term without making a formal application for admission. Students who wish to become degree candidates must submit a formal application and complete the admissions process prior to completion of 12 semester hours at the University. The University cannot be held responsible for the degree applicability of courses which are selected by students who have not been officially admitted and assigned academic advisors.

Graduate students who possess a bachelor's degree and who wish to enroll in graduate courses may enroll in no more than six semester hours without filing a formal application. These courses would count toward professional growth and in service education. However, if students wish to enter a graduate degree program or seek institutional recommendation for a credential from the University, they must submit a formal application and complete the admission process. The University cannot be held responsible for the degree applicability of courses which may be selected by a student who has not been officially admitted and assigned a program counselor. A student is eligible to enroll in no more than 12 semester hours prior to being admitted to a program. Several programs restrict this limit to 6 semester hours. Assessment fees up to \$50 for each unit accepted beyond the program minimum requirement may be charged for violations of this policy.

## **Terms of Admission Offers**

All offers of admission are conditional, pending receipt of final transcripts showing work comparable in quality to that upon which the offer was based. All information submitted during the admission process, including the application, the personal essay, any supplements, and any other supporting materials will become property of the University of La Verne and will not be returned to applicants or forwarded to third parties. The university reserves the right to select its students and deny admission at its sole discretion based on applicant's suitability and the best interest of the university. Any applicant who is found to submit altered, forged, or falsified documentation to the University will be denied admission or have any offer of admission already made revoked, and no further applications will be considered. Additionally, inappropriate behavior by applicants, including those that pose a threat or present a danger to the college community or other behaviors where it is considered to be in the best interest of the college to refuse admission, may be used as a basis to deny the student admission or revoke any offer of admission. Such behaviors and/or findings of falsified admission information may also be used to justify disqualification or termination of enrollment for a current student, including revocation of course credit, grades, and degree.

## ***UNDERGRADUATE ADMISSION***

### **Main Campus Admission**

---

The goal of the University of La Verne is to provide maximum opportunities for educational and personal growth; therefore, a student's goals and objectives are considered in the evaluation process. Consideration is given to previous formal and informal educational experience as well as to the potential to succeed in a challenging academic program. La Verne seeks students who are creative, motivated, self-disciplined, and committed to learning.

### **Freshman Admission/ Advanced Freshman Admission**

In keeping with the above philosophy, an admission decision emphasizes the academic course of study, marks in coursework during grades 10, 11 and the first semester of grade 12, SAT I or ACT scores, the

---

applicant's personal statement (essay), and a letter of recommendation. In addition, consideration is given to the applicant's involvement in school and community activities, leadership abilities, special talents, and character. Students classified as Advanced Freshmen are high school graduates with less than 28 transferable college credits.

**Application Procedures and Requirements:**

Students may apply for admission after completion of their junior year of high school. In some cases a decision may be delayed until grades from the first semester of the senior year of high school are submitted. Freshman candidates are encouraged to apply by February 1 for the Fall Semester and by December 1 for the Spring Semester. Applicants for admission will be considered after these dates on a space-available basis. La Verne subscribes to the National Candidate's Reply Date of May 1 (for Fall semester), and does not require advance payment or confirmation of intent to enroll prior to this date. To apply for admission to the University, the following documents must be submitted to the Office of Admission. *All application materials become the property of the University upon receipt.*

1. **Formal Application for Admission:** Applicants must sign and submit the completed application form, personal statement, and the non-refundable \$50 application fee.
2. **High School Transcripts:** Applicants must request that their high school transcripts be sent directly to the Office of Admission. A transcript is not considered official if sent or delivered by the student. A final high school transcript with the graduation date will be required.
3. **SAT I or ACT Scores:** The applicant must have an official SAT I or ACT score report sent from the appropriate testing agency or a score reported on the official transcript.
4. **One letter of recommendation** from school officials where the applicant is currently enrolled or has most recently attended. Upon admission to the University, recommendation forms are destroyed and are not a part of the student's permanent record.

**Honors at Entrance:** Students who have earned a cumulative high school academic GPA of 3.5 or above in college preparatory classes with SAT I

scores of at least 1170 (or ACT scores of at least 26) may be accepted with Honors at Entrance. Such students are considered for Honors scholarships and are invited to apply for the La Verne Honors Program, described in the Honors Program section of this catalog.

**First-Year Resource Program:** The Admission Committee may choose to grant admission through the First-Year Resource Program (FYRP). The First-Year Resource Program is described in the "Student Acceptance through the First-Year Resource Program (FYRP)" section of this catalog.

**Transfer /Advanced Freshman Admission**

Students who wish to transfer from an accredited two- or four-year institution are invited to apply for admission. Students who have completed 28 or more semester hours of completed college level coursework will be considered transfer applicants. Students classified as Advanced Freshmen are high school graduates with less than 28 completed semester hours. The priority application deadline for students applying for Fall semester is April 1. Students applying for Spring semester should submit their applications by December 1.

**Application Procedures and Requirements:** To apply for admission, transfer applicants must submit the following documents to the Office of Undergraduate Admission. All application materials become the property of the University upon receipt. Students who have completed 28 or more semester hours of completed college-level coursework will be evaluated based on their college work, letter of recommendation, special talents, character, and school and community involvement. Applicants must demonstrate minimum proficiency by completing a college level English course. Additionally, a minimum 2.7 GPA is required and completion of college-level Math is strongly recommended.

Students with fewer than 28 semester hours of transferable college-level coursework will be considered advanced standing freshman. These students will be evaluated based on their college work, high school transcripts, letters of recommendation, and SAT I or ACT scores. Special talents, character, and school and community involvement will also be considered.

1. **Application for Admission:** Upon receipt of the completed and signed application form, personal statement, and the non-refundable \$50 applica-

tion fee, the Office of Admission will notify the applicant of any missing documents necessary to complete the application process.

2. **Official transcripts:** Applicants must have official transcripts sent to the Office of Admission from each college or university previously attended. Applicants with fewer than 28 semester hours of acceptable transfer credit must also submit official high school transcripts. All previous college work must be evaluated for transfer.
3. **One letter of recommendation** addressing the applicant's record from a school official where the applicant is currently enrolled or has most recently attended. Upon admission to the University, recommendation forms are destroyed and are not a part of the student's permanent record.
4. **SAT I or ACT scores:** Only students who have completed less than 28 transferable semester hours of college-level coursework must submit official scores from one of these tests. In other cases, SAT I or ACT scores may be requested as supporting evidence.

**Honors at Entrance:** Students who have completed 28 or more semester hours of transferable academic credit with a GPA of 3.3 or above may be granted Honors at Entrance.

## International Admission

The University of La Verne welcomes applications from students living in countries throughout the world. Sufficient evidence must be provided to insure that a student is able to depend upon his/her own financial resources. International students must not plan on earnings from employment in the United States, financial assistance, or scholarship grants. The estimated yearly cost for an international student to attend La Verne is approximately \$52,104. This includes tuition, fees, room/ board, books, and personal expenses (summer school tuition and transportation are NOT included). The University is authorized to issue the I-20 when international applicants have been accepted and have submitted the \$200 advance deposit. In order to allow time for obtaining visas, it is important for international applicants to provide all required documents a minimum of two months before the beginning of the semester. Students holding F-1 and J-1 visas may attend only the Main Campus and are not eligible for the CAPA

program. To be considered for admission, international students must provide the following documents to the Office of Admission. All application materials become the property of the University upon receipt.

1. **Application for Admission:** Upon receipt of the completed and signed application form, personal statement, and the non-refundable \$50 application fee, the Office of Admission will notify the applicant of any missing documents necessary to complete the application process.
2. **Official transcripts and certificates** (with notarized translations into English where appropriate) from all secondary schools, colleges, and universities attended. Students who have completed studies at a foreign university must send their transcripts for a detailed credential review to be evaluated for transfer credit. There is a fee for this service. A brochure is available upon request. Students attending a foreign university that is accredited by a U.S. accrediting agency are exempt from the detailed credential review.
3. **Proof of English Proficiency:** Applicants must establish minimum proficiency in English by submitting one of the following:
  - (a) A minimum score of 80 iBT/550pb on the Test of English as a Foreign Language (TOEFL)
  - (b) A minimum score of 420 on the critical reading section of the Scholastic Aptitude Test (SAT)
  - (c) A minimum score of 6.5 on the International English Language Testing System (IELTS)
  - (d) A minimum of 58 on the Cambridge English (CAE)
  - (e) A minimum of 53 on the Pearson Test of English Academic (PTE)
  - (f) Completion of the equivalent of WRT 110 (English composition) and 32 transferable semester units with a grade of C or better
  - (g) Successful completion of ELS Language Centers level 112
4. **One letter of recommendation** from school officials where the applicant is currently enrolled or

---

has most recently attended. Upon admission to the University, recommendation forms are destroyed and are not a part of the student's permanent record.

### **Additional Admission Information**

**Information Sessions and Tours:** Prospective students and parents are invited to visit the University of La Verne. Information sessions and tours are held on campus by appointment at 10:00 a.m. and 2:00 p.m. weekdays. The Office of Admission is open from 8:00 a.m. to 5:00 p.m. on weekdays. Please call the Office of Admission at (800) 876-4858 for more information or to schedule a visit.

**Candidates Reply Date:** Freshman and transfer candidates are considered for admission upon receipt of the application for admission, all official transcripts, appropriate test scores, the personal statement (essay), and letters of recommendation. Once accepted, candidates with the intent to enroll are expected to submit a \$200 nonrefundable tuition deposit by May 1 (postmark deadline). Students admitted after this date will be expected to submit the tuition deposit within two weeks after the date of acceptance. The deposit is applied to the student's account and is deducted from the first semester's expenses.

**Financial Aid:** New students seeking financial assistance should contact the Office of Financial Aid for information and forms. For complete information, see the Financial Aid section of this catalog.

**Residence Hall Reservations:** Admitted students can access Residence Hall Application and License Agreement at [sites.laverne.edu/housing/](http://sites.laverne.edu/housing/). Students must return the application and license agreement, along with a \$250 housing reservation/security deposit and a \$50 activity fee to the Office of Residential Life. Rooms will be reserved for students on a space available basis.

**Student Acceptance through the First-Year Resource Program (FYRP):** This program is designed to assist selected students who have demonstrated potential for success in college through grades and/ or college entrance examinations, but fall short in academic preparedness in one or more subject areas at the time of admission. Students in FYRP are provided additional support as they begin their academic careers at the University of

La Verne. They are limited to 14 semester hours during their first academic year as they acclimate to rigorous college-level course work. All students will work closely with an academic advisor in their major to develop schedules that maximize academic success. Additionally, students must enroll in a one unit-learning Enhancement Seminar and register for an appropriate writing and math class each semester until the requirements are met. Students who make normal satisfactory academic progress at the end of their first academic year will be allowed to register for up to 18 semester hours of full-time enrollment in subsequent semesters.

**Returning Student Readmission:** Main campus undergraduates who have attended La Verne as matriculated students but who have not been in attendance for two consecutive semesters must reapply by filing a Readmission Application for Admission. Readmission will be based on the current admission policies, and the student will be required to meet current graduation requirements. Official transcripts for all academic work taken during the period of absence must be provided.

**Reinstatement of Academically Disqualified Students:** The readmission of a previously disqualified student is by special approval. La Verne will consider an application for reinstatement only after the student has remained absent for a minimum of one year following disqualification and has fulfilled all conditions of re-enrollment. In every instance, reinstatement action is based on evidence, including transcripts of courses completed elsewhere after disqualification, that warrants such action. If reinstated, the student may be placed on academic probation.

### **Regional and Online Campuses (ROC) Undergraduate Programs Admission**

Nine regional campuses, CAPA and La Verne Online provide educational opportunities for mature adults with varied educational backgrounds. Applicants will be considered for admission based on several factors: applicant's age (CAPA and other programs may require applicants to be 25 years of age or older), number of college-level semester hours completed, cumulative college GPA, work experience, and the degree program being pursued. Specific majors or programs may require additional admission requirements beyond those described in the preceding sentence and the next paragraph. These additional

---

requirements may be found in the Regional and Online Campuses program brochures and on the La Verne website. Consideration is given to previous formal educational experience as well as to the potential to succeed in a challenging academic program. La Verne seeks students who are motivated, self-disciplined, and committed to learning. Applicants academically disqualified from another college may be considered for admission by appeal only if the disqualification occurred more than 12 months prior to application.

In addition to admission to the University, applicants must meet degree program requirements as follows:

- Applicants for *undergraduate degree programs offered through La Verne Online* must have completed at least 28 semester hours of transferable college credit from a regionally accredited college or university, including WRT 110 (or the equivalent), with an overall minimum GPA of 2.0.
- Applicants for a *B.A. in Liberal Studies* must have completed at least 28 semester hours of transferable college credit from a regionally accredited college or university, including WRT 110 and WRT 111 (or their equivalents), with an overall minimum GPA of 2.0. They also must sign a College of Education and Organizational Leadership Disposition Agreement Form.
- Applicants for a *B.S. in Child Development* must have completed at least 28 semester hours of transferable college credit from a regionally accredited college or university, including WRT 110 and WRT 111 (or their equivalents), with an overall minimum GPA of 2.5. They also must complete an interview with the faculty, submit a successful writing sample, and sign a College of Education and Organizational Leadership Disposition Agreement Form.

Students are eligible to enroll in a cumulative total of no more than 8 semester hours in a term-based system or 12 semester hours in a semester-based system prior to official admission. For additional degree program requirements and enrollment policies, please refer to ROC program brochures.

**Application Procedures:** To apply for admission to the University of La Verne through ROC, students should submit the necessary admission documents to the Regional Campus where they plan to study. Transcripts and other official records necessary to

evaluate a student's prior work become University property upon submission and will not be returned to the applicant, copied or forwarded to another institution. The following documents must be submitted:

1. **Application for Admission:** The application form may be obtained from the regional campus where the student plans to study. Upon receipt of the completed and signed application form and the non-refundable application fee, the regional campus will notify the applicant of the required documents necessary to complete the application process.
2. **Official Transcripts and Certificates of Prior Work:** Official transcripts from all colleges and universities previously attended must be submitted. If applicable, military documents, college level test scores (CLEP/DANTES), and documentation for Educational Credit for Training or non-collegiate sponsored programs must be submitted for evaluation of potential transfer credit. All previous college work must be evaluated for transfer. Any transcripts of coursework completed prior to admission that are not submitted will not be considered for transfer credit after admission has been granted. In addition, failure to list this coursework could result in academic dismissal.

Applicants with fewer than 28 semester hours of college-level coursework must submit official verification of graduation from high school or its equivalent. Official transcripts from schools in the US must be sent directly by the issuing institution to the ROC office where the student plans to study. Transcripts from schools outside the US must also be submitted. Applicants wishing to have work completed outside the US considered for transfer credit must have their transcripts evaluated by an approved foreign credential evaluation service. There is a fee for this service.

The University of La Verne will evaluate military training for credit. Veterans must submit a DD214, and in service military applicants must submit a DD295, a SMART transcript, or a CCAF transcript for evaluation.

3. **International Students:** International students on F or J visas may apply to and attend

---

only La Verne's Main Campus and La Verne College of Law. They are not eligible for the CAPA program.

- 4. Additional Information:** La Verne reserves the right to request additional information in order to make an informed decision.

**Evaluations:** ROC academic advisors can unofficially evaluate transcripts of prior course work. This provides the academic advisor with the necessary information to help the student structure a program leading to graduation. Upon admission, the Office of the Registrar will provide a complete audit of all acceptable transfer credits that are applicable toward a University of La Verne degree.

**Degree Time Limits and Readmission:** The University recognizes that ROC students may not be able to attend full time every term. For this reason, ROC students need not reapply after a break in enrollment unless the break was due to academic disqualification, or unless specified in one of the conditions that follow:

Students who do not enroll in courses within one year from the date of admission must reapply for admission and follow the degree requirements in effect at the time of their readmission.

Students who do not complete their degrees within seven years of the date of their admission letter must reapply for admission and fulfill the graduation requirements in effect at the time of their readmission. Students who leave due to academic disqualification may reapply for admission after one calendar year.

Students who complete their degrees within seven years of the date of admission may elect to fulfill either the graduation requirements in effect at the time of their admission or any catalog prior to graduation after matriculation.

Matriculated students who have not been enrolled at La Verne for more than one year will be classified as Inactive and will not be eligible to register via the web. Inactive students who wish to register should contact their academic advisor to change their student status.

## Transfer Credit for Undergraduate Students

The process of course credit evaluation is to consistently apply university policy in determining the transferability of coursework to the University of La Verne, and the applicability of that coursework to General Education and Major requirements for all undergraduate students. The policies that have been established for the evaluations process are specified in the University Catalog and in the University Transfer Manual. Exceptions to these policies are rare and approved only at the discretion of the University Registrar and the Undergraduate Appeals Committee. The ultimate responsibility for establishing policies and regulations for transcript evaluation rests with the Faculty and the Provost. The Provost is responsible for assuring that the faculty's directives are developed and implemented, as well as for maintaining academic quality and fairness.

The evaluation of transcripts should be clearly separated from the function of advising students. No one should be responsible for both the official evaluation of transcripts and for advising the students whose transcripts are being evaluated. Advisors may perform unofficial preliminary evaluations and unofficially advise students towards their degree requirements. The official evaluation must be finalized through the Office of the Registrar.

**General Transfer of Courses:** Students may transfer a maximum of 88 semester hours for credit towards the Bachelor's degree. Courses eligible for transfer credit include any courses designated as baccalaureate level by the credit granting institution. Any coursework completed with grades below C- will not be considered for transfer credit to the University of La Verne. Transfer credit will be awarded up to this 88 semester hour limit in the following order:

1. Satisfaction of general education requirements;
2. Satisfaction of major requirements;
3. Satisfaction of upper division requirements;
4. GPA benefit;
5. Overall elective unit completion

Any transfer work completed after matriculation and beyond the 88 semester hour limit will be considered for subject area fulfillment, but will not transfer with unit value (the particular course will be fulfilled by a 0-unit course marker). Regardless of the number of

---

units transferred, all students must meet the University of La Verne's residency, upper division, general education, and major requirements, as well as the minimum 128 semester hours required for the degree.

The process for reviewing individual coursework to determine course comparability rests with the faculty and will be facilitated through the Office of the Registrar. All coursework will be evaluated on a course-by-course basis following the guidelines listed below. Courses designated as baccalaureate level by Junior or Community Colleges will transfer to La Verne as lower-division credit. Traditional four-year college courses transfer at the same level, lower or upper-division, as they were designated by the sending institution. Courses transferred from other institutions (i.e., public in-state and out-of-state, private in-state and out-of-state) are not to be construed as "equivalent" but rather as comparable, or acceptable in lieu of a course and/or requirement by the University of La Verne.

**Community College Transfer Policy:** The University of La Verne establishes formal partnerships with institutions that are part of the California Community College system. These partnerships support the principle that transfer students should not be required to repeat competencies already achieved, with the purpose of enabling students who have completed transfer course work at a Community College to carry with them the credit they have already earned towards fulfilling all relevant University degree requirements. Transfer Agreements outline California Community College courses that have been approved to meet specific General Education Area requirements at La Verne. Transfer Plans are available online on the Registrar's Articulation website: [laverne.edu/registrar/articulationinformation/](http://laverne.edu/registrar/articulationinformation/).

**Statute of limitations of courses:** To maintain the currency and integrity of the University of La Verne degree, each department may establish limits on the age of previously completed coursework in regards to the applicability of that coursework to the major requirements for the undergraduate degree. These limits are stated in the descriptions of individual program and major requirements in the Programs section of this catalog. These limits do not impact the transferability of coursework to general education or non-major elective requirements.

### **General Education Transfer Policy—Breadth**

**Requirements:** At the time of matriculation, students who have completed one of the two certifications listed below will be credited with fulfilling all of La Verne's General Education Breadth Requirements with the exception of the Foreign Language requirement, depending on the student's declared major. They will need to fulfill the appropriate University Values (UV) requirements. 1. The California State University General Education Breadth Certification (CSU-GE). 2. The Intersegmental General Education Transfer Curriculum (IGETC).

**Other General Education Transfer Options for Breadth Requirements:** At the time of matriculation, students who have completed a minimum of 28 semester hours of transferable baccalaureate level coursework will be evaluated for fulfillment of La Verne's General Education Breadth Requirements according to the following guidelines:

1. Students certified as having met all area requirements in the California State University General Education (CSU-GE) Breadth Certification or in the Intersegmental General Education Transfer Curriculum (IGETC) with a C- or better in all applicable courses will be credited with fulfilling all of La Verne's General Education Breadth requirements with the exception of the Foreign Language requirement depending on the student's declared major, and the appropriate University Values requirements. Students must provide proof of certification when the final transcript is sent to La Verne.
2. Courses completed with a grade C- or better at a regionally accredited community college prior to matriculation at La Verne that partially fulfill selected CSU-GE or IGETC general education options completed at a college prior to admission at La Verne will be credited toward partial fulfillment of the like General Education Breadth requirements at La Verne. CSU-GE and IGETC applicability of each course must be documented in the relevant college catalog, or through the Assist website, which is the official repository of articulation information for the State of California. Students may still be required to fulfill a Foreign Language requirement depending on their declared major.
3. Courses completed at regionally accredited community colleges outside the state of California

---

which meet bachelor's level general education requirements within a statewide college system and are documented in the college catalog, will be articulated to fulfill like general education requirements at La Verne. Students may still be required to fulfill a Foreign Language requirement depending on their declared major. All other coursework will be evaluated on a course-by-course basis. No transfer course will be considered for general education fulfillment unless a C- or better was received, and the course has been designated as baccalaureate level by the credit granting institution.

### **General Education Transfer Policy— Values Requirements:**

Students who transfer 0-27.99 semester hours at the time of matriculation are required to complete two designations each in Values Orientation/Ethical Reasoning (UVVO), Community and Diversity/Diversity & Inclusivity (UVCD), and Lifelong Learning (UVLL), and one designation in Community Service/Community & Civic Engagement (UVCS), while students who transfer 28-59.99 must complete one designation in each of the four areas. Students who transfer 60-87.99 semester hours must complete three designations in three different areas. Students who transfer the maximum of 88 semester hours must complete two designations in two different areas.

### **Transfer Credit for Exams and Testing**

#### **International Baccalaureate (IB) Transfer Credit:**

The Office of the Registrar will accept the IB diploma for students who have earned 30 points or more, and grant 32 semester hours of transfer credit (sophomore standing). Students who do not successfully achieve the IB diploma will have the subjects individually evaluated as listed on their certificate. La Verne will award 4 semester hours for each subject in which a score of 4 or greater was earned for a maximum of 24 semester hours.

#### **Advanced Placement Exam (AP) Transfer Credit:**

The Office of the Registrar articulates up to 44 semester hours of credit in subject area examinations offered by the College Board's Advanced Placement Program. Exams are articulated during the evaluation of the student's file upon matriculation. Credit can only be reviewed at the time the Office of the Registrar receives an official score report provided by the College Board and or scores that are indicated on a student's official high school transcript.

**CLEP and DSST Exams:** Transfer credit for the College Level Examination Program (CLEP) and DSST exams are awarded based on the articulation of each individual exam and are reviewed for major or general education requirements by university faculty. Based on these reviews, articulation guides have been created and are available on the [Registrar's Articulation website](#). Furthermore, a combined maximum of 44 semester hours of credit by exam may be applied toward the bachelor's degree (AP and IB credits do not contribute to this total). Exams are normally articulated as lower division credit, and duplication policies are followed as described below.

**Exam Duplication Policy:** A student is not eligible to earn credit by exam if that exam covers the same subject material that was covered in previously completed college level coursework. Furthermore, a student is not eligible to earn credit by exam if that exam covers material that is the same general subject area as more advanced coursework that he or she previously completed. For example if a student completes Calculus 1, he or she is not eligible to earn credit for a Pre-Calculus exam.

### **Additional Transfer Credit Options**

**High School Diploma and Transfer Credit:** All traditional undergraduate students entering La Verne may receive up to 32 semester hours of credit for college courses taken before graduation from high school. These courses must appear on an official college transcript and the name of the accredited college must be disclosed on the University of La Verne Admissions Application.

