Addendum Statement
The University of La Verne Addendum represents course and program revisions made since the last publication of the catalog, updates important for students planning on transferring to The University of La Verne, and corrections to the 2015-16 Catalog.

The content of this catalog addendum, along with the remainder of the existing 2015-2016 catalog, should now be used by students, faculty, and staff.

Students are strongly encouraged to seek advice from the Academic Advising and department chairs regarding program requirements. While every effort has been made to ensure the accuracy of the information provided in the catalog and the addendum, The University of La Verne reserves the right to make changes as necessary, and to change, without notice, any of the information, requirements, and regulations as required for compliance with State regulations.
Complaint Procedure

The University of La Verne takes complaints and concerns regarding the institution very seriously. If a student has a complaint regarding the University or one of its schools, the student may present a complaint or grievance according to the applicable policies and procedures found in the University of La Verne Catalog.

A student who has a complaint concerning academic program quality and/or accrediting standards (including complaints that the University has violated state consumer protection laws) is invited to contact the Office of the Provost at 1950 Third Street La Verne, CA 91750; provost@laverne.edu; 909-448-4748.

An individual may also contact the Bureau for Private Postsecondary Education for review of a complaint. The Bureau may be contacted at:

Bureau for Private Postsecondary Education
2535 Capitol Oaks Drive, Suite 400
Sacramento, CA 95833
Telephone: (916) 431-6924
FAX: (916) 263-1897
Website: bppe.ca.gov

The Bureau accepts all types of complaints related to the University, and may refer any complaint it receives including complaints related to institutional policies or procedures, or both, to the University, an accrediting agency, or another appropriate entity for resolution. More information concerning the Bureaus’ complaint procedure can be found at bppe.ca.gov/enforcement/faqs.shtml and bppe.ca.gov/enforcement/complaint.shtml.

The University has provided this information in compliance with the requirements of the Higher Education Act of 1965, as amended, as regulated in CFR 34 §600.9, and the California Education Code §94874.9.

Financial Arrangements and Payment Policies

The student is responsible for the payment of any outstanding balance on his or her student account. All tuition, fees, room and board charges are due by the deadlines listed below. Students who register after the due date are required to pay at the time of registration.

The online student account serves as the official student bill and will reflect the charges, credits and amounts due. It is the student’s responsibility to view their student account online for their balance and make the appropriate arrangements for payment to be received by the deadline date.

Students enrolled in a semester based program must make financial arrangements no later than two weeks prior to the start of the semester. Students enrolled in a term based program must
make financial arrangements no later than one week prior to the start of the term. Students who do not make financial arrangements by these deadlines will be assessed a fee of $100. Students who have not made financial arrangements after 30 days from one to two weeks prior to the term/semester will be assessed an additional $200. New students living on campus must complete their financial arrangements no later than 30 days prior to the start of the term/semester. Continuing students living on campus must complete their financial arrangements no later than June 25. Students living on campus who fail to make arrangements prior to the deadlines listed above will lose their confirmed space and moved to a “pending” list. Financial arrangements include payment in full or enrollment in a payment plan. No student is allowed to register for a semester/term if there is an overdue debt from a previous semester or term.

**Insurance Requirement for International Students in All Programs**
All full-time students with F-1 or J-1 visas secured with documentation provided by La Verne are required to pay La Verne Health Center and Medical Services fees. Coverage thus secured meets the requirements specified by U.S. Federal Regulations. The costs of these fees are included in full-time, traditional-age undergraduate tuition, but graduate students must pay the separate Health Center and Medical Services fees as listed. Students with J-2, H-1, or H-4 visas are not required to purchase La Verne insurance, but J-2 visa holders must show that they have coverage that meets U.S. Federal Regulations.

**Delinquent Payment of Perkins and Institutional Loans**
Students with a Federal Perkins Loan must complete an exit interview before any records will be released. If a student defaults on payment of a Perkins and/or Institutional Loan(s), all records will be held until the student either pays off the loan(s) or brings the loan(s) current.

**Academic Religious Accommodation Policy**
Consistent with our core values of diversity and inclusivity, it is the policy of the University of La Verne to provide a reasonable accommodation based on a person's sincerely held religious belief. A reasonable accommodation is one that does not conflict with reasonably necessary University goals. The person requesting the accommodation is obligated to make the University aware of the need for a religious accommodation as soon as possible and in advance of the need for the accommodation.

The most common request for academic religious accommodation concerns class attendance during the observance of major religious holy days and celebrations. It is the policy of the University to grant students excused absences from class for observance of religious holy days. Students are expected to contact faculty at the beginning of the course (within the first two weeks of class) after reviewing course syllabi for potential scheduling conflicts. Students who request an excused absence in advance shall be provided with a reasonable alternative. Examples of reasonable accommodations for student absences might include: rescheduling an exam or giving...
a make-up exam for the student, altering the time of a student's presentation, allowing extra credit assignments to substitute for missed class work, or arranging for an increased flexibility in assignment dates. Students are responsible for satisfying all academic requirements as defined by the instructor. Faculty members are encouraged to avoid scheduling exams on major religious holidays (a calendar of religious holidays is maintained on the Office of Religious and Spiritual Life web site).

In addition to observance of religious holidays and celebrations, other areas of practice may result in a request for accommodation based on obligations related to prayer, dietary requirements, fasting, religious attire, ablution, and theological or philosophical commitments. Given the uniqueness of requests, they must be handled on a case by case basis and may involve reasonable accommodation of course content. The University Chaplain may be consulted as needed.

**Grievance Procedure**

In the event that agreement cannot be reached regarding a religious accommodation, the student or faculty member should bring the issue to the relevant college dean or, if necessary, to the Provost's office. In the event that advice in resolving the issue is needed, the chairperson, dean or Provost may seek the counsel of a four person committee chaired by the University Chaplain and including, the Chief Diversity and Inclusivity Officer, a faculty member nominated by the Senate, and a student.

**Statement Regarding Mini Fall Term 2015**

Please note the removal of Mini Fall from the following pages: 5, 39, 40, 41, 49, 50, 121, and 125. All mention of Mini Fall term, Mini Fall Term 2015, and 5-6 week courses should be ignored in the 2015-2016 Catalog.
