Basic Skills Requirement  
Overview: Per the TK-12 Education Trailer Bill (AB 130) passed in July, beginning admissions for fall 2022, all programs that previously required a CBEST as a program requirement, will now require a Basic Skills Requirement (BSR) prior to beginning their program. The BSR can be met in a number of ways and must be submitted and approved prior to matriculation.

Options for meeting the Basic Skills Requirement

1. Pass the CBEST
2. Pass the CSET: Multiple Subjects Plus Writing Skills Exam
3. Pass the CSU Early Assessment Program or the CSU Placement Examinations
4. Achieve Qualifying Score on the SAT or ACT
5. College Board Advanced Placement (AP) Examinations
6. Pass a Basic Skills Examination from Another State
7. Meet the Basic Skills Requirement by Coursework
8. Meet the Basic Skills Requirement by Coursework and Exam

Program Length – 2 years

Option 2 (Educational Technology)
Program Length – 2 years

Option 3 (Teacher Leadership)
Program Length – 2-2.5 years (Central Campus Only)

Option 4 (Inclusive Education)
Program Length – 2 years

Option 5 (Child Development)
Program Length – 2 years (Central Campus Only)

Option 6 (Teaching & Learning: Bilingual Emphasis)
Program Length – 2-2.5 years (Central Campus Only)

This program is designed for students wishing to earn their multiple or single subject teaching credential and culminates in a master’s degree. Earning a credential takes several steps. Following entry into the program, students must successfully complete teaching methodology courses and fieldwork. Candidates then must be accepted for student teaching, which includes 15 weeks of in-classroom training. Finally, candidates complete core coursework for the master’s degree in an area of specialty of their choice, followed by a culminating project or paper structured to help improve their instructional and leadership abilities.

The multiple and single subject credential coursework addresses teaching strategies for all students in California schools. Integrated throughout the program are methodologies to deliver comprehensive instruction to English learners and to work with special populations in the general education classroom. This replaces the program formerly known as the CLAD credential.

Admission Requirements:

1. Completed admission application
2. Transcripts demonstrating a Bachelor’s degree from a regionally accredited institution with a GPA of 2.75 or above in undergraduate work and a cumulative GPA of 3.0 or above in any graduate work.

3. A statement of purpose. Write a statement of purpose addressing the following points:
   a. Your reasons for wanting to earn a Master of Education degree
   b. Any personal or professional experiences and/or qualifications related to your intended field of study. Your statement should be approximately 500-words in length and typewritten.

4. Two letters of recommendation (on letterhead) from individuals qualified to objectively evaluate the candidate’s ability to succeed in graduate school and the potential to be a competent educator. Letters must be from individuals who can knowledgeably comment upon the candidate’s academic skills, employment/volunteer experience, leadership potential, and professional abilities.

5. Transcripts

6. Resume

Optional, if available at the time of admission:

Program Requirements, if not completed at the time of admission:

Proof of completion of CBEST*, CSET, RICA (multiple subject), TB, and Certificate of Clearance.

*All applicants must meet the Basic Skills Requirement (BSR) to be considered for admission for Fall 2022 forward.

(p. 307)

**TEACHING PREPARATION PROGRAMS**

**Program Chair: Joy Springer**

Earning a multiple or single subject credential takes several steps. Following entry into La Verne’s teacher education program, students must successfully complete teaching methodology courses and fieldwork. Candidates then must be accepted for student teaching, which includes courses as well as 15 weeks of in-classroom training, completed in two segments.

The multiple and single subject credential teacher preparation programs address teaching strategies for all students in California schools. Integrated throughout the programs are methodologies to deliver comprehensive instruction to English learners and to work with special populations in the general education classroom. This replaces the program formerly known as the CLAD credential.

Transitional Kindergarten Certificate (Summer 2021 start)

The Transitional Kindergarten (TK) Certificate will fulfill the child development units required for the newly passed law based on Transitional Kindergarten Senate Bill 837. The law states that a credentialed (or preliminary credentialed) teacher must have 24 units of early childhood education or child development to teach transitional kindergarten in a California school district.

The University of La Verne Child Development Program’s Transitional Kindergarten Certificate is designed to provide preliminary and credentialed K-8 teachers with upper division units that cover the knowledge, skills, and strategies to teach effectively in a transitional kindergarten classroom. Courses are designed around the California Learning System which includes Foundations and Framework and the alignment of the California preschool Learning Foundations with California Content and Common Core State Standards.

The TK Certificate is a non-degree certificate and should be applied to using the Non-Degree Application: [https://admissions.laverne.edu/register/nondegreeapp](https://admissions.laverne.edu/register/nondegreeapp).

Course Delivery

The TK certificate is comprised of 6 courses (24 units) delivered fully online. The term for each course is 8 weeks. It is possible to complete the TK certificate in as little as one year. Each course is four (4) upper-division, transferable units delivered through the Child Development Program of the Education and Teacher Development Department.

EDUC 480 TK Childhood and Adolescent Development

EDUC 481 TK Childhood Observation and Assessment

EDUC 482 TK Childhood, Family and Community Relationships
EDUC 483 TK Childhood Language and Literacy Development

EDUC 484 TK Childhood Math and Science Development

EDUC 485 TK Childhood Social-Emotional Learning and Development

Upon completion of the TK certificate, students may exercise an option to transfer 21 certificate units to a Master’s degree.