**Vocational/Technical Transfer Credit Policy:** A total of 44 semester hours of vocational/technical courses may be transferred and applied toward a bachelor's degree at the University of La Verne. Applicability of these units toward specific degree requirements is finalized by the Office of the Registrar.

**Military Transfer Credit:** Courses taken through the military may be transferred under the guidelines established by the American Council on Education (ACE) Guide to the Evaluation of Educational Experiences in the Armed Services and according to La Verne policy. Acceptance of credit is limited by the Vocational/ Technical Transfer Credit policy.

---

### **Service members Opportunity Colleges (SOC):**

The University of La Verne is a member of the SOC Consortium and will honor all transfer agreements negotiated by the SOC administration.

### **Foreign Colleges and Universities Transfer Credit Eligibility:**

In order for the university's Articulation Office to facilitate faculty review of foreign coursework for general education applicability, students must submit notarized translations of course descriptions from the foreign transfer institution. In cases where course descriptions are not available, students are encouraged to take available placement examinations to qualify for general education credit, or to work with an academic advisor to determine alternative modes of assessment (such as CLEP and DSST exams).

### **Transfer Credit for ESL and English Composition Courses:**

La Verne will grant transfer credit for courses articulated to fulfill the Written Communication, a sub-area stated within the GE Breadth Requirements. The course must be completed prior to acceptance into La Verne. The Office of the Registrar will not grant credit for similar courses completed after a student has been accepted to La Verne until all prerequisite ESL courses required by placement criteria have been completed. ESL and Writing courses which the placement test indicates are needed must be taken at La Verne, but the University may grant elective credit for transferable ESL courses and English composition courses not equivalent to WRT 110 that was completed elsewhere prior to acceptance.

## ***GRADUATE ADMISSION***

### **Main Campus & Regional and Online Campuses (ROC)**

**Admissions Policy:** In order to pursue a graduate degree, a specialized credential, or a graduate certificate program at the University of La Verne, students must be formally admitted by the appropriate graduate department. Candidates are evaluated on the strength of their GPA, Statement of Purpose, and letters of recommendation, as well as standardized test scores and résumés where required. Additional admission requirements beyond those described below are listed with the individual programs in the

Programs section of this catalog. Each academic department balances all these measures in considering admission eligibility. The general eligibility guidelines for full admission to all graduate programs are as follows:

1. A bachelor's degree from a regionally accredited college or university. (Doctoral programs may also require a master's degree.) Students who earned degrees or completed coursework at non U.S. universities should review the International Transcript Guidelines page at [www.laverne.edu/admission/graduate](http://www.laverne.edu/admission/graduate) to ensure that proper transcript documentation is submitted to the university. Students who earned degrees from institutions using a marks-grading or testing-only system should obtain a course-by-course credential evaluation by an approved NACES institution ([www.naces.org](http://www.naces.org); fees will apply for these services). All other students who have completed their studies outside of the United States may be required to have their degrees evaluated by a La Verne approved evaluation service to determine bachelor's degree equivalency. Applicants will be notified if their degrees need to be evaluated.
2. A preferred GPA of 2.5 or above for the last 60 semester hours or the last 90 quarter hours of the baccalaureate degree, and a GPA of 3.0 for any graduate work.
3. Letters of recommendation attesting to academic/professional competency.
4. Demonstrated ability to write at an acceptable level for graduate study.

Some programs prefer a higher GPA, the submission of standardized test scores, and other documentation to be eligible for admission. Additional details about graduate admission can be found at [laverne.edu/admission/graduate/faqs/](http://laverne.edu/admission/graduate/faqs/).

**Application Materials:** All application materials are processed by the Graduate Admission Office or ROC, as appropriate, and forwarded to departments. All materials submitted become the property of the University and will not be returned to the applicant, copied for another use outside of admission, or forwarded to another institution. Applications are valid for one year from the semester/term to which the applicant applies, after which they are destroyed.

---

Applicants requiring additional time must reapply. Before departments take any action regarding possible admission to a graduate program, the student must submit the following:

1. Completed application with non-refundable application fee. Fees may be submitted via check or money order made payable to the University of La Verne (the applicant's full name must appear on the payment), or may be submitted online at the time of the application via the application portal found at [laverne.edu/admission/applyapply2/](http://laverne.edu/admission/applyapply2/).
2. Statement of Purpose. Unless otherwise noted, the statement of purpose should outline goals for graduate study and be roughly 200 words in length. Information reinforcing the strengths of the applicant for admission should be included as well as any professional experience and qualifications that may be related to the intended field of study. Some departments have additional requirements, or require essays in addition to or in place of the statement of purpose, so it is best to refer to the program's specific requirements as listed in this Catalog.
3. Official transcripts showing academic degrees and all coursework completed for the baccalaureate degree, and all graduate coursework. All transcripts must be issued directly by the degree granting institution and remain in their original, sealed institutional envelopes to be considered official. Applicants to La Verne Campus programs should have the transcripts sent "Attention: Graduate Admission Office." Applicants to ROC programs will be provided with forms which indicate the proper return address. For additional guidance on obtaining and submitting proper transcripts visit [laverne.edu/admission/graduate/faqs/](http://laverne.edu/admission/graduate/faqs/).
4. The appropriate number of letters of recommendation, as specified by the department. Upon admission to the University, all letters of recommendation will be destroyed and are not a part of the student's permanent record.
5. Applicants who have not completed their bachelor's degree level education at a school in the USA, Australia, Canada (English-language provinces), United Kingdom, or New Zealand, and South Africa must provide proof of English proficiency in one of the following ways:

- a. A minimum score on the Test of English as a Foreign Language (TOEFL) of 79 (iBT), 213 (CBT), or 550 (PBT) or above. Some programs require a higher score.
- b. A minimum score on the International English Language Testing System (IELTS) of 6.5.
- c. Completion of English 112 at the ELS Language Center.

*Note: These scores are minimum admission requirements only. Some programs require higher scores.*

6. Other documents as required. Please refer to the program's specific admissions requirements as listed in this Catalog.

**International Students:** La Verne is authorized to issue an I-20 only after international applicants have been accepted for admission and have submitted the \$200 non-refundable tuition deposit. International students with F-1 or J-1 visas may apply to and attend only the Central Campus. The following documentation is not required at the time of the application, but must be submitted after an offer of admission has been made in order to have immigration documents to the University of La Verne issued:

1. Copy of valid passport
2. A signed, current Financial Statement found at [laverne.edu/admission/graduate/forms/](http://laverne.edu/admission/graduate/forms/)
3. Financial documentation, no more than one month old, verifying the statements made on the Financial Statement

**Possible Departmental Action:** Each applicant's documents are carefully reviewed by the appropriate department. Admission decisions are made within the guidelines of the graduate admissions policy based upon the applicant's qualifications and potential for success in a graduate program. Departments may take any of the actions listed below.

1. Grant admission to students who satisfy all requirements.
2. Grant admission to students who demonstrate academic and professional promise. These stu-

---

dents must meet the stipulations required by the department, including prerequisites. Students who do not meet these stipulations may be withdrawn from the University.

3. Hold the admissions decision pending specified additional requirements needed to strengthen the application file (e.g., a GRE or GMAT score). Applicants will be notified of any additional requirements placing the admission decision on hold.
4. Deny admission because documents appear to indicate applicant would be unsuccessful in this graduate program.

#### **Admission Time Limits and Readmission Policy:**

Admissions decisions are valid for one year from the semester/term to which the applicant has been admitted, after which the admission is withdrawn and the application materials destroyed. Applicants requiring additional time must reapply or petition the Office of Graduate Admission for additional time.

Graduate students who began studies but whom have not been enrolled for two consecutive years or more must apply for readmission by submitting the following:

1. An Appeal for Readmission.
2. A new application form and application fee.
3. A statement which addresses the absence from the program and reasons for returning.
4. Transcripts for course work completed since leaving La Verne and other documents as required by the department, if applicable.

Readmission will be based on the current admissions policies, and the student will be required to meet current program requirements. Any coursework previously completed at La Verne that is more than four years old at the time of readmission will need to be reviewed for acceptance by the department and the Graduate Appeals Committee.

Students who have been dismissed from La Verne for ethical or behavioral reasons will not be readmitted.

**Transfer Credit:** All students must request transfer

credit for courses previously completed at another college or university at the time of application or during the semester/term of their admission. Students receiving Veterans Administration (VA) funding are eligible to receive transfer credit for previously completed courses only if they make their request during the semester/term of their admission. The following conditions must exist for transfer credit to be approved:

1. The course must have been taken within the last five years at an accredited university or college and after the student had received a bachelor's degree.
2. The course must be acceptable into an appropriate graduate degree program at the institution where it was taken.
3. A grade of B or better must have been earned in the course. (A grade of B- is not acceptable.)
4. The course must be sufficiently related to the student's degree program at La Verne as determined by the Program Chairperson.
5. There is a limit of six semester hours which may be transferred into 30-35 semester hour degree programs. A total of 12 semester hours may be transferred into a program requiring 36 or more semester hours. (A quarter hour counts as two-thirds of a semester hour.)
6. Courses taken through the military may be transferred into a University of La Verne graduate program, consistent with the guidelines above. The number of graduate transfer credits allowed is subject to the guidelines established by the American Council on Education (ACE) Guide to the Evaluation of Educational Experiences in the Armed Services.
7. Only courses which are accepted for transfer into a degree program are added to the student's La Verne transcript.
8. The University of La Verne reserves the right to refuse transfer credit or limit the credits accepted toward any of its degree programs from accredited institutions, including those accredited by regional accreditation associations, if these credits are attributed to courses that do not meet the University of La Verne's academic standards.

Graduate students matriculated into a certificate program may transfer up to six semester hours of elective credit toward completion of the certificate. Requests to have transfer credit applied to the certificate must be submitted to the Department/Program Chair through the student's advisor. The Department/Program Chair will evaluate the transfer credit using the same criteria for accepting transfer credits into a degree program and notify the Graduate Office or ROC Office to post the approved transfer credit to the student's transcript.

# FINANCIAL INFORMATION

## Financial Arrangements

Students must complete their financial arrangements no later than one to two weeks prior to the start of the term/semester. Students who do not make financial arrangements two weeks prior to the start of the term/semester will be assessed a fee of \$100. Students who have not made financial arrangements after 30 days from one to two weeks prior to the term/semester will be assessed an additional \$200. New students living on campus must complete their financial arrangements no later than 30 days prior to the start of the term/semester. Continuing students living on campus must complete their financial arrangements no later than June 25. Students living on campus who fail to make arrangements prior to the deadlines listed above will lose their confirmed space and moved to a "pending" list. Financial arrangements include payment in full or enrollment in a payment plan. No student is allowed to register for a semester/term if there is an overdue debt from a previous semester or term. Students who register after the due date are required to pay at the time of registration. The University offers the payment options listed below.

1. **Payment in Full:** Tuition, room, board, and any other fees are payable at the time of registration.
2. **Deferred Payment Plans:** Payment plans are available for courses lasting eight weeks or more. Short-term courses of up to five weeks in length must be paid in full one to two weeks prior to the term. All deferred payment plans require the completion of an agreement. If the student is under 18 years of age, a cosigner is required on the agreement.

All deferred payment plans require the payment of a fee at the time of registration or at the initiation of the monthly payment contract. The fee is based on the program in which the student is enrolled, as follows:

Semester Based Programs.....	\$75
Term Based Programs .....	\$50

**Second La Verne Master's Degree:** Students who have completed a master's degree at La Verne and wish to earn a second master's degree at the University must apply for the second degree by submitting an application with a statement of purpose and all supporting documents required for admission by the second degree program. For courses to count toward both degrees, they must be common to both approved programs. A maximum of 21 semester hours approved by the Program Chairperson may be used from the first degree to meet requirements for the second degree. A new "culminating activity" must be a part of a second degree program.

**Adding a Concentration After a Master's Degree Has Been Granted:** A concentration may be added after a La Verne master's degree has been granted, subject to the program chairperson's approval. If approved, the concentration will be added to the transcript only; a new diploma will not be issued. The concentration that is to be added must be listed in the current La Verne catalog as being an approved concentration for the degree previously granted to the student.

A formal Application for the Addition of a Concentration to a Completed La Verne Master's Degree must be submitted to add a concentration after a degree has been granted. La Verne course work completed within five years preceding the date of application may be applied to the concentration. A student has three years from the date of application to complete all concentration requirements. A grade of B or better is required for each course applied to the concentration with a minimum cumulative concentration GPA of 3.0. Financial aid funds are not available to students pursuing a concentration after a degree has been posted.

All students electing a deferred payment plan who do not meet their payment dates will also be assessed a monthly late payment fee of \$30. The University reserves the right to impose finance charges on all unpaid balances.

**3. Payment Methods:** The University of La Verne accepts payments by cash, check, credit card, money order, traveler's check, wire transfer, or by electronic check through the web at MyLaVerne. Accepted forms of credit card payment include: VISA, MasterCard, and Discover. No payments are accepted at the Regional Campuses.

The tuition charged a student will be the rate which is current for the program in which the student is enrolled, regardless of the course in which the student enrolls. The University reserves the right to make changes to all published rates of tuition and fees at any time without prior written notice.

### Insurance Requirement for International Students in All Programs:

All full-time students with F-1 or J-1 visas secured with documentation provided by La Verne are required to pay La Verne Health Center and Medical Services fees. Coverage thus secured meets the requirements specified by U.S. Federal Regulations. The costs of these fees are included in full-time, traditional-age undergraduate tuition, but graduate students must pay the separate Health Center and Medical Services fees as listed. Students with J-2, H-1, or H-4 visas are not required to purchase La Verne insurance, but J-2 visa holders must show that they have coverage that meets U.S. Federal Regulations.

## REFUND/TUITION CREDIT POLICIES

It is the student's responsibility to officially notify the Registrar, or the regional campus where the student is enrolled, if he or she withdraws from classes at any point during the semester or term. Failure to attend class or informing the instructor does not constitute official withdrawal from a course. Students who have received (or whose accounts have been credited with) financial aid funds will have these funds returned to the appropriate financial aid programs before any refunds will be issued to the student.

---

Policies and procedures on withdrawal are covered in the “Tuition Credits/Refunds” section below as well as in the sections entitled “Withdrawal from La Verne by Financial Aid Recipients” and “Withdrawal from the University.”

**Room and Board Refunds:** Refunds for the residence halls will be made according to the terms and conditions outlined on the Residence Hall License Agreement. The amount of refund will be determined by the Housing Office. Board refunds during the Fall, Winter and Spring terms/ semesters will be calculated on a prorated basis. There will be no refunds for January Interterm.

**Tuition Credits/Refunds:** To be eligible for a tuition credit(s), a student must complete a Program Change Form, drop or withdraw online before the tuition credit deadline for the semester or term. The date of withdrawal for purposes of tuition credit shall be the date on which the Office of the Registrar (or the office of the student’s regional campus) receives the official Program Change Form or withdraws online. Tuition credits will only be granted for students who officially drop or withdraw in writing or online before the deadline. If eligible, a refund will be generated within 14 days of the date your student account reflects a credit status. Checks are mailed to your mailing address.

**Tuition Refund/Credit Policy:** Students who drop their class(es) through the end of the add/drop period are eligible for 100% refund of tuition and fees. Students who withdraw from their class(es) 7 business days from the end of the add/drop period are eligible for 75% refund of tuition charged. Students who withdraw from their class(es) 7 business days from the end of the 75% refund period are eligible for 50% refund of tuition charged. Courses that are less than seven weeks are not eligible for a 50% refund. The tuition refund policies for dismissal and suspension are the same as for voluntary withdrawal.

Students who receive federal financial aid are subject to a pro-rata return of federal funds through the 60% period of each term or semester, as described in the Withdrawal from La Verne by Financial Aid Recipients section of this catalog. The 60% period is calculated by dividing the number of days enrolled in the term by the total number of days within the term. The amount of funds that must be returned is determined by dividing the number of days in the term or semester that the student was not enrolled by the

total number of days in the term or semester. The Financial Aid Office will calculate the amount of the refund to the financial aid programs.

If a student drops classes after the tuition credit period, but before the 60% period of a term, the student will be charged for the entire amount of tuition, but a prorated portion of the financial aid will be returned to the Title IV Program.

Petitions to the stated policy, for medical reasons or reasons beyond the control of the students, should be in writing and addressed to the Director of Student Accounts. Any exceptions to the policy must also be approved by the Associate Vice President of Finance.

**Student Refunds:** A student who is eligible for a refund due to excess financial aid and who used a credit card to pay any and all of his or her tuition and fees will have a refund processed to his or her credit card up to the amount of the payment. This policy applies to all credit card transactions, regardless of the order of payment. Any credit over the amount paid by credit card will be processed through direct deposit or paper check.

## Delinquent Payment of Tuition

La Verne reserves the right to refuse a diploma or a transcript to any student or former student who is delinquent in the payment of any promissory note given in payment of any tuition, costs, or fees. Financial holds are placed on the transcripts of students with delinquent accounts, and no transcripts or diplomas will be issued for such students until the holds have been removed. Students who have not met their financial obligations at the beginning or completion of a semester of enrollment may be withdrawn automatically from all courses in that semester/term. The University reserves the right to request prepayment before allowing registration for future terms.

Unpaid balances at the end of each semester may become interest bearing at the rate of 10% per annum. Interest on the outstanding balance may be computed and added monthly to the amount due. However, if the balance is outstanding for more than 180 days, the interest rate may escalate to 15% per annum.

If it becomes necessary for the University to seek col-

lection help and/or initiate legal proceedings to collect unpaid accounts. The student may be responsible for all legal fees incurred.

Some students may require less than eight semesters to complete their first degree. Once students complete their degree requirements they will no longer be eligible to receive University-funded financial aid. If students choose to pursue another degree they may be able to receive state or federal grants, outside scholarships, or loans. Students who wish to request an exception to this policy due to extenuating circumstances may submit an appeal with supporting documentation to the Office of Financial Aid.

**Types of Assistance:** Financial aid is money awarded to assist a student to attend college who would otherwise not have the opportunity. There are two types of assistance a student may be awarded: gift financial aid and self-help financial aid. Gift financial aid is money the recipient does not have to pay back, such as University grants and scholarships, outside scholarships and federal and state grants. Self-help financial aid includes Federal and private loans, which must be repaid, and the Federal Work-Study program, which requires the student to work.

**Determination of Financial Aid Awards:** Eligibility for need based financial aid is the difference between the Cost of Attendance (minimum costs include tuition, fees, and, if applicable, on-campus housing) and the Expected Family Contribution (what the federal government says a family can contribute). Subtract the Expected Family Contribution from the Cost of Attendance to Determine the financial need ( $COA - EFC = FN$ ), or the financial aid eligibility for need-based financial aid.

The Cost of Attendance is the average cost for a student to attend the University of La Verne for the academic year. The Cost of Attendance includes allowances for tuition and fees, room and board, transportation, books/supplies, and personal expenses. However, only the cost of tuition and fees (or on campus housing, if applicable) must be paid directly to the University. The total financial aid awarded cannot exceed the total Cost of Attendance.

The Expected Family Contribution is calculated from the income and asset information a student and his/her family have provided on the FAFSA. The

---

Expected Family Contribution is the dollar amount the Federal government has determined that a student and his/her family are expected to contribute toward educational costs for the academic year.

The Office of Financial Aid will determine financial aid eligibility and award the student institutional, federal, and state financial aid. Once a student's financial aid for the academic year is determined, the Office of Financial Aid will send the student a Financial Aid Award Letter along with other important information and instructions.

The University of La Verne awards institutional financial assistance on the basis of financial need and merit and does not discriminate on the basis of race, color, national or ethnic origin, religion, age, sex, disability, or prior military service.

**Priority Deadlines:** Many financial aid sources are limited. Failure to meet priority deadlines may result in the loss of financial aid funds a student may otherwise be eligible to receive.

**FAFSA: March 2:** If the FAFSA is submitted after March 2, a student may still be eligible to receive a Federal Pell Grant and Federal student loans.

**Grade Point Average Verification: March 2:** The California Student Aid Commission (CSAC) will not accept GPA Verification after the March 2 deadline.

To prevent delay in the processing of the FAFSA or GPA Verification, a student should read and follow the instructions carefully.

## How To Apply for Financial Aid

The 2014-2015 Award Year FAFSA must be used to apply for financial aid in the 2014-2015 academic year. La Verne's academic year begins July 1st and ends June 30th of the following year.

**1. Complete the Online Free Application for Federal Student Aid (FAFSA), starting January 1:** The fastest and most efficient way to complete the FAFSA is online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov).

**Online FAFSA and Online Renewal FAFSA:** A new or renewal FAFSA must be completed on the web. If a student does not have a Personal Identification Number (PIN) issued by the federal student aid programs, he/she may request a PIN online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov).

**Financial Aid Renewal for Returning Students:** All students must reapply for financial aid annually. Renewable financial aid is conditionally based on a student's ability to maintain academic standards and financial aid eligibility. Students who filed an electronic FAFSA the previous year and have a PIN will, starting January 1, find their Renewal FAFSA at [www.fafsa.ed.gov](http://www.fafsa.ed.gov).

**FAFSA Results:** After the Federal processor has processed a student's FAFSA, the student will receive a Student Aid Report (SAR). This summarizes the information on the student's FAFSA and indicates the family's Expected Family Contribution (EFC), the amount the family is expected to contribute towards the student's educational expenses for the academic year. The Office of Financial Aid will receive the FAFSA results as long as the student has listed the University of La Verne on the FAFSA or SAR and the student has been officially admitted into a degree or certificate program at the University of La Verne. The school code is **001216**.

## 2. Submit the Grade Point Average Verification Form: (Non-California residents may skip this step.)

The University of La Verne strongly encourages all California residents to apply for a Cal Grant. To apply, a student must submit a GPA Verification to the California Student Aid Commission by March 2. "California resident" is defined at [www.calgrants.org](http://www.calgrants.org). The following high school grades are included in the GPA calculations for Cal Grants:

*High School Seniors:* All grades from sophomore and junior years, including summer school grades earned following sophomore and junior years, as of the time of GPA certification, with a few exceptions listed at [www.calgrants.org](http://www.calgrants.org).

*High School Graduates:* All grades from sophomore, junior and senior years of high school, including summer sessions. PE, ROTC, and remedial courses are excluded.

*Transfer Students:* For a student who is not enrolled in high school and who has completed fewer than 24 college semester units, 36 quarter units, or the equivalent, all grades from sophomore, junior and senior years of high school, except for PE, ROTC, and remedial courses are included in the grade point average calculation. If such a student has taken at least 16 semester units the California Community

---

College GPA will be used, but only for the Cal Grant B Competitive award. For transfer students who are not enrolled in high school and who have completed at least 24 college semester units, 36 quarter units or the equivalent, all college grades received by the date the college certifies the student's GPA will be used.

*Continuing La Verne Students:* The Registrar automatically submits GPA information to the California Student Aid Commission for students continually enrolled at the University of La Verne. Specific requirements for the Registrar to follow in submitting GPA information are posted on La Verne Financial Aid web page at the beginning of January.

It is the student's responsibility to ensure that the GPA verification information is submitted to the California Student Aid Commission by March 2.

**3. Submit All Documents Requested to La Verne's Office of Financial Aid:** Failure to turn all requested documents into the Office of Financial Aid by the deadline specified in the request may result in the loss of financial aid for which the student may otherwise have been eligible.

A student may be selected for "verification." This means the student has been selected by the federal government to provide specific documents verifying income information, family size, or other supporting documents.

When this occurs, the student will be notified on the Student Aid Report (SAR), and the Office of Financial Aid will send the student a written request or email notification to submit a completed Verification Worksheet (downloadable at [www.laverne.edu/financial-aid](http://www.laverne.edu/financial-aid) a tax transcript copy or tax transcript from the IRS, W-2's, and other necessary documents. Additional documentation (such as Selective Service or citizenship documents) may be requested to complete a student's file. The student's file is not complete until all required documents, properly filled out, have been received by the Office of Financial Aid. Financial aid cannot be awarded until a student's financial aid file is complete.

**4. Obtain Official Admission to La Verne:** A prospective student may complete the FAFSA and GPA Verification before he/she is officially admitted to La Verne. However, financial aid will not be awarded until the student is officially admitted.

