General Education Requirements – Bachelor’s Degree Programs

p. 85 of the 2017-2018 Catalog

For each General Education requirement, acceptable courses are marked with a GE code in the La Verne Course Catalog, on MyLaVerne, and shown below in parenthesis. One “course” is defined as a minimum of two semester hours, and no course can be used to meet more than one General Education requirement. Students may take a maximum of one course in their major and a maximum of one course in their minor to fulfill their General Education requirement.

Associate of Arts

p. 88/91 of the 2017-2018 Catalog

An Associate of Arts degree is offered at selected locations. To earn an Associate of Arts degree, a student must complete the residency requirement, the minimum GPA requirement for the degree, the General Education requirements and the minimum number of semester hours required.

Minimum Number of Semester Hours: The minimum number of semester hours required for the associate's degree is 60 successfully passed semester hours

General Education Requirements: The University of La Verne is dedicated to broad integrated knowledge and appreciation of the liberal arts. A minimum of 8 courses are required to fulfill the General Education requirements. One course is defined as a minimum of two semester hours, and no course can be used to meet more than one General Education requirement.

The required areas are listed below (1 course is defined as 2-4 semester hours):

Written Communication A	1 course
Written Communication B	1 course
Oral Communication	1 course
Quantitative Reasoning	1 course
Creative Expression	1 course
Humanities	1 course
Natural World (Life or Physical Science)	1 course
Social Sciences	1 course

Elective Units: The associate's degree is aligned with La Verne's bachelor's degrees. Students who plan to complete a bachelor's degree at La Verne should consult with their academic advisor to determine the electives that are best suited for their degree.