## Additional Information

**Satisfactory Academic Progress Policy:** The federal government requires universities to develop and enforce an internal system to monitor the academic progress of financial aid recipients. A student must maintain Satisfactory Academic Progress (SAP) in order to be awarded and remain eligible for financial aid. The SAP policy includes procedures through which a student may appeal a determination that satisfactory academic progress is not being met. The full SAP policy is available at [www.laverne.edu/financial-aid/](http://www.laverne.edu/financial-aid/) and at the La Verne Office of Financial Aid.

### Requirements

The federal government requires that colleges and universities develop and enforce an internal system to monitor the academic progress of financial aid recipients and mandates that financial aid recipients be making satisfactory academic progress in order to maintain financial aid eligibility. These standards may be different than the academic standards required to remain in the program, to advance to candidacy, or to earn a degree or certificate. Where differences exist, the standards set forth in this policy shall be used to determine eligibility for participation in student financial aid programs at the University of La Verne (La Verne).

### Criteria

Academic progress criteria apply to applicants and recipients of financial aid programs created under Title IV regulations of the Higher Education Act of 1965, as amended, as well as to recipients of other programs used by the Office of Financial Aid at La Verne to provide students with financial assistance to achieve their primary educational objective.

Specific programs include the following:

- Federal ACG Grant Federal Perkins Grant
- Cal Grant A Federal SMART Loan
- Cal Grant B Federal Stafford Loan
- Cal Child Development Grant Federal Supplemental Educational Opportunity Grant
- Federal Graduate PLUS Loan Federal TEACH Grant
- Federal Pell Grant Federal Work-Study

These standards of satisfactory academic progress also apply to students receiving agency-sponsored assistance; and participation in all scholarship, grant, loan or employment programs provided through La

Verne funds. La Verne has developed the standards described in this policy.

## Standards

At the end of each academic year, the academic progress of financial aid applicants is measured by the criteria listed below. Students must meet all of the following standards:

- Maintain a minimum grade point average, and
- Complete a minimum number of units each academic year, and
- Complete no more than 150% of units required to complete primary educational objective, and
- Complete the primary educational objective within a maximum time frame.

Students who do not meet the satisfactory academic progress standards and or who fail to maintain satisfactory academic progress will be disqualified from receiving future financial aid.

## Initial Review

The academic progress of financial aid applicants and recipients are reviewed at least once annually, primarily at the end of the academic year. There are two categories within the standards of satisfactory academic progress that students must meet: qualitative and quantitative. Students who meet or exceed these standards are said to be making satisfactory academic progress. Students who do not meet one or more of the standards should refer to the sections identified below that are related to Financial Aid, Ineligibility, and the Appeal Process.

## Qualitative Standards (the degree of excellence)

At the time of review, a student's official cumulative grade point average is evaluated to determine whether qualitative standards are being met. To maintain satisfactory academic progress, students must meet the minimum grade point average requirements for continued enrollment at La Verne, as stated in the La Verne catalog under academic information: Academic Progress and Probation. Grade point averages are based on the official cumulative record of the student at the time of review. Official grade point averages may include work earned at prior schools.

### 1. Minimum Grade Point Average (GPA)

GPA Program

2.00 Students pursuing an undergraduate certificate, degree, teacher credential, or JD degree must maintain this minimum "cumulative"

GPA.

3.00 Students pursuing a doctoral degree, a graduate degree or graduate certificate must maintain this minimum "cumulative" GPA.

## Quantative Standards (the amounts or proportions)

At the time of review, a student's ratio of the number of semester hours earned is compared to the semester hours attempted to determine whether quantitative standards are being met. To maintain satisfactory academic progress, students must complete at least 67 % of the units attempted each academic year. Paralegal certificate students by definition are considered undergraduate students based upon the program length, regardless of the number of units earned. Teacher credential students are considered post baccalaureate degree students and not graduates. Courses taken as incompletes, withdrawals, repetitions and all transfer credits accepted by the university from other institutions will be calculated as units attempted. This includes repeat courses and courses taken with a grade options: WF, CRD, NCR, WNC, INC, IP, NG and W will be counted as units attempted.

### 2. Minimum percentage completed per academic year

%	Program
67%	Students pursuing an undergraduate degree must complete this minimum percentage of units.
67%	Students pursuing a graduate degree must complete this minimum percentage of units.
67%	Students pursuing a doctoral degree or J.D. degree must complete this minimum percentage of units.

## Unit Cap

The academic progress standards for students receiving financial aid are more restrictive than for the general student population. The standards are based upon a reasonable expectation of academic progress toward an educational objective. Students who exceed 150% of the maximum number of units required to complete their degrees are not considered to be making satisfactory academic progress toward their certificate or degree.

## 1. Maximum number of units attempted

### Units Program

192 Students pursuing an undergraduate degree must not exceed this maximum number of units attempted.

45-92 Students pursuing a graduate degree must not exceed this maximum number of units attempted.

81-180 Students pursuing a doctoral degree must not exceed this maximum number of units attempted.

126 Candidates for the J.D. degree must not exceed this maximum number of units attempted.

## Maximum Time Frame

Students not completing their degrees within the maximum time frame are not considered to be making satisfactory academic progress toward their certificate or degree. All terms of enrollment will count toward the maximum time frame as well as any transfer credits. Enrollment in terms/semesters in which no financial aid is received will be included in the maximum time limit. Enrollment in summer sessions/terms will count toward the maximum time frame, grade point average, and unit requirements.

## Undergraduate

Students	Terms	Years	Status	Conditions
	18	6	Full-time	Students pursuing an undergraduate degree will be allowed this maximum time frame to complete a degree.

## Graduate

Students	Terms	Years	Status	Conditions
	9	3	Full-time	Students pursuing a graduate degree will be allowed this maximum time frame to complete a degree.

JD Students	Terms	Years	Status	Conditions
	12	6	Full-Time	Students pursuing a JD degree will be allowed this maximum time frame to complete a degree.

## Certificate Program Students

Students pursuing approved certificate programs will be monitored on the basis of each certificate program requirements.

## Failure to Maintain Standards

At the end of each academic year, the Office of Financial Aid notifies students who do not meet satisfactory academic progress requirements, in writing. Students who fail to meet the satisfactory academic progress standards are disqualified from receiving future financial aid.

## The Appeal Process

Students may be given the opportunity to appeal the determination that they are not meeting the satisfactory academic progress standards. Appeals for reestablishing eligibility are based on extenuating circumstances. Examples of extenuating circumstances include, but are not limited to: injury; extended illness; one-time extenuating circumstances that have since been resolved; and enrollment limitations due to academic advisement.

The student must obtain, complete, and submit, along with any supporting documentation, a University of La Verne Academic Satisfactory Academic Progress Appeal Request Form to the Office of Financial Aid. The appeal will be evaluated and the student will be notified of the decision within 21 days of the submitted request.

## Regaining Financial Aid Eligibility

Students who have lost eligibility for financial aid due to lack of academic progress can be reinstated by successfully completing sufficient units to meet the desired standards. The student must notify the Financial Aid Office once the units have been completed. If extenuating circumstances apply, the student must submit a Satisfactory Academic Progress Appeal Form along with supporting documentation to the Financial Aid Office. If a student's SAP appeal is granted and approved, he/she will be placed on financial aid probation during the time outlined in their Probation letter. If at the end of the student's financial aid probation period he/she fails to maintain the minimum standards of financial aid the student will be ineligible to receive future financial aid.

## Financial Aid Disqualification

Students who fail to meet the minimum standards of the Financial Aid Satisfactory Academic Progress Policy are no longer eligible to receive financial aid at the University of La Verne.

## Academic Disqualification

Students who are academically disqualified are no longer eligible to receive financial aid at the

### **Financial Aid Disbursements**

Financial aid funds are disbursed through the Office of Student Accounts. The total amount of financial aid for the academic year is divided among semesters or terms for which the student is enrolled, as reflected on the financial aid award letter. Students must meet eligibility requirements before financial aid is disbursed. Eligibility requirements include, but may not be limited to the following: being officially admitted into an eligible program, enrolling in the correct number of units in classes leading toward the student's degree, maintaining satisfactory academic progress, and completing necessary documentation. The disbursement schedule is listed on the Student Accounts website at [sites.laverne.edu/student-accounts/disbursements/](https://sites.laverne.edu/student-accounts/disbursements/)

**Disbursement for La Verne Students Borrowing a Federal Direct Loan for the First Time:** As well as meeting the above criteria, a new borrower must complete a Federal Direct Loan Program Master Promissory Note (MPN) with the Direct Loan program at <https://studentloans.gov/>, and complete an entrance counseling session online at <https://studentloans.gov/>, before receiving student loan funds.

Each semester or term, Federal Direct Loan and Federal Direct PLUS Loan funds are forwarded to La Verne. The funds are disbursed after the add/drop period. The net loan amount (gross loan amount minus the loan origination fee) is forwarded to Student Accounts each semester/term after the student's enrollment and satisfactory academic progress have been verified. If a student is not enrolled at least half time, or is not making satisfactory academic progress, student loan funds will not be disbursed. The student is responsible for repaying only the amount of student loan funds disbursed.

**Notice of Disbursement and Right to Cancel Federal Loans:** Students and borrowers have the right to cancel the entire loan or any portion (a specific disbursement) of any federal Direct, Perkins or PLUS loan. Requests to cancel a specific loan disbursement may be submitted prior to the date of crediting to the student's account or within 14 days from the date the student receives official notification from the Student Accounts Office that loan funds have credited to the student's account. To request cancellation of a loan disbursement, the student can complete a Request to Cancel and Return Loans

Form located on the Student Accounts section of the University of La Verne website. Interest will not be charged and loan fees will be returned to the loan holder. Cancelling a loan disbursement could cause a balance to be due which the student will be responsible for paying. This is especially true if the student received a bookstore voucher or a refund due to excess funds (credit balance) on the account.

**Repayment After the Designated Time Period:** Students cannot cancel the loan disbursement if the designated time period described above has already passed. Instead, students can repay the loan disbursement directly by contacting the loan holder (Direct Loan Servicer for Federal Direct Loans or the Student Loan Specialist at the University of La Verne for Perkins Loan). The borrower (the student for student loans; the parent borrower for parent loans) will be responsible for any interest that may have accrued and/or any loan fees.

**Cal Grant B Access Authorization:** The Office of Financial Aid mails to all Cal Grant B Access recipients an authorization form. The Cal Grant B recipient's "access" portion of the Cal Grant award cannot be applied to his or her student account unless the student completes and submits a Cal Grant B Access Form to the Office of Student Accounts, which is the office that disburses financial aid.

**Repayment of Federal Loans:** Repayment of the Federal Direct Loans begins six months after the student graduates, drops below half-time enrollment status, or withdraws from school. A variety of repayment options and loan assumption programs are available to borrowers, and the information about these options may be obtained from the Federal Direct Loan program. Repayment information is also available in the financial aid award packet and at the La Verne Office of Financial Aid. Repayment of the Federal Direct Parent PLUS Loan can begin 60 days after the last disbursement if the parent chooses. However, parents are now eligible to defer their Direct Parent PLUS Loan payments until after their dependent graduates. The Federal Direct Loan program at <https://studentloans.gov/>, can provide specific information regarding this new benefit.

**Withdrawal from La Verne by Financial Aid Recipients:** A student receiving Federal Pell Grants, Federal Perkins Loans, Federal Direct Loans, Federal Direct PLUS Loans, and/or Federal Supplemental Educational Opportunity Grants (SEOG) who withdraws from La Verne is subject to

---

the Return of Federal Funds provision included in the regulations governing the administration of Federal Student Aid Funds. Any amount established by the Return to Federal Funds provision will be returned to the Federal programs in the following order:

- Federal Unsubsidized Direct Loan
- Federal Subsidized Direct Loan
- Federal Perkins Loan
- Federal Direct Parent PLUS Loan
- Federal Direct Grad PLUS Loan
- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant
- Other Title IV grant funds

## Federal Student Aid Programs

The University of La Verne participates in the Federal Campus-Based financial aid programs. Federal grants received and Work-Study funds earned do not have to be repaid; however, loans must be repaid. Graduate students are not eligible to receive federal grants. The Federal Perkins Loan and Federal Work-Study programs are available to graduate students.

**Federal Pell Grants** are awarded to undergraduate students on the basis of financial need. Students enrolled in the fifth-year Teacher Credential program are not eligible to receive Federal Pell Grants. During the 2014-2015 academic year, Federal Pell Grant awards will range from \$587 to \$5,730. A student cannot receive Federal Pell Grant funds from more than one institution for the same period of enrollment. If more than one institution submits a request for payment to the Federal Pell Grant Program for the same period of enrollment, one of the schools will be required to withdraw the Federal Pell Grant award from the student's financial aid. The student will ultimately be responsible for any balance resulting from the duplicate enrollment.

**Federal Supplemental Educational Opportunity Grants (FSEOG)** are awarded to undergraduate students with exceptional financial need. Students enrolled in the fifth-year Teacher Credential program are not eligible to receive Federal SEOG Grants. During the 2014-2015 academic year, FSEOG Grant awards will range from \$500 to \$3,000. Students must be enrolled at least half-time to receive FSEOG Grants.

**Federal Perkins Loans**, are student **loans** awarded to students with exceptional financial need. During the 2013-2014 academic year, Federal Perkins Loan awards will range from \$375 to \$4,500. Students must be enrolled at least half-time to receive Federal Perkins Loans.

**Federal Work-Study (FWS)** funds are awarded to students with the greatest financial need. Federal Work Study is a paid work opportunity to eligible applicants, allowing students to earn money to pay for educational expenses. Employment may not exceed 20 hours per week during periods when school is in session in the fall and spring semesters. Every effort is made to place students in work related to their studies, career plans, or community service.

**Federal Direct Loans** are available to eligible students. There are two types of Direct Loans: Subsidized, for which the government pays the interest while students are in school, and during the grace period and deferment periods; and Unsubsidized, for which students pay all the interest on the loan. Students may defer the interest while enrolled at least half-time; however, the interest continues to accrue. Students may receive both types of loans at the same time, if eligible. For loans originated between July 1, 2013 and June 30, 2014, the interest rate is 3.68%.

**Federal Direct Loan Limits:** Dependent undergraduates and fifth-year Teacher Credential students may be eligible to borrow up to \$31,000 of which no more than \$23,000 may be in subsidized loans. Independent undergraduate Students: \$57,500 of which no more than \$23,000 may be in subsidized loans. Graduate, professional program and College of Law students may be eligible to borrow up to \$138,500 of which no more than \$65,500 may be in subsidized loans. Clinical Psychology (Psy.D.) students may be eligible to borrow up to \$224,000 of which no more than \$65,500 may be in subsidized loans.

Year In School	Subsidized & Unsubsidized	Additional Unsubsidized Dependent	Additional Unsubsidized Independent
Freshman	\$3,500	\$2,000	\$6,000
Sophomore	\$4,500	\$2,000	\$6,000
Junior	\$5,500	\$2,000	\$7,000
Senior	\$5,500	\$2,000	\$7,000
5th Year	\$5,500	\$2,000	\$7,000
5th Year Teaching Credential	\$5,500		\$7,000
Graduate-Law			\$20,500
Clinical Psychology			\$33,712

**Federal Direct Parent PLUS Loans** are offered to the Parent or Stepparent of dependent undergraduate students. "Dependent student" is defined under "Announcements" on "The Student Guide and Funding your Education" at [www.studentaid.ed.gov](http://www.studentaid.ed.gov). Parent borrowers in this program may borrow up to the total cost of attendance minus other financial aid offered. Federal Direct Parent PLUS Loan origination fees are 4.204% (for loans first disbursed on or after July 1, 2013 and before November 30, 2013) and 4.288% (for loans first disbursed on or after December 1, 2013 and before September 30, 2014.) and the interest rate on the funds borrowed will not exceed 6.41%. A parent borrower's credit record will be checked prior to the loan approval, and credit-worthy applicants will be required to complete a Federal Direct Parent PLUS Loan application and promissory note. A dependent applicant whose parents are denied the Federal Direct Parent PLUS Loan will automatically be considered for an Unsubsidized Direct Loan. Interested students should contact the Office of Financial Aid for further details.

**Federal Direct PLUS Loans for Graduate or Professional Students (Grad PLUS):** Students enrolled in graduate (master's and doctoral programs) or professional programs (law school) are eligible to borrow under the Federal Direct Grad PLUS Loan Program up to their cost of attendance minus other financial assistance. These requirements include a determination that the applicant does not have an adverse credit history, repayment beginning on the date of the last disbursement of the loan, and a fixed interest rate of 8.5 percent in the Direct Loan Program. Applicants for these loans are required to complete the Free Application for Federal Student Aid (FAFSA) and must have applied for their annual loan maximum eligibility under the Federal Subsidized and Unsubsidized Direct Loan Program

before being considered for a Federal Direct Grad PLUS Loan.

## California Grant Programs

For detailed information on specific state programs, see the California Student Aid Commission's website at [www.calgrants.org](http://www.calgrants.org)

**Cal Grants A and B**, the largest scholarship source awarded to undergraduate students that is funded by the state of California, and are administered by the California Student Aid Commission. Cal Grants A and B do not need to be repaid and may be received for up to four years. California residents who are La Verne undergraduates or applicants for undergraduate admission should apply for these grants. The tentative maximum award for new Cal Grant recipients for the 2014-2015 academic year is \$8,056. The tentative maximum award for new Cal Grant B recipients is \$1,472. The awards are contingent upon the 2014-2015 California State Budget approval.

Cal Grants A and B extended benefits provide an additional year of assistance for recipients who are enrolled in a teaching credential program. To extend benefits a student must complete a G-44 form, Request for Cal Grant Teaching Credential Program Benefits, available in the "Participants Forms and Applications" section under "Publications" at [www.csac.ca.gov](http://www.csac.ca.gov).

## California Specialized Programs

**Assumption Program of Loans for Education (APLE)** assumes up to \$19,000 in education loans in exchange for teaching service at a designated school or in a designated subject. APLE participants must commit to teach at least four consecutive years at a California public school, either in a designated subject or a designated school. To qualify, students must have completed at least 60 units, be enrolled each term at least half-time in coursework required for a bachelor's degree or an initial teaching credential, and have received, or be approved to receive, a Federal Direct Student Loan, Perkins, or any private loan associated with obtaining a bachelor's degree or an initial teaching credential. To view the entire eligibility criteria go to [www.laverne.edu/financial-aid/](http://www.laverne.edu/financial-aid/) and click on the APLE Program link. The Office of Financial Aid announces application deadlines.

---

**Child Development Grants** are for outstanding students who are pursuing a child development permit as a teacher, master teacher, site supervisor, or program director to work at a licensed children's center. Selected students attending a four-year university may receive \$2,000 each year, for up to two years. The maximum amount awarded is \$6,000. Grant recipients must work full time at an eligible California children's center for one year for each year they receive grants. To qualify, students must be enrolled at least half-time in coursework leading to their permit during the 2013-2014 academic year. Contact the Office of Financial Aid for more information. This program is subject to the availability of California state funds.

**California Chafee Grants** offer up to \$5,000 a year for college or vocational training. To qualify, a student must be a current or former foster youth and not have reached 22 years of age as of July 1 of the award year. A student must attend school at least half time, and be enrolled in a program of study of at least one year in length. Youth who have "aged out" of another state's foster care program and who now live in California are eligible to apply. Applicants must file the FAFSA and submit a California Chafee Grant Application, available at [www.chafee.csac.ca.gov](http://www.chafee.csac.ca.gov)

## University of La Verne Programs

**La Verne Grants:** To be eligible for consideration for La Verne grants, a student must be admitted through the Office of Undergraduate Admission at the central campus and be enrolled as a full-time undergraduate student. La Verne Grants are awarded based on financial need as determined by the Free Application for Federal Student Aid (FAFSA) and the student's high school grade point average and SAT/ACT scores.

**La Verne Academic Scholarships:** To be eligible for consideration for a La Verne academic scholarship, a student must be admitted through the Office of Undergraduate Admission at the central campus and be enrolled as a full-time undergraduate student. Academic (merit) scholarships are not need based and are annually renewable based on full-time enrollment and satisfactory academic progress. La Verne academic scholarships are awarded to first-time college students based on high school grades in college preparatory coursework only and SAT/ACT scores at the time of admission. La Verne academic scholarships are awarded to transfer students based on the

college GPA at the time of admission. Information on scholarship requirements is available through the Office of Undergraduate Admission.

**La Verne Performance Scholarships:** Twelve Performance Scholarships will be awarded to incoming freshmen and transfer students with outstanding potential. Two each will be awarded in the six areas of fine arts:

- Art (Painting or Sculpture)
- Communications (Video Production)
- Music (Voice or Instrument)
- Photography
- Speech (Debate)
- Theatre (Performance or Design)

Each Performance Scholarship recipient receives a \$20,000 yearly award for four years. Scholarships are renewable annually for up to four years of undergraduate study based on the student's academic progress and participation in the program. Although students are encouraged to major, they must at least minor in the area of study to be applicable for the scholarship.

To receive consideration for a La Verne Performance Scholarship, a student must be admitted through the Office of Undergraduate Admission at the central campus and be enrolled as a full-time student. The deadline to apply for the Performance Scholarship is February 1st annually. Audition or some other work is required as determined by the academic department.

**International Student Scholastic Awards:** To be eligible for consideration for an International Student Scholarship Award, a student must be admitted through the Office of Undergraduate Admission at the central campus and be enrolled as a full-time student. La Verne International Student Scholastic Awards are awarded to first-time college students or to transfer students at the point of admission to La Verne. Award requirements are available through the Office of Undergraduate Admission.

**University of La Verne Loans:** This is a student *loan*. To be eligible for consideration of a La Verne Loan, a student must be admitted through the Office of Undergraduate Admission at the central campus and be enrolled as a full-time student. La Verne Loans are interest free during the student's enrollment. Recipients must have a minimum 2.5 GPA, and have graduated from a California high school.

---

Repayment begins after graduation or withdrawal from La Verne.

**Graduate Scholarships and Assistantships:**

Based on merit, these awards are made to graduate students who have been nominated by their departments and approved by the Dean. These scholarships cannot exceed 25% of any semester's tuition. Application must be made each semester through the department.

**Honors Program Scholarships:** To be eligible for consideration for an Honors Program Scholarship, a student must be admitted through the Office of Undergraduate Admission at the central campus and be enrolled as a full-time student. These scholarships are offered for the Spring Semester after completing Honors 101 and 102 with the Galapagos trip. The recipients are awarded \$2,000 in addition to other La Verne institutional scholarships.

**Private Alternative Loans:** Students enrolled less than half time, are eligible to apply for a loan through a private bank, credit union or other lending agency. The lender determines eligibility. The requirements include determination that the applicant does not have any adverse credit history and is credit-worthy. Each lender has different criteria, interest rates and repayment provisions. Students who obtain private alternative loans based upon less than half-time enrollment do not meet the requirements for a federal deferment.

The Office of Financial Aid requires the student to submit a FAFSA to determine eligibility for the lower-cost federal loans before certifying any private alternative loans. Where students qualify for the federal loans, they will not be permitted to decline those loans in favor of a larger alternative loan. If students meet requirements, they will be required to first accept the federal loans before receiving private alternative loans. The private alternative loan cannot exceed the cost of attendance less any financial aid awarded. A private alternative loan may be used to replace the expected family contribution (EFC).

**Holds on Records:** Students who receive Federal Perkins Loans and or University of La Verne Loans and fail to fulfill the requirements outlined in the promissory note will have a hold placed on their transcripts, diploma, grades, and future registrations until the student has satisfied the requirements.

## **BENEFITS OTHER THAN FINANCIAL AID**

**Veterans Administration Benefits:** Students who meet the definition of a "veteran" may be eligible for Veterans Administration (VA) benefits. Prior to enrolling, veterans should contact the La Verne campus they wish to attend to determine if the site is VA approved for educational benefits. Students wishing to receive VA benefits at an approved site should contact the Registrar or the local La Verne campus director at or before the time of registration in order to complete the necessary paperwork.

The Veterans Administration requires all entering veterans to be formally admitted to the University before becoming eligible to receive VA benefits. All prior transcripts and military documents must be received and evaluated by the Office of the Registrar prior to the second semester of attendance. Once veterans have been admitted and evaluated, they must notify the certifying official of their program each term or semester of enrollment.

To maintain eligibility, veterans must successfully complete all units enrolled. Veterans who fail to maintain Satisfactory Academic Progress for two semesters (or three terms) will be disqualified and will have their benefits terminated. For an explanation of grading policy, see the Grades section of this catalog or contact the Registrar's Office. For additional information or questions regarding military and veteran benefits, please contact the Office of Veteran Student Success at 909-448-4416.

**Yellow Ribbon Program:** The University of La Verne is pleased to participate in the Yellow Ribbon Program. The Yellow Ribbon Program is a partnership between the University of La Verne and the Department of Veterans Affairs (VA). The program is a provision of the Post 9/11 Veterans Educational Assistance Act of 2008 and is designed to help students supplement their Post 9/11 GI Bill Tuition Benefits. For additional information or questions regarding military and veteran benefits, please contact the Office of Veteran Student Success at 909-448-4416.

# ***ACADEMIC INFORMATION***

## **Academic Communication**

---

The University student portal is called MyLaVerne. MyLaVerne provides student access to the University's official Course Catalog, course schedules for every term, and student information. MyLaVerne can be accessed from the University's homepage at [laverne.edu](http://laverne.edu) or the La Verne portal at [myportal.laverne.edu](http://myportal.laverne.edu). Registration, grade reporting, online request for transcripts, and course evaluation are all accomplished through MyLaVerne. Students can also access and accept their financial aid award information, check account balance and make payments to their account through MyLaVerne. For information on MyLaVerne see [laverne.edu/register/mylaverne-info/](http://laverne.edu/register/mylaverne-info/).

All enrolled students are provided a University of La Verne email address and network username. This provides students access to their MyLaVerne secured account and campus portal. Students should not share their La Verne network, MyLaVerne, or email information/password with anyone at any time.

All official communication between the University and students is conducted electronically and sent to the students' La Verne e-mail address ([@laverne.edu](mailto:@laverne.edu)). Students are expected to open and check their campus email on a regular basis. We expect students to read, respond and archive all official correspondence from the University. Students are responsible for all information communicated via their [@laverne.edu](mailto:@laverne.edu) e-mail address. Students using other e-mail addresses should have mail forwarded from the La Verne e-mail address so that official messages are not missed.

Students should also use their La Verne email address to communicate with university officials. Communication with University employees and faculty in regards to any academic or financial information will not normally be replied to if the student does not use their La Verne email address. This is to protect the privacy of student information.

## **Academic Advising**

---

The University of La Verne values academic advising as an important part of the unique La Verne experience. The Office of Academic Advising facilitates individualized advising for traditional undergraduate students. The office assigns faculty advisors in each student's field of study, advises undeclared majors, and provides advising support to traditional-age students and their advisors. Students are invited to seek guidance or request a change in advisor by visiting or calling the office in Woody Hall, ext. 4510.

Central campus graduate students are advised by the faculty program chairperson for their respective programs. Graduate students seeking academic advising should contact the appropriate academic department or the Graduate Office.

Academic advising for ROC students begins on the student's first visit to the regional campus. Students work closely with academic advisors in selecting a major and choosing courses each term which best suit their degree and career plans. A professional academic advisor is available for every ROC student.

By signing the registration form, or by gaining a pin number from the student's primary major advisor in web registration, the student signifies that he or she takes responsibility for classes selected. The academic advisor's signature on the registration form, or the issuing of a pin number to traditional age undergraduates and Central Campus graduate students, indicates that the advisor has reviewed the student's class choices and has offered appropriate advice.

**Placement Examination Requirements for Traditional Undergraduates:** Placement examinations in writing and math are administered to determine a student's level of proficiency at the time of testing in order to establish the appropriate placement level. The test results are used for advising and placement into the appropriate courses prior to registration. No credit hours are granted for these exams. There is no charge for taking these exams.

Placement tests are administered by the Learning Enhancement Center in math, writing, and foreign languages. Examinations are administered on scheduled dates throughout the academic year. A La Verne ID is required in order to take a placement exam.

**Writing Examinations:** All new freshmen students are expected to take a writing placement exam for appropriate placement into Written Communication A or B. Transfer students who have a passing score of 3, 4, or 5 on the Advanced Placement English Language or English Literature exam, or have transferred the appropriate college level writing course(s) from another institution that satisfy the Written Communication A and/or B General Education requirements. Students are expected to enroll in writing courses each semester until they satisfy both the Written Communication A and B requirements. Questions concerning writing placement should be directed to the Director of the Writing Program, Department of Modern Languages.

**Mathematics Examinations:** All new freshmen and transfer students are expected to take a mathematics placement exam unless they have earned a passing score of 3, 4, or 5 on the Advanced Placement Calculus AB or BC exam or transferred the appropriate college level math course that meets the Quantitative Reasoning requirement. Transfer students may be required to repeat, without additional credit, one or more semesters of instruction in mathematics if their skills are judged insufficient at the time of testing. Students are expected to enroll in math courses each semester until they satisfy the requirement. Individual departments may have different timelines for completing this requirement. Students should check with their advisors to develop a plan to complete the Quantitative Reasoning requirement. General questions concerning math placement should be directed to the Chair of the Mathematics, Physics, and Computer Sciences Department.

**Foreign Language Examinations:** Students are not required to take a foreign language examination, but they are strongly encouraged to take a placement exam prior to first enrollment. Selected majors require a foreign language as stated in the General Education Requirements section of this catalog. The second semester of a foreign language fulfills one course in the Humanities area of general education.

**International Students:** Upon arrival at the University of La Verne, international students are expected to take the mathematics placement exam and the Writing Placement Exam for Multilingual Writers. Questions concerning the Proficiency Test should be directed to the Modern Languages Department.

## Registration/Adds/Drops/ Withdrawals

### Registration

Registration is the process by which a student selects a course or courses for academic credit for a term or semester. The registration process is the responsibility of the student which includes (1) selecting courses, (2) reserving space in the courses by making financial arrangements, and (3) paying for the courses. The awarding of academic credit, including the issuance of final grades, can only be done after all three steps are completed for the specified term or semester. Students are not allowed to attend classes for which they have not officially registered. Students who do not attend the first class session or log in as described above may be administratively dropped (see the Class Attendance section of this catalog). Students are obligated to make financial arrangements for courses they have enrolled in. Financial arrangement must be made prior to the first day of the semester/term.

A student adding a course to his or her initial schedule needs to follow all three steps listed above. Students are expected to complete their registration/add by the first day of classes. To assure their seats, students must attend all of their classes during the first week of each term or semester.

Registration for the traditional 16-week Fall Semester begins in the spring and continues through the first 7 workdays of the semester. Registration for the Spring Semester begins in the fall and continues through the first 7 workdays of the semester.

Registration for 10 - 11week terms begins approximately three weeks prior to the first day of the enrollment term. Registration continues through the first 7 workdays of the term without a late fee.

Registration for 5 or 6 week terms begins approximately three weeks prior to the first day of the enrollment term. Registration continues through the first 5 workdays of the term without a late fee.

Registration for the January Interterm begins in the fall and continues through the fourth day of classes. Full-time traditional undergraduate students who were full-time during the fall may take up to five units during January Interterm at no additional charge.

regardless of whether or not the course is required for the degree. Registration for 4-week summer terms begins in the spring and continues through the fourth day of classes for each term. Registration for classes that meet 1-6 days only must be completed prior to the first class meeting.

Students enrolling in CAPA cycle classes must be enrolled prior to the first class meeting on the Friday of the first full weekend.

Registration dates are available at [laverne.edu/registrar](http://laverne.edu/registrar) for Main Campus semesters. Registration dates for Main Campus terms can be obtained from the appropriate academic department. Registration dates for Regional Campuses can be obtained from the appropriate Regional Campus. Contact numbers are included in the catalog and online.

The **Change of Program** period begins when registration opens and continues through the first 7 workdays of the term/semester. A late fee will be assessed beginning the 8<sup>th</sup> workday of the term/semester.

Registration for special courses such as independent studies and directed studies are permitted for CAPA and graduate students through 60% of the term or semester. A late fee will be assessed beginning the 8<sup>th</sup> day of a term or semester. All special courses need to be processed in person.

All La Verne students register and make program changes through their MyLaVerne account. The La Verne Course Catalog and all schedules of courses are available on MyLaVerne. All students can verify the courses they have enrolled in for a specified term and the amount they will be obligated to make payment arrangements on their MyLaVerne Account. A student who registers and decides not to attend the course(s) must follow the Drops and Withdrawals policy printed in this section. Complete registration information and procedures are available at [laverne.edu/registrar](http://laverne.edu/registrar).

**Late Registration/Adds:** Students must have permission of the instructor of the class to appeal for late entry into a class. Students cannot assume an instructor will allow entry to a class if they do not attend the first class meeting. Students must obtain and complete the appropriate appeal form and submit to the Undergraduate or Graduate Academic

Appeals Committee. Further information can be obtained in the Appeals section in the catalog.

Late Registration/Adds by appeals with fee begins as indicated below:

1. Enrolling the 8<sup>th</sup> workday of a semester or term or thereafter.
2. Enrolling in a January Interterm course on the 5<sup>th</sup> workday of class or thereafter.
3. Enrolling in a 5-6 week term course on the 6<sup>th</sup> workday of class or thereafter.
4. Enrolling in a weekend cycle class on the Saturday of the first full weekend or later. Appeal is not required on the Saturday of the first full weekend, but payment of the late fee is.

**Waitlist:** A student can make a request to be on a waiting list for closed classes. This will list the student name on the class roster to notify the instructor they wish to enroll in a specified class. Not all classes will allow a wait list. If a course has the wait list option this will be designated on the schedule of courses. A student can view how many wait list spaces are available for a specified course. If there is still a seat available the student can request that space on MyLaVerne. The registration system will automatically notify a student when a space is available. Upon receipt of notification that a space is available a student must immediately enroll officially into the class.

**Dropping a Class:** Dropping a class is the process through which students officially notify the Registrar or Regional Campus of their intention to not attend a class or classes. Classes that are officially dropped are not posted on the student's official transcript. Failure to drop a class will result in a failing grade. Drops can be processed via the students MyLaVerne account. Students should view the academic calendar for their semester/term to determine the last day to drop. The time period to drop a class is indicated below:

1. To drop a class from a term or semester that is 10 weeks or greater a student can initiate the Drop beginning the first day of open enrollment through the first seven work days (Monday through Sunday) of the term or semester, excluding university holidays. CAPA Weekend Cycles and Accelerated term students must also drop

---

classes within the first seven work days of the term.

2. To drop a class for January Interterm or a term 4 weeks or less in length a student can initiate a Drop beginning the first day of open enrollment through the 4th workday of the term.
3. To drop a class from a term that is 5 – 6 weeks in length a student can initiate a Drop beginning the first day of open enrollment through the 5th workday of the term.

**Withdrawal from Class:** Withdrawal is the process through which a student officially notifies the Registrar or regional campus of their intent to not attend a class or classes after the drop period is over. Withdrawals are recorded on the student's official transcript as a W.

Withdrawals can be processed via the students MyLaVerne account. The withdrawal period for terms and semesters is indicated below:

1. The withdrawal period for a term or semester class that is 10 weeks in length or greater begins the 8th workday (Monday through Sunday) of the term or semester, excluding university holidays and continues through 60% of the term or semester. CAPA Weekend Cycles and Accelerated term students may also withdraw from classes beginning the 8th day of the term dates through 60% of the term.
2. The withdrawal period for January Interterm or 4 weeks in length or less begins the 5th workday of the term and continues through 60% of the term.
3. The withdrawal period for a term 5-6 week in length, begins the 6th day of the terms through 60% of the term.
4. Students enrolled in a class that meets 2-6 consecutive days must withdraw before the second class meeting commences.
5. Students enrolled in a class that meets for one day only cannot withdraw.

Students can submit their request to withdraw in person, by phone, e-mail, letter, or fax to the Registrar or regional campus center. Students should view the academic calendar for their semester/term to determine the last day to withdraw. A student who fails to withdraw officially from a registered course will receive a failing grade (NCR, F, WF, WNC) Faculty are required to submit a student's last date of attendance for all students who stop attending classes prior to the last day to withdraw.

The University assumes that the student who drops or withdraws during a term or semester will return the following term or semester. A student not intending to return to La Verne in the following term or semester needs to follow the Withdrawal process from the University or Leave of Absence procedures outlined in the appropriate section below.

Complete Drop and Withdrawal procedures can be found at [laverne.edu/registrar/](http://laverne.edu/registrar/), including applicable deadlines.

**Leave of Absence:** A student who finds it necessary to interrupt his or her studies at the University of La Verne and desires to return may apply to the Registrar for a leave of absence prior to leaving the University. The Leave Of Absence form requires signatures from Student Accounts, Financial Aid, and the Office of Academic Advising. With a Leave Of Absence, an undergraduate student may be absent from La Verne for no more than two semesters and a graduate student may be absent from La Verne for up to four semesters without reapplying for admission. Among the acceptable reasons for granting a Leave Of Absence are financial or medical problems and military duties. Students are required to keep the University informed about plans for return; otherwise, they will be considered withdrawn.

**Withdrawal from the University:** A student who wishes to withdraw in good standing must obtain a "Notice of Withdrawal" application from the Registrar's Office and have it signed by his/her Academic Advisor, Student Accounts, Financial Aid, and the Office of Academic Advising. Students who are transferring to another institution must fill out a Notice of Withdrawal form. If the student is also withdrawing from courses, a "Program Request and Change Form" signed by the student's advisor is also required. Students who fail to officially withdraw from classes will receive failing grades. The effective date of withdrawal is the date the student officially withdraws from all courses or the final day of the term. Students withdrawing from the University must also withdraw from University housing if they live in the residence halls.

**Cross-Enrollment Policy:** Undergraduate and master's degree students are admitted into programs either with semester (16 weeks) schedules or with term (5-10 week) schedules. They may not cross-enroll in both term and semester courses. Doctoral students may cross enroll in term and semester

courses as long as they maintain full-time enrollment as designated for their primary degree program. College of Law students may only cross enroll during the summer or with special approval of the College of Law Dean.

## Academic Progress

**Policy on Credit Hours:** A credit hour at the University of La Verne is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates not less than:

1. One hour of classroom or direct faculty instruction (at La Verne this equates to a contact hour of 50 minutes) and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester or the equivalent amount of work over a different amount of time; or
2. At least an equivalent amount of work as required in paragraph (1) of this definition for other academic activities as established by the institution, including laboratory work, internships, practicum, studio work, and other academic work leading to the award of credit hours.

**Course Load: Undergraduate-** A bachelor's degree candidate must complete an average of 32 semester hours per year in order to earn his/her degree within four years. A student at the Central Campus normally accomplishes this by taking 12-18 semester hours each semester and 1-5 semester hours in January Interterm. A term Bachelor student normally accomplishes this by taking 8 semester hours for each term offered in an academic year.

Below is a chart indicating the minimum semester hours needed for the semester based and term based undergraduate students for each reported time status. CAPA students who attend Weekend cycle courses, CAPA Accelerated Evening, CAPA Accelerated Sunday and/or CAPA Distant Learning terms are all considered to be semester students. Students need to be aware what the minimum time status is required to maintain eligibility for financial aid, athletics, student activities, insurance, housing, I-20 to name a few.

### Undergraduate

#### Semester

Based Programs	FT (Full Time)	TH (3/4 Time)	HT (Half Time)
Traditional Undergraduates (BA/BS)	12	9	6
CAPA, REL, LVPL	12	9	6

#### Undergraduate Term

Based Programs	FT (Full Time)	TH (3/4 Time)	HT (Half Time)
Undergraduates (BA/BS)	8	6	4

**Course Load: Graduate-** To be considered full time, a graduate student in the 16-week semester plan must enroll in a minimum of nine semester hours each semester. To be considered half time, a student must enroll in a minimum of five semester hours each semester. A student wishing to enroll in more than 15 semester hours in any semester or more than one semester hour per week during January Interterm must have prior approval from the appropriate Dean.

For graduate students enrolled in accelerated 10-week terms, six semester hours constitute full-time status; three semester hours constitute half-time status.

To be considered a full time student when enrolled in less than the required number of semester hours, a student must be "currently enrolled" in all courses necessary to complete his/her degree, and be making normal academic progress. However, this may not qualify the student for financial aid eligibility or loan deferments.

**Course Overloads:** The maximum number of semester hours a Central Campus Undergraduate is able to enroll in a single semester is 18. A Central Campus undergraduate who is enrolled at the University of La Verne and concurrently enrolls at another institution, cannot enroll in more than 18

semester hours total for both institutions for the Fall or Spring Semester. A Central Campus undergraduate who is enrolled at the University of La Verne and concurrently enrolls at another institution, cannot enroll in more than 12 semester hours total for both institutions for the Summer. Students who desire to take more than the maximum semester hours must petition to the Undergraduate Academic Appeals Committee for approval. This process must be completed prior to enrollment. Overloads are not permitted for the January Interterm.

Regional campus and CAPA students requesting to enroll in more than the number of semester hours specified for full-time enrollment must have approval by the Director of their Regional Campus two weeks prior to registration week. Approvals are based on extenuating circumstances. Students wishing to enroll in courses at other institutions should obtain the approval of their academic advisor before enrolling.

Graduate Students requesting to enroll in more than the number of semester hours specified for full-time enrollment must have approval by the Director of their Regional Campus or Program Chair two weeks prior to registration week. Approvals are based on extenuating circumstances.

**Enrollment of Undergraduate Students in Graduate Courses:** Undergraduate students who wish to take courses for graduate credit must be within eight semester hours and enrolled in their final courses for degree completion of the baccalaureate degree. The approval form must be completed prior to the beginning of the semester with appropriate signatures (undergraduate program advisor, instructor, Registrar, and appropriate Dean for the graduate courses). All 400-level courses taken without such approval will be considered to have been taken for undergraduate credit. Undergraduates may not enroll in 500 or 600 level courses without prior approval. 500 and 600 level course are not applicable toward an undergraduate degree.

**Normal Academic Progress: Undergraduate:** A full-time undergraduate student will be considered making normal academic progress when completing 24 semester hours per year while maintaining a 2.0 cumulative GPA; a part-time student, when completing 12 semester hours per year while maintaining a 2.0 cumulative GPA. Student class level is determined by the number of semester hours completed

as follows:

Freshman	0-27 semester hours successfully completed
Sophomore	28-59 semester hours successfully completed
Juniors	60-91 semester hours successfully completed
Seniors	92 semester hours successfully completed and above

To maintain financial aid eligibility, students must also meet financial aid satisfactory academic progress standards as described under Satisfactory Academic Progress Policy in the Financial Aid section of this catalog. Students receiving veterans benefits who fail to maintain the 2.0 cumulative GPA required for graduation in three consecutive semesters will have their benefits interrupted, and the VA office will be notified.

**Normal Academic Progress: Graduate-** Graduate students are considered to be making normal academic progress when a cumulative GPA of 3.0 or higher is maintained. Full-time and part-time graduate students making normal academic progress must complete their degrees within the limits specified under Time Limitation in the Graduation Requirements—Graduate Programs section of this catalog. To maintain financial aid eligibility, students may have to meet additional requirements as described in the Financial Aid section of this catalog. Students receiving veterans benefits who fail to maintain the 3.0 cumulative GPA required for graduation in three consecutive semesters will have their benefits interrupted, and the VA office will be notified.

**Academic Warning:** An academic warning is given to an undergraduate student in good standing who fails to earn a 2.0 GPA in a given term. An academic warning is posted on the transcript and grade report for that term.

**Academic Probation:** Academic probation is a serious warning to the student that his/her scholastic record is unsatisfactory. Continued failure to improve this record will result in academic disqualification. Students on probation may also have restrictions imposed by the Deans regarding their programs of study. The following students will be placed on academic probation, with an appropriate notation made on the transcript:

1. An undergraduate student whose cumulative La Verne GPA falls below 2.0.

2. A graduate student whose cumulative GPA falls below 3.0.

Academic standing is determined after every term for students enrolled in both 5-week and 10-week terms. For all other students' academic standing is calculated after fall, spring, and summer semesters. Academic standing is reported at the end of the terms as listed above. Grades submitted at a later date will not result in an updated academic standing. Academic standing is an end-of-term process and will not be updated with subsequent grade submission.

Undergraduate students on academic probation must obtain a La Verne GPA of 2.0 or above for each term until their cumulative La Verne GPA reaches 2.0 or greater. Undergraduate students will remain on academic probation until their cumulative La Verne GPA rises to 2.0 or better and will not be eligible for enrollment in the culminating activity or for commencement until academic probation is removed.

Graduate students on academic probation must obtain a GPA of 3.0 or above for each term until their cumulative GPA reaches 3.0. Graduate students will remain on academic probation until their cumulative GPA rises to 3.0 or better. Graduate students will not be eligible for Advanced Standing or enrollment in the culminating activity until academic probation is removed. After reaching the cumulative 3.0 GPA, graduate students must maintain that average as a minimum until they complete their degree program. Academic probation is distinct from financial aid probation, which is covered in the Financial Aid Programs section of this catalog.

**Academic Disqualification:** Undergraduate students who fail to earn a 2.0 La Verne GPA in any term after being placed on academic probation will be academically disqualified. Graduate students on academic probation who fail to earn a 3.0 La Verne GPA in any term will be academically disqualified. Disqualified students are not allowed to return as an enrolled student.

Central Campus Undergraduate Academic Disqualified students must appeal to the Associate Vice President for reinstatement to the university. ROC undergraduate students must appeal to the Dean of the Regional and Online Programs for reinstatement to the University. Central Campus and

ROC graduate students must appeal to their Academic Dean. Extenuating circumstances will be reviewed on a case by case basis.

Academic disqualification will be recorded on the students' academic transcript. If a Dean reinstates a student, the date of reinstatement will also be recorded. Should a reinstated student not meet the conditions specified at the time of reinstatement, academic disqualification will result. The Veterans Administration (in cases where students receive VA funds) or other appropriate governmental agencies will be notified when a student is academically disqualified.

Academic Disqualification is distinct from Financial Aid Satisfactory Academic Progress. Students who appeal for academic reinstatement must also appeal to the Office of Financial Aid.

**Academic Renewal for Undergraduate Students:**

Under special circumstances a student may petition for academic renewal. Academic renewal is provided for currently enrolled undergraduate students whose previous academic record was below the acceptable standard (a cumulative La Verne GPA of less than 2.0) and is not reflective of their current demonstrated ability to succeed. A student may request Academic renewal if the following conditions are met:

1. He/she is currently matriculated at La Verne.
2. At least five years have elapsed since the end of the term in which the work requested for removal was taken.
3. He/she has completed 18 semester hours with a minimum GPA of 3.0, 24 semester hours with a minimum GPA of 2.5, or 30 semester hours with a minimum GPA of 2.0 at La Verne since the work to be removed was completed.
4. He/she was matriculated and enrolled full time when the substandard work was completed.

Having met these conditions, a student may petition for removal of La Verne degree work from the institution degree GPA by submitting a request to the appropriate Academic Dean. A student may request the maximum of one academic year (four terms, or two semesters, interterm, and a summer session, consecutively taken) to be removed from the degree calculation. The request for Academic Renewal will be considered with supporting statements providing evidence of the following:

- a. Conditions 1-4 above have been met, and
- b. The work requested to be removed from the degree calculation is substandard and not representative of the student's current academic ability.

If the Academic Dean approves the request, "Academic Renewal" will be printed on the student's transcript and show that no work taken during the terms removed, even if satisfactory, will be applied to the Bachelor's Degree. All work will remain on the transcript to ensure a true and complete academic history, and all work, including the academic renewal terms will be included in the computation for departmental and school honors.

Academic Renewal only applies to course work completed at La Verne. Students who have unsatisfactory grades at other colleges or universities must consult those institutions to see if they are eligible for academic renewal according to the policies of those institutions. Academic renewal from another institution will not be considered by La Verne after matriculation at the University.

## Alternative Instructional Modes

**Directed Study:** A directed study is an approved catalog course taught independently to one student. Courses may be taken by directed study only if the course is not scheduled during the term and only with the instructor's and the department chair or program director's prior approval. Directed study courses may only be taken by matriculated students in good standing. Seminars, activity courses, introductory courses in some disciplines, and courses with heavy emphasis on process rather than content may not be taken by directed study. Directed Study Forms are available from the Registrar and [www.laverne.edu/registrar/](http://www.laverne.edu/registrar/). The forms must be signed by the instructor and the department chairperson before they are submitted with the registration form to the Registrar. Traditional undergraduates may register for directed studies only during the normal registration period. CAPA, ROC and graduate students may register until the last day to withdraw from a course.

**Independent Study:** An independent study course is a course initiated and written by a student that deals with material not covered in any approved catalog

course. The student works independently under the guidance of an instructor who must approve the student's comprehensive written plan and time line before the student can begin. An independent study form, available from the Registrar and [www.laverne.edu/registrar/](http://www.laverne.edu/registrar/), must be signed by the department chairperson prior to commencement of the study. Independent studies are available only to matriculated students in good standing at La Verne. Traditional undergraduates must register for independent studies only during the normal registration period. CAPA, ROC and graduate students may register until the last day to withdraw from a course. Independent studies can be approved as 199, 299, 399, 599, or 699 courses for a maximum of four semester hours each.

**Course Challenge:** Matriculated students, who believe they can successfully demonstrate the competencies of a course without attendance, may request to challenge the course. Most La Verne courses may be challenged for credit. Students can view the MyLaVerne Course catalog to determine if a course is challengeable.

The student may see a list of course goals and objectives prior to challenging the course. A complete list of steps to challenge a course can be found on the Office of the Registrar website. If the student demonstrates the competencies required for successful completion of the course, the number and title of the course will be placed on the transcript with a CRD grade. If the student does not demonstrate the competencies, nothing is recorded on the transcript. A student may only challenge a course once. If a student fails a course challenge, he or she may receive credit for the course only by enrolling in the course for credit. A maximum of eight semester hours of course challenge may be counted toward fulfilling the undergraduate residency requirement.

A student may not challenge any course in which he/she has received tutoring from a La Verne instructor, was formerly enrolled, or has audited formally or informally. Any student who has received secondary or higher education in a country where the native language of instruction is not English may not challenge beginning or intermediate courses in this language. Any student who has received credit for high school courses in foreign languages may not challenge those courses at La Verne. In this context, two years of high school foreign language will be considered equivalent to one year of college instruction. First-

year language courses may not be challenged. With respect to these limitations placed on the challenging of language courses, CLEP examinations will be regarded as challenges.

**College Writing A and College Writing B Challenge Exam:** Students who believe they can successfully demonstrate the competencies for WRT 110 College Writing A or College Writing B can pay the \$50 nonrefundable fee to initiate this process. Traditional Students who desire to take the writing challenge exam will need to contact the Writing Department. Regional and Online students need to consult with their Academic Advisor.

Students who do not pass the College Writing A or the College Writing B exam must enroll immediately in the class to earn credit for the course. Students who pass the exam can also request to obtain course credit for WRT 110 or WRT 111 by paying the additional fee. Students must contact the Office of the Registrar and the Office of Student Accounts to complete this process.

**Community Service Assessment:** Students who have already completed 20 hours of unpaid community service in *one* community organization within the past two years from the date of application for alternative assessment may be able to meet the requirement for Community Service through an assessment of prior learning. Alternative Assessment assumes that you have already attained mastery of the learning outcomes as stated on the Community Service Web site:

<http://laverne.edu/generaleducation/requirements/community-service>

There is a \$50 non-refundable fee for this assessment. The Request for Community Service Assessment form can be found on the Community Service website along with instructions.

**Certification Options:** Students have the option of fulfilling certain General Education requirements by showing competency through prior learning or experience. The following general education areas can be fulfilled through certification: Written Communication, Quantitative Reasoning, Foreign Language, Creative and Artistic Expression, Community Service, and Lifelong Fitness. If a student successfully demonstrates competency in a particular area, the general education area will be fulfilled, but no course credit will be given. For Written Communication and

Community Service, students are required to pay a fee in order to enter the certification process (see "Tuition and Fees"). Students certified in Written Communication or Community Service have the additional option of paying the Course Challenge Fee and receiving course credit. Payment for course credit must be completed within one semester or term after completing the certification or no course credit will be given. Students who wish to meet a requirement through certification should contact the appropriate department for information.

**Auditing:** Most courses may be audited with the permission of the instructor as long as seats are available. Students pay one-half the regular tuition. Students do not receive semester hours nor meet any University requirements. Audited courses will appear on a student's transcript with a grade of Audit. The normal registration deadlines apply, and changes from audit to grade status (or grade to audit status) must be made before the end of the tenth day of classes in any semester; the end of the third day of classes during January Interterm.

The common letters used in course designations are A, B, C, D with sequences, F with field work, G with selected graduate courses, L with laboratories, P with practicums, S with seminars, and W with workshops. Other letters have been used as needed to provide course numbers and do not have significance in defining the courses.

**Course Value:** All La Verne courses are offered on a semester hour basis. The semester hour value of each course is listed in parenthesis after the course title in the Programs section of this catalog. The standard value for undergraduate courses is 4 semester hours; for graduate courses, 3 semester hours.

**Course Location:** Most courses are available on more than one campus. Where a course is offered only at one location, the location is listed followed by “only.”

**Course Frequency:** Some courses are offered every semester; most are offered less frequently. Course schedules for all locations are available on MyLaVerne online accessible from [www.laverne.edu](http://www.laverne.edu).

**Course Challenges:** Non-challengeable courses are marked NCh in the Course Catalog on MyLaVerne.

**Grade Options:** Most courses can be taken either for a letter grade or for Credit/No Credit at the student’s discretion. If the grade option is limited, the course description specifies “May be taken Credit/No Credit only” or “May be taken for a letter grade only.”

### Final Examinations

The University Registrar publishes final exam schedules each semester. Students have a right to sit for no more than two final exams in one day. In cases where a student has more than two final exams scheduled on the same day, faculty will accommodate students.

- a. Students are individually responsible to work directly with their instructor(s) to request alter-

native exam arrangements as soon as possible. Unreasonable requests for accommodations such as, but not limited to, last minute requests except in illness or emergencies, may be denied by the instructor(s).

- b. When three final exams are scheduled back-to-back on a single day, or students experience documented and verified illness or emergency, students may wish to speak with their instructors. Instructors may collaborate with individual students to reschedule final exams on date that is mutually agreeable. The rescheduled exam must be made with enough time to allow the instructor to meet the deadline for grade submission.
- c. Students and/or instructors who are unable to reach agreement for reasonable requests for accommodations may appeal to the department chair or academic dean of the school or college as soon as possible. Appeals will be handled on a case-by-case basis.
- d. The instructor must make arrangements with the Learning Enhancement Center (LEC) and notify the student if proctored testing is necessary. Students are expected to follow-up with the LEC to make arrangements for testing and to inquire about specific policies or procedures associated with proctored exams.
- e. Final exams for “term” students are given on the last class session.

Good grades are usually correlated with regular attendance and with assignments completed and on time. On the other hand, poor grades are often correlated with frequent absences and incomplete and/or missing assignments.

**Grading Policy—Graduate.** The grading policy for graduate students is based on the assumption that the grade for acceptable and satisfactory performance in graduate study is B (3.0). This implies that graduate students must perform at an above-average level, compared to undergraduate standards, in order to progress satisfactorily in graduate programs. It also implies that the C- and D grades are unacceptable in graduate work; therefore, there are no C- or D grades for graduate students.

A.....4.0 quality points per semester hour.

A-.....3.7 quality points per semester hour.

Demonstrates insightful mastery of the subject matter and exceptional quality in written and oral communication.

B+.....3.3 quality points per semester hour.

B.....3.0 quality points per semester hour.

NCR.....Excluded from GPA (see below).

Equivalent to B- work or poorer.

WNC.....Excluded from GPA (see below).

Designates an unofficial withdrawal from a course registered as a CRD/NCR grade option.

The policy for NCR, IP, INC, NG, and W grades is the same for graduates as for undergraduates.

### **Credit/No Credit (CRD/NCR) Grade Option:**

Courses taken for CRD/NCR do not affect a student's GPA. Certain courses, designated "CRD/NCR only" in the Courses section of this catalog, may only be taken CRD/NCR. Undergraduate students are encouraged to use this grade option to explore courses outside their majors. However, no undergraduate may take more than one class of CRD/NCR per semester, elect the CRD/NCR option in a course required for a major, or apply more than 32 semester hours of La Verne CRD grades toward a degree. Exceptions to these limitations are courses listed as "CRD/NCR only." Selection of the grade option is done at the time of registration. Students can change their grade options in the Office of the Registrar up to 60% of the semester. Changes after the 60% time period can only be approved by the appropriate appeals committee.

Graduate students must take challenge exams and competency exams CRD/NCR, but they must register for a letter grade in every other course if they are

in a credential or degree program unless the course is offered "CRD/NCR only."

**Incomplete Grades (INC):** Incompletes are authorized only when a) it is impossible for the student to complete the course because of illness or other justifiable extenuating cause and b) the student has successfully completed all coursework up to the last day to withdraw in the semester or term.

Students must initiate a request for an incomplete, and if able complete the Incomplete Contract available on MyLaVerne. The contract can be found on the Student Record Menu. The contract must be submitted prior to the last day of the term. The contract will be reviewed by the instructor at the time of grade submission. The instructor can amend the contract, list outstanding course requirements and approve or deny the request for an Incomplete.

By requesting an INC, the student agrees to complete the coursework specified on the contract. It is the student's responsibility to check his or her MyLaVerne account to view the status of the incomplete contract.

Students who receive an INC must submit all final coursework by the dates as specified below. (Note faculty can designate an earlier date to require all coursework to be submitted. This date is specified on the Incomplete Contract)

Term students (Terms are defined as 5 to 11 weeks in length) must submit all final coursework as follows:

If the grade of incomplete (INC) was issued for the following terms:	Deadline to submit coursework to remove "INC" grade is:
--	---

Fall Term	The last day of the following winter term
-----------	---

Mini Fall Term	The last day of the following winter term
----------------	---

Winter Term	The last day of the following spring term

Summer Term	The last day of the following fall semester
-------------	---

**No Grade (NG):** This is a temporary grade issued by the Registrar pending receipt of the official grade from the instructor. If an instructor does not submit a final grade, the NG grades, will be automatically converted to a failing grade of NCR or F. NG are automatically converted to a failing grades using the same calendar guidelines as stated above for "INC" grades. Students who received an NG are encouraged to contact their instructor to obtain their correct final grade.

**In Progress Grades (IP):** In Progress grades are reserved for directed studies, independent studies, field work courses, senior projects, and graduate culminating activities wherein the contract at the time of registration specifies a date of completion that is beyond the end of the term of registration. The intent of the IP policy is to provide for individualized study which, in its inception, requires more than the normal term or semester to complete. Students who receive IP grades are considered to be maintaining satisfactory academic progress for financial aid purposes. An IP grade will automatically be converted to a failing grade of NCR or F, if not cleared within one year following the term of registration. A grade of IP is not considered as enrollment.

Students who receive a grade of (IP) must submit all final coursework/assignments by the dates as specified below. **(Note faculty can designate an earlier date to require all coursework to be submitted. This date is specified on the Directed Study**

**Final Grades:** Grades submitted to the Registrar by the instructor of record are final and official. By policy a final grade is based on the instructor's evaluation of course work completed as of the contractual

end of the course. Final grades may not be changed as the result of the submission of additional work or the repeating of examinations after the contractual conclusion of the course for the purpose of improving the final grade. The Registrar is authorized to accept an adjusted grade only when all of the following conditions are met:

1. The student applies to the instructor for a reevaluation within four weeks after the student grade is available through MyLaVerne;
2. The instructor concludes by re-evaluation that the original grade issued was in error based on the work completed at the time that the original grade was issued; and
3. The revised grade is officially reported by the instructor to the Registrar as a result of reevaluation within a reasonable time after the grade report was made available on MyLaVerne.

A student may elect to repeat a La Verne course for the purpose of improving a grade if repeated at La Verne. The student must enroll in the same La Verne course and is expected to repeat it in its entirety. When a course is repeated, the original course, grade, and semester hours remain on the transcript, but are appropriately marked and are no longer part of the student's GPA or applicable toward credit for graduation. Only the grade and semester hours of the repeated course are counted.

Notification of final grades for each course is made through each student's MyLaVerne account. A student who has a hold on his or her account must clear the hold to view final grades.

**Appeals of Final Grades.** A student who feels that an incorrect grade has been given must consult with the instructor first and must make this appeal within four weeks after grades are issued. A student dissatisfied with the instructor's response may appeal to the program chair and department chair. Subsequently, an appeal may be made to the appropriate college Dean and finally to the Provost. Questions of subject matter will usually be handled by the department. Charges of injustice due to prejudice or capricious action may require the attention of the Dean.

**Official Cumulative Record/Transcript:** The Registrar maintains each student's official record which includes a complete academic history. All courses attempted at La Verne are listed on the official transcript. In addition to the official transcript, offi-

cial records are maintained which establish the last day of attendance for courses in which a withdrawal occurred. The official transcript will only be released upon the written consent of the student in compliance with federal and state policies.

## Graduation and Honors

**Dean's List:** The Dean's List is issued at the end of each full term to honor undergraduate students who excelled in their courses during that term. To receive this honor, a student must be full time and have a minimum GPA of 3.75. In addition, a student must have letter grades in the minimum number of units required to be full time. Students must complete all semester hours within the semester enrolled. Students who complete IP's and INC's at a later date may petition to be placed on the Dean's List retroactively.

**National Honor Societies:** La Verne has chapters of several national honor societies including Alpha Chi (all fields), Alpha Kappa Delta (Sociology), Alpha Lambda Delta (all fields), Alpha Psi Omega (Theatre Arts), Lambda Alpha (Anthropology), Lambda Epsilon Chi (Legal Studies), Pi Gamma Mu (Social Science), Psi Chi (Psychology), Sigma Delta Pi (Spanish), and Sigma Tau Delta (English).

**Application for Graduation:** All students must submit an application for graduation along with the published fee. Undergraduate students should file an Application for Graduation with the Office of the Registrar two semesters or three terms prior to their anticipated completion date. Any student with a major in Liberal Arts, Social Science, or one not listed in the catalog must also submit a major contract. Any student with a minor not printed in the catalog must submit a minor contract. Graduate students should file their Application for Graduation when they apply for Advanced Standing. This application provides the Registrar with the information needed to prepare the diploma and to include the student's name in the list of graduates.

A graduation fee is required of all students. This fee covers the costs associated with the completion of a degree program. Upon submission of the Application for Graduation and associated fees, the Office of the Registrar or Graduate Services will complete an official degree audit to assess the student's progress toward degree completion. Students who have not submitted an application for graduation are not eligi-

ble for degree posting and will not be reviewed for degree completion.

**Commencement Ceremony:** La Verne holds commencement ceremonies at the Central Campus each year in Winter and in Spring. A candidate qualifies to participate in the Winter ceremony (usually in January) upon successful completion of all degree and program requirements during the preceding Summer, Fall terms, Accelerated Fall, or when he or she has enrolled in all final courses during the current January Interterm. A candidate qualifies to participate in the Spring ceremony (in May) upon successful completion of all degree and program requirements during the preceding Winter Term, or when he or she has enrolled in all final courses during the current Spring term.

**Diplomas:** The actual completion date of a student's degree will be noted on the official transcript. The diploma, however, will carry one of the following dates, whichever comes first after degree completion—May 31, August 31, or January 31. For graduate students, the specific title of the degree with the concentration will appear on the diploma; for undergraduate students, the degree, the major, undergraduate honors, and the concentration (if any) will appear on the diploma.

**Undergraduate Honors:** Honors at graduation are based on GPA according to the guidelines below. A bachelor's degree student must have taken at least 84 semester hours for letter grades to be considered for honors.

*Cum Laude.* The student who completes 44 semester hours or more at La Verne, and who earns a minimum GPA of 3.6 in courses taken at the University and a minimum GPA of 3.6 in all work applicable toward the bachelor's degree, will be considered for the honor of Cum Laude upon graduation.

*Magna Cum Laude.* The student who completes 44 semester hours or more at La Verne, and who earns a minimum GPA of 3.75 in courses taken at the University and a minimum GPA of 3.75 in all work applicable toward the bachelor's degree, will be considered for the honor of Magna Cum Laude upon graduation.

*Summa Cum Laude.* The student who completes 60 semester hours or more at La Verne, and who earns a minimum GPA of 3.85 in courses taken at the University and a minimum GPA of 3.85 in all work applicable toward the bachelor's degree, will be considered for the honor of Summa Cum Laude

---

upon graduation.

**Departmental Honors: Undergraduate-** Departmental honors are granted to undergraduate students who demonstrate a high level of achievement in their majors. Students are encouraged to work toward departmental honors and should apply to the department chairperson or academic advisor. Departmental honors will be awarded on the basis of a high-quality senior thesis/project and a minimum GPA of 3.6 in the major and 3.0 overall. All major courses, with the exception of challenges, must be taken for letter grades. These are the minimum requirements for honors; departments may add other requirements. Departmental honors are printed on the official transcript but not on the diploma.

# RIGHTS AND RESPONSIBILITIES

## Rights

---

**Freedom of Access:** The University of La Verne is open to all applicants qualified according to its published admissions policies and standards. Upon matriculation, each student has access to all La Verne services and facilities for which he or she is qualified. Access may be denied to persons who are not University students.

**Classroom Rights and Privileges:** Instructors are expected to encourage open discussion and inquiry. Students may take reasoned exception to information offered in any course and should make judgment on matters of informed opinion.

**Protection Against Improper Disclosure:** Students' views, political associations, and beliefs which are confided to instructors, advisors, and counselors during the performance of their duties are confidential.

**University Governance:** As members of the University community, students are free individually and collectively to express their interests. As vehicles for this purpose, provisions are made for student self-government as well as for student representation on the Board of Trustees; University, college, and departmental committees; and other decision-making bodies.

**Policy Against Discrimination and Harassment:** The University of La Verne is committed to maintaining a learning, working, and living environment for students, faculty and staff that is free from discrimination and harassment based on a person's race, color, religion, national origin, ethnic origin, ancestry, citizenship, sex (including pregnancy, childbirth, or related medical conditions), sexual orientation, gender (including gender identity and expression), marital status, age, physical or mental disability, medical condition, genetic characteristics, military and veteran status, or any other characteristic or status protected by applicable law.

---

The University also prohibits discrimination and harassment based on the perception that anyone has any of these characteristics, or that anyone is associated with a person who has, or is perceived as having, any of these characteristics.

Consistent with state and federal law, reasonable accommodation will be provided to persons with disabilities, to women who are pregnant, and/or to accommodate religious beliefs and practices.

Sexual misconduct including, but not limited to, sexual assault, sexual exploitation, domestic and intimate partner violence and stalking is a form of sexual harassment and is also a violation of University policy.

Any person who believes s/he has been subjected to discrimination or harassment or the victim of sexual misconduct may utilize the University's complaint procedures. All such complaints will be promptly and thoroughly investigated through an impartial investigative process. It is against University policy and applicable law to retaliate against anyone who files a complaint or cooperates in the investigation of a complaint. Complaints may be submitted to the Office of Student Affairs and/or Office of Human Resources.

Information concerning the Policy Against Discrimination and Harassment and Policy Against Sexual Misconduct, compliance with applicable laws, statutes and regulations (such as Title VI of the 1964 Civil Rights Act, Title IX of the Educational Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973), and complaint procedures is available from the Office of Student Affairs, Office of Human Resources, or online at <http://laverne.edu/students/student-affairs/> or <http://laverne.edu/hr/>.

**Family Educational Rights and Privacy Act:** La Verne abides by the Family Educational Rights and Privacy Act of 1974 as amended. Students have the right to inspect and review information contained in their education records, to challenge the contents of their education records, to have a hearing if they consider the outcome of the challenge to be unsatisfactory, and to submit explanatory statements for inclusion in their files if they feel the decisions of the hearing panels are unacceptable. The University's Registrar coordinates the inspection and review procedures for student education records, which include

admissions, personal, academic, and financial files, and academic, cooperative education, and placement records. The Dean of Student Affairs oversees the review of records pertaining to social judicial matters. Students wishing to review their education records must make written requests to La Verne's Registrar listing the item(s) of interest. Records covered by the Act will be made available within 45 days of the request. Students may have copies of their records, at their own expense, with certain exceptions (e.g., a copy of a transcript upon which a "financial hold" has been placed or copies of transcripts from other schools). Educational records do not include records of instructional, administrative, and educational personnel which are the sole possession of the maker and are not accessible or revealed to any individual (except temporary substitutes); La Verne security records; student health records; employment records; or alumni records. Health records may be reviewed by physicians of the students' choosing. In addition, students may not see financial information submitted by their parents, any confidential letters or recommendations to which they have waived their rights of inspection and review, or education records containing information about more than one student. In the latter case a student will be permitted access only to that part of the record which pertains to him or her.

Students who believe that their education records contain information that is inaccurate, misleading, or otherwise in violation of their privacy or other rights may discuss their problems informally with the Registrar, either in person or in writing. If the Registrar agrees with a student's requests, the appropriate records will be amended. If not, the student will be informed and may request a formal hearing. This request must be made in writing to the Registrar who will inform the student of the date, place, and time of the hearing before a panel selected by La Verne. The student may present evidence relevant to the issues raised and may be assisted or represented at the hearings by one or more persons of the student's choice, including attorneys, at the student's expense. Decisions of the hearing panel are final and based solely on the evidence presented at the hearing. The panel's written judgment will be delivered to all parties concerned. If the decision is in favor of the student, the education records will be corrected. If the decision is not satisfactory to the student, he or she may place with the education records statements commenting on the information in the records or statements setting forth any reasons for

disagreeing with the decisions of the hearing panel. These statements will be placed in the student's education records, maintained as part of them, and released whenever the records in question are disclosed. A student who believes that the decisions of this adjudication process were unfair or not in keeping with the Act may make a written request for assistance to La Verne's President. Students who still believe that their rights have been abridged may file complaints with the US Department of Education, Washington, DC.

No one outside La Verne may have access to, nor will the University disclose, any information from a student's education record without the written consent of the student. Exceptions are La Verne personnel, officials of other institutions in which the student seeks to enroll, persons or organizations providing the student's financial aid, accrediting agencies carrying out their accreditation functions, persons in compliance with a judicial order, and persons in an emergency in order to protect the health or safety of the student or other persons. Within the La Verne community, only members acting in the students' educational interest, individually or collectively, are allowed access to student education records. These members include personnel from the Offices of the Provost, Registrar, Financial Aid, Admissions, and Academic Advising, as well as academic personnel within the limitations of their need to know.

At the discretion of University officials, the following directory information will be provided: student's name, enrollment status (full time or part time and class level), major field of study, dates of attendance, degrees and awards received, email address, permanent address, current phone number, participation in officially recognized activities, photographs, and, for student athletes, weight and height. A student wishing to withhold this directory information must complete the Privacy Request Form in La Verne's Registrar's Office or at their center of registration. The privacy request will be valid until the student directs the Registrar's Office or campus of registration to remove the request.

**Americans With Disabilities Act:** University policies and procedures concerning students with disabilities are available through the Director of Disabled Student Services on the La Verne campus.

**Crime Awareness and Campus Security Act Report:** The University of La Verne is compliant with

the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (The Clery Act) as amended in 1998, which requires all post-secondary institutions to publish and distribute certain information regarding campus crimes, including reports of campus sexual assault, sexual assault policies, and security programming to all current students, employees, and to any applicant who so requests. A copy of the University of La Verne annual security report can be obtained by contacting the University of La Verne Campus Safety Department at 909-208-4903 or by accessing the website [www.ulv.edu/security/](http://www.ulv.edu/security/).

**Teach-out Policy:** Occasionally, the University of La Verne discontinues a degree program at a particular location or for a specific delivery modality. In such cases a formal announcement is made to all enrolled students affected by the decision describing a teach-out plan with a timeline of course offerings that allows a reasonable time to completion. The University is obliged to offer all of the courses and support necessary to complete the program for each student who started the program and maintained continuous enrollment in good standing. In addition, all students who have registered in a course in the program during the preceding 24 months and who have successfully completed at least 50% of the semester hours required in the program will be offered all necessary courses to complete the degree at or near the location where they have been attending. Students who have not registered in a course within the preceding 24 months or who have not been continuously registered and completed less than 50% of the program will be advised of alternative options to the discontinued degree program. When teach-outs involve programs governed by a contractual agreement, all such agreements will be honored. The schedule for discontinuance and teach-out plan will be developed by the program chair (in consultation with the ROC dean and director, as appropriate) and approved by the college dean and the Provost. The Provost will monitor implementation.

**Confidentiality and Institutional Research:** La Verne is committed to maintaining confidentiality. Data published contains no personally identifiable information and adheres to guidelines outlined in FERPA regarding the disclosure of education records and directory information.

**Protection of Human Participants in Research:** The University's Policies and Procedures for the

Protection of Human Subjects in research have been developed to comply with federal requirements and are specified in the University's Federal Assurance filed with the Office for Human Research Protections (OHRP) of the U.S. Department of Health and Human Services (HHS). The University's Institutional Review Board (IRB) has the responsibility to determine risk with regard to human subject research and to approve or not approve such research conducted at the University or under the sponsorship of the University. This approval must be obtained prior to the initiation of the research. Further information is available on the web site for the Institutional Review Board.

**Protection of Animal Subjects:** The University's Policies and Procedures for the Protection of Animal Subjects in research have been developed to comply with federal requirements and are specified in the University's Federal Assurance filed the Office of Laboratory Animal Welfare (OLAW). Guidelines were developed in accordance with the *Guide for the Care and Use of Laboratory Animals 8th Edition (Guide-8)*, Public Health Service, OLAW, US Department of Agriculture Animal Welfare Regulations, and, as applicable, the Code of Federal Regulations – Title 9: Animals and Animal Products. The Institutional Animal Care and Use Committee (IACUC) conducts semiannual reviews of IACUC membership and function, IACUC records, and reporting, veterinary care, personnel qualifications and training, and occupational health and safety of personnel. The IACUC has the responsibility to determine compliance with federal guidelines regarding research with live animals, and to approve or not approve such research conducted at the University or under the sponsorship of the University. This approval must be obtained prior to the initiation of the research.

**Drug-Free Schools and Communities Act:** La Verne complies with the mandates of the Drug-Free Schools and Communities Act (34 CRF Part 86) of federal regulations. The University of La Verne certifies that it has adopted and implemented a program to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees. ## Responsibilities

---

**Class Attendance:** The University of La Verne faculty requires regular and prompt attendance in all University courses. Students who do not attend the first class session without prior consent of the faculty member will not be guaranteed a space in the course. A faculty member can give a student's space away to another student if the student 1) does not attend the first class session of the term/semester for a course or 2) does not electronically log into his or her online course during the first week of the term/semester. Students who do not attend the first class session or log in as described above may be administratively dropped, unless they make arrangements with the instructor prior to the first day of the course. Note: students should not assume that non-attendance will automatically result in an administrative drop. Students have the responsibility to drop the course from their schedule. This needs to be done before the end of the first week of the term/semester to avoid a failing grade, financial obligations, or late fees.

Students should refer to the course syllabus of each course registered for the attendance policy of their instructor. The instructor may assign extra work, require special examinations, or refuse to grant credit for a course based on the number of class sessions missed.

Only students registered in the course, University staff, and guests invited by the instructor may attend class sessions. All others, including children of registered students, will be asked to leave. If a minor child is present, both the parent and the child will be asked to leave.

**Classroom Conduct:** Instructors are responsible for presenting appropriate material in courses, and students are responsible for learning this material. Although it is a student's academic performance that is evaluated in determining grades, student conduct is important in the academic setting. Enrollment in a class may be terminated due to unsatisfactory conduct in the class; disrespect toward an instructor, faculty member, administrator, or staff member; academic dishonesty; judicial misconduct; or sanctions. Each student is responsible for maintaining standards of academic performance established for each course in which he or she is enrolled.

**Academic Honesty:** Each student is responsible for performing academic tasks in such a way that hon-

---

esty is not in question. Unless an exception is specifically defined by an instructor, students are expected to maintain the following standards of integrity:

- a. All tests, term papers, oral and written assignments, recitations, and all other academic efforts are to be the work of the student presenting the material.
- b. Any use of wording, ideas, or findings of other persons, writers, or researchers requires the explicit citation of the source; use of the exact wording requires a "quotation" format.
- c. Deliberately supplying material to a student for purposes of plagiarism is also culpable.

When academic honesty is in question, the following may occur:

1. A faculty member who has clear evidence that academic honesty has been violated may take appropriate disciplinary action. Appropriate disciplinary action may include, but is not limited to, requiring the student to rewrite a paper or retake a test, giving the student an F on the assignment and/or in the course, and/or recommending expulsion. If the action includes giving a course grade of NCR or F and/or a recommendation for expulsion because of academic dishonesty, the faculty member must report the action to the Department Chair and/or Academic Dean (or to the Campus/Program Director for off-campus situations). The course grade will be given immediately to the University Registrar to record on the student's academic transcript. Students may not drop or withdraw from the course after they have been sanctioned for academic dishonesty.
2. If a faculty member has reason to suspect academic dishonesty (even after having seen requested additional or revised work when appropriate) and the student denies the allegation, the faculty member may refer the matter to the Provost or designee (through the Campus/Program Director for off-campus situations). Following due process an Academic Judicial Board may be formed to investigate the matter and make a recommendation to the Provost about whether academic honesty has been violated. The Provost will then take appropriate action which may include, but is not limited to, academic probation, suspension, or expulsion. In this process students may be asked to produce earlier drafts of their work and/or original

notes and resources, other samples of writing, or documents deemed appropriate or necessary by the Board.

3. Grades of F or NCR received in courses due to academic dishonesty will be filed with appropriate documentation for future reference in the Office of the Provost by the Department Chair, Academic Dean, or Campus/Program Director. Students receiving an F or NCR as a result of academic dishonesty will be sent a letter from the Provost noting that a second offense will result in expulsion.
4. Expulsion for academic dishonesty will be noted on the student's transcript by the words "Expelled for Academic Dishonesty."

College of Law students are covered by the academic dishonesty policies contained in the College of Law Manual of Academic Policies and Procedures.

#### **Appeals Procedures on Academic Matters:**

Students may appeal final grades, academic honesty decisions, and most policy decisions, and they may submit academic grievances. All must be made in a timely manner, generally within four weeks of the action or decision in question. Administrative fees may be assessed. Please contact Academic Support and Retention Services for more information.

*Final Grades:* Procedures for appealing final grades are contained in the Final Grades section of this catalog. Appeals begin with the instructor of the course and then goes successively to the program chair and department chair,\* the college Dean, and the Provost. The decision of the Provost is final.

*Academic Honesty:* Procedures for appealing academic honesty violations are contained in the Academic Honesty section of this catalog. Appeal begins with the instructor and then may be taken successively to the program chair and department chair,\* college Dean, and Provost. The decision of the Provost is final.

*Academic Disqualification (Undergraduate):* Students who have been disqualified may not register for subsequent terms. A disqualified student may appeal for reinstatement to the Dean of Academic Support and Retention. An ROC student may appeal for re-instatement to the Dean of ROC. A plan to improve academic perform-

ance must be submitted and a contract signed. Appeals must be made immediately upon notification of disqualification.

**Academic Disqualification (Graduate):** Students who have been disqualified from a graduate program may not register for subsequent terms. A disqualified graduate student may appeal for reinstatement to the Academic Dean of his or her college. Should the dean reinstate the student and the student not meet the conditions specified at the time of reinstatement, academic disqualification will result.

**Academic Policy Exceptions:** Appeals for exceptions to academic policy must be submitted to the Undergraduate Appeals Committee or the Graduate Appeals Committee. Appeals must be made in writing, on the appropriate appeals form, with the signatures of the academic or program advisor and appropriate course instructors. Students can obtain this form from the Office of the Registrar. Graduate students may obtain this form from Graduate Academic Services or the Regional Campus Office. Appeals Committee decisions may be challenged with an appeal to the Provost. The decision of the Provost is final.

**Academic Grievances:** In rare instances, a student may have a grievance that cannot be addressed by any of the established appeals structures described above. In such cases, no matter where the student studies, the grievance must be submitted to the Dean of Academic Support and Retention who will appoint an appeals panel, consisting of representatives from appropriate academic and/or administrative units, to review the grievance. The panel will review all documented information, including any written statement and/or phone statements that the student wishes to provide. Upon completion of the review, the appeals panel will submit its findings and recommendations to the Provost. The decision of the Provost is final.

**Appeals by Students with Disabilities:** La Verne has established a set of procedures that address policy implementation for students with disabilities. Should any student desire to initiate action related to a diagnosed disability or to initiate testing for a disability, he/she should refer to the Information and Accommodations Packet which can be accessed through the university website under Disabled Student Services.

**Demonstration Policy:** The University of La Verne is absolute in the belief of the right of free speech, and the intellectual development and self-definition of students, faculty, and staff. Demonstrations are often a part of the expression of ideas and beliefs. Experience leads us to believe that campus activities function better when there are policies to assure that demonstrations and the educational environment can exist side by side. La Verne's Demonstration Policy is as follows:

1. **Access to Building and Offices:** Participants may enter campus buildings for the purpose of conducting orderly and peaceful demonstrations. Exterior doorways and interior doorways that open into the office of administrative officials, faculty, or staff or into any other essential facility or building may not be blocked. Participants may stand or sit in the hallways but may not block the hallways or stairs. Participants may not enter or occupy any room or office without the permission of the faculty or staff member or administrative official in charge of that office.
2. **Noise Level:** Noise in the building shall not be so loud as to prevent office workers from carrying on their normal business or so loud as to interfere with classes that meet in the building.
3. **Placards:** Placards used by demonstrators inside or outside the building may be made of poster board or other similar material, but not out of material of a hard substance. Placards may be carried or worn on the person, but not tacked, or nailed to trees or lampposts or to the walls and windows of the building. Placards may be affixed by tape or string and remain in place for the duration of the demonstration so long as they do not damage the structures to which they are affixed.
4. **General Conduct:** Students shall abide by the Behavior Standards of the University. Participants who are not affiliated with the University shall conduct themselves as guests and will be asked to leave the campus if their conduct is, in the judgment of University officials, disruptive or otherwise contrary to the mission of the University.
5. **Hours:** Participants in the demonstration may be present in building(s) only during the normal hours of operations (i.e., when the buildings are open for business).
6. **Amplifying Equipment:** No loudspeaker or other amplifying equipment is permitted inside or outside the building. Participants may use hand held

megaphones outside the building, but these may not be connected to any type of electrical amplifying device. Electrical amplifying devices are subject to confiscation. Exceptions are not allowed.

7. *Care of University Property*: Reasonable care must be taken to reduce as much as possible any damage to University buildings and lawn and turf areas. Trash must be collected and placed into trash containers. Participants who damage University property will be subject to financial restitution.
8. *Reservations*: Student, faculty, or staff groups wishing to reserve the Quad, the Mall, or rooms for a demonstration may do so using the appropriate reservation procedures for these areas.
9. *Sanctions*: Violations of this policy will be subject to University Judicial Procedures.

## **CODE OF STUDENT CONDUCT**

The University of La Verne community is committed to fostering a campus environment that is conducive to academic inquiry, a productive campus life and thoughtful study and discourse. The student conduct program within the Office of the Dean of Student Affairs is committed to an educational and developmental process that balances the interests of individual students with the interests of the University of La Verne community. The student conduct process is not intended to punish students; rather, it exists to protect the interests of the community and to challenge those whose behavior is not in accordance with our policies. Sanctions are intended to challenge students' moral and ethical decision-making and to help them bring their behavior into accord with our community expectations. When a student is unable to conform their behavior to community expectations, the student conduct process may determine that the student should no longer share in the privilege of participating in this community.

The student conduct process is different from criminal and civil court proceedings. Procedures and rights in student conduct procedures are conducted with "fundamental fairness" in mind. However they do not include the same protections of due process afforded by the courts. Due process, as defined within these procedures, assures written notice and an administrative review meeting before an objective decision-maker. No student will be found in violation of University of La Verne policy without information

showing that it is more likely than not (i.e. preponderance of evidence) that a policy violation occurred and any sanctions will be proportionate to the severity of the violation and to the cumulative conduct history of the student.

### Code of Student Conduct: Jurisdiction

Students at the University of La Verne are provided a copy of the *Code of Student Conduct* annually in the form of a link on the University of La Verne website (<http://sites.laverne.edu/student-affairs/the-disciplinary-process-for-student-social-misconduct/>). Students are responsible for having read and abiding by the provisions of the *Code of Student Conduct*.

The *Code of Student Conduct* applies to behaviors that take place on the campus, at University of La Verne sponsored events and may also apply off-campus when the Dean of Student Affairs or designee determines that the off-campus conduct affects a substantial University of La Verne interest. A substantial University of La Verne interest is defined to include: a) Any situation where it appears that the student's conduct may present a danger or threat to the health or safety of him/herself or others; and/or b) Any situation that significantly impinges upon the rights, property or achievements of self or others or significantly breaches the peace and/or causes social disorder; and/or c) Any situation that is detrimental to the educational mission and/or interests of the University of La Verne; d) Any situation has implications or ramifications that affect members of the on-campus community or the campus community at large.

The *Code of Student Conduct* may be applied to behavior conducted online, via email or other electronic medium. Students should be aware that online postings such as blogs, web postings, chats and social networking sites are in the public sphere and are not private. These postings can subject a student to allegations of conduct violations if evidence of policy violations is posted online. The University of La Verne does not regularly monitor for this information but may take action if and when such information is brought to the attention of University of La Verne officials.

The *Code of Student Conduct* applies to guests of community members whose hosts may be held accountable for the misconduct of their guests.

---

There is no time limit on reporting violations of the *Code of Student Conduct*; however, the longer someone waits to report an offense, the harder it becomes for University of La Verne officials to obtain information and witness statements and to make determinations regarding alleged violations. Essentially, delayed reporting may limit the University's ability to take action.

Though anonymous complaints are permitted, doing so may limit the University of La Verne's ability to investigate and respond to a complaint. Those who are aware of misconduct are encouraged to report it as quickly as possible to the Office of the Dean of Students Affairs, Student Housing and Residential Education, or Campus Safety.

University of La Verne email (@laverne.edu) is the University of La Verne's primary means of communication with students. Students are responsible for all communication delivered to their University of La Verne email address.

#### **Non-Traditional-Age and Graduate Programs:**

The College of Law, College of Business and Public Management, College of Arts and Sciences, College of Educational and Organizational Leadership, Regional Campus (ROC), Campus Accelerate Program for Adults (CAPA), and on-line programs for non-traditional and graduate students may have their own judicial processes, including administrative reviews.

#### **Code of Student Conduct - Violations of the Law:**

Alleged violations of federal, state and local laws may be investigated and addressed under the *Code of Student Conduct*. When an offense occurs over which the University of La Verne has jurisdiction, the University of La Verne conduct process will usually go forward notwithstanding any criminal complaint that may arise from the same incident.

The University of La Verne reserves the right to exercise its authority of interim suspension upon notification that a student is facing criminal investigation and/or complaint. Interim suspensions are imposed until an administrative meeting or review can be held, typically within two weeks. The interim suspension may be continued if a danger to the community is posed and the University of La Verne may be delayed or prevented from conducting its own investigation and resolving the allegation by the pendency of the criminal process.

**Code of Student Conduct - Policies:** The University of La Verne considers the behavior described at <http://sites.laverne.edu/student-affairs/policies/> as inappropriate for the University of La Verne community and in opposition to its core values. These expectations and policies apply to all students, whether undergraduate, graduate, doctoral, or professional. The University of La Verne encourages community members to report to University of La Verne officials all incidents that involve the following actions. Any student found to have committed or to have attempted to commit misconduct as outlined in <http://sites.laverne.edu/student-affairs/policies/> is subject to University sanctions.

#### **Interim Action:**

Immediate Interim Suspension: Under the *Code of Student Conduct*, the Dean of Student Affairs or designee may impose restrictions and/or separate a student from the community pending the scheduling of an administrative meeting or review on alleged violation(s) of the *Code of Student Conduct* when a student represents a threat of serious harm to others, is facing allegations of serious criminal activity, to preserve the integrity of an investigation, to preserve University of La Verne property and/or to prevent disruption of, or interference with, the normal operations of the University of La Verne. Interim actions can include separation from the institution or restrictions on participation in the community pending the scheduling of an administrative meeting or review on alleged violation(s) of the *Code of Student Conduct*. During an interim suspension, a student may be denied access to University of La Verne housing and/or the University of La Verne campus/facilities/events. As determined appropriate by the Dean of Student Affairs, this restriction may include classes and/or all other University of La Verne activities or privileges for which the student might otherwise be eligible.

No Contact Order: The University may impose a no-contact order on two or more students where it is determined that a) is in the best interest of the students identified to minimize contact with each other; b) there is a health and safety concern; or c) contact may result in the escalation of incident. No contact orders will remain in place until the University has been able to conclude an administrative review. No contact orders may remain in place after administrative review and without the need to have found student responsible as long as the no contact is intend-

---

ed to a) minimize health and safety concerns or b) reduce the escalation of incidents.

### **Code of Student Conduct - Overview of Process:**

This overview gives a general idea of how the University of La Verne's campus conduct proceedings work, but it should be noted that not all situations are of the same severity or complexity. Thus, these procedures are flexible, and are not exactly the same in every situation, though consistency in similar situations is a priority. The campus conduct process and all applicable timelines commence with notice to an administrator of a potential violation of University of La Verne rules.

Once notice is received from any source (victim, campus safety, RA, 3rd party, online, etc.), the University of La Verne may proceed with an administrative review with the student alleged to have violated policy (responding student). An administrative review officer will be assigned to oversee administrative review process including sending notices to meet; meeting with respondent, victims and witnesses; investigating the incident(s); making a decision; and sending notice of decision.

STEP 1: Notice of Administrative Review: Students identified as allegedly having violated a policy (respondents) of the *Code of Student Conduct* receive formal notice for an administrative review meeting. Notice is sent via a formal communication through e-mail communication to the respondent's University of La Verne email account and/or hard-mail. The notice will: a) Provide notice of alleged violation and the time/date that it occurred (to the extent that is possible); b) Provide notice of specific policies respondents is alleged to have violated; c) Inform respondent of their right to schedule an administrative review meeting within a specified date (usually 3–5 days from date of notice); d) Inform the respondents of the right to have an administrative review meeting within a specific date (usually 7–10 dates from date of notice); e) Inform the respondents of their right to not attend or participate an administrative review meeting; f) Provide the respondents an opportunity to submit a written statement with their version of the events/incident; g) Provide the respondents information regarding the student code of conduct and process. Individuals identified as victims or witnesses may also receive a notice requesting to meet with administrative officer to discuss incident(s) in question as part of the administrative review investigation.

STEP 2 – Administrative Review Meeting(s) and Investigation: The University will conduct an administrative review meeting into the nature of the incident, complaint or notice, the evidence available, and the parties involved. During the administrative review meeting, respondents will: a) Have an opportunity to share their perspective on the incident, present related evidence or identify possible witnesses; b) Have an opportunity to review the notice (statements) received by the University indicating a violation of student code of conduct; c) Be informed of the follow-up being done by the administrative review officer as part of their investigation. This may include additional administrative review meetings with respondent; intermediate action; or request for additional information; d) Be informed of expected date by which university official expects to notify respondent of outcome of administrative review process/investigation (usually 7 – 14 days from date of initial meeting). Should a responding student not attend/participate or schedule an administrative review meeting within the specific dates, the administrative review officer will proceed with their investigations and make decisions based on the information available to them.

The administrative review officer may take the following steps as part of their investigation of an incident: a) Initiate any necessary remedial actions on behalf of the victim (if any); b) Determine the identity and contact information of the party bringing the complaint, whether that person is the initiator of the complaint, the alleged victim, or a University of La Verne proxy or representative; c) Conduct an immediate preliminary investigation to identify an initial list of all policies that may have been violated, to review the history of the parties, the context of the incident(s), any potential patterns and the nature of the complaint; d) Conduct a comprehensive investigation to determine if there is reasonable cause to believe that the responding student violated University policy, and to determine what specific policy violations should serve as the basis for the complaint; e) Meet with the party bringing the complaint; f) Interview all relevant witnesses; g) Obtain all documentary evidence and information that is available; h) Obtain all physical evidence that is available; i) Complete the investigation promptly by analyzing all available evidence; j) Make a finding, based on a preponderance of the evidence; k) If there is insufficient evidence through the investigation to support reasonable cause, the allegations will be closed with no further action; l) Share the findings and update the party bringing the complaint on the status of the investigation and the outcome.

---

**Findings:** A student will be found “not responsible” where: a) The responding student was not involved in the alleged policy violation; b) The incident or behavior in question does not constitute a violation of the University of *Code of Student Conduct*; c) Where there is inconclusive information to meet preponderance of evidence. In such instances where the student is found not responsible, the investigation will be closed and duly noted on the student file. The investigation may be re-opened if new /relevant information is made available that it would significantly impact the finding. The party bringing the complaint, if any, may request that the Title IX Coordinator and/or Dean of Student Affairs (where applicable), review the investigation file to possibly re-open the investigation. The decision to re-open an investigation rests solely in the discretion of the Title IX Coordinator or the Dean of Student Affairs in these cases, and is granted only on the basis of extraordinary cause.

A student will be found responsible where the administrative review officer determines that there is a preponderance of evidence that a code of student conduct policy was violated. In such incidents the investigator will assign a sanction, notify the student respondent and duly note it on the student file.

**Conduct Sanctions:** One or more of following sanctions may be imposed upon any student for any single violation of the *Code of Student Conduct*: *University Warning*; *Restitution*; *Fines*; *Community/University of La Verne Service Requirements*; *No Contact Order*; *Loss of Privileges*; *Confiscation of Prohibited Property*; *Behavioral Requirement*; *Educational Program*; *Restriction of Visitation Privileges*; *Persona Non Grata*; *University of La Verne Housing Probation*; *University of La Verne Housing Reassignment*; *University of La Verne Housing Removal*; *University of La Verne Probation*; *Social Probation/Eligibility Restriction*; *University of La Verne Suspension*; *University of La Verne Expulsion*; *Other Sanctions*: Additional or alternate sanctions may be created and designed as deemed appropriate to the offense with the approval of the Dean of Student Affairs or designee.

The following sanctions may be imposed upon groups or organizations found to have violated the *Code of Student Conduct*: One or more of the sanctions listed above; and/or deactivation; de-recognition;

tion; loss of all privileges (including status as a University of La Verne registered group/organization); for a specified period of time.

**Parental Notification:** The University of La Verne reserves the right to notify the parents/guardians of dependent students regarding any conduct situation, particularly alcohol and other drug violations. The University of La Verne may also notify parents/guardians of non-dependent students who are under the age of 21 of alcohol and/or other drug violations. Parental notification may also be utilized discretionarily by administrators when permitted by FERPA or consent of the student.

**Notification of Outcomes:** The outcome of an administrative review is part of the education record of the responding student and is protected from release under the Federal Education Rights and Privacy Act (FERPA), except under certain conditions. As allowed by FERPA, when a student is accused of a policy violation that would constitute a “crime of violence” or forcible or non-forcible sex offense, the University of La Verne will inform the alleged victim/party bringing the complaint in writing of the final results of a hearing regardless of whether the University of La Verne concludes that a violation was committed. Such release of information may only include the alleged student’s/responding student’s name, the violation committed, and the sanctions assigned (if applicable). In cases of sexual misconduct and other offenses covered by Title IX, only, the rationale for the outcome will also be shared with all parties to the complaint in addition to the finding and sanction(s).

In cases where the University of La Verne determines through the student conduct process that a student violated a policy that would constitute a “crime of violence” or non-forcible sex offense, the University of La Verne may also release the above information publicly and/or to any third party. FERPA defines “crimes of violence” to include: arson; assault offenses (includes stalking); burglary; criminal homicide—manslaughter by negligence; criminal homicide—murder and non-negligent manslaughter; destruction/damage/vandalism of property; kidnapping/abduction; robbery; forcible sex offenses; non-forcible sex offenses.

**Failure to Complete Conduct Sanctions:** All students, as members of the University of La Verne community, are expected to comply with conduct

---

sanctions within the timeframe specified by the Dean of Student Affairs or designee. Failure to follow through on conduct sanctions by the date specified, whether by refusal, neglect or any other reason, may result in additional sanctions and/or suspension from the University of La Verne and may be noted on, or with, the student's official transcript at the end of the semester.

**Social Misconduct Appeal Review Procedures:**

Any party directly involved in an incident (either as a victim or respondent) may request an appeal of the decision from an administrative review by filing a written appeal, subject to the procedures outlined below. All sanctions imposed remain in effect, and all parties should be timely informed of the status of requests for appeal, the status of the appeal consideration, and the results of the appeal decision.

Grounds for Appeal Request: Appeals requests are limited to the following grounds:

1. A substantive error occurred that significantly impacted the outcome of the administrative review (e.g. substantiated bias, material deviation from established procedures, etc.);
2. To consider new evidence, unavailable during the original administrative review or investigation, that could substantially impact the original finding or sanction. A summary of this new evidence and its potential impact must be included;
3. The sanctions imposed are substantially disproportionate to the severity of the violation.

Appeals must be filed in writing with the Office of the Dean of Student Affairs or designee within three (3) business days of the notice of the outcome to the hearing, barring exigent circumstances. Any exceptions are made at the discretion of the Dean of Student Affairs and, when appropriate, the Title IX Coordinator.

The Dean of Student Affairs or designee will share the appeal by one party with the other party (parties) when appropriate under procedure or law (e.g., if the responding student appeals, the appeal is shared with the complainant, who may also wish to file a response, request an appeal on the same grounds or different grounds). The Dean of Student Affairs will refer the request(s) to the University's designated Appeal Review Officer for that case. The Appeal Review Officer will draft a response memorandum to the appeal request(s), based on the determination that the

request(s) will be granted or denied, and why. The Appeal Review Officer will conduct an initial review to determine if the appeal request meets the limited grounds and is timely. They may consult with the Dean of Student Affairs and/or Title IX Coordinator on any procedural or substantive questions that arise.

If the appeal is not timely or substantively eligible, the original finding and sanction will stand and the decision is final. If the appeal has standing or merit, the Appeal Review Officer will consider the appeal or remand it to the original decision-maker(s), typically within 3-5 business days. Efforts should be made to remand to the original decision maker whenever possible, with clear instructions for reconsideration only in light of the granted appeal grounds. Where the original decision-maker may be unduly biased by a procedural or substantive error, the Appeal Review Officer will consider the appeal. Full administrative reviews are not permitted. In reviews, the original finding and sanction are presumed to have been decided reasonably and appropriately, thus the burden is on the appealing party(ies) to show clear error.

On consideration, the Appeals Review Officer or original decision maker may affirm or change the findings and/or sanctions of the original hearing officer according to the permissible grounds. Substantive errors should be corrected, new evidence should be considered, and sanctions should be proportionate to the severity of the violation and the student's cumulative conduct record.

All decisions made in appeals are to be made within five (5) days of submission and are final, as are any decisions made by the original administrative review officer, Dean of Student Affairs or Title IX Coordinator as the result of reconsideration consistent with instructions from the Appeal Review Officer.

The University of La Verne Code of Student Conduct is adapted from the NCHERM Group Model Developmental Code of Student Conduct and is used here with permission.

For all degrees for active-duty service members and their adult family members (spouse and college-age children) who enroll and petition for graduation at the University of La Verne under the SOC agreements, the University of La Verne will limit academic residency to twenty-five percent or less of the degree requirements. There is no “final year” or “final semester” residency requirements for these students under this agreement. Academic residency can be completed at any time while active-duty service members and their family members (spouse and college-age children) are enrolled at the University of La Verne. Reservists and National Guardsmen who enroll at the University of La Verne under the SOC agreements and who are on active-duty are also covered in the same manner.

**GPA Requirements:** To qualify for graduation, the student must have a minimum La Verne GPA and a cumulative GPA of 2.0 or better, both in the major and overall. The Programs section of this catalog lists any additional departmental GPA requirements. Refer to Academic Information to find information in regards to graduating with honors.

**Course Grade Requirements:** For the purpose of fulfilling elective requirements and general education requirements other than Written English, a course in which a D or D+ was received will be counted only if the course was taken at the University of La Verne. A grade of C- or better is required to fulfill the Written English general education requirement, to count toward an academic major or minor, or to advance to the next course in the ESL program. The grade of C- is also the minimum acceptable grade for prerequisites for undergraduate courses as well as for undergraduate supportive courses in the major. All major courses must be taken for a letter grade.

**Senior Seminar/Culminating Activity Requirement:** All undergraduate students of the University of La Verne must register and complete their major/concentration senior seminar or culminating activity at the University of La Verne.

**Minimum Number of Semester Hours:** The mini-

mum number of semester hours required for degree completion is 128 successfully passed semester hours. Repeated courses, unless designated in the catalog as being repeatable, will be counted one time only. The minimum number of semester hours for a course to meet a GE requirement is 2 semester hours unless otherwise designated.

**Degree Completion Date:** The degree is not considered completed until all of the above requirements have been fulfilled, all relevant transfer work and grades have been received, and all applicable graduation or appeal fees have been paid. The degree date will be determined by the final event that completes the degree; this may be the final day of the term or semester, the date coursework is completed for an IP or INC grade, or the payment of required graduation and/or appeal fees. Degrees completed via transfer work will be assigned a degree date based on the nearest La Verne term or semester ending date, with certain exceptions determined by the Office of the Registrar.

## **General Education Requirements**

For each General Education requirement, acceptable courses are marked with a GE code in the La Verne Course Catalog, on MyLaVerne, and shown below in parenthesis. One "course" is defined as a minimum of two semester hours, and no course can be used to meet more than one Breadth Requirement. All courses (general education, major, minor, or electives) can be used to fulfill multiple requirements in the University Values Requirement and/or Interdisciplinary Requirement. Students may take a maximum of one course in their major to fulfill their Breadth Requirement, and they must complete a minimum of 5 upper division semester hours in at least two different areas of the University Values requirement.

**University Values Requirement:** University Values are integrated in courses across the curriculum. Students meet the University Values requirement by taking courses in which one or more University Values are explicitly embedded. The University Values requirement can be met in general education, major, minor, or elective courses. For University Values, one "course" is defined as 1-4 semester hours. One course may satisfy more than one University Value. Students satisfy this requirement by taking two courses designated as Values Orientation (UVVO), two courses designated as Community and Diversity (UVCD), two courses designated as Lifelong Learning (UVLL), and one course designated as Community Service (UVCS).

**Interdisciplinary Requirement:** Students must take at least one upper division interdisciplinary course (INTD).

**Breadth Requirement:**

1. Critical Skills
  - a. Written Communication A (CSWA) 1 course
  - b. Written Communication B (CSWB) 1 course
  - c. Oral Communication (CSOC) 1 course
  - d. Quantitative Reasoning (CSQR) 1 course
2. Areas of Knowledge
  - a. The Natural World

|-------------------------|----------|
| Life Science (ANSL)     | 1 course |
| Physical Science (ANSP) | 1 course |
| Lab (ALAB)              | 1 lab    |

Inter-Area Humanities (AHIA)
  - d. Creative & Artistic expression (ACAE) 1 course
  - e. Fitness for Life (AFFL) 1 course

Some majors require foreign language as part of the Humanities requirement. Students meet this requirement by completing, transferring in, or testing out of second semester college-level foreign language as one of their three Humanities requirements. The following majors require foreign language: Anthropology, Art, Art History, Behavioral Science, Broadcasting, Child Development, Communications, Comparative Literature, Creative Writing, Criminology, French, German, History, International Business and Language, International Studies, Journalism, Liberal Arts, Mathematics, Music, Philosophy, Political Science, Religion, Religion and Philosophy, Physics, Social Science, Sociology, Spanish, Speech Communication, Theatre. Students whose first language is not English and who successfully pass (C- or better) WRT 109 Intro to Expository Writing, WRT 110 College Writing A, or WRT 111 College Writing B will have their Foreign Language requirement waived.

The following general education areas can be fulfilled through certification: Written Communication, Quantitative Reasoning, Foreign Language, Creative and Artistic Expression, Community Service, and Lifelong Fitness. Certifications do not carry course credit. However, students certified in Written Communication or Community Service have the option of paying the course challenge fee and receiving course credit. Students who wish to meet a

requirement through certification should contact the appropriate department for information.

**WRT Requirement for Undergraduate International Students:** An International student who has been accepted into an undergraduate program by demonstrating English competency as described in the Admissions section of this catalog, but who has not passed a transferable course in written composition equivalent to WRT 110, Written Communication A, must have scores on file in the Admissions Office from one of the following proficiency tests before registration for his or her first semester at La Verne: the iBT (TOEFL), the SAT, the IELTS or ELS Language Centers level 112. This includes students who are transferring from other institutions in the United States. If the test scores indicate that the student is below WRT 110 level, they will be placed into WRT 109 his or her first semester at La Verne and continue instruction in WRT 110 and WRT 111 in the following semesters.

**The Bachelor's Degree Major:** Students may choose an established departmental or interdepartmental major, or they may design a major of their own with faculty advisement and approval. A major consists of not less than 40 semester hours of which at least 24 must be upper division. No more than 16 semester hours may be required beyond this as prerequisites. Regional campus students must select a structured major and can only choose from those offered at a particular site. A concentration in a major is available in selected departments. A concentration requires a student to complete between 12 and 20 upper division semester hours, none of which may be used to fulfill requirements in other concentrations or majors. Available concentrations are listed in the Programs section of this catalog. Concentrations are noted on the transcript. Students are strongly encouraged to declare a major at point of entry, but must declare a major prior to enrollment in their junior year.

No course, whether a prerequisite, core requirement, elective or culminating requirement can be applied toward a major unless a grade of C- or better was received. A course in which CRD was received cannot be applied to the major, except in limited instances approved by the department chair and the Registrar. Most seniors are required to pass a set of comprehensive examinations in their major(s) and/or complete a senior project/seminar.

**Bachelor's Degree Double Majors:** La Verne permits students to pursue a double major. Students who desire to double major should make this decision early and meet with the advisors of both majors. The minimum requirements for graduation with two bachelor's degree majors are as follows:

1. Completion of all the requirements in both majors.
2. In cases where there is no duplication of major requirements, completion of a minimum of 80 semester hours in the two fields (40 semester hours in each major), of which 48 semester hours (24 semester hours in each) must be at the upper-division level.
3. In cases where there are overlapping upper-division major requirements (not including supportive requirements), completion of additional upper-division electives in the fields equal to the number of overlapped courses.

Note: students who declare double majors that are designated B.A. or B.S. must choose one of the designations. Students obtain a single degree, B.A. or B.S.

**Second Bachelor's Degree:** A student already holding a bachelor's degree may earn an additional bachelor's degree by satisfying the requirements of that degree in residence, general education, and upper-division course work. To satisfy the residency requirement for the second bachelor's degree, a student must complete a minimum of 44 additional semester hours at La Verne of which 16 must be upper division. The major, general education, and upper-division requirements in effect at the time of matriculation for the second bachelor's degree must also be completed, but courses taken for the first degree may be applied to the second.

**Bachelor's Degree Minors:** Students may declare a minor in a second field upon the approval of the minor field department if the student has completed 20 semester hours of upper-division work in the minor field, or 24 semester hours in the minor field of which 16 are upper division, or 30 semester hours in the minor field of which 12 are upper division. Individual departments may require specific courses and/or additional work for the minor as specified in the Undergraduate Programs section of this catalog. Courses declared as part of the major (not including supportive requirements) cannot be applied toward the minor. No course can be applied toward a minor unless a grade of C- or better was received. A course

in which CRD was received cannot be applied to a minor.

**Adding an additional Major/Minor/Concentration after degree posting:** Students can add a major, minor, or concentration after their degree has been officially posted to their transcript. Students must contact the appropriate Program Chair/Advisor to declare their intent to add the additional major/minor/concentration. Once the student has the approval of the Program Chair/Advisor he/she must also complete an Application for Graduation in the Office of the Registrar. This will allow the Office of the Registrar to monitor completion of the added major/minor/concentration, and update the student record to allow registration. A fee will not be charged for this application. Upon completion, the Program Chair/Advisor must notify the Registrar's Office, at which time the added major/minor/concentration will be noted on the student's official transcript along with the completion date. The additional program will be indicated as an event separate from the original degree. The diploma will not be revised.

Students who request the added major/minor/concentration after degree posting are no longer considered admitted to a degree program and therefore will not be eligible to apply for financial aid for the required additional courses. However all other policies and requirements listed in the catalog under the major, minor, or concentration areas will apply.

## **Associate Degree Programs**

An Associate Degree is offered at the Point Mugu Regional Campus only. To earn an Associate Degree in General Studies, a student must complete the following:

*Note: These scores are minimum admission requirements only. Some programs require higher scores.*

### Advanced Standing - Master's Degree Programs:

Master's degree candidates must have received Advanced Standing prior to the beginning of the term/semester for which they plan on registering for their culminating activity. To obtain Advanced Standing, candidates must have completed a minimum of 21 semester hours, or have completed 18 semester hours and currently be enrolled in 6 semester hours (30 semester hours in a 39-50 semester-hour program; 43 semester hours in a 61 semester-hour program), as well as all prerequisites. In addition,

they must have satisfied any provisions or conditions imposed at the time of admission to the program, fulfilled any special conditions or procedures specified by their academic departments, and attained a minimum cumulative GPA of 3.0 for all courses applicable to the degree program. To apply for Advanced Standing, students must submit an Application for Advanced Standing with the approval of their academic advisor along with an Application for Graduation (with the graduation fee) to the Graduate Office or regional campus. Verification of Advanced Standing is sent to the student by the Graduate Office or the ROC Student Services Office.

**Time Limitation:** All requirements for the master's degree are to be completed within five years from the time of first course registration for the graduate program at La Verne; all requirements for the doctorate, within eight years. Appeals for extensions of time limitations must be made in writing to the Graduate Appeals Committee.

### Continuous Registration for Culminating Activity/Field Work:

A maximum of four six-month extensions will be permitted within the five-year time limit for the completion of the degree.

**Degree Completion Date:** The degree is not considered completed until all of the above requirements have been fulfilled, all grades have been received, and all applicable advanced standing or appeal fees have been paid. The degree date will be determined by the final event that completes the degree; this may be the final day of the term or semester, the date coursework is completed for an IP, INC, or CE grade, or the payment of required advanced standing and/or appeal fees.

## Art History — B.A.

---

The art history major provides a broad background in the histories of art, photography, and architecture. Instruction focuses on the visual skills necessary for art analysis as well as the writing and speaking skills through which this analysis is articulated. Students pursuing an art history major prepare themselves for careers in professional education in the arts, gallery and museum curatorship, law, urban planning, historic preservation, and other professions demanding good writing skills and critical thinking. Students who intend to pursue graduate study in art history should be proficient in a foreign language and should include these courses in their study. Students who intend to pursue graduate study and/or a career in museums and arts administration should take MGMT 300. Students may do both the internship and study abroad, but only one is required.

## ***HONORS PROGRAM***

**Program Chairperson:** Sean Bernard

The Honors Program offers a challenging intellectual experience that complements any major at the University. Open to students with proven academic success, the rigorous curriculum is taught by passionate and knowledgeable professors, and it allows students an opportunity to concurrently complete many general education requirements.

The Honors Center, available to Honors Program students, offers a study lounge, computer laboratory, and a seminar room.

All Honors classes reinforce the essential skills acquired during college education: to write effectively, communicate clearly, and think critically. The program also provides opportunities for creative expression through innovative pedagogical contexts in small classes, study-travel experiences, interdisciplinary group projects, and career preparation.

Students who complete the program curriculum with a 3.0 or better overall GPA at ULV receive the designation "Honors Program Graduate" on their diplomas and transcripts.

**Eligibility Requirements:** For entering first-year students, a high school GPA of 3.5 or above and a combined SAT Mathematics and Critical Reading score of 1170 are required. For currently enrolled and transfer students, a 3.3 GPA or above and the recommendation of two instructors are required. ## Athletic Training — B.S.

**Director:** Paul Alvarez

The Athletic Training Program (ATP), offers a Bachelor of Science Degree in Athletic Training, and is accredited by the Commission on Accreditation of Athletic Training Education (CAATE). CAATE accreditation allows the student who graduates with a major (B.S.) in Athletic Training to sit for the Board of Certification (BOC) exam. The Athletic Training Major prepares students for this exam by addressing the required educational competencies and clinical proficiencies through a challenging curriculum that integrates classroom studies with clinical application.

The La Verne ATP is a five-semester program that begins in the spring of each year. Due to the specific sequence of courses that allows basic knowledge and skills to progress to advanced clinical levels, it is vital that all students interested in pursuing the Athletic Training Major be advised, at entrance, by a faculty advisor within the ATP. Students must communicate with that advisor on a regular basis.

The ATP is a rigorous and intense program. The Technical Standards establish the essential qualities considered necessary for students admitted to the ATP to achieve the knowledge, skills, and competencies of an entry-level athletic trainer and meet the expectations of CAATE. All students must meet the Technical Standards to be admitted to and continue in the ATP. In the event a student is unable to fulfill the Technical Standards, with or without reasonable accommodation, he or she will not be admitted to or retained in the ATP.

**Admission Requirements:** Admission into the Athletic Training Major is competitive and highly selective. Applicants meeting the minimum requirements listed below are not guaranteed admission into the major. Applications for admission to the ATP are available in the fall of each year. Final confirmation of acceptance into the program will be made after final Fall grades are posted. Transfer students must meet all prerequisites for the ATP, be accepted to La Verne, and meet with the Program Director prior to applying to the ATP. Acceptance into La Verne does not guarantee acceptance into the ATP. The GPA requirement for program retention and graduation with a B.S. in Athletic Training is 2.5 overall. The following are the minimum requirements for admission.

1. Completion of 32 semester hours with a minimum overall GPA of 2.5 which is higher than the institutional standard.
2. College Transcripts showing completion of KINE 151, 235, and 237, and BIOL 343 with a combined minimum GPA of 3.0.
3. 50 athletic training observation hours and a performance evaluation by a supervising Certified Athletic Trainer.
4. A physical examination by an M.D. or D.O. with verification of ability to perform ergonomic tasks and compliance with the program's Technical Standards (listed in La Verne's "ATP Policies and Procedures Manual").
5. Verification of current immunizations, including Hepatitis B, MMR, tetanus, polio, and a negative TB test.
6. Three letters of recommendation, at least one of which by a Certified Athletic Trainer.
7. Current First Aid/CPR certification.
8. A completed ATP Application Form.
9. Application cover letter containing statement of professional interest, previous athletic training experiences, and career goals.
10. Professional résumé
11. An interview with ATP faculty and staff.

## LEGAL STUDIES DEPARTMENT

**Program Chairperson:** Patricia Adongo

**Regular Faculty:** Patricia Adongo, Carolyn Bekhor

The American Bar Association has approved this program for the education of paralegals. It prepares individuals for careers as paralegals or for positions where organizational and analytical skills as well as knowledge of the law and legal procedures are necessary. Paralegals work under the supervision of an attorney or perform work for which an attorney is responsible. Paralegals do not practice law nor give legal advice. The goal of the department is to educate students of diverse backgrounds to become effective, ethical, and professional paralegals who are employable in a variety of legal settings. The five cornerstones to achieving this goal are knowledge of law, practical application, analytical ability, effective communication, and technology literacy. The minor in American Law is not approved by the American Bar Association and does not prepare a student for a career as a paralegal. LS 301 and LS 304 are prerequisites to all other courses, and a grade of C or better in each is required for the student to continue.

## Legal Studies — B.S.

Transfer courses are accepted into this program, but majors must take a minimum of 24 semester hours of upper-division LS courses from La Verne. Students should complete WRT 110 and six additional semester hours of general education prior to taking LS courses. At least 18 semester hours of general education must meet the Legal Studies Program's approval. The major requires 46 semester hours.

## American Law Minor

The minor in American Law is not approved by the American Bar Association and does not prepare a student for a career as a paralegal. The goal of the minor is to educate students in the basics of American law so that they can be better consumers, determine their interest in law, or prepare for law school.

### Core Requirements:

LS 301	American Legal Studies	(4)
LS 304	Legal Research and Writing	(4)

La Verne's world language programs with majors in French and Spanish, a minor in Japanese, and courses in German aim to familiarize students with the cultural richness and diversity of the world through the intensive study of the linguistic, literary, and cultural expressions of other global communities. Since cultural values are best understood experientially, study abroad is a central component of the Spanish and French majors.

Students who complete La Verne's foreign language major should demonstrate the linguistic competence and cultural sensitivity necessary to function effectively as informed world citizens in a growing number of professional fields, including international affairs, business, teaching, and communications. The La Verne foreign language major also prepares students for graduate studies.

## Writing Program

**Director:** Catherine Irwin

**Regular Faculty:** Claire Angelici, Sean Bernard, Judy Holiday, Catherine Irwin, Jolivette Mecenas, José Pérez-González

**Adjunct Faculty:** Lourdes Villarreal, Gary Westfahl

The Writing Program views the liberal arts tradition of studying language, rhetoric, and poetics as foundational to ethical and reflective written communication in the disciplines, professions, and civic life. Writing courses in the General Education Written Communication Area requirement (CSWA and CSWB) are designed to introduce writing-to-learn practices and audience-based communication as fundamental to lifelong learning. First-year students and transfer students are placed into a writing course based on their exam scores from the combined Written and Critical Reading SAT score or from the program's Writing Placement Examination. Additionally, transfer students with courses from other institutions that articulate with CSWA may place directly into WRT 111. Students who place into WRT 109 will also be placed into WRT 109S, Writing Studio. Students must complete WRT 109 with a grade of C- or higher and the co-requisite WRT 109S with a grade of Credit in order to enroll in WRT 110. Students who place into WRT 110S, Writing Studio, must complete this co-requisite with a grade of Credit while concurrently enrolled in WRT 110 in order to satisfy CSWA. Students wishing to major in creative writing must fulfill core requirements and electives. Students wishing to minor in creative writing must fulfill core requirements. Through the courses and performances offered by the department, students will develop an understanding of artistic expression as an essential part of life and learn skills essential to musicians today. Students may choose a major or minor with a concentration in performance, history, or theory/composition.

The department has a unique relationship with the total educational experience in that students majoring in other areas are invited and encouraged to participate in all classes, ensembles, and applied lessons. Students are given the opportunity to initiate and/or continue development of their musical interests and talents.

## ***PREHEALTH SCIENCE PROGRAMS***

**Program Chairperson:** Jerome Garcia  
**Prehealth Science Committee:** Jeffery Burkhardt,  
 Jerome Garcia, Iraj Parchamazad

The Prehealth Science Committee works directly with students interested in pursuing vocations in the healing arts. Committee members advise prehealth science students and will write letters of recommendation for students applying to graduate programs. A student interested in a prehealth science field should contact the program chair during the first week at La Verne so that an academic advisor on the Prehealth Science Committee appropriate to the student's field of interest can be assigned.

La Verne's prehealth science programs are designed to meet the requirements for admission to all accredited health science programs in medical, dental, pharmacy, optometry, veterinary, and nursing schools. The high school program should include biology, chemistry, physics, trigonometry, and a foreign language, such as Spanish or German.

The health science student is entering a difficult and demanding program, and there are many steps to be taken in preparation for graduate study. First, a broad, well-balanced, general education background is essential. Second, although a health science student may select any college major, the prescribed courses in biology, chemistry, mathematics, physics, and English must be completed. These courses are required by most graduate health science schools, and they are essential preparation for the highly competitive entrance examinations (e.g., MCAT, DAT, PCAT, etc). Competition for admission to graduate schools is increasingly keen, with the average GPA of those accepted at about 3.8. Other important factors in determining admission include interviews, admission

exam results, letters of recommendation, grade trends, extracurricular activities, intensity of the academic programs, and work experience.

### **Suggested Prehealth Science Program for Students Majoring in Biology:**

#### *Freshman year:*

BIOL 204	Plant Biology	(5)
BIOL 205	Animal Biology	(5)
CHEM 201, 202	General Chemistry I, II	(5, 5)
	English and Speech	(4, 4, 2)

MATH 201, 202	Calculus I, II	(4, 4)
	Two electives (including general education requirements)	

#### *Junior year:*

BIOL 313	Developmental Biology	(4)
BIOL 314	Biochemistry	(5)
PHYS 201, 202	General Physics I, II	(5, 5)

#### *Senior year:*

Fall: Appropriate screening exam—MCAT, DAT, PCAT, etc.

Completion of major requirements, including senior project.

Completion of general education requirements.

Comprehensive examination in Biology.

If majoring in Chemistry, Physics, or other field: The above schedule for Biology majors illustrates one pathway that can be followed, but if majoring in Chemistry or another demanding major, it is especially important to receive proper advising.

## ***PRELAW PROGRAM***

**Prelaw Advisor:** Jason Neidleman

A broad academic, cultural, and intellectual background in the various disciplines of the liberal arts is

highly beneficial to students who are considering the legal profession. While leading law schools prescribe no one set of courses for students preparing to enter law school, all encourage prelaw students to develop skills in analytic research, communication (both written and oral), and reading comprehension. Prelaw students may select any undergraduate major offered at the University of La Verne.

The prelaw advisor has been designated to give prelaw students assistance in designing their courses of study at La Verne to best prepare them for law school. Through careful counseling the advisor will identify the student's strengths and weaknesses for future legal study. This individualized counseling program and the help given to students in locating suitable law schools has been successful in placing prelaw students in the La Verne College of Law as well as other law schools in California and other parts of the United States. Students are urged to contact the prelaw advisor as soon as they decide to pursue a legal career.

## Marriage and Family Therapy — M.S.

---

**Program Chairperson:** Amy Demyan

The MFT program trains students to become therapists to meet the psychological needs of families, couples, and children in a changing society. It combines theoretical training with practical experiences to prepare students for professional counseling careers emphasizing the best practices Recovery Model. General systems theory provides the theoretical foundation for the MFT program, and students are exposed to a range of theoretical orientations that reflect a systems perspective. In California, completion of this program fulfills all of the academic requirements of the Board of Behavioral Science for licensure in California as a Marriage and Family Therapist, as well as the academic requirements for California community college counseling and instructor positions. The program also meets statutory requirements for the LPCC (Licensed Professional Clinical Counselor) license. Those planning to apply for the LPCC, in addition to the degree plan of classes, must complete PSY 514 Career Counseling.

### Admission requirements:

1. A bachelor's degree with the following six courses: general psychology, developmental psychology, abnormal psychology, psychological research methods/experimental psychology, statistics, and one other psychology theory class.
2. The undergraduate course work will be evaluated on an individual basis for its recency and appropriateness to the graduate program.
3. An overall undergraduate GPA of 3.0. Applicants with a GPA below 3.0 may be considered with additional requirements.
4. The La Verne Graduate Studies Admission Form returned with nonrefundable \$50 application fee.
5. Completion of a 5-7-page statement of purpose and autobiography.
6. A copy of a current résumé.
7. Three letters of recommendation from professors and colleagues who are familiar with the applicant's academic and professional abilities, potential, and appropriateness for the counseling profession. At least one letter should be from a professor.
8. Applicants are strongly encouraged to have at least one year of volunteer or paid experience working with families, children, couples, or indi-

viduals.

9. An interview with at least two psychology faculty members.
10. Completion of a test of written language.

*A student is eligible to enroll in no more than six semester hours prior to being admitted into the MFT program.*

**Classroom Conduct, Behavior Standards, and Ethics.** Professionals in the field of counseling are governed by a number of ethical principles. Students in the MFT program are expected to follow such principles. Students should be aware that annual evaluations will consider personal suitability for the field and professional development. Classroom conduct, behavioral standards, and ethical behavior will be considered in this evaluation. Failure to display appropriate behaviors in each of these areas may result in dismissal from the program.

**Academic Progress.** The program adheres to the grading policies stated in the current ULV catalog. It should be noted that grades of B- or better are required for "successful completion" in the MFT program. Students earning grades lower than B- will be required to retake these classes if they are required for their degree. In addition, students must maintain a cumulative GPA of 3.0 in order to maintain normal academic progress and good standing in the program.

**Program Candidacy.** All counseling students are admitted into the program under a pre-candidacy status. After the completion of 12 semester hours, all students become eligible for candidacy status and are evaluated by the following criteria: GPA of 3.0 or above, a passing score on the Competency Examination (PSY 595), and demonstrated personal suitability for the counseling profession. Occasionally, students may receive a provisional candidacy status in which certain conditions must be completed before they can receive candidacy status. In some instances, students may be denied candidacy and be discontinued from the program. All students must receive candidacy status in order to complete the program.

During their coursework in the program, students continue to be evaluated for demonstrated suitability to the program and the counseling profession. Occasionally, discontinuation of a student from the program may occur, even after the conferring of candidacy status, if the student's personal or professional behavior does not continue to meet minimum professional

and/or academic standards.

**Personal Psychotherapy.** The department believes that students entering the marriage and family therapy profession benefit professionally, personally, and academically from experiencing personal psychotherapy, and believes that psychotherapy is a necessary training experience for counseling professionals. Therefore, all students enrolled in the MFT program are required to complete a minimum of 10 hours of personal psychotherapy during their year of fieldwork placement (PSY 580, 581). Students should design a treatment plan for departmental approval, with their fieldwork instructor. Students must complete 5 (five) hours of personal therapy by the end of PSY 580 to earn academic credit for that class and must complete all 10 (ten) required hours by the end of PSY 581 in order to receive credit for that course. The therapy may include individual, couple, family, or group therapy, depending on the individual student's issues and preferences. Students enrolled in the MFT program may apply their psychotherapy hours towards the optional hours of experience category for California MFT licensure. Any exceptions to this policy must be approved by the department.

**Competency Exam.** The Competency Exam is a program requirement that must be completed in order to be eligible to begin the fieldwork experience. For MFT students, the exam is based upon, and occurs after successful completion of PSY 512, 516, 517, and 527. The exam is scheduled in June each year. All conditions of admission must be completed, and the student must be making satisfactory progress in the program, in order to sit for the exam. Students should complete the competency exam after all graduate level prerequisites are completed but prior to the start of the 30th semester hour. Exceptions to this must be approved by the program chair in writing.

**Advanced Standing.** Students must receive advanced standing in order to enroll in Graduate Seminar (PSY 596), the culminating activity for the MS Program. MFT students are eligible to apply for Advanced Standing when they have completed 35 semester hours. Students must have completed all provisions or conditions of admission, have passed the competency exam, be in academic good standing, and have attained a minimum GPA of 3.0 for all work applicable in the degree programs in order to apply for advanced standing.

**Leave of Absence.** MFT students are expected to

participate in coursework each semester until degree completion. A student who finds it necessary to interrupt his or her studies and desires to return should contact the Program Chair to request a leave of absence. With a leave of absence, a student may be absent from ULV for no more than two semesters without reapplying for admission. Students absent during a Fall or Spring semester without an approved leave of absence will be considered withdrawn.

### Program Policies

All students admitted into the Psy.D. Program at the University of La Verne are governed by, expected to be familiar with, and abide by the Program's policies as described in the Psy.D. Program Policies and Procedures Handbook located at:

<http://sites.laverne.edu/psychology/psyd-program/program-policies/>

This *Program Policies and Procedures Handbook* is designed to orient and guide students admitted to the Psy.D. Program in Clinical Psychology through their educational journey at the University of La Verne. It contains information regarding the policies and procedures that govern both administrative and academic matters. Where appropriate, students may be referred to additional documents for further information on program policies and procedures. The *Program Policies and Procedures Handbook* applies to all students active in the program (i.e. to all students whose Psy.D. degree has not posted). Clarification of matters contained in this handbook may be obtained from the Program Chair/Director of Clinical Training (PC/DCT). Psy.D. students should note that the policies outlined in the *Program Policies and Procedures Handbook* may be more stringent than the policies contained in the university catalog. Psy.D. students are expected to abide by the policies outlined in this *Program Policies and Procedures Handbook* and will be held accountable to them.

### Training Philosophy

The program follows the *scholar-practitioner model* of

professional training and prepares clinical psychologists to promote mental health for the welfare of individuals, families, groups, institutions, and society as a whole. The program follows the NCSPP professional psychology educational model as well as the *APA Guidelines and Principles for Accreditation of Programs in Professional Psychology*. The curriculum also meets the California Board of Psychology educational requirements for licensure as a psychologist.

The core mission of the program is to train scholar-practitioners who think critically, apply their knowledge diligently, and practice ethically and compassionately. The program strives to prepare doctoral students to become multi-culturally competent professionals. The program's philosophy is that clinical practice is based on the scientific foundations of psychology and that the science of psychology is informed by good clinical practice. Consistent with this view, our program includes systematic training in both research and practice and our students are expected to develop competencies in clinical and research skills. Our curriculum is designed to prepare clinicians to be able to critically evaluate empirical research pertinent to the practice of clinical psychology and incorporate this information into practice.

The Psy.D. Program is a secular doctoral program and embraces diversity of all kinds. The program welcomes students, faculty, and staff from many ethnic, cultural, religious, sexual orientation, age, and ability backgrounds. The program is committed to creating and maintaining a positive training climate that (a) allows for open inquiry, free expression, and effective conflict resolution, and (b) promotes the understanding and affirmation of all aspects of human diversity.

### Program goals, objectives, and competencies

The program is guided by an overarching set of principles designed to: (a) integrate theory, research, and practice; (b) infuse multicultural issues throughout; (c) provide a sequential, cumulative, and graded in complexity experience that enhances coherency and depth; (d) encourage active collaboration among students and foster cooperative classroom and program environments; and (e) meet NCSPP core professional competencies. The Psy.D. program has established the following goals, objectives, and competencies for students in the program. A detailed listing of these goals, objectives, and competencies is presented in the *Program Policies and Procedures Handbook* available on the program's website at: <http://sites.lav->

### Admissions requirements and procedures

Applicants to the Psy.D. program must submit the following materials postmarked by December 31<sup>st</sup> (for admissions the following fall semester) to the office of Graduate Admissions:

1. Application for Admission form and a non-refundable application fee.
2. Official undergraduate transcripts from a regionally-accredited institution. An undergraduate major in psychology is required. Coursework in the major must include: introductory/general psychology, statistics, experimental psychology/research methods, and abnormal psychology; and two of the following courses: history and systems of psychology, social psychology, theories of personality, human development/developmental psychology, clinical psychology, physiological psychology/biopsychology, multicultural psychology, psychological testing/psychometrics, cognitive psychology, learning/memory, or sensation and perception. A minimum overall undergraduate GPA of 3.30 is required. A Master's degree is not required for admission and a Master's GPA may not be substituted for a deficient undergraduate GPA.
3. International students must submit proof of proficiency in the English language via a satisfactory total TOEFL score. The minimum required TOEFL total score for the 3 versions of the TOEFL are: 600 (paper-based version), 250 (computer-based version), and 100 (internet-based version). International students must also provide proof of financial sponsorship and financial statements.
4. Official test scores for the GRE General test (Verbal, Quantitative, and Analytical Writing). The minimum required GRE scores are 300 (Verbal and Quantitative combined) and 3.5 (Analytical Writing). The GRE Psychology Subject test is recommended but not required. Scores must be recent (no older than 5 years).
5. Three letters of recommendation from individuals familiar with the applicant's academic preparation, fieldwork, employment, or volunteer experience. All three letters must be from indi-

viduals who are qualified to objectively assess the applicant's ability to succeed in doctoral-level study and potential to function competently as a professional clinical psychologist.

6. A current curriculum vita.
7. A statement of professional goals and aspirations explaining why the applicant wants to pursue doctoral study in clinical psychology and outlining what the individual anticipates for his or her future as a result of earning the Psy.D.

Following receipt of all application materials, only applicants being considered for admission are interviewed. The program admits only full-time students and part-time applicants are not accepted. Interviews are held in February and include: individual interviews with core doctoral faculty members, a group experiential activity, a writing assignment, a campus tour, and meeting current students. The program strongly favors interviews to be held in person, but telephone interviews may be arranged for applicants from distant locations. Students are notified of their admission status by the middle of March, and are given until April 15<sup>th</sup> to respond. To be officially admitted to the program, students must provide documentation of having completed an undergraduate degree in psychology prior to enrolling in the fall. Only admitted students may take courses in the program.

### Students with disabilities.

Students with disabilities, who need reasonable modifications, special assistance, or accommodations in the program, should direct their request to the PC/DCT at the time of the program orientation. Students must register with the *Services for Students with Disabilities office* and provide documentation of their disability to receive services. If a student with a disability feels that modifications, special assistance, or accommodations offered by the program are insufficient, that student should seek the assistance of the *Services for Students with Disabilities office*.

**Student self-disclosure while in program.** The American Psychological Association (APA) Code of Ethics states:

### **7.04 Student Disclosure of Personal Information**

*Psychologists do not require students or supervisees to disclose personal information in course- or program-related activities, either orally or in writing, regarding sexual history, history of abuse*

---

*and neglect, psychological treatment, and relationships with parents, peers, and spouses or significant others except if (1) the program or training facility has clearly identified this requirement in its admissions and program materials or (2) the information is necessary to evaluate or obtain assistance for students whose personal problems could reasonably be judged to be preventing them from performing their training- or professionally-related activities in a competent manner or posing a threat to the students or others.*

Several courses in the program (such as but not limited to: practicum courses, the multicultural competency sequence, group therapy, and supervision) require students to explore their world view as it affects their work with clients. Because of the effect that students' personal experiences and perspectives might have on their work with clients, these courses often include experiential activities such as self-disclosure, group process, role plays, and exploration of personal issues as they affect the therapeutic relationship.

### **Program requirements and progression through program**

Students are continuously evaluated on their professional, ethical, and legal conduct while in the program. Several activities measure students' competency while in the program including: course grades, practicum performance, completion of peer supervision requirement, completion of the personal psychotherapy requirement, performance on the clinical competency exam, progression and performance on the dissertation, and performance during the pre-doctoral internship. In addition, students are evaluated on their professional development including participation in extracurricular activities, and on their ability to engage in self-reflection and evaluation.

### **Transfer credit for previous graduate work**

Students who have completed previous graduate work at another university may request transfer credit for this work. Request for transfer for academic credit and coursework will be reviewed by the PC/DCT on a case by case basis for recency and academic applicability. Only courses completed within 5 years from date of admission into the Psy.D. program, at a regionally accredited university, with a grade of B (3.0) or better may be considered for transfer. The maximum number of transfer credits is 12 semester hours. Transfer credit may reduce course load during various semesters of the program but does not shorten residency requirements or the number of years required to

complete the program. Practicum, internship, statistics, research methods, and dissertation units are non-transferable and are not accepted for transfer credit. Students requesting transfer credit for previous graduate work must submit official transcripts and copies of relevant syllabi to the PC/DCT for formal review by November 1<sup>st</sup> of their first semester in the program. Requests for transfer credit past that date will not be honored. The PC/DCT, in consultation with relevant course instructors, decides whether or not to award transfer credit.

### **Grading policies**

The Psy.D. program uses the following grades in evaluation of students' performance (A, A-, B+, B, B-, and F) or (Credit, No Credit). The minimal passing grade for all letter grade courses is B-. The minimal passing grade for all Credit/No Credit courses is "credit." A final grade lower than a B- in a letter grade course or "no credit" in a CR/NCR course is evaluated as failing the course and the course must be re-taken for course credit to be obtained. Psy.D. students may re-take a course for course credit only once. Any student failing any course in the program twice will be dismissed from the program.

### **Masters of Psychology**

Students may apply for an M.S. in Psychology at the completion of their second year of the Psy.D. program. This degree is intended only as an en route degree toward completion of the Psy.D. and is not a terminal master's degree. Students must be in good academic standing at time of application and have successfully completed their first two years of required coursework. Completion of Psy 660: Clinical Competency Exam is not required for advancement to the Master's degree. Those students awarded the degree may participate in the January commencement during their third year

### **Advancement to Doctoral Candidacy**

Students are admitted into the Psy.D. program as pre-candidates. To be advanced for doctoral candidacy, pre-candidates must at a minimum (a) complete their first 3 years of coursework, (b) complete a minimum of 1,500 clinical practicum hours, (c) pass PSY 660: Clinical Competency Exam, and (d) complete PSY 662: Dissertation Proposal Defense. Evaluation for doctoral candidacy occurs after completion of both PSY 660 and PSY 662. All students must earn candidacy status in order to complete the program. Students must be advanced to candidacy before they can apply for internship. Once candidacy is granted, students are permitted to use the title "Doctoral Candidate" or

“Psy.D. Candidate.” Students are prohibited from using these titles before then and should instead refer to themselves as a “Doctoral Student,” or “Psy.D. Student.” Dismissal of a student may occur even after the conferring of candidacy and passing the Clinical Competency Exam if the student does not meet the dissertation competency and/or internship competency, or if the student’s personal or professional behavior does not continue to meet required standards for the profession.

### Continuous enrollment

Students must be continuously enrolled in the program until their degree is completed. Details concerning continuous enrollment are presented in the *Program Policies and Procedures Handbook*.

### Degree completion time limit

While students are expected to complete their Psy.D. requirements and graduate in five years from the date of matriculation, all requirements for the doctoral degree must be completed within 8 years from the start of the student’s first course in the Psy.D. program

### Dismissal from program

Students may be dismissed from the program under several circumstances including, but not limited to: academic dishonesty, academic disqualification, failure to maintain minimum academic standards, failure of program activities measuring student competencies, failure to maintain satisfactory academic progress, unethical or unprofessional conduct, circumstances interfering with training or well-being of others, felony conviction. Students dismissed from the program may not apply for readmission.

### Licensure

Courses in the Psy.D. curriculum are consistent with educational requirements for licensure in California. Because licensure requirements vary among states, students interested in practicing outside of California are encouraged to consult the licensing boards in the states where they intend to practice.

**Total Program:** 120 units

## RELIGION & PHILOSOPHY DEPARTMENT

**Chairperson:** Dan Campana

**Regular Faculty:** Dan Campana, Richard Rose

**Adjunct Faculty:** Marshall Osman, Jonathan Reed, Zandra Wagoner

Consistent with La Verne's history and values orientation, the Religion/Philosophy Department offers bachelor of arts degrees in Religion, Philosophy, and Religion/Philosophy. A minor is also available in Religion or Philosophy. Religion courses offer the opportunity to explore religion and religious values in a critical, academic context. Philosophy courses challenge students to look seriously at the philosophical traditions which have helped to shape our world views. In all courses emphasis is upon critical thinking and evaluation of a broad range of views with the goal of refining one's own perspectives.

Off-campus religion programs are also offered to enable students in African American and Latino communities of Los Angeles to pursue degrees in Religion and Philosophy. In order to best serve the needs of this diverse group of adult learners, both the admis-

sion requirement of proof of high school completion and the departmental foreign language requirement are waived. Courses are offered in Pasadena and central Los Angeles in the evenings and on Saturdays.

While the practice area of the clinic is immigration, this clinic is especially appropriate for those who wish to become litigators. JIC provides pro bono representation to immigrants seeking asylum or alternative forms of humanitarian relief in the United States due to political, religious, and other human rights persecution. Asylum can lead to permanent residency and U.S. citizenship. JIC has represented refugees from a variety of countries.

JIC provide students with many opportunities to build lawyering skills by giving personal feedback, as well as having students engage in peer review and self-evaluation. Self-reflection and self-evaluation are necessary practices and skills to support lifelong learning.

For more information about the Justice and Immigration Clinic, please contact Professor Diane Uchimiya at (909) 460-2031 or [duchimiya@laverne.edu](mailto:duchimiya@laverne.edu). You may also visit: [www.law.laverne.edu/academics/clinical/](http://www.law.laverne.edu/academics/clinical/).

### **Center for Academic & Bar Readiness**

La Verne Law's Center for Academic and Bar Readiness provides general counseling for students who want to maximize their educational experience and learning outcomes for law school and the bar exam. The Center's staff maintains flexible weekly office hours and will schedule appointments upon request outside of office hours. The Center has an open door policy and students are encouraged to take advantage of the resources available to them as early and as often as possible.

**Externship Program.** The La Verne Law externship program places students into various public and non-profit agencies in which students gain practical experience under the supervision of a practicing attorney. The goals of the La Verne Law externship program are to enhance the student's understanding of the practice of law, inspire dedication to the needs of individual clients, and to value the promotion of justice

carried out with integrity and civility. Student experiences may include research, conducting factual investigations and discovery, research, interviewing clients, counseling clients, drafting pleadings, assisting clients in preparing their pleadings, mediating a dispute, preparing an order or a memo of law for the judge or negotiating a resolution to a dispute. ### **Licensing and Bar Preparation**

**Bar Registration.** Statutory requirements for Admission to the Practice of Law in the State of California are set forth in California Business and Professions Code Section 6060. The Committee of Bar Examiners of the State Bar of California examines all applicants for admission to the practice of law in this state and administers the requirements for admission to practice. The Committee certifies to the California Supreme Court admission to practice only those persons who fulfill the requirements for admission set forth in the Business and Professions Code and the Rules published by the Committee.

Those persons who, upon graduation from law school, seek admission to practice in California must register with the Committee of Bar Examiners within three months after beginning their law studies. Registration forms are available at: [www.calbarxap.com/applications/calbar/California\\_Bar\\_Registration/](http://www.calbarxap.com/applications/calbar/California_Bar_Registration/).

The fee is \$108.00. Each individual student is responsible for insuring that these forms are properly completed and filed in a timely manner.

Students who wish to practice in states other than California are cautioned to make their own investigations into the rules for admission to practice in those states. Registration at the commencement of law school studies often is required.

### **Multistate Professional Responsibility Exam ("MPRE") Preparation Course**

The National Conference of Bar Examiners conducts the Multistate Professional Responsibility Exam ("MPRE") annually in March, August and November. The CABR administers a free MPRE preparation program that begins approximately three weeks before each MPRE exam to help students prepare for the exam.

**Bar Exam Review.** In order to be licensed to practice law, each student must pass a state bar exam. The

Bar Exam Strategic Training (BEST) Program is a complimentary program for COL graduates that provides comprehensive and targeted assistance after graduation, during the bar exam review period. This customized program is not a standalone bar review course, but works in tandem with BARBRI to provide our graduates with the best opportunity to perform well on the California Bar Exam. ## COURSE OF STUDY

### Full-Time Division (Beginning Fall 2013)

The course of study in the full-time division requires three academic years of study in residence. If you enroll in the full-time program, you should expect to devote most of your time to the study of law. The curriculum usually includes five days of class time per week, 14-16 units per semester for a total of 88 units. A typical three-year course of study would be as follows:

#### 1L - Foundational Year

The Foundational (First) Year curriculum will consist of single-semester length courses. Academic success skills will be incorporated into one course each semester (Contracts during first semester, Property second semester), as will legal writing (Torts first semester, Criminal Law second semester). Additionally, in the spring semester, students participate in a Court Observation Week in a small group with a faculty adviser. During that week, all first year students will observe a 3-5 day trial from start to finish. At the conclusion of the trial, the students will have an opportunity to interview the attorneys and the judge and will write a reflective essay on the experience.

#### 2L - Experiential Learning Year

During the Experiential Learning Year, students will take courses in a pair of experiential tracks – Transaction Practical Track and Litigation Practical Track – taught by full time and adjunct faculty members through a cooperative endeavor. The Second Year class will be split in half; one half will take one Track during fall term and the remaining Track during spring term, with the other half reversing the order. Each semester-long Track will consist of multiple courses with designated hours for credit and graded independently. Many aspects of the two collective courses will be taught by adjunct professors who are judges and practicing attorneys. They will also review the students' participation in mock trial and mock negotiation

sessions. Additionally, the Experiential Learning Year curriculum will also incorporate academic success skills and legal writing throughout.

### 3L - Enhancement Year

The Enhancement Year will allow students to enhance their learning and expand their horizons by taking courses covering areas of personal interest as well as gaining valuable experience from clinics, externships and other possibilities. It also incorporates a rigorous writing, academic success, and bar preparation curriculum. Collectively, the Enhancement Year serves to transition students from academic readiness to bar readiness, allowing them to build on what they have learned, become ready to pass the bar exam and enter the legal profession.

### Part-Time Division (Fall 2014)

To accommodate the needs of working adults or others who cannot devote themselves to the full-time study of law, La Verne Law offers a part-time program. The part-time program requires four academic years of study. In this program, students will complete 8-11 units per semester, enroll in summer courses, and attend class three to four times per week. Students should expect a four-evening schedule in some semesters.

**Total Program: 88 semester hours.**
